## Our Vision:

*To see people transformed by Jesus  
in order to live, love and serve like Him.*

July 8, 2018

Good Morning!

If you are a visitor please fill out a communication card. This is also an excellent way for anyone to sign up for different activities or communicate prayer requests or comments.

The Lord's Supper (communion) and our tithes/offerings are both vital aspects of our worship each week. We participate in these to remember what Christ did for us at the Cross and our response to Him through our offerings – an expression of our love and commitment to Him.

Communion: All believers are invited to remember and celebrate Christ's sacrifice for us. During the communion portion of the service, there is time to personally reflect and partake at any of the communion stations.
