

The need for Christ is not “somewhere else” - it is right here at home...Knox County. Monies given through this offering directly impact our local churches and mission endeavors. Please prayerfully consider your offering and use the specially marked envelopes. Raised to date: \$900. Our goal is \$3,000.

Thank you to everyone who donated items throughout the year and to those who helped us pack boxes. We have XXXX boxes ready! There is still time to pack a box on your own or online. See Amanda Smith with any questions.

Our children (through 5th grade) are rehearsing during Children's Church for their upcoming Christmas Program. All children are encouraged to participate.
