## **Program Information**

Lamb of God Early Childhood Ministry offers full time and part time care year-round. The program year is divided into 2 sessions per calendar year. The first session, The Academic Session, is heavily focused on academic programming and runs September thru May. The second session, Summer Session, is heavily focused on community and social development and runs from June thru August. During the entire year, classrooms focus on curriculum, age appropriate activities and experiences, and Kindergarten preparation. In addition, summer programming includes planned weekly excursions in the local area.

Hours of Operation are **Monday – Friday** from **7:35 a.m. to 5:30 p.m.**

Tuition rates are listed below.

**Infant/Toddler (6 weeks to 2.5 years)**

**Full Time \$1015.00 per month**

**Preschool (2.5 years to 5 years)**

**Full Time \$885.00 per month**

## **Mission Statement**

“Lamb of God Early Childhood Ministry strives to equip children with the tools needed to be lifelong learners and self-discoverers.”

## **Philosophy**

Learning through play is viewed as the cornerstone of our daily practices. We believe that when adults provide security, stimulation, support, limits, and affection, children will be free to play and then learn, discover, experiment, and grow. We believe that using a child development model which incorporates the theories of Piaget, Montessori, and Erikson allows our program to thrive in encouraging all areas of development in young children. It is our intention to give all children the opportunity to explore materials and participate in a variety of experiences daily. Lamb of God Early Childhood Ministry values the school family that is cultivated in our small mixed aged group classrooms. We believe that there are great benefits to having children of varying ages (within a set age range) interacting in a classroom community. These benefits include flexibility, development of empathy and compassion, and opportunities for peer scaffolding.

## **Notice of Religious Teachings**

Lamb of God Early Childhood Ministry maintains a membership in the Evangelical Lutheran Education Association. We are a Christian institution that proudly represents Christian values and ethics in the education of young children. We teach the Christian faith as understood by Lutherans of the Evangelical Lutheran Churches of America (ELCA). Children in our program will develop their spirituality and love of God through the daily experiences and interactions that they have. Our school days include Bible stories, activities, and chapel time. We want all of our children to respect their friends, teachers, families, and God. The Lamb of God Early Childhood Ministry staff works closely with the staff of First Lutheran Church in establishing an appropriate religious education curriculum. A First Lutheran Church staff member is available by appointment if you have questions on our doctrinal positions.

## **Admissions Policy**

Lamb of God does not discriminate in regard to race, color, religion, national origin, ancestry, physical handicap, or sex, in accordance with K.S.A. 44-1009.

Waiting lists are formed when classrooms meet enrollment capacity. A family on the waiting list that is offered an available position will either accept the placement (**begin care on the placement day available or pay the applicable tuition costs until they are ready to begin care**) or decline the placement. Lamb of God Early Childhood Ministry cannot guarantee or predict a start-date at the time of application. Members of First Lutheran Church, returning families, and staff receive priority during enrollment and are given priority status on our waiting list.

When a family accepts a placement in the program, enrollment paperwork must be completed, and appropriate fees paid. **A one-time, non-refundable enrollment fee of \$100 per family is due at the time of enrollment. This fee does not apply towards tuition.**

Families are asked to keep information up-to-date by informing Lamb of God Early Childhood Ministry of any changes regarding family contacts, adults who are authorized for pick up, allergies, and other medical conditions. Additionally, the Kansas Department of Health and Environment (KDHE) requires that immunization records are current upon enrollment and remain up to date. Each time new immunizations are received, please provide an updated copy to the program director. If records indicate that immunizations are not current and accurate, Lamb of God Early Childhood Ministry reserves the right to suspend care until the appropriate documentation has been received.

## Tuition 2019

### Tuition Payments, Procedures, and Fees

Tuition payments are due monthly on the 7<sup>th</sup>. Payments may be placed in the drop box outside of the church office, given to office staff, or given to a Lead Teacher. ACH payments are also accepted upon the completion of the appropriate forms. A late charge of \$25.00 will be applied to your account after 7 days. Tuition may not be deducted for illness, school closings, listed holidays, or family vacations.

**Bank Fees:** There is a \$25.00 fee for each returned check. In the event that a family has a check returned due to insufficient funds, families must also pay any additional bank fees. All subsequent payments must then be made in cash or money order.

LOG will address families who have not adhered to their payment plan in the following steps:

- At 8 days, families will receive an email notification from Lamb of God Administration reflecting the amount past due and notice that dismissal from the program could be considered if payment arrangements have not been made.
- At 14 days, families will be contacted and will be informed that enrollment will be terminated **immediately** if satisfactory payment arrangements have not been made. At any point following 14 days, LOG may proceed with legal action to collect any outstanding balance owed by the family.

### First Lutheran Church: Lamb of God Scholarship Fund

The congregation of First Lutheran Church generously funds yearly scholarships for LOG families. These funds are designated for families receiving full time care, however, may be available for families receiving part time care on a case by case basis. There are three scholarship categories for which families may qualify. Families may receive funds from multiple categories. The first category is for families that are income eligible: each family is asked to report household income on the *Child and Adult Care Food Program (CACFP) Enrollment and Income Eligibility Form for Child Care Centers*. The second category is based

on First Lutheran Church congregational membership or active participation (please see **church attendance** section for more details). The third category is for families that have more than one child enrolled in LOG. Specified scholarship amounts are reviewed and are subject to change each year. Information concerning changes in tuition (1%-4% increase expected each year) and scholarship funding for LOG families will be released by December. Changes in tuition or scholarship funding for the year will go into effect on January 1. Families facing temporary hardship may contact a Lamb of God Administrator to inquire about additional available funds, which may be awarded at discretion.

### **Church Attendance**

Parents are encouraged to remain faithful to the Christian mandate to worship regularly. There are many wonderful congregations in Manhattan and the surrounding community and it is our hope that you have found one that meets your family's needs. If you are still searching, we encourage you to join the First Lutheran family. Families worshipping in our faith community at least twice per month or six times per quarter receive a 10% tuition reduction. Please speak to a First Lutheran Church staff member or parish pastor for more information about the First Lutheran family.

### **Additional Tuition Assistance**

At Lamb of God we believe high quality education should be available to all. This is why our program maintains provider agreements with *Raising Riley Right* and the *Department of Children and Families (DCF)*. These programs support families by awarding financial assistance toward child care costs. Lamb of God ECM is also open to accepting additional outside tuition scholarship disbursements on a case by case basis. For more information about how to contact these organizations, please speak with the Program Director.

## **Tuition Letter 2019**

Each year Lamb of God ECM releases a tuition letter to families that gives information on tuition increases and scholarship rates. Below is the Tuition Letter for 2019.

