- PRAISE for the love and guidance of our Heavenly Father on this Father's Day! Pray for fathers as they love and raise their families, providing leadership and following the biblical example in their roles as parents and husbands.
- PRAISE for our Mission Team as they are making their way back from Thailand and should be safely home today. Pray for them as they decompress and process their experience.
- Pray for the youth and sponsors attending ASCENT leaving next Sunday to join other USMB church youth at *The Crossing* retreat center in Lexington NE.
- PRAISE for Zach Quiring sharing last week about his mission experience in Liberia. Continue to pray for him as he processes the events of his trip.

LEADERSHIP BOARD

Duties & Responsibilities

The Board's primary responsibility is to create and periodically update three governing documents:

- 1) the mission principles – the statement of the mission the church is to accomplish;
- 2) the boundary principles – the statements showing the authority that the Pastor has for carrying out the mission, the restrictions to that authority, and limitations of means to accomplish the mission; and
- 3) the accountability principles – the statements and procedures that the Board uses to evaluate the extent to which the mission is being accomplished, setting forth the accountability of the Pastor to the Board and providing general oversight.

Use the reverse side of this tear-off portion of the bulletin to write your nominations and place them in the black metal box at the rear of the sanctuary
