

Celebrate God all day, every day' (Philippians 4:4)

Dear GPS Family,

What a joy it is to be the church every day. We get the joyous work of making Jesus present in our world through our lives. This work that we share gets lived out at GPS Faith Community every day. So first off I want to thank you for all you do to help make this work happen through your personal financial gifts, time, talents and so much more. It is because of you that we are able to be a Faith Community.

The last week of April and first of May will focus on our giving lives here at GPS. We'll hear how to cultivate contentment and have our lives defined by generosity. You will also get the opportunity to prayerfully consider growing your giving for 2021 at GPS. We usually do a fall stewardship campaign but this year we will have a spring opportunity to offer what we plan to give for the rest of 2021 in reflection to God's goodness to us. Included are the forms for you to fill out which will go directly to Angela Wedding our Financial Secretary. We also have a few projects we would love your help to make happen. We are longing to turn our side lot into a green space for outreach and church events(. As well we need drum mics (\$600) to help fill out our online experience and our main sign needs some work out front (\$5,000). You can send gifts to GPS for these projects either online at [gpsfaith.com](https://gpsfaith.com) or a check/cash sent to the office. It really is a joy to share in this work together.

In God's Love,

Pastor Brandon Nelson
