

VSB UPDATE— Special Edition

May 2016

Honor to Whom Honor is owed

As we come to the end of an amazing discipleship year I am reminded of Paul's words in Romans 13:7. "Pay to all what is owed them: taxes to whom taxes are owed, revenue to whom revenue is owed, respect to whom respect is owed, honor to whom honor is owed." (ESV)

225 people started and completed Cover-to-Cover Bible Survey at Village Schools of the Bible. Congratulations on a job well done! You embarked on an intense discipleship journey through God's Word from Genesis to Revelation. We honor you!

Our donors are faithful members of the Village Schools of the Bible family. They help us reach our mission to teach God's Word and Transform lives. **218 donors** helped to underwrite 80% of each student's tuition. To all our donors past and present, we honor you!

In this VSB Update – Special Edition you will find the names of our discipleship students for 2015-2016 and our faithful donors. We have provided a summary of this past discipleship year. Village Schools Goes to MÂCHÉ Conference

- ◆ 2 Days
- ◆ 4000 attendees
- ◆ What an opportunity...
...to promote Cover-to-Cover to the Minnesota home-school community!

This was our first year exhibiting at MÂCHÉ and it was an exciting & interesting time.

We believe we can come alongside homeschooling parents and students to provide the unique discipling tool we have in our Cover-to-Cover Bible Survey course. We plan to exhibit again next year when the conference is held in the Twin Cities.

Summer Classes take place at the Village Center, 13815 Ridgedale Dr, Minnetonka MN 55305

Healing—A Surgeon's Perspective by Dr. Marc Swiontkowski

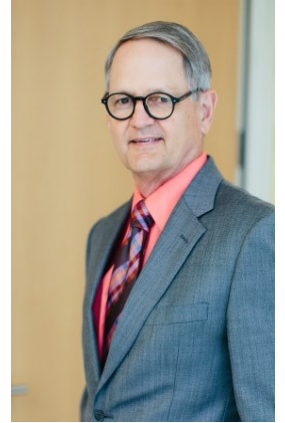

What does faith at work look like through the eyes of a surgeon? What happens to faith in God in a sophisticated medical world characterized by advanced scientific methods, biotechnology, genetics and modern drugs? How do we integrate faith and modern medicine?

These and other questions will be addressed at this Faith at Work seminar. Marc is an orthopedic surgery/fracture specialist who works at Tria, a musculoskeletal care provider in the Twin Cities. He is also a professor in the department of orthopedics at the University of Minnesota.

Health care is a matter that concerns us all. Come and learn from a practicing surgeon about God and healing. There will be plenty of time for Q&A, and for talking through the everyday implications of what we learn -- for ourselves and for those we love.

Wednesday, May 18 at 7:30 pm at the Village Center.

Seating is limited | Register online | A freewill offering will be taken.
