
Parent Teacher League (PTL)

Designed to aid parents and teachers work more effectively in the matter of Christian education, the Atonement Parent Teacher League meets regularly as announced in the Wednesday Words. Meetings are fun and informative! There is even a \$100 credit given away to one family each meeting and students get a free t-shirt day if their parent attended.

Each family pays a \$25 PTL fee at the beginning of the year and this helps us provide refreshments at meetings, plan teacher appreciation week events, provide fun events such as Movie Nights and other fellowship opportunities.

PTL also contributes to Atonement: School Supply Program and the Scholastic Book Fair twice a year.

We are always looking for volunteers and participation in meetings and our social activities. To be involved please contact PTL at PTL@alcs.org . Thanks for your support and encouragement.
