**Scripture comes to life
with this inspiring script and performance.**

Be transported back in time to the foot of the cross and the heart of the Passion as Olivia portrays the women who witnessed the events surrounding Jesus' death and resurrection.

The presentation features Veronica watching Jesus carry the cross; the Repentant Prostitute at the foot of the cross; Mary, Jesus' Mother preparing him for burial; Mary Magdalene at the tomb for the Resurrection; and Martha at Pentecost.

The play brings to life the spirit of Easter through the love, faith, and triumph of the gospel women as they each experience a personal awakening that brings them closer to Jesus.

This is one of six plays featuring Women of the Bible that Olivia has created and presents to churches and schools of all denominations throughout the country and internationally.
