2020 Summer Camp Policy/Procedures:

Because of the COVID-19 Pandemic, Summer Camp at Atonement will look VERY different this year. Policies and procedures are being put in place for the safety of your child, other children, and our staff. Thank you for your understanding and your patience as we navigate through this together.

By enrolling your child/children in an Atonement summer camp, you are agreeing to our safety policies and procedures.

Here is what will be different:

Drop off/Pick Up:

At drop off, your child will receive a temperature check.

You will also sign off that your child is well and that they have not come in contact (to your knowledge) of someone who has COVID-19.

Parents will drop off and pick up in the GYM.

You can text me when you come in, and I will meet you at the door. My cell is 504.352.6309. We are asking that parents enter.

Space is EXTREMELY limited and camps will fill up quickly, so please register early.

I will be keeping a much smaller ratio this year. Camps will be held in the gym, Art Room, technology room, and Assembly Rooms.

Camp staff will be consistent.

We are asking that you talk with your child ahead of time about the importance of washing hands, not touching their face, and respecting others space.

I have listened to webinars, followed state guidelines, and done lots of research. The safety of you and your child is a priority for me.

More information will be given out shortly.

Please know that if we should see a spike and no longer feel that camp is safe, we will let you know with as much notice as we can. Refunds will be given if a camp needs to be canceled.

Looking forward to a fun and different summer with you and your families!

In His Service, Rose Schutt
