

## Sunday 2<sup>nd</sup> June, 2019

Welcome to Windsor Park Baptist Church.

The vision statement for the Windsor Park Group is **to build stronger communities by putting our faith into action.**

If you have any questions, or need directions around our buildings, please chat to people wearing yellow lanyards or go to the Information Desk in the foyer. If you'd like someone to pray for you, please feel free to approach someone wearing a red lanyard or come to the front of the auditorium at the conclusion of services. Whether its information or prayer, we're here to serve you.

If English is not your first language, a copy of the transcript of the morning service message is usually available at the Information Desk and is available on our website or app with the video of the service from Monday morning.

### Our services today:

**9.00am 10.45am 6.30pm**

As we round out the Practices in Exile section of our 2019 series, In\Visible, we take a look at what the Spirit is saying to the church from Revelation 2:12-17. Justin O'Malley will be speaking in the morning services and Andrew Clark-Howard will be speaking in the evening service.

### Live and Catching Up

If you're away on any given Sunday you can still join us **LIVE** at our normal service times by going to our Facebook Page, Windsor Park Baptist Church. It's been great getting such great feedback about this service since we started in February; technology is such an asset as people have joined us from all over the world. This Facebook Live stream can also be viewed later from the FB page if you miss it live.

Our services are also recorded and the video is placed on our app and website, normally by about lunch time on Monday, which then gives you the chance to catch up on any services you've missed.

Last Sunday we launched **PROJECT23**, a capital fundraising campaign to fund several property upgrades on our site, including the refurbishment of 5 bathroom areas and the complete rebuild of our main kitchen. Our target is to raise \$250,000 which we believe is very realistic and achievable – and we hope to raise these funds by the end of June. From next Sunday I'll be reporting progress. A big thanks to those of you who contributed during the last week and a big thanks to those of you who will contribute this coming week.

While we're running a capital campaign it's also a good chance to remind you that Windsor Park only functions because of the generosity of those who believe in its vision and contribute financially on a regular basis. We're grateful to those who do that, but any analysis we do shows that it's generally a small number of people compared to our overall church size. If you don't contribute financially to Windsor Park and yet benefit from who we are, can I respectfully ask you to consider contributing? You'll know we are far from pushy about our financial needs, but we still have needs and right now we're down on our budget. For more information on our theology of giving or to see actual ways to give, head to our website and check out the 'giving' tab. Thanks.
