YOUTH IN THE FALL

There are two typical types of youth ministries: ones that take a break in the summer and ones that continue to meet. Well, its been a whirlwind of a summer for us because we do not take breaks here!

This summer the youth have gotten together almost three times every week – either for a retreat or Bible study or Book Club or paintball or mission work or lunch or...you get the picture.

Our group continues to grow and that means our ministry has to continue to evolve. Starting in the Fall, we will begin splitting up high school and middle school groups during the lesson time. This will allow us to dive deeper into the unique issues facing both groups. Psychology tells us that the two groups not only want to **discuss different things** but they also want to **discuss things differently!** Splitting the groups will allow us to meet the students where they are in their development far better than we currently are.

With this split also comes the need for more volunteers. That means I need YOU! Now I hear you say that you think you're too old or that you think the youth don't want you around or that you have no idea how to speak their language. Let me tell you – you are not too old and they do want you around (but you're right about not speaking their language...I still have no idea what they are talking about half of the time).

Here are ways that you could help:

- Provide a meal one Sunday
- Volunteer to be present on a Sunday night
- Play games with us on Wednesdays
- Help out with Sunday School
- Come with us on a trip
- Open up your home for a Bible study (or even lead one!)

We've grown by leaps and bounds, and we need your help to keep it up.

Email me at bculpepper@mulberrymethodist.org if you have any questions or want to be involved.

Looking forward to working with you!

Bill

International

Water Well Mission Trip to Guatemala

February 11-18, 2017

Millions of families lack a nearby supply of fresh, safe water. For us, we simply turn on a faucet. For them, tremendous time and effort is required every single day to meet this basic survival need. Malnutrition, sickness, and shortened life expectancy are common in these areas.

February 11-18, 2017 Mulberry will send a team to drill a well and teach hygiene for a community in Guatemala. This will be Mulberry's 6th Living Water International water well installation! Men and women are needed to help out on the drill team, and women are needed to help out with hygiene instruction and arts & crafts. Youth are welcome with adult accompaniment.

Our team is forming now, and we need your help! This will be an incredible experience for all involved. The cost is \$650 plus a nonrefundable \$30 online LWI background check. This price includes all transportation, room, and board.

There are limited spots available!
