Thank you for your generous support of Apostolic Truth Church. Please contact your broker if you have any questions about these instructions.

Once the security reaches the church's account, the church will mail the donor a letter acknowledging the contribution as per the date the transaction was initiated. Because this is a non-cash contribution, the amount received will not appear on the donor's giving record. This letter is for your personal records and is to be used as confirmation of the gift as support for federal tax purposes. The church does not place a value on stock. A record should be kept by the donor concerning the value of stock on the date donated.
