## YOUTH SERIES

**JANUARY- Killjoy**

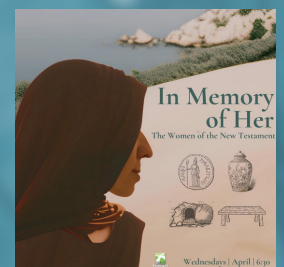

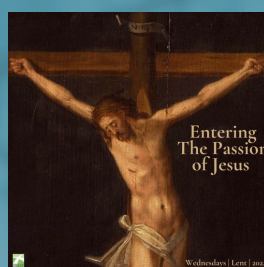

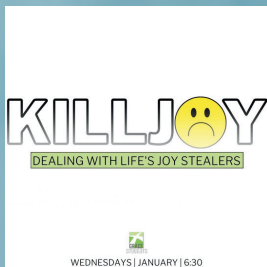

Throughout the Bible we are called not to happiness but to live in joy! The problem is there are a lot of killjoys we encounter every single day. Join us in January as we learn about these joy stealers and how to keep our joy even when they come along!

**FEBRUARY/ MARCH- Lent Series**

Over the months of February and March we will dive deep into our Lent Series The Passion of Jesus. In this series we will examine the trials and tribulations of Jesus' on the cross and what Jesus death means for us today.

**APRIL - Women of the New Testament**

For our last series of the school year we will focus on the extraordinary women of the New Testament. These amazing women not only overcame societal barriers, but also, as we find out in each of their stories, incredible personal barriers as well. Join us in April for these incredible stories of hope, courage and generosity as lived out by the Women of the New Testament.
