

# Mary: *Mother God*

# Mary: *Mother God*

Divisive disagreement exists amongst Christians about proper reverence for Mary, the mother of Jesus and what might be her mission for humanity.

To resolve these conflicts God has provided a series of messages which are a portion of the book entitled “The Footladder of Notes Divine.” Dr. Robert Weltman, a spirituality-centered psychologist and Director of the Christian Laity Foundation has received these messages which offer divine guidance to the Lord’s followers on such crucial issues as;

- Is Mary of divine nature? Human origin?
- What is her heavenly identity?
- Is She Mother God?
- Is Mary a healer in this world?
- Does Mary have a role in our salvation?
- Is Mary too, like Jesus a redeemer?
- Is Mary the divine Mother of all humanity?
- Does Mary have a role in worldly affairs?
- Might our prayer life be directed as well to Mary?
- What has caused the delay in recognition of the truths about Mary?
- Which people does Mary identify as ambassadors of truth and demonstrates the kingdom coming through them as servants to her mission (refer to 9-10-10 & 10-22-10 verses)?
- How do a select group of people with disability represent the predictions found in The Song of Mary (Luke 1) about the return of God’s kingdom in humanity (refer to 9-10-01 verse)?

## **The Song of Mary** ***Luke 1:46-55***

My soul proclaims the greatness of the Lord,  
 my spirit rejoices in God my Savior;  
 for he has looked with favor on his lowly servant.  
 From this day all generations will call me blessed;  
 the Almighty has done great things for me,  
 and holy is His Name.  
 He has mercy on those who fear Him  
 in every generation.  
 He has shown the strength of His arm,  
 He has scattered the proud in their conceit.  
 He has cast down the mighty from their thrones,  
 and has lifted up the lowly.  
 He has filled the hungry with good things,  
 and the rich He has sent away empty.  
 He has come to the help of His servant Israel,  
 for He has remembered His promise of mercy,  
 The promise He made to our fathers,  
 to Abraham and his children forever.

The messages about Mary from “The Footladder of Notes Divine” are presented for your illumination:

 In moments of time mediocre  
 make Me thy sign  
 Remnants of Me made mobile  
 counter listless ways  
 of meandering minds gone  
 adrift  
 Memories of Me long gone  
 await recall  
 welcoming you to eternal rest  
 in grace abounding  
 Regal the Queen of heaven  
 in blooms royal colored  
 that hasten the departure  
 from land of Nod

Make of Me knownst to others  
 midst the reverie of lost minds  
 bemoaning their lost core  
 Well known be Me to you  
 amidst the valleys and crags  
 of land of Nod

 Holiness thy search  
 is meant to be  
 Crystal clear in clarity  
 willst thee find  
 Seek not indemnity in matters  
 lost  
 where find thee not sustenance

Seek instead of the King of kings  
Who by you stands  
amidst garbage strewn land  
Waffle not 'bout thy fate  
Bound for oblivion are minds  
incomplete  
that hold not in their midst  
the key to profound truth  
Wait not for Source to appear  
Invested in winsome ways  
that overcome the modesty of royal  
banter  
witness not to ways of mayhem  
Glorying in Truth respond  
Fulfill thee not in methods  
madness  
Waste and wanton ways  
foreclose thy life in manner  
brief  
Enter be the King of kings  
and Queen of Roses  
Alarmed not be the response of  
thee  
to dignity of repast provided  
Wasted in time  
the glory of  
that reposes in  
heavenly courtyards  
springs forth the sound  
of peace around  
eclipsing the majesty of royal  
dominion  
Regal be thy posture  
midst hosts of heaven  
renown beknownst

When cometh the Rose upon thy  
life

distance doth thy troubles take  
Adhered to Love abounding  
spreadeth Itself upon the mask  
Specious thee be in grace's clasp  
endowed  
witnessing not to Love's nature  
cast upon thee  
Upholdeth thy role doth the  
Rose  
in carrion form  
retrieving thy heart of  
wholeness  
Wellness cometh upon thee  
for holiness lost  
willing thee to return to  
fond welcome  
most precious sight  
Healeth thee in moments gentle  
with tender minions  
Embraced in Light  
illumed in scene  
walketh thee to harps of joy  
Make most of return to Me  
that willith thee to love's  
embrace  
that kindles embers of stoking  
fire  
that calleth thee home to Me  
Witness not to love lost  
upon the prairie of love's  
desires  
Whence hold thee in My arms  
for fortunes sake  
gloom no more be thy way  
thy mask's attire  
Listen to Me My child  
in arm's embrace  
that willeth thee home to Me  
Cause not thy will to oppose  
peace's feast

