#### **Thank You! We are Excited!**

Thank you for utilizing Cover-to-Cover Bible Survey to assist your church in your discipleship goals. Village Schools of the Bible is excited to serve your church and community.

There is a growing hunger to know God’s story of redemption. Cover-to-Cover Bible Survey is designed to meet this hunger. We have been serving churches for over 30 years and the testimonies are always the same—“Cover-to-Cover Bible Survey transformed my life.”

Our teachers are experienced pastors. They have solid theological education. They have a deep knowledge of God’s Word and they are skilled disciple-makers and teachers.

I’m Warren Coe, the executive director of Village Schools of the Bible. I have served local churches as senior pastor for 34 years. These last five years I have led Village Schools of the Bible. My passions are knowing, applying and teaching God’s Word.

This document will provide instructions and promotion suggestions for starting Cover-to-Cover Bible Survey at your church.

## Step Two—Spring Promotion of Cover-to-Cover Bible Survey at Your Church

We have discovered two ways of promotion that guarantee strong registration for our discipleship course. We experience full classes when the executive director can promote it on Sunday morning in your church and/or when the senior pastor keeps it in front of the congregation.

### Spring Promotion

- Brief verbal announcement along and a bulletin announcement

## Step Three—August Promotion of Cover-to-Cover Bible Survey at Your Church

### August Promotion
