

OTTERS CLASSROOM

January, 2019

We are looking forward to a New Year and a great time of learning in the Otter's classroom. We are thankful for our class, teacher and friends. We are trusting God for a good new year of learning to show His love.

Science:

We will be talking about the changes in weather during the month of January. The Otter's will also be doing ice experiments to see what changes happen to water when it gets very cold!

Reading: We will be learning about the letters E and F and be able to recognize those letters. We will begin practicing to write E and F as well as continuing to work on writing our names. The color blue will be our color for the month.

Math:

In our math time, we will be talking about the triangle shape and finding things in our world that use a triangle!

**Otters will be
visiting the library
on Monday Jan.
14 from 10:00 –
11:00**

**The ark will be
closed on
Monday, January
21 in honor of
Martin Luther
King day.**

**The Ark does have a
few spots left in the
Otter's classroom.
Please contact the
office for more info.**
