Credit Transfer

Village Schools of the Bible has co-operative agreements with the [University of Northwestern – St. Paul](#), [Crown College](#) and [Association Free Lutheran Bible School](#) (UNW/Crown/AFLBS). Each of these Higher Education institutions agree that undergraduate-level credits (as defined by their curricula) earned through Village Schools of the Bible (VSB) with grades of C or better are transferable and will be applied, as appropriate, to the student’s chosen academic program at UNW/Crown/AFLBS. Applicability of credits may vary among academic programs based upon catalog requirements. The actual number of credits accepted and applied toward a student’s academic program at UNW/Crown/AFLBS can vary from student to student depending on the individual student’s level of accomplishment.

Credit Transfer Process

- Upon request by the student, transcript documents from Village Schools of the Bible are submitted in a sealed envelope to the Office of Admissions at UNW/Crown/AFLBS.
- The Office of Admissions will then evaluate the transcript and determine the UNW/Crown/AFLBS course equivalency and applicable credits toward the student’s undergraduate degree program.

Example

The below VSB courses can satisfy UNW/Crown/AFLBS courses assuming 1) the student receives a C or better in the respective course, and 2) the student has not already satisfied the listed UNW/Crown/AFLBS courses through other means.
