PRAYER & PRAISE:

- Praise for our annual meeting last week! Pray for our leadership board and for Chad Tessman elected last week.
- Pray for farmers during this harvest season for safety on the roads and in the fields around equipment. Pray for the families that support them.
- Pray for our schools, teachers, admin, staff. Pray for our local FCA chapter and for the community church youth groups supporting kids in their faith.
- Prayer and Praise from the Central District Conference meeting held this past week; There is a lot of very good news coming out of the Central District. Some churches have good momentum and other churches are struggling, so we give God the glory for all the exciting things that are happening and also ask for His direction in the churches who need guidance.

Scripture from Genesis to Revelation to learn about angels—who they are, what they do, and what they have to do with you. There's no reason to fear or ignore what's happening in the supernatural, unseen realm—we can live with confidence that God is in control of it all. *Angels* is a call to put your hope in the God of angel armies who reigns over heaven and earth.