Hello Lamb of God Early Childhood Ministry Families,

It has been an exciting year here at Lamb of God Early Childhood Ministry. It is hard to believe how quickly the time has passed and how soon we will be welcoming in 2019. It has been our great privilege as the staff of First Lutheran Church and Lamb of God Early Childhood Ministry to witness your family grow and change this year. Thank you for being a part of our family and allowing us the opportunity to have an impact on the lives of your children.

In an effort to provide care that is appropriate and caring while remaining viable, Lamb of God Early Childhood Ministry reviews its practices, tuition rates, and procedures each year. Changes are discussed and reviewed by staff, administration, and Lamb of God Early Childhood Ministry Advisory Board members. Major changes and proposals are prayerfully considered and require approval from the First Lutheran Church Council. The anticipated change that will be adopted in the upcoming year will be a tuition increase.

Effective January 1, 2019, tuition for students in the Infant and Toddler room will increase by \$5.00 per month. Tuition for students in the preschool will also increase by \$5.00 per month. This increase will allow for raises for eligible staff and reflects the rising costs of living. FLC Scholarship percentages will remain the same: 15% for families meeting the income guidelines of the CACFP (Child and Adult Care Food Program), 10% for First Lutheran Church members, and 5% for families with multiple children enrolled.

Our administrative staff is here to answer any questions that may arise. Feel free to contact the main office, communicate via email, or schedule a meeting.

Thank you,

Tynisha Moore

Program Director, Lamb of God Early Childhood Ministry

[logschool@flcmhk.org](mailto:logschool@flcmhk.org)

785-537-8532

## Supply List

(families should provide and replenish the below items as needed)

### Infant Toddler Supply List

- 3 complete seasonal changes of clothing
- diapers, wipes, ointment (if applicable)
- 2-3 pacifiers (if applicable)
- 3 bottles (if applicable)
- a cup (with lid) or a water bottle (dishwasher safe)
- outdoor hat
- breast milk (if applicable)
- pillow & blanket & 1 soft toy (if desired) **ONLY** for 12 months of age and above
- a sleep sack for **ONLY** 12 month and below

### Preschool Supply List

- 3 complete seasonal changes of clothing
- Pull-ups or training pants (if applicable)
- water bottle (dishwasher safe)
- outdoor hat
- small pillow & blanket & 1 soft toy (if desired)

*Art materials and supply donations are accepted throughout the year (example: pencils, crayons, markers, glue, glue sticks, paint, art paper, colorful tape, colored pencils, glitter, craft sticks, stickers)*

## Calendar

Lamb of God Early Childhood Ministry will be closed in observance of the following holidays: **½ Day New Year’s Eve, New Year’s Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and the day after (Thanksgiving Break), and the week of Christmas (Winter Break)**

*Lamb of God will also close for a week-long program session break each year and up to 4 Teacher In-Service days.*

Lamb of God ECM may close (pending weather conditions) for: (3) Inclement Weather Days

\*Families will be notified by the Director when amendments to the calendar are made.

### January

- **January 1<sup>st</sup>** .....**Center Closed** in observance of New Year’s Day
- January 27<sup>th</sup> – February 2<sup>nd</sup> .....Lutheran Schools Week

### February

- February 25<sup>th</sup>-28<sup>th</sup> .....Spring Conferences (P.M. Only)

### March

- March 11<sup>th</sup> – 15<sup>th</sup> .....Spring Break KSU & USD 383 (Lamb of God **OPEN**)

### April

- April 8<sup>th</sup>-12<sup>th</sup> .....Week of the Young Child
- April 18<sup>th</sup>.....Easter Lunch Bunch & Egg Hunt
- **April 19<sup>th</sup>**.....**Center Closed** in observance of Good Friday

### May

- May 6<sup>th</sup> - 10<sup>th</sup>.....Teacher Appreciation Week
- May 10<sup>th</sup> .....Muffins with Mom
- May 22<sup>nd</sup>.....Lamb of God School Graduation (6 p.m.)
- **May 24<sup>th</sup>** .....**Center Closed** Teacher Workday 1 (Summer Programing Prep)
- **May 27<sup>th</sup>** .....**Center Closed** in observance of Memorial Day
- May 28<sup>th</sup>.....Summer Programing Begins

**June**

- **June 10th-14th**.....Program Session Break
- June 17<sup>th</sup>.....Doughnuts with Dad

**July**

- **July 4<sup>th</sup>**.....**Center Closed** in observance of **Fourth of July**
- **July 5<sup>th</sup>**.....**Center Closed** Teacher Workday 2 (ALL Staff)
- July 6<sup>th</sup> .....Lamb of God Staff Retreat at Camp Tomashinga

**August**

- August 29<sup>th</sup> .....Summer Programing Ends
- August 30<sup>st</sup> ..... **Center Closed** Teacher Workday 3 (Academic Programing Prep)

**September**

- **September 2<sup>nd</sup>** .....**Center Closed** in observance of Labor Day

**October**

- October 21<sup>nd</sup> – 24<sup>th</sup> .....Fall Conferences (P.M Only)

**November**

- November 10<sup>th</sup> – 16<sup>th</sup> .....Kansas Reads to Preschoolers Week
- **November 28<sup>th</sup> – 29<sup>th</sup>**.....**Center Closed** -Thanksgiving Break

**December**

- December 15<sup>th</sup>.....Christmas Pageant and Annual Soup Luncheon
- **December 23<sup>rd</sup> – January 2<sup>nd</sup>** .....**Center Closed** – Winter Break
- **December 31<sup>st</sup>** .....(LOG Closed – Full Day) 1/2 day Teacher In-Service 4

**Educational Services Offered**

In accordance with the Kansas Department of Health and Environments (KDHE) and the regulations for licensing in the state of Kansas, Lamb of God offers educational and social development activities designed to prepare children for the next step in their education. All daily learning experiences are appropriate for the developmental level of children in our care and set to reflect the individual learning styles of each child. Our educational programing offers a balance of active, quiet, individual, and group activities. Experiences are designed to develop the following: self-esteem and positive self-image, social interaction skills, self-expression and communication skills, creative expression, large and small muscle skills, and intellectual growth. Copies of lesson plans are available by request and are posted in each classroom.

