

MULBERRY STREET UNITED METHODIST CHURCH

October 11, 2020

www.mulberrymethodist.org

Hey there!

My name is Tucker Poupard, and I'm the new worship leader for the NewRoom worship service. I have known people that have been active in Mulberry for a while, and I'm extremely excited to finally become one of those people and be in community with you all every week. I have a deep, deep love for worship music; I've been leading worship in some capacity for the past six years or so, and it's the primary way I connect to God. It's an added blessing that while I worship, I get to look out and see my brothers and sisters worshipping with me. For the past year, I've been blessed by the opportunity to lead worship alongside my fiancé, Katie Starcher. We're getting married in May of next year, and I could not be happier – although, we're currently disagreeing on whether we're dog people or cat people, so if you see her around, make sure to mention how fantastic dogs are!

I already have a great group of musicians with me that help lead worship on Sunday mornings, but that group is ever expanding. I've been in Macon for 23 years now and something that I've somehow just realized in the past few years is just how vibrant of a college town Macon is. I have so many connections to colleges, college ministries, and college students, yet somehow, they have made up such a small part of the church communities I've been a part of. One of my goals is to strive to bridge the gap that I've seen between churches and colleges. There are so many young people who are seeking and yearning to know God but people may not have been there to facilitate that. My goals are to help make worship leaders out of musicians who may not know what it is to be a worship leader, and then simply to get people to church. God is mighty, so if I can just get them to the doorstep, I can trust that my God can transform their lives.

My other goal is to get to know the people already in Mulberry Street UMC. It can be difficult in times where we aren't supposed to gather, but thank God for technology and for a hardworking staff. I know that the staff is always working on ways that we can be in community, both in person and online, while being safe and loving our neighbor. If I haven't gotten to say hello to you yet, please feel free to reach out anytime! As soon as it's absolutely safe to do so, I would love to sit down for coffee (I really don't like coffee, so hot chocolate would be more appropriate!) and just get to know you!

I have already seen how this church strives to know God and to serve others. Continue to shine His light in all you do; I'm blessed to be a part of this community!

Looking Ahead to Advent and Christmas

As we look forward to the Advent and Christmas season, we’re considering ways families can add to the already great opportunities to worship at home. One of those ways is with an Advent wreath. As a symbolic sense of connection, we’re encouraging people who worship with us to have an Advent wreath and to light the candles each Sunday and on Christmas Eve. We’re working to offer you ways to create your own Advent wreath. If you would rather purchase an Advent wreath, we will have a list of local businesses that can help you do so. Watch for more information closer later in the fall on this and join your friends and Mulberry family in this touching way to worship.
