Holly Frye, assistant school superintendent, confirmed that children have to be 5 by August 1 to attend kindergarten. Mooresville schools have a waiver system in place if your child turns 5 by September 1 they may attend kindergarten. The state has extended the kindergarten cut-off date to October 1, but Mooresville schools have chosen to stay with the August 1 cut-off date. This is a local decision. If you have a child that has an August birthday, please call the school they will be attending and see what their policy is for kindergarten enrollment.
