On January 1, 2026, the United States began our year-long commemoration of an important milestone in the history of our country: 250 years of American freedom and independence. From the earliest days of our national story, reflection and thanksgiving have been central to our character, identity, and destiny. The Bible teaches: "In all circumstances give thanks." As such, it is fitting that we mark this special year as a unique occasion to celebrate our proud history, reflect on our abundant blessings, pray for our country and our people, and rededicate ourselves as one nation under God.

**The Ask:** What if one million Americans dedicated one hour a week to praying for our country and our people?

**The Invitation:** Will you join with at least 10 people to meet each week for one hour to pray for America?

**The Opportunity:** As we celebrate 250 years of freedom, this is an opportunity to rededicate ourselves to the principles that gave birth to this land of liberty.
