Who We Are:

Our Community Ministry Center (CMC) is a non-profit organization run by volunteers. In order for us to provide this resource to our community, we ask you to follow our guidelines.

CMC Guidelines

1. Please be patient and respectful to others as you wait to be served.
2. Parents, please monitor your children and keep them with you at all times. We have FREE books you can take in our "Kids Corner".
3. When we are at room capacity, we will post a sign on the door that we cannot let anyone else in the building. You must wait in your car until the sign is removed.
4. You cannot wait on the sidewalk. We must be respectful of our neighboring business owners.
5. You cannot sit at Romeo & Juliet Pizza Restaurant tables that are outside. Those tables are for their paying customers only.
6. Please do not panhandle outside the CMC or in the parking lot.
7. The free food we provide is donated through the generosity of local

- businesses. Do not try to resell the food to others or take it back to the store. It is for you and your family to eat/use.
8. When the weather is bad and Spotsylvania County Schools are closed, our CMC will close. If there is a delayed opening, we will delay one hour. On Saturday, we will follow the Spotsylvania Parks & Rec cancellations.
 9. Those eligible for USDA food can be served every thirty (30) days.
 10. You can receive food from our "Free Food" tables every time the CMC is open.
