Greenhouse Church
Saratoga Springs, UT

IDENTITY

A greenhouse is a place where soil is broken yet cared for, where seeds die yet produce new life and where plants absorb nutrients yet also produce incredible life-giving fruit.

That's what we want to be: a place where God's love both breaks and heals us, and where we experience both deliverance and new Life. But it doesn't end with us. We want to engage in both discipleship and service in ways that tangibly bring healing and Life to our community and this world as well.

We want to get our hands messy by being disciples and by growing disciples who are exposed to a loving God and learn to love Him in return, who experience loving each other in real-life ways, and who are engaged in serving the world starting with our own neighborhood.

Remember Greenhouse in your prayers.

Mission of CRC

The Christian Resource Center is a religious non-profit organization, which is evangelical in doctrine, non-denominational in affiliation, and inter-denominational in practice.

CRC exists to further Christ's kingdom by 1) assisting local churches and individuals, 2) training believers for righteous living and skillful ministry, and 3) reaching out to local communities with the gospel of Jesus Christ.

This mission is accomplished through the personal ministries of the Directors and by customizing programs and ministries to meet the ever-changing needs of local churches, individuals, and communities.

CRC has a strong commitment to helping enhance and strengthen the ministry of local churches and has been serving the area since 1976.
