Central to our life at Windsor Park is volunteers — we wouldn't be able to do anything without hundreds of people serving in our ministries in a whole variety of ways and it's a great way to connect. The best thing our staff like doing is sitting in caféwindsor, buying coffee for you, and chatting about where you might be able to use your gifts and abilities. It's easy, drop us a line at info@windsorpark.org.nz or give us a call on **09 477-0002** and we'll line up someone to meet with you. We look forward to chatting!
