

# Liability Agreement

1. I give permission for my child to take part in all school activities, including sports & school-sponsored trips off-campus, and absolve the school from liability because of any injury occurring at school or during any school activity, whether on or off campus.
2. I recognize that the school has the full responsibility and authority for placement of my child in the appropriate grades, classes and/or subjects.
3. I understand that I am liable for charges arising from loss or damage to school property (including computers, books or other equipment) regardless of whether or not the damage was intentional. I understand that the school is not responsible for loss or damage to personal property.
4. I agree to support and abide by the school's disciplinary policy as outlined in the student handbook. If, after reasonable effort has been made to discipline my child and to assist his/her academic adjustment to the desired outcome, I agree to withdraw my child and pay all fees due at that time.
5. I recognize that the school reserves the right to dismiss any student who does not respect its spiritual, academic and behavioral standards, or willingly cooperate in the education process.
6. I hereby authorize the school to use such discipline as it considers just and necessary (as outlined in the student handbook) for the good of my child, including suspension.
7. I understand the attendance at FCS is a privilege and not a right. This privilege can be revoked at any time. I understand that the Board of FCS is the sole source of policy determination and alone sets the standard for continued enrollment at FCS.
8. I understand that FCS does NOT have a monthly tuition. Rather, I am agreeing to an annual tuition broken down into monthly payments for my convenience. If my student is withdrawn or expelled prior to the end of the school year for any reason, I will be charged a pro-rated final amount including an early termination fee of \$300.00. My account must be settled before any records will be released to anyone.
9. I agree that any claim or dispute arising out of this agreement or any other aspect of the relationship with the school, including any claim or statutory claims, shall be settled by Biblically based mediation in accordance with the Rules & Procedures for Christian Conciliation

**I have read and understand the terms set forth in this contract and will adhere to this covenant for the duration of my child's attendance at Fairfield Christian School.**
