

## Sunday 9<sup>th</sup> June, 2019

Welcome to Windsor Park Baptist Church.

The vision statement for the Windsor Park Group is **to build stronger communities by putting our faith into action.**

If you have any questions, or need directions around our buildings, please chat to people wearing yellow lanyards or go to the Information Desk in the foyer. If you'd like someone to pray for you, please feel free to approach someone wearing a red lanyard or come to the front of the auditorium at the conclusion of services. Whether its information or prayer, we're here to serve you.

If English is not your first language, a copy of the transcript of the morning service message is usually available at the Information Desk and is available on our website or app with the video of the service from Monday morning.

### Our services today:

**9.00am 10.45am 6.30pm**

Grant Harris (Senior Pastor) is speaking at all services.

We continue our 2019 series, In\Visible, as we take a look at how God's people lived as a contrast community so that we might be encouraged about how we can live as a contrast community through all the changes we experience.

### Live and Catching Up

If you're away on any given Sunday you can still join us **LIVE** at our normal service times by going to our Facebook Page, Windsor Park Baptist Church. It's been great getting such great feedback about this service since we started in February; technology is such an asset as people have joined us from all over the world. This Facebook Live stream can also be viewed later from the FB page if you miss it live.

Our services are also recorded and the video is placed on our app and website, normally by about lunch time on Monday, which then gives you the chance to catch up on any services you've missed.

**A note from the Elders:** 'The Elders would like to say thank you to the many people who participated in the recent Windsor Park survey. They are currently analysing a mountain of data! Overall the feedback looks to be really positive with some constructive comments about how we could do better in some areas. We will provide feedback to the congregation on the key themes coming out of the survey in a few weeks' time.

**PROJECT23:** A big thanks to those who have already generously contributed to PROJECT23 since we launched at the beginning of June. With a target of \$250,000 by the end of June we've raised \$70,100 (28%). With 96% of the amount raised coming from only 11 donors we're certainly on track to be able to achieve our target with your continued support. Note that if you're only able to contribute at a later date, then pledging your support with an indication of when you're able to contribute is absolutely fine as well ... just email our office to let them know: [info@windsorpark.org.nz](mailto:info@windsorpark.org.nz) For more information about PROJECT23 you can grab a brochure from the Information Desk or head over to our website where you'll find all the information and you can contribute online: <https://windsorpark.org.nz/project23>
