## What is Gospel Fluency?

On a practical level, “gospel fluency” is the being able to take everyday situations and problems and speak the truths of the gospel into them in a way that sounds like the good news of Jesus for those who are struggling with their present circumstances.

In order to do that we must become gospel “fluent” people and know the bible. If we are going to grow up in every way into Christ, we must learn to speak the truths of Jesus Christ into everything.

*Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love.*

- Ephesians 4:15-16

**Milan’s Retirement Party:** TODAY, 2-4 pm in the Family Center. Thank you for 44 years of dedicated service!

**Harvest Mission Festival:** November 10, 17 & 24 We will gather together following service on Nov. 24 for a church family meal. All attenders are invited and encouraged to stay for the meal. Our Special Guest Speaker will be Jason Regier. *We are looking for helpers with preparation and in the kitchen. Talk to Judy Dick if you can help.*

**Office Help Wanted:** We are looking for some help in the office the week of Thanksgiving on November 25 – 29 for a few hours to prep bulletin and PowerPoints.