## Curriculum

Lamb of God uses *Creative Curriculum* as a model for teaching and believes young children learn best by experience and thoroughly exploring ideas. From the beginning, children explore the world around them by using all their senses (touching, tasting, listening, smelling, and looking). As they grow and develop, exploring with various materials allows them to try out their ideas. Our curriculum stresses the importance of play. **Play is the work of young children!** It is the tool that enables us to achieve the key goals of our early childhood curriculum. Our curriculum identifies goals in multiple areas of development, to include:

**Social and Emotional:** helping children feel comfortable in school, trust their new environment, make friends, and view themselves as a contributing member of the group. Helping children experience pride and self-confidence, develop independence and self-control, and have a positive attitude toward life.

**Cognitive:** helping children become confident learners by letting them try out their own ideas and experience success, and by helping them acquire learning skills such as the ability to solve problems, ask questions, and use words to describe their ideas, observations, and feelings.

**Speech and Language:** helping children develop communication and language skills through daily interactions such as reading, engaging in verbal exchanges, and including a varied vocabulary in classroom interactions.

**Physical (gross and fine motor):** helping children increase their large and small muscle skills and feel confident about what their bodies can do.

**Self-Help/Adaptive:** helping children learn and practice basic self-help and independence skills such as dress oneself, feeding, toileting, brushing teeth, tying shoes, etc.

**Spiritual & Moral:** helping children to know the love of God, learn about the teachings of the Bible and use biblical principles in their daily life.

## Conferences

Lamb of God believes in keeping the lines of communication open between its staff and parents. If parents have any questions or concerns that need to be addressed, a meeting may be requested at any time during the school year. Parent and Teacher Conferences will be conducted once in the fall and once in the spring to discuss your child's developmental progress. Classroom teachers will offer families the opportunity to schedule a conference time within the conference dates listed on the school calendar.

## Absences

We want each child to get the most out of the school day and have time to build relationships, develop play schemes, and become comfortable with the daily routine. We understand that at times, your child(ren) may be absent for part or the entirety of the day. Please notify the school office at 785.537.8532 (Lamb of God Voicemail Box #5)/ 785.537.8533 or notify your child(ren)'s classroom teacher when they will be absent. If you know in advance when your child(ren) will be absent please send a note, email, or SeeSaw message to the LOG office at [logschool1930@gmail.com](mailto:logschool1930@gmail.com) or contact the classroom teacher.

## Cancellation of Enrollment

Enrollment forms are a contract reflecting a commitment by the parent to pay tuition from the start date to end date of your child's program. If a family chooses to cancel care provided by Lamb of God ECM, no less than two weeks' notice must be given and tuition paid through last day of care when notice is given. **Families who dis-enroll without two weeks' notice will be charged a \$100 cancellation fee in addition to tuition fees.** The Cancellation of Enrollment form must be given to the Director in writing (either printed or email form) two weeks prior to dis-enrollment to avoid the cancellation fee. Verbal confirmation is also acceptable but still must be accompanied by the Cancellation of Enrollment form. In the case that a family fails to pay tuition and/or cancellation fees upon completion of care, the family will receive a reminder of the amount owed with a deadline. Should the family fail to make the payment again, a late fee will be added to the amount, along with a second notice. If a third notice is needed, and the family fails to pay once again,

another late fee will be added to the amount and a collection agency will be enlisted to collect the amount for Lamb of God. Please remember Lamb of God ECM tuition is essential for the operation of the Center. Each month tuition covers costs that include: staff salaries, school supplies, food costs, and school improvements.

## **Behavior Management**

The behavior management plan at Lamb of God Early Childhood Ministry is consistent with child care regulations set by KDHE. In addition to using guidance from state regulations, classroom teachers and Lamb of God staff pair scriptural teachings and biblical principles when approaching behavior management. The discipline and behavior management policies used here provide for positive reinforcement, positive redirection, compassion, and the setting of clear and consistent limits. Here at Lamb of God we utilize Conscious Discipline, acknowledging and accepting each child's feelings, and focusing on helping the children to empathize with one another's feelings, maintain control of their bodies, be problem solvers in the event of conflict, and see the results of their actions. Each child is encouraged to talk about their feelings and to express their wants and needs in appropriate ways. For example, if a child wants to use a toy that another child is using this may cause frustration or anger. Here, at Lamb of God, staff are trained to recognize these emotions and help children navigate through them in appropriate ways using language and conscious discipline techniques. Staff members will offer alternatives to unacceptable behavior and give attention and praise to appropriate behavior. No child is subjected to corporal punishment or physical discipline at any time. Discipline shall never be related to food, rest, or toileting.

**Discipline Techniques NOT permitted to be used at Lamb of God Early Childhood Ministry by staff or parents/guardians:**

- Corporal punishment is prohibited and shall never be used, regardless of verbal/written authorization from the parent(s)/guardian(s) (ex. spanking, pinching, shaking etc.).
- Emotional abuse is also prohibited, including, but not limited to profane or harsh language.
- Demeaning or humiliating language in the presence of children (ex. threatening, humiliating).
- Ignoring, corrupting, terrorizing, or rejecting a child is prohibited.
- Withholding, forcing, or threatening to withhold or force food, sleep, or toileting is prohibited.
- A child may not be punished for lapses in toilet training.
- Unsupervised and long isolation periods of a child shall not be allowed. The child shall be within sight of staff if isolation from the group is used.
- The use of children to discipline other children is prohibited.
- Children shall not be restrained through drugs or mechanical restraints nor should they be confined in closets, boxes, or similar places. Binding to restrain movement of mouth or limbs is also prohibited.
- Please Note: *\*\*Short term restrictions on the use of specific play equipment, materials, and participation in a specific activity are permissible\*\**

The behavior management techniques listed in the chart below are used at Lamb of God and address the above requirements, as well as handle inappropriate or undesired behavior.

**Behavior Management for Inappropriate Behavior:** All children are expected to respond positively to center rules and care giver directions in order to provide an orderly, safe, and enjoyable environment for our children.

<b>Age Group</b>	<b>Techniques</b>
Toddlers	<ul style="list-style-type: none"> <li><input type="checkbox"/> Give children clear, simple choices</li> <li><input type="checkbox"/> Provide duplicates of toys</li> <li><input type="checkbox"/> Use positive suggestions</li> <li><input type="checkbox"/> Teach words to express their feelings</li> </ul>
Pre-School	<ul style="list-style-type: none"> <li><input type="checkbox"/> Reinforce positive behavior</li> <li><input type="checkbox"/> Involve children in making rules</li> <li><input type="checkbox"/> Help children use words to express feelings</li> <li><input type="checkbox"/> Take a moment to reflect about behavior in the “calm down place” using strategies of self-regulation from <i>Conscious Discipline</i></li> </ul>

Caregivers will help the children to adapt to these expectations in the following ways:

- The care giver will discuss the child's inappropriate behavior with the child, stating clearly the behavior that is expected.
- The care giver will offer the child choices consistent with conscious discipline techniques such as using the safe space or using calm down strategies.
- The caregiver will complete a behavior report, discuss it with parents, have parents sign a copy, and place a copy in the child’s file.

