Have you ever driven a car that was out of alignment? The ride is rough or it pulls to one side or the other - you know what I'm talking about? That's not good for the tires, the car or the occupants!

It's true in life too. Sometimes our marriages, finances, faith, relationships, and past get us out of alignment and we find the ride a little rough! And - that's not good for you or the occupants of your life either!

The **ReAlign** Sermon Series and Small Group Study that starts Sunday, January 24 is designed for us to consider if we need some realigning - lining our lives up with God's desire for us. We are simply super excited about this series and study!

One of the best ways to improve your alignment is to jump into a small group and grow with others! You will have that chance when **ReAlign** starts! It is a six-week investment that will pay off! You'll find a list of new groups in this newsletter. Just give the hosts a call to get more information.

Or, you can start your own group by inviting a few friends, family, neighbors or others to join you. We'll give you the DVD, guidebooks and everything else you need to host a group!

Getting your life in proper alignment now will shape where you are going in 2016 and beyond! We hope you plan to be present for all 6 **ReAlign** sermons and get plugged into a **ReAlign** small group! It's going to be awesome!
