PRAYER & PRAISE:

- Pray for Stan & Ruth Haidle (Luke's parents) as well as Luke & Joanne. Following some falls and a rapid decline in mobility, the decision was made for Stan to make the transition to a place where he could receive the help he needs. Pray for the caregivers as they get to know Stan so that they can best address his needs and aid in this transition. Pray for all who are involved in these difficult decisions and for determining the best path forward.
- Praise to God for our church! We will be celebrating the 100th birthday of our building in November in conjunction with Harvest Missions so please thank God for his provision and steadfast presence in the life of this church and its people for over 100 years. We give all the glory to Him! Pray for the committee who are planning and preparing for this celebration.
- It is homecoming week! Please, be in prayer for the students this busy week as there are more events scheduled so pray for safety as they travel to and from activities.

Old Testament I

The Old Testament can be intimidating. It's long, full of unfamiliar names, and sometimes it's hard to see how all the pieces fit together. But, it is really one story. In this class, we're not going to try to cover every chapter. Instead, we'll look closely at seven key passages from Genesis through Esther that help us understand the big themes of the Old Testament. We'll see how God created the world to be His temple, why he made humanity in his image, what it means for Israel to be a kingdom of priests, how God's covenants move the story forward, and why the battle between true worship and idolatry is at the heart of the Old Testament. My goal isn't just to give you more information, I want to help you read the Old Testament as one unified story that points to Jesus and provides the foundation for everything we read in the New Testament.