We will make every effort to work with parents of children having difficulties in child care. Behavior of children which disrupts normal classroom group activities on a frequent or extended basis may indicate physical or emotional obstacles requiring the attention of a professional specialist. The teacher and/or Director, with written parental consent, will take the necessary steps to refer the child to appropriate places for a professional evaluation within 60 days.

Children displaying chronic disruptive behavior which is upsetting to the physical or emotional well-being of another child may require the following actions:

1. Parents of the child will be called in for a conference. We will discuss the issues and identify some possible solutions. A plan of action will be developed and agreed upon by the parents, staff, and a health/behavioral specialist.
2. If the plan of action is not working, the parents will be called in for another meeting. We will discuss what is not working and develop another action plan.
3. If no progress has been made towards solving the problematic behavior, the child may be suspended from care. This suspension may range in length from the rest of the day to indefinitely.
4. When the child returns following a suspension LOG staff will continue to work with the family to find the most appropriate solution for future behavior management. The family will be expected to work closely and cooperatively with the classroom teacher toward a satisfactory resolution.
5. The permanent dismissal of a child from Lamb of God will take place if he/she poses any threat to the other children or staff members in the center. If a child is biting, punching, kicking, scratching or hurting other children or staff members repeatedly and we have used all our behavior management techniques and all our capabilities including outside services to help the child; the child will be dismissed from the center.
6. It is our responsibility to care for your children, look out for their best interests and protect them from any dangerous situations. We consider our partnership with families an important part of our program and appreciate your willingness to work as a team in adhering to the safety rules and regulations.

## **Biting**

Biting is a natural developmental stage that many children go through. It is usually a temporary condition that is most common between 13-24 months of age. The safety of the children at the center is our primary concern. The center's biting policy addresses the actions the staff will take if a biting incident occurs.

Toddlers bite other toddlers for many different reasons. A child might be teething or overly tired and frustrated. He or she might be experimenting or trying to get the attention of the teacher or his peers. Toddlers have poor verbal skills and are impulsive without a lot

of self-control. Sometimes biting occurs for no apparent reason. The center will encourage the children to "use their words" if they become angry or frustrated. The staff members will maintain close and constant supervision of the children at all times.

**The following steps will be taken if a biting incident occurs at our center:**

- The biting will be interrupted with a firm "No...we don't bite. We use our teeth for eating food."
- Staff will stay calm and will not overreact.
- The bitten child will be comforted.
- Staff will remove the biter from the situation. The biter will be given something to do that is satisfying.
- The wound of the bitten child shall be assessed and cleansed with soap and water. If it is determined that there was blood exposure, further steps will be taken according to known safety procedures regarding blood exposure.
- The parents of both children will be notified of the biting incident. Appropriate forms will be filled out (Incident Report).
- The bitten area should continue to be observed by parents and staff for signs of infection.
- We will seek outside resources if needed.

## **Drop Off/Pick-Up**

During drop off and pick up times, parking is available in the First Lutheran Church parking lot. Lamb of God families may use any available parking spot in this lot. The alley way is designated as a loading zone for delivery vehicles and other official First Lutheran/Lamb of God business. Our building opens and our program day begins at 7:35 am. It is important for families to remember the following safety items when dropping off and picking up:

- All children need to be escorted into the building through our north entrance (this is the entrance nearest the parking lot).
- Please be aware of alleyway traffic before crossing (larger vehicles and trucks may have limited line of sight)

- When exiting/entering vehicles with young children please take note of traffic patterns in parking lot.
- During drop off/pick up children may not be left unattended in vehicles, hallways, or entryways.
- Programs end promptly at 5:30 PM- all children should be picked up by authorized persons by this time. **Children who are still at the school more than 5 minutes after dismissal will be assessed a \$15.00 late pick-up charge.**

## Inclement Weather and Emergency Closings

When severe weather strikes, we carefully consider the conditions around us and use the closing, delay, or early release notices of the Manhattan-Ogden (USD 383) school district as one source for making a decision to close/delay our center for the day. The school district will close, delay, or release early when transporting children is not safe due to snow/ice and when outside temperatures are too dangerous for children. Please understand that the decision to close our school due to weather conditions or in the event of an emergency is made thoughtfully and prayerfully. We keep in mind the safety of families and staff as well the needs of the families we serve. We will make every effort to communicate a decision to close, delay opening, or release early as quickly as possible. **Families will be reimbursed their daily child care rate after three inclement weather closings per calendar year.**

**Our center will CLOSE:** When our center does not have electricity; water; or landline phone service. It is imperative that you arrange to have your child picked up as soon as possible in the event of an emergency closing.

**Our center will CLOSE:** When the school district closes due to snow and/or ice conditions. The potential risk of accidents while attempting to bring children to our center is too great when snow and ice are present on the roads.

**Our center will DELAY:** When the school district delays due to snow and/or ice conditions, our center will delay the same amount of time recommended.

**Our center will RELEASE EARLY:** When the school district releases early due to snow and/or ice conditions.

**Our center will remain OPEN:** When factors force the school district to close because of a dangerous wind chill or heat advisory, our center will **remain open**. However, please remember school attendance is **not mandatory** so we ask parents to use their best judgment when bringing their child to school. If you decide to keep your child home, please make the center aware of your child's absence.

## **Outdoor Play/Active Gross Motor Play**

Outdoor play is offered daily, weather and schedule permitting. All children should have proper attire for outside conditions. Kansas licensing requires that if the wind chill is below freezing or the heat index is above 100 degrees, we will not go outside. Teacher discretion will be used with other types of weather scenarios also. All children will have sunscreen applied before outdoor play.

## **Safety and Emergency Procedures**

To maintain safety, Lamb of God ECM ensures that hazardous and harmful materials are kept out of reach of young children, first aid kits are provided, and that smoke alarms and fire extinguishers have been checked and approved by the Fire Department. Emergency procedures for fire drills are practiced monthly. Emergency procedures for tornado drills are practiced monthly (in season). Emergency phone numbers are also posted in designated areas. We practice Lock/Down and Lock/In emergency scenarios with staff and students bi-monthly. Note: It is very important to have up to date contact information in case of emergencies. Please notify us promptly when changes are made.

