20s CONNECT (2C) is about growing community and deepening discipleship for those in their 20s. This term we are looking at a great course called **GOD'S BIG PICTURE**. Over 9 weeks we are going to see how the Bible fits together and how it helps us to love Jesus. Our meetings are either held at Burgess Road Library or in homes (H), and always with food. If you're in your 20s, come along.
