What If My Child Needs an Emergency Lunch?

We understand that sometimes plans change!

Emergency lunches will be available at the same cost as a regular lunch. An emergency lunch will consist of a Lunchables and a water bottle.

🍕 October Lunches

During the month of October, you may notice a repeated lunch on the menu. As we become accustomed to the added responsibility and establish our new routines, we will be keeping the October menu simple and manageable.

We appreciate your understanding as we learn and grow with this new program!

❤️ Want to Help?

We are open to including lunch volunteers in our new program!

If you are interested in volunteering and have availability to help with school lunches, please contact Mrs. Ford at: admin@fcsllions.com

Thank you for your patience, support, and willingness to help us make this new lunch program a success for our students!