**Injury or Severe Illness:** If a child is injured or severely ill within our program, parents will be notified immediately. On each child's enrollment form parents authorize our center to secure medical attention until parents arrive. If emergency medical treatment is needed, Riley County medical services will be called. If professional medical attention is required and expenses are incurred, the hospital will submit the charges to your insurance company.

We do not assume responsibility for injuries due to a child's normal course of activity while at the center. Our staff is trained in emergency plans and all staff have First-aid and CPR training. If a parent cannot be reached in the event of an emergency, we will call the emergency contacts listed on your child(ren)'s emergency form.

1. If a child needs emergency medical attention, an ambulance will be called first and the parents will be called second. The program director or administrator will always accompany a child to the hospital. The child's medical forms will be brought, as they contain pertinent medical information.
2. If poisoning is suspected, poison control will be called first. The child's parent(s) will be contacted second. If a parent cannot be reached, we will contact the person(s) listed on the emergency form.
3. Accident reports will be completed for any injury. A copy of the accident report will be kept on file by the classroom teacher and program director. Parents will be notified at pick up of any accidents/injuries associated with their child.
4. When on a field trip, a first aid bag will be prepared containing bandages, antiseptic gauze, ice packs, and any medications that your child will need during that time of day.

**Fire:** We conduct fire drills once every month as required by the state. We will practice each evacuation plan for differing situations. During the fire drills, we take time to practice escaping through each exit. During each drill we emphasize that when a fire is noticed and/or the alarm sounds, everyone is to leave the school building orderly. In the event of an actual evacuation, our staff and students will proceed to our designated Evacuation Location Site. Our Evacuation Relocation site away from our building is the Parking Lot of *First United Methodist Church at 612 Poyntz Avenue*. In the event of a fire, children and staff can be found at the evacuation location.

**Tornado:** We conduct a tornado drill once each month in season as required by the state. The Preschool Wing of the basement is used at the time of tornadoes and strong storms. All staff members will stay with the children at all times until an "all clear" is issued.

**Storms:** During all storms, the children are to remain inside. In the event of a strong storm with dangerous wind, we will follow the procedure for tornadoes as described above until the storm passes.

**Floods:** In the event the school building becomes threatened by flood waters or back-up flooding, an “in place evacuation” is necessary to seek a secure on-site location. The children will be kept at our facility, but they will be moved to the Youth Room located at the highest level of our building. Plans to continue school activities will be determined at that time.

Recent events in the nation have heightened our concern for safety and security of our students and staff. As part of our Emergency Procedures we will practice evacuation and lockdown procedures within the Center.

**Lock Down:** In the event we have to employ a school "**lock down**" in a real situation, such as a hazardous environmental situation or there is police/emergency activity in the vicinity of our school, a strict "lock down" situation will proceed as follows:

- The Director will communicate with all teachers and church staff of the situation.
- Teachers will be directed to lock their doors and windows, turn off all lights and close window blinds within the classroom.
- During that period of time, no one will be allowed in or out of the classrooms or in or out of the building and parents will be notified through email when the center is in “lock down.”
- When the situation has been declared safe, an “all clear” message will be sent to teachers and parents will be notified promptly.

**Lock Out:** Should there be a danger or threat posed outside the building, we will enter into a "**lock out**." In a "lock out" situation, all exterior doors will be locked. No visitors or unauthorized personnel will be allowed to enter the building. The procedure will be as follows:

The Director will communicate with all teachers and church staff of the situation.

Teachers will be directed to lock their doors and windows, turn off all lights and close window blinds within the classroom.

During that period of time, no one will be allowed to enter the building and parents will be notified through email when the center is in “lock out.”

When the situation has been declared safe, an “all clear” message will be sent to teachers and parents will be notified promptly.

**Missing Child:**

1. Contact your local law-enforcement agency as soon as you have determined a child is missing or has been abducted. Do not delay in reporting the child is missing to law enforcement.
2. Contact the parent/guardian of the missing child.
3. Call emergency substitute or parents to pick up other children in care
4. Search any area into which a child could crawl or hide and possibly be asleep or unable to get out. This includes closets, piles of laundry, in and under beds, inside large appliances, in vehicles including trunks, or any other space into which a child might fit. Check areas where the child was last seen or may have played such as open or abandoned wells, caves, sheds, buildings, and crawl spaces.
5. Provide law enforcement with the date, time, and location where the child was last seen.
6. Compile descriptive information about the child and have the information available to provide to the first-responding, law-enforcement investigator. Descriptive information should include items and information such as a description of the clothing worn at the time the child was last seen; date of birth; hair and eye color; height; weight; complexion; identifiers such as eyeglasses or other unique physical attributes.
7. Restrict access to the home, no matter where your child was last seen, until law enforcement has arrived and had the opportunity to search the home and surrounding area.

### **Acts of Violence/Terrorism:**

1. Enforce facility security. Restrict visitors to only public areas. Ensure that all visitors are identified and appropriately cleared before they enter the facility.
2. Response to the consequences of a terrorist or violent act will depend on the hazards presented:
  - a. Armed Intruder - Call for help (911). Try to get the children to safety, either locked in a safe room inside, or quickly taken outside the building. DO NOT try to confront the intruder and make him/her even more violent. Try to remain calm and to calm down the intruder.
  - b. Hostage situation - Call for help (911). Don't endanger yourself or any of the other children by trying some sort of rescue. Pay attention to the captor(s), try to get details of what they want and accommodate them. Provide as much information as possible to the police when they arrive.
  - c. Bomb - any unknown package could be a bomb. If you have any reason to believe that it is, EVACUATE IMMEDIATELY and let the experts deal with it. Call for help (911).
3. Ask that parents wait until warnings have expired or until there is no longer a threat before picking up children.

### **Utility Failure:**

1. Locate flashlights and a battery-operated radio.
2. Contact Local Power Company to find out how long the power failure is expected to last/ if the Local Power Company can easily fix the problem.
3. Evaluate your child care facilities ability to maintain proper environmental temperature, food storage temperature, and how to continue to wash the children's hands.
4. If the childcare facility is not able to maintain all required regulations such as proper environmental temperature, wash hands, food service, etc., contact parents to pick up their children.
5. Keep children busy with games/stories until the power is back on or until the parents pick up the children.

### **Chemical Release:**

- A. Evacuate the area immediately.

1. Do not turn any electrical switches on or off.
  2. Eliminate all open flames.
  3. Evacuation should be to an area (if possible) upwind and uphill of the facility (State designated meeting area ).
- B. Call 911, and report that there has been a Hazardous Materials Spill.
- C. Do not attempt to contain, touch, or identify (if unknown) the hazardous material.
- D. If a child or staff member has had contact with chemicals, the chemicals should be washed off immediately.
- E. Ask that parents wait until all danger has passed before coming to pick up children.
- F. Do not return to the building until authorized to do so by the fire department.

