Verse 1

C **Am7**
I'm torn between myself and Your truth
C **Am7**
These cursed memories, forever seeping through
Fmaj7 **C**
Oh my thirst for myself left me wanting more
Fmaj7 **Am7**
Till I found myself face down on your shore

CHORUS

G
You say Come to the river
Dm9
Oh and lay yourself down
C
Let your heart be found
G
You say come to the river
Fmaj7
Drink from the cup I pour
Am | Am2 |
And thirst no more

Verse 2

C **Am7**
My restless heart, led me astray
C **Am7**
To my selfish pride, I became my own slave
Fmaj7 **C**
But You placed a thirst in me, with no drink in sight

Cause I could not see, till I saw through Your eyes
