FIRST BAPTIST CHURCH BREWSTER WELCOME NEW PASTOR

First Baptist Church, Brewster, NY is pleased to announce the arrival of their new pastor, Travis Mitchell.

Pastor Travis will begin pastoral leadership on Monday, September 8th 2014.

FBC Brewster has a long-standing history in the Village of Brewster. This church is active in the community and has partnerships with local organizations. The church avails its facility to host a shelter for the homeless during the winter months, a year-round Soup Kitchen program in partnership with BESP. FBC invites the surrounding communities to participate in an Easter egg hunt with 10,000 eggs. In the fall children and adults alike walk in the annual Ragamuffin Parade through the Village of Brewster, with many activities held on the FBC campus. Further, FBC hosts a community year-end celebration whereby sky lanterns are released, creating a beautiful holiday visual affect. FBC Brewster seeks to provide a place of worship and fellowship with many residents of Brewster, Danbury, Westchester County, and several other neighboring communities. Travis Mitchell, as the new leader, is a welcomed addition.

Pastor Travis is a gifted leader and teacher who has a deep love of Jesus Christ and the work of the Holy Spirit is evident in his life. He is the husband to Amber Joy for 10 years and the father of 3 children, Roman (6), Justice (22 months) and Courage (10 months). His formal education includes a Master of Divinity in Pastoral Counseling from the Denver Theological Seminary and a Bachelor of Science in Accounting. Prior to joining FBC, Pastor Travis was the senior pastor of Sandy Ridge Community Church in Sandy, Utah. Pastor Travis and Amber Joy feel a calling by God to reach the people of New York, and are attracted to FBC by our passion to grow God's Kingdom by making disciples of Jesus through local, regional and global missions and outreach. Pastor Travis' purpose in life is to help others to live and love more like Jesus along with seeing communities experience all that God intends for them.
