Not only does Samaritan's Purse deliver these life-changing boxes, they also offer a program called *The Greatest Journey* that teaches about God's love and His plan for their lives. Please bring matchbox cars, jump ropes, yo-yos, Legos, slinky, toy figures/animals and/or dolls and place in the box outside the office.

Our 190th Anniversary Homecoming was a huge success. Thank you to everyone for the great food, inviting our many guests and supporting the ministry of this church. A special thank you to the Homecoming Team that worked tirelessly for weeks gathering, sorting, planning and setting up.
