

HELPING STICKS

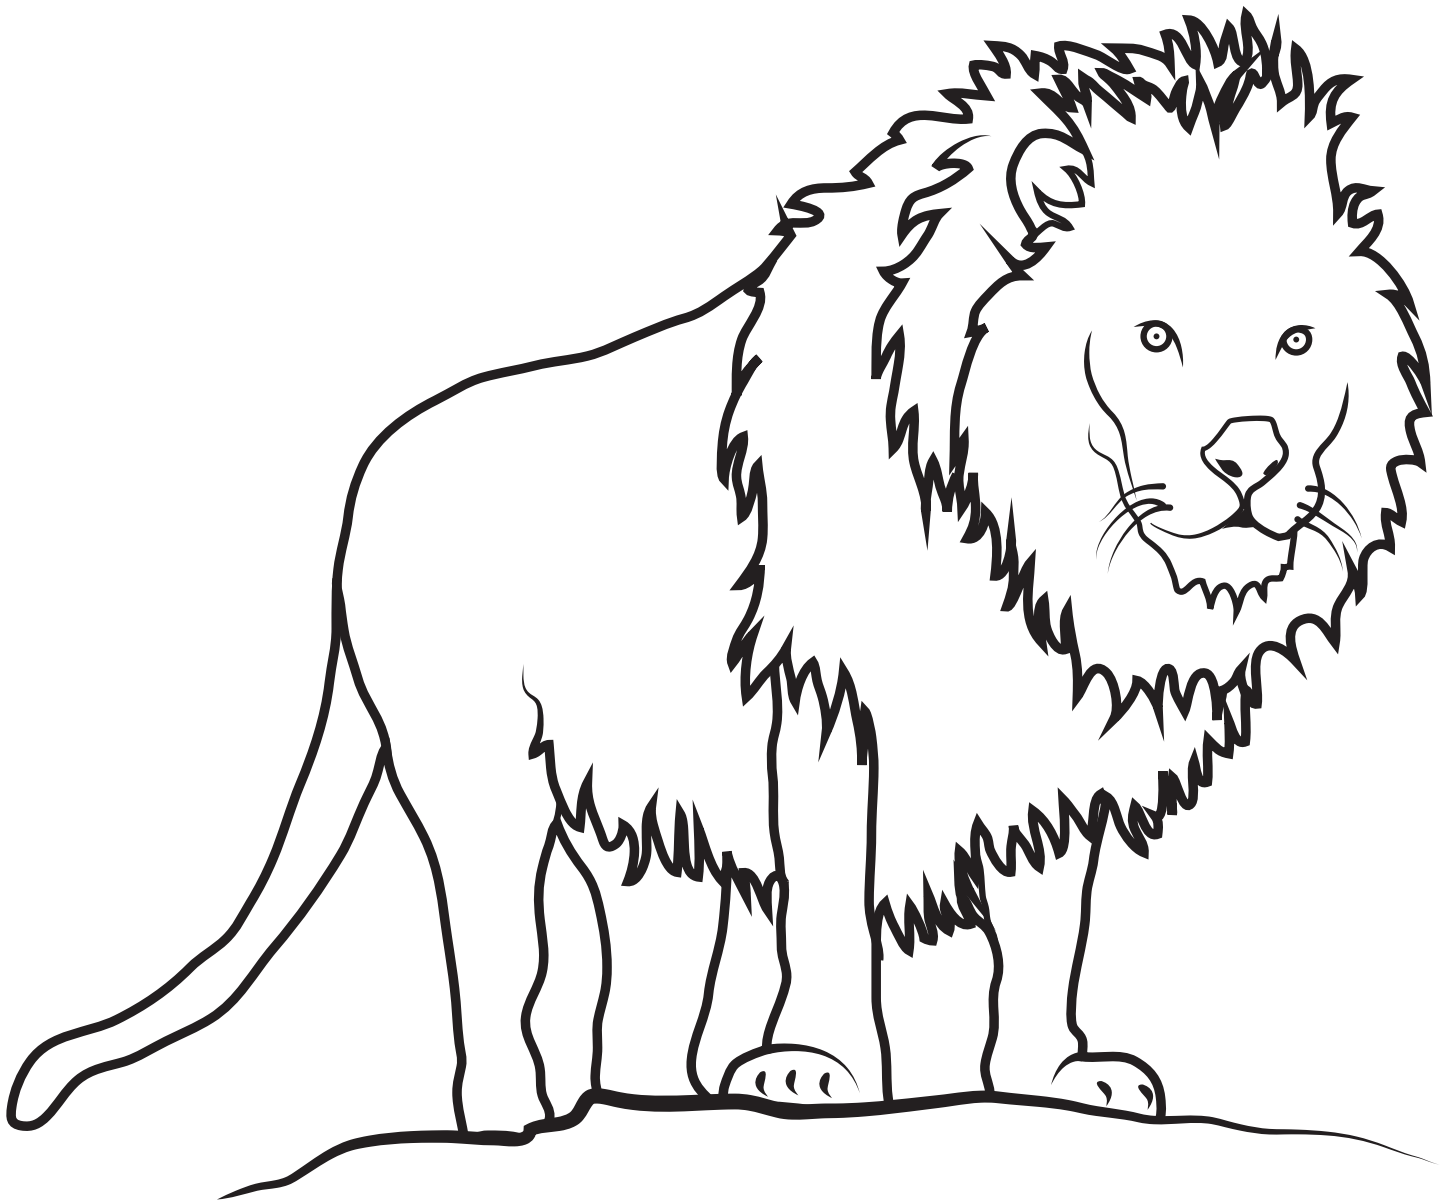

Today, your child learned that even though Samson disobeyed God, he turned back to God and asked him for help. We learned that we can ask God for help, too!

We also learned that we can help others. To apply that lesson to life, your child made a bundle of "Helping Sticks." On each stick is the name of someone your child can help. Each day, choose a stick with your child, and guide them in finding a way to help that person. It might be as simple as helping Mommy put napkins on the table, or helping an older sibling feed the family pet.

Have fun as you teach your child the value of helping others!

A STRONG MAN

God gave Samson strength. In fact, the Bible tells us Samson fought a lion—and won! Color this sheet to help you remember that God gave Samson strength, and he can give us strength, too!