**Gas Leak:**

1. If any staff member or children smells gas, act quickly.
2. Open windows immediately.
3. Call 911 and report the possible gas leak.
4. Do not turn any electrical switches on OR off. Eliminate all flames.
5. Check all gas taps and turn them off.
6. If the gas odor remains strong, evacuate the area immediately.
7. Hold hands of mobile children infants or non-mobile children place in stroller or carry in arms.
8. Go to designated meeting area-(state address of meeting area).
9. Count children.
10. Do not return to the building until the fire department announces it is safe.

## Center Meals

Lamb of God offers each child a well-balanced breakfast, lunch, and afternoon snack daily. All meals and snacks include components of 1.) milk, or milk product, 2.) fruit, vegetable, or full-strength vegetable or fruit juice, 3.) meat/protein, and 4.) grain/bread product. Menus are provided through email at the beginning of each month and are also posted in your child's classroom and printed copies are available by request.

### Meal Times

Breakfast	8:30 AM – 9:00 AM
Lunch	11:30 AM - 12:30 PM
Snack	3:00 PM – 4:00 PM

Our facility participates in the Child and Adult Care Food Program (CACFP), a federal program that provides healthy meals and snacks. As a provider, we are reimbursed for serving nutritious meals that meet USDA requirements. The CACFP program plays a vital role in improving the quality of day care and making it more affordable for low-income families.

All families will receive a CACFP enrollment form at registration. By participating in this federal program, the center will serve a variety of nutritious foods to your child(ren) and receive reimbursement to assist with food costs. To meet program requirements, the Center is required to have parents complete enrollment information annually for each child enrolled in care. The form will be placed in your child's file and treated as confidential information. Families must fill out forms in their entirety and certify that all information is true. Giving false information on enrollment forms could result in loss of meal benefits and/or federal prosecution.

### Food Policies and Substitutions

**Substitutions for Disabilities:** Our Center is required to make substitutions or modifications to the meal requirements for participants with disabilities who are unable to consume the meals offered to non-disabled participants as determined by a licensed physician. The physician determines whether the child has a disability that restricts his or

her diet. In such cases, the CACFP Meal Modification Form must be completed by the parent and signed by a licensed physician.

**Food Allergy Policy and Substitutions for Food Allergy/Intolerance:** Food allergies are becoming more common among infants and young children. Allergic reactions can range from mild skin rashes to severe, life-threatening reactions with breathing difficulties. It is important to reduce the likelihood that these reactions will take place while your child is in our care. Parents should speak to the Director before sending treats or snacks containing known allergies. Child allergies must be listed on your child's health forms and placed in your child's file. The CACFP Meal Modification Form listing your child's allergies and intolerances should be filled out by parents and a licensed physician and updated annually. Our Center may, at our own discretion, make substitutions for individual participants who are not disabled/handicapped but are unable to consume a food item because of medical or other special dietary needs due to food allergy or intolerance. Such substitutions can only be made when supported by the CACFP Meal Modification Form signed by a medical authority. Food substitutions must be provided by the parent and all other meal components will be provided by the Center.

**Substitutions for Religious/Ethnic Preferences:** Our Center is not required to provide meal substitutions requested by families due to religious or ethnic preferences. However, the parent can work together with the Director and Food Coordinator to meet all meal pattern requirements. If approved, all food substitutions must be provided by the parent and substitutions must be a credible CACFP meal component. Families should speak with the Director to assure that your child's nutritional needs can be met by the Center.

**Other Information:** Children may not bring food to eat any other time during the day unless it is for a meal replacement served at our regular meal times and documentation indicating why the child requires meal or snack replacement has been provided. From time to time, parents desire to bring a snack for the classroom to share. You must receive prior approval from the Director before bringing such items in order to avoid food allergies or intolerances.

If your child arrives after a meal has been served, we will not be able to serve your child unless you have notified the classroom in advance so they can be prepared to refrigerate and reheat your child's meal. Infants are fed on demand. Parents may join their children at meal time. However, outside food is not permitted and reservations for an adult serving of food must be made the day prior to the day you plan on joining your child.

**Milk and Water Policy:** Per Federal recommendations, the Center provides access to water during meals and throughout the day, and only serves milk or 100% fruit juice during meal times. For children age 2 and older, the Center serves low-fat (1%) milk at meal times. Children between the ages of 12 months and 24 months receive whole cow's milk. See Special Diet Request section for information on supplying a milk substitute for your child. The Federal recommendation is that milk intake for toddlers and preschoolers not exceed 24oz (3 cups) per day. The Center provides 2 to 3 servings of milk per day and assumes that children are also receiving at least one serving of milk at home. After 12 months of age, children are at risk for iron deficiency. Cow's milk is low in iron and decreases the absorption of iron. Children who drink more than the daily recommendation may be less hungry and less likely to eat iron-rich foods. Therefore, drinking too much milk can put a child at risk of developing an iron deficiency, which can affect growth and may lead to learning and behavioral problems.

**Breast Milk:** Breast milk must be brought in fresh daily and stored in the Infant and Toddler refrigerator. Breast milk must be labeled with the child's name, date, and quantity. Breast milk/formula may not be kept at room temperature for more than one hour if it has been previously frozen or refrigerated. A bottle of breast milk may only be warmed once and may not be put back in the refrigerator after it has been warmed; once a bottle has been warmed, the leftovers will be discarded. Parents must provide enough bottles to last a full day at child care.

**On Demand Feeding:** All infants will be fed on demand which is the best way to meet an infant's nutritional and emotional needs. Additionally, feeding on demand helps infants to develop trust and a feeling of security. However, we understand that feeding on demand does not mean offering food every time a child shows signs of discomfort. Needing a nap or

a diaper change could also be the cause of crying. All infants are held when being given a bottle. Giving an infant a bottle when they are lying down or in their crib is dangerous; and may lead to choking, ear infections, or dental problems, and is against the center's policy.

**Formula:** Parents can have formula provided by the center or bring from home. If you wish to receive formula from our center please see the Director for a CACFP Infant Meal Offer Form. All formula brought to our center from home must be factory sealed and labeled with your child's name. The center cannot accept opened cans of formula. Formula will only be given as per the instructions on the container, unless a doctor's note is provided. Formula bottles are prepared using tap water and warmed up in a bottle warmer as needed. If you prefer to have bottles prepared using bottled water, please provide the factory sealed bottled water and again, please label with your child's name.

