We are hoping this will help in your consideration and understanding of these options and help clarify some of the advantages of each one.

Please continue to pray for the re-branding process and for our church.

Also, pray through our vision statement, paying special attention to the personal commitments made last November during our Harvest Mission Festival.

Grow Disciples: committing to having gospel conversations, joining a small group.

Transform Communities: volunteering locally or helping with a church-initiated community event.

Multiply Churches: going on a mission trip, praying for our church to open a second service/location.

HENDERSON MB CHURCH

The Gideons
International

A Rich History

Established in 1899, their founders realized that Christian men needed to be continually strengthened in their walk with the Lord, and that by standing together in faith, they could accomplish great things for God's Kingdom. A practice which began in 1908 as an Association of Christian businessmen placing Bibles in hotel rooms has evolved into an expanding mission to provide Scriptures to all people in nearly every facet of life. Today, they have distributed more than 2 billion Scriptures in more than 95 languages to 200 countries, territories, and possessions across the globe.

Witnessing & Sharing the Word

They believe distributing copies of God's Word plants powerful seeds God can use according to His own timing (I Corinthians 3:6), allows many to read the truth for themselves (John 8:32), provides a lasting witness (Hebrews 4:12), and makes it easier for those we reach to boldly spread the Good News (II Timothy 2:2). Members of The Gideons International personally witness and distribute God's Word to police, fire, and medical personnel; prisoners; military personnel; students in the fifth grade and above; and to those with whom they interact daily.
