

Tigers

July 2022

Important
Dates

Happy
4th of
July

For the month of July we will be doing 4th of July activities at the beginning of the month and then we will investigate ocean plant and animal life. The Tigers will be going on field trips Tuesdays and Thursdays. Tennis shoes would be best since some of these are walking trips.

Please remember that we will be going swimming every Thursday. (Check sign in sheets) please remember to bring a swimsuit and towel for your child on these days. (Weather permitting)