**Baby Food:** Infants are generally ready for baby food from 4-7 months of age. When a child is ready to start cereal, their parent/guardian must notify the Director and Infant/Toddler Lead Teacher stating that their child is ready. An infant needs to have a food for 5 days at home before starting that food at the Center to ensure they will not have an allergic reaction. As you deem a food safe for your infant to eat, please inform the Infant and Toddler Lead Teacher. An infant will always be served their bottle before their solid food as breast milk or formula provides the best source of nutrients. Baby food can be provided by the Center if the Infant Offer Form signed by the parent/guardian gives permission.

**Transitioning from Baby Food to Table Food and Bottles to Sippy Cups:** Infants are generally ready to transition from baby food to table food between 8 and 11 months. A parent/guardian must notify the Infant/Toddler Lead stating that their child is ready for this transition. Food will be mashed, ground, or cut up into pieces no larger than ¼ inch square or served to the child according to their chewing and swallowing capabilities. Food will also be served in their personal chair with tray. Semi-solid foods can be provided by the center if the Infant Offer Form signed by the parent/guardian gives permission. After your child has transitioned to table food, your infant will also be offered a sippy-cup at meal times in order to practice and eventually transition to a sippy-cup. All meal time

transitions will be done with parent's approval only. If your child uses sippy cups or bottles, these must be provided and labeled.

**Meal Time Sign Language:** In order to help your child communicate at meal times we recommend you use the following signs at meal times at home: more, milk, drink, and all done. The center uses these signs with great success. Please see the Infant/Toddler Lead Teacher for a visual packet with illustrations.

## Napping

Children will have the opportunity to nap during the school day. Toddlers and preschool children can bring their own child sized blanket for nap time. Children who do not rest will be offered quiet activities during rest time. We cannot keep a child from sleeping even if with parent permission.

### Safe Sleep Policy

Our Center practices safe sleeping practices for infants under 12 months old to prevent S.I.D.S. (Sudden Infant Death Syndrome).

Safe Sleep Practices: Sudden Infant Death Syndrome (SIDS) is “the sudden death of an infant under one year of age which remains unexplained after a thorough case investigation, including: performance of a complete autopsy, examination of the death scene, and a review of the clinical history. (National Institute of Child Health and Human Development, Willinger et al, 1991)

The American Academy of Pediatrics (AAP) recommends that infants be placed to sleep on their backs, in their own crib, with nothing in the crib other than a fitted sheet covering a tightly fitting mattress.

In order to follow this recommendation, Lamb of God School has implemented Mandatory Safe Sleep Practices.

For each infant child under the age of 12 months, the provider and/or qualified staff shall:

- Receive training on the Safe Sleep Policy and SIDS risk reduction.

- Place infants on their backs. Unless an infant has a sleep position waiver signed by their physician specifying otherwise, infants shall be placed in a supine (back) position for sleeping to reduce the risk of Sudden Infant Death Syndrome. A notice will be posted near the infant’s crib for those infants.
- Remove blankets, pillows, soft toys. The infant’s head shall remain uncovered during sleep.
- Maintain a room temperature that does not exceed 75° F.
- Only one infant in a crib at a time.
- Ensure that the “No Smoking” policies are enforced. There is NO SMOKING allowed in the child care facility, or in vehicles when transporting infants. Employees must wash hands before returning to the infant room after smoking.
- Infants will be provided appropriate “tummy time” when awake.
- Caregivers will visually check on infants every 5 minutes while the infant is sleeping.
- When infants can easily turn over from the supine (back) to the prone (stomach) position, they will be placed to sleep on their back, but allowed to adopt whatever position they prefer for sleep.

## Supervision

To ensure the safety and well-being of all children enrolled in our facility, the center shall provide appropriate care and supervision of children at all times. The ratio of teachers to children present at all times shall be based upon all of the following provisions:

Infants (2 weeks to 12 months)	(1:3)
Infants to 6 years	1 to 4 / 8 max (4 infants)
Toddlers (12 mos. To 2 ½ years if walking alone)	(1:5) / 10 max
2 years to 3 years	(1:7) / 14 max
2 ½ years to school age	(1:10) / 20 max
3 years to school age	(1:12) / 24 max

## Line of Authority

1. First Lutheran Church Council: The overseeing body of the church and school.
2. Lamb of God School Board: The school board is the link between the school and church. The board members provide administrative support for the school. The board assists in finances, enrollment, the physical plant, and the school's human resources.
3. Administrator: First Lutheran Church Pastoral Staff
4. Director: The Director is in charge of the day-to-day operations of the school including supervision of staff and students, school information requests, maintaining compliance with state laws and regulations, and severe child discipline issues.
5. Lead Teachers: Lead teachers report daily to the Director. Teachers work with the Director to meet goals of the center and objectives for students. Teachers provide direct care to students in the classroom daily and provide enriching activities for their developmental growth.
6. Other Program Staff: Assistant Teaches and Food Coordinator report daily to the Director and supervising Lead Teacher. Assistant Teachers work with the Director and Lead Teachers in accomplishing daily tasks and meeting the goals of the center.

## Toileting

Learning to use the potty for children in Infant and Toddler care will be done in a relaxed manner with the cooperation of the parents. We will follow through and encourage your child up to preschool transitioning. Learning to use the potty is encouraged when a child begins preschool, if not previously trained. When the child begins to show signs of being ready to move on to the next step (ie: keeping the pull up dry for long periods of time, asking to use the potty, telling when they are wet/dirty) we will communicate with the parents that we would like to try underwear. Teachers will encourage using the potty and will have a staff member available to take children to the restroom frequently. The teachers will ask often if the child would like to use the potty and give encouragement and positive reinforcement. Parents will be asked to bring numerous (at least 5 in the beginning) changes of clothes and an extra pair of shoes. If there is an accident, the teacher changes the clothes as many times as the child has an accident. Parents may request that

we put the child in pull-ups for nap time and take them off when they wake up. Our policy is to allow each child to move at their own speed. Many children get confused when switching between diapers/pullups and underwear. This is a cooperative effort between home and school. Families must be active participants in order for this process to be effective and smooth.

## **Medical Forms and Personal Records**

You must fill out all health and medical forms provided by the center and must provide a record of their most recent physical exam and immunizations dated within the past 24 months, and return it before your child's first day in care. Each time your child receives new a new physical exam or immunizations, please provide an updated copy to the Director. If our records indicate that your child is not current on their immunizations, your child may not be able to attend school until we have received appropriate documentation.

