summer kids programme available at morning services

Welcome to Windsor Park

Welcome to Windsor Park Baptist Church. Our vision is to build stronger communities by putting our faith into action. We achieve this by doing life and faith together, acknowledging that no perfect people are allowed.

If you have any questions, or need directions around our buildings, please chat to people wearing yellow lanyards or go to the Information Desk in the foyer. If you'd like someone to pray for you, please feel free to approach someone wearing a red lanyard or come to the front of the auditorium at the conclusion of services. Whether its information or prayer, we're here to help you.

If English is not your first language, a copy of the transcript of the message is usually available at the Information Desk. An audio or video of the message as well as the transcript is also available on our website or the Windsor Park app, usually from about lunchtime on Monday.

Our community:

Of equal importance to our large gatherings on a Sunday are our small gatherings. Whether this be in Life Groups during the week, in people's home, in a local cafe, or whether there are ministry teams that serve the wider church, community groups that reach out to our neighbourhood's or interest groups that hang out together, we believe the most value of community is found when we learn to live with each other in more intimate environments. We encourage small gatherings as a way to do life and faith, together. Use the tear-off slip to ask about getting connected.

Noticeboard / Classifieds / Opportunities

While it might be the holiday season, we're also still getting on with life as we look forward to 2019 and beyond; here are a few things to connect with, work on, or pass on to those who might be interested:

- **Small Fries Christian Childcare Centre** is looking for two qualified teachers (either under 2's or over 2's) to join our fantastic team. Interested? Know someone who might be interested? Experienced teachers and those due to graduate in the next 6 months are welcome to apply. Contact the Small Fries Manager, Shelley Thornton, for more details: shelley@smallfries.org.nz
- **If you're wanting a tropical getaway** for a Sunday or two, we're looking for a couple of people to help with leading the kids programme at our Waiheke Island campus over February – April. This would just be for two of three Sunday's over these months; we'd resource you with ferry tickets, curriculum, and you'd be assured of a good time. Could serving the church be any better than this?! For more information about this unique opportunity, contact grant.harris@windsorpark.org.nz.
- We've recently introduced some new technology here at Windsor Park which means we're now **live streaming our services and we have the ability to record (& edit) what happens in our Auditorium**. But we need to train up some new people to operate our camera's and associated technology. If you love dealing with multi-media, have an eye for what looks good, and feel that you could contribute in this area, drop a line to jo.cheyne@windsorpark.org.nz – Jo would love to chat to you!
