

Fulfill a High School Bible Course!

Cover-to-Cover Bible Survey helps fulfill a High School Bible Course

Cover-to-Cover Bible Survey course is led by a Village Schools of the Bible (VSB) teacher, and covers the entire Message of God. The main purpose of the course is to encourage deep spiritual formation. At the same time, Cover-to-Cover can help fulfill a Bible high-school course.

An integrated, multi-disciplinary learning approach

Cover-to-Cover Bible Survey helps provide spiritual insight into a number of other subjects, as shown in the table below. In this way it can support an integrated, multidisciplinary way to learning, with the Bible as the foundation, and Jesus Christ as the central unifying theme.