## **Medications**

Medication may be administered to your child while at school for non-contagious conditions after the proper permission forms have been filled and signed. All medications to be administered must be provided in the original container, including cold medicine, fever reducer, etc., in order to comply with licensing requirements. Over the counter medicine must have a label from the pharmacy that specifies the dose amount. Medicine must never be sent to school with the child alone. It must be given directly to the teacher. All medication will be stored in a locked, secure area. Leftover medication will be stored per instructions and returned to the parent. Your child's health and well-being is a priority to us! Please contact us before school begins if you have special instructions or concerns about your child's health.

## Health Exclusion

Lamb of God realizes that illness is an unavoidable part of life, especially with young children in a group setting. When necessary, we may need to exclude a child from the program due to illness, when he/she presents a health risk to other children and staff. When you learn that your child is ill and will not attend school that day, please call us. In case your child has a communicable disease, please report it to us as soon as possible so that we can post that information for other parents. Additionally, if a child is contagious or not feeling well enough to participate in group activities, he/she must remain at home. When a child becomes ill at school, we will do our best to reach you while keeping your child as comfortable as possible. This may mean separating him/her from the group. A rest area will be provided and a Lamb of God staff member will remain with the child at all times. The child will be provided with quiet activities while waiting for his/her parents.

**If a child becomes ill at school, staff will call parents to come and take the child home and the child must remain at home for the following school day.**

We will send the child home if s/he is vomiting, has diarrhea, has a fever of over 100 degrees (axially), and has oozing sores, head lice, pink-eye, or other contagious conditions as stated in the following section of this handbook. Children must be symptom free without medication before returning to school. If symptoms persist more than 24 hours, then a doctor's note, explaining illness and reason for symptoms (i.e. contagious, etc), as well as care instructions, will be required before returning to school.

We realize that it is difficult for parents to leave work for a sick child, but we take your child's best interest and interest of the group into consideration when calling you. You may wish to develop a plan for caring for a sick child prior to needing it. Also, please remember that prior authorization must be given in writing in order for other parties to pick up your child.

The following are some common illnesses encountered in a school setting and our policies concerning attendance with them:

Coughs/Colds: Children with colds and coughs may attend our program as long as they feel well enough to follow daily routines (especially outdoor play). If a fever accompanies cold symptoms, the child must stay at home.

Fever: A child with a fever 100 degrees or more should remain at home until their temperature is normal for 24 hours.

Strep: A child with a sore throat and a fever together should have a throat culture. The child should remain at home until he/she receives a negative culture, or has been on antibiotics for 24 hours.

Ear infections: A child may attend our program if he/she is not experiencing great discomfort or fever.

Rash: If your child has an existing rash when he/she comes to school please notify us with details of their condition. If a rash appears suddenly, spreads quickly, or is accompanied by other symptoms, we will call parents immediately.

Vomiting: A vomiting child must remain at home until he/she can tolerate a normal diet.

Diarrhea: A child with diarrhea must remain at home until free of diarrhea for 24 hours.

Chicken Pox: A child must remain at home one week after the rash appears or until all of the blisters have scabbed over and dried.

Conjunctivitis (Pink Eye): A child with conjunctivitis may return to the program the day after treatment has begun. If your health care provider chooses not to prescribe medication, you must bring a note from him/her stating that your child does not present a health threat to others.

Head Lice: If your child has head lice he/she may not come to school. The policy is that students must be lice and nit free in order to be at school. If lice or nits have been found in your child's head while at school, as with any contagious disease, they will be isolated and sent home immediately. A child may return to the program after treatment and removal of nits. Upon return, students must first be inspected by the teacher. The teacher will determine if they can return to school.

General first aid will be administered for minor cuts or abrasions and topical ointment and a bandage will be applied.

- Additionally, when parents are contacted to pick up their child due to illness or injury at school, children must be picked up within one hour or be assessed a \$15.00 late pick-up charge.

## **Parent Volunteers**

As a nonprofit organization we encourage volunteerism from parents throughout the school year. There are many opportunities and ways to volunteer to support your child's school, such as fundraising events, holiday events, classroom events, field trips, or as the needs arise. Depending on the event, we may ask you to complete the Kansas Background Information form as applicable. The safety of your children is of primary importance to us. We know most of you well and know that this is probably a step beyond what is necessary, but we must take every precaution to ensure that each child in our care is protected from possible dangers. It is very important that each staff and volunteer respect each child and family's right to privacy and confidentiality. Please do not discuss a child or parent with another child or parent.

## **Parent Teacher Organization (PTO)**

As a nonprofit organization fundraising and promotions are essential to our program. We encourage that each family attend at least two PTO meetings per fall and spring term. PTO meetings dates and times will be shared with families through classroom communications. Our PTO is essential to the success of school events. Parents assist teachers by ensuring that all parents have the information needed pertaining to upcoming events and they assist the PTO Chairs in getting parental and community involvement. The PTO chairs will communicate all necessary information to the parents who are then in turn responsible for communicating to others.

One to two parents from each age group are recruited yearly to serve as PTO Chairs. Their responsibility is to be available to assist the classroom with any special activities planned by the teachers or the Center including, but not limited to, the following:

- Assist the teachers in coordinating classroom events.
- Assist the teachers in communicating information to all the parents.

- Assist in planning the Lamb of God School Annual Soup-Luncheon, restaurant fundraising opportunities, and more.
- Coordinate teacher appreciation efforts.
- Coordinate teacher birthday celebrations.
- Attend PTO meetings.
- Assist in other center activities as requested by the Director.

## Seesaw Photo Policy

Seesaw is a private form of communication between teachers and parents. This is a way for families to look in on their child's day, to see what kinds of learning activities children are doing throughout the day. Teachers often post photos of children in their classrooms on Seesaw for parents to view. Parents are free to share photos of their children from Seesaw, **however**, if their child's photo includes other children, the faces of anyone else in the photo should be covered, to protect the privacy of other families. Please be sure to respect the privacy rights of all of our families by complying with this policy.

**STATEMENT OF UNDERSTANDING**

**Policies and Procedures of Lamb of God Early Childhood Ministry**

Child(ren)'s Name: \_\_\_\_\_ DOB: \_\_\_\_\_

Reason for termination:

\_\_\_\_\_

\_\_\_\_\_

Enrollment forms are a contract reflecting a commitment by the parent to pay tuition from the start date to end date of your child's program. If your family chooses to cancel care provided by our program, no less than two weeks notice must be given to Lamb of God ECM. Families are expected to clear tuition accounts in full before the termination date listed. .

Families who dis-enroll without two weeks notice will be charged a \$100 cancelation fee in addition to tuition fees. This Cancellation of Enrollment form must be given to the Director two weeks prior to disenrollment to avoid the cancelation fee.
