

Hello Fall Retreat Parents!

We are just a little over a week away from our Fall Retreat! We have 19 going on the retreat and it promises to be a fantastic weekend! Thank you for allowing your students to join us on this wonderful experience. Below you will find the packing list as well as any other instructions you may need to know. Please do not hesitate to reach out to me with any other questions. Thanks so much!

Departure: Arrive at Grace by 4:00 pm on Friday, November 3, we will leave promptly at 4:15 pm.

Return: We will return to the church before worship is out on Sunday, November 5. We will call you around 30 minutes out to give you an exact time.

Cell Phone: We are allowing the students to bring cell phones for the bus ride and for nighttime so they can check in with you.

Money: Your youth will need money for a meal out to eat on Saturday Night.

Luggage: We have limited luggage space so please keep luggage to 1 small bag. **Our facilities all have sheets and pillows but the students are allowed to bring their pillow if they desire.**

Medications: If there are any medications that you would like for the chaperones to keep up with or administer please email me and bring them in a ziploc bag with instructions and their name. When you arrive on Friday afternoon please give these to me and we will make sure the student receives them based on the instructions you provide.
