We Sing to _____

We Sing to _____ our Hearts

We Sing to _____ and _____ to God

*Singing is a natural response of the heart that
has tasted, seen and savored the goodness
and glory of God. We sing, not because there
is some insufficiency within God that needs
our praise and delight, but because our souls
were made to see and savor Him and it is in
doing so that truly know the utter satisfaction
that comes from communion with God.*

*Singing is one of the ways we experience and
delight in our God.*

SO SING!!
