### Prayer Requests

- Pray for those who have been most affected by the recent extreme weather, high wind, blizzards, tornadoes and flooding. Many areas are facing complications from flood waters rising and parts of communities have been evacuated. Pray for a milder Spring and less erratic weather.
- Pray for Timberlake Ranch Camp, Swan Lake Christian Camp, the Christian Resource Center and other church camps as they gear up for the summer camp season cleaning, organizing, hiring staff and making other necessary preparations. Pray that their ministry be always gospel centered and allow God to freely work in amazing ways in the lives of those who will attend and work there.
