

# FAIRFIELD CHRISTIAN SCHOOL

Welcome,

As the principal at Fairfield Christian School (FCS), I want to welcome you to our school and family. We want this to be a place where students, parents, teachers, and staff can come together to specifically support students in an educational environment, but even more importantly, support each other in our walk with Christ.

Our vision here at FCS is to develop a Biblical worldview, one child at a time. That vision statement insinuates several things. First, to develop something takes time. It is a process. Learning takes a prolonged effort on the part of the student, the teacher, and the parent. Second, the Bible is the basis of everything we do. “The fear of the LORD is the beginning of knowledge” (Proverbs 1:7, HCSB). Third, we approach every student as an individual. We are all unique creations of God, each with our own skills, talents, abilities, and gifts. While children may learn differently, they all have the ability to learn and grow, though it may be through different modes or styles.

We want to see children grow in every possible way, including academically, emotionally, socially, physically, and of course, spiritually. This is achieved by working together with parents in a partnership. You as parents are the most important teachers children will ever have, but we want to come alongside and help to encourage your children to fulfill the potential that God sees in them. No matter the grade level of your child, we have caring, experienced staff that look forward every day to teaching and nurturing your child. We look forward to working with you to see your children thrive.

God Bless,

Shawn Fortney  
Principal, Fairfield Christian School