spread before thee 'pon the  
Rose  
Disgorge the lies cast upon thy  
face  
mingled with love's presence  
Remit the want for sight of Me  
the gaze of love that  
encapsulates thee  
Within thy nature pure  
where love abounds  
there standeth thee  
embraced by Me  
In holiness submit to Me  
Thy kingdom come upon thee  
in embrace secure  
Let not heart of stone trouble  
thee to deny blessed scene of sight  
of Me  
Thy heart is gentle pure  
Witness to the soul of Me  
thy Lover  
Witness not to lies that abase  
the realness of our union  
Tender be the mark  
of God's son  
in purity tempered  
that willeth partake in union  
offer  
Make thee thy road to enhancement

that trails thee  
in lost spheres of negligence  
Honor thy Mother and Father  
Who art in heaven abiding

on tabloid page  
Willed am I to relay thy wish  
to Center of being

Send forth thy vibes under sleeves  
of granite  
rallying cohorts to reign of Queen

2219  
5-5-2005  
Extend thyself to Me  
thy matronly Maid  
Who dons thee  
Listen for if someone cries out for  
help  
Sit down before Me  
hat in hand  
endeavoring to place thy heart

in still mode laced to My side  
Rested thee be  
in shoals of calm waters beached in  
ebb tide

2234

5-19-2005

See through Me  
thy wandering eye  
that compels thee to tasks unlimited  
Wait for Me to define what thee do  
asking alone nature of thy Mother  
intercession  
Rack up thy holistic heart  
interspersing segments  
of sequence of love  
long lost in pillory of flame

7-16-2005

Leaves fall from tree of death  
persuaded by call of Me to life  
unseen  
Brainpower of modicum deleterious  
decreases in Light of summer storm  
flashing on eaves of portico  
Tempests cloud the sky  
of unwillingness to fathom luxury  
of deeply molded places  
in psyche of individual  
You're being mongolized  
Watch not for the songbirds of love  
serenading thee with sunbeam  
choruses  
lifting thee out from boondocks  
of mortal meanderings

2332

8-15-2005

Reason not they road nor way  
captivated by mongoloid dimension  
that swerves not from path of God  
Sorrow extinguishes joy of  
fulfillment  
casting about for mind-numbing  
experience  
in world of pain  
Looseness of heart  
freed from decrepitude  
lifts mind to heights of well-being  
uncluttered by bric a brac of  
nonsense

11-10-2005

Healing Mother is all about  
It is your time to shine  
Deposit your trust  
Scatter not thy seeds  
when horn blowing posed  
Look to Me for solitude  
that gains favor  
enmeshed with My thoughts  
of future domain  
Holocaust decried

2475

12-27-2005

Hold Me tight that thou not slip  
into harangues of others  
in feisty fashion  
Live not as King and Queen  
if festered within  
Lift thyself up from grimy ground  
to irreplaceable portion of God's  
presence

Wouldst see Me not  
when succumb to lights  
of trampoline world  
playing havoc with thy mind  
Match Me beckoning thee to My  
side

2532  
2-22-2006

Hold not thyself out from Me  
thy liquid Feeder  
who sustaineth thee  
with formula of ever giving life  
Seek not the bones of man  
that blesses not the carrier  
Reach out for thy sustenance  
Chanteuse of divine nature  
escapades in cavaliers

speed  
Apart from Me doth one not scent  
the air of heaven borne on wings of  
angels  
Wouldst thee see Me in the shade  
awaiting  
gamely pursuing thee  
Listen to My falsetto acclaiming  
thee  
Listen not to base sounds of  
gargoyles  
mesmerizing you in fountains of  
failures

Listen for the Queen Who engages  
thee  
with soft dulcet sounds of heavenly  
trance

2590  
4-18-2006

Holiness is eternal  
Open thyself up to Me  
Who cleanses thee with special  
Wine

of thy sickened heart  
Receive Me as thy Queen  
held high on lofty throne  
deliberating with ease thy sunken  
world  
Remediation spills out to thee  
from fullness of My breasts

with glad heart and fortunes formed  
Listen for My heart beat within you  
that casts aside tremulous times  
allowing thee peace of mind and  
joyful days  
in thy world of woeful  
mismanagement  
unduly sought  
See not the stars in your eyes

gesturing for compliance  
Set forth thy stance  
in defiance of Me  
bulging with brook of ideas  
made from thee  
Mollycoddle thy ways  
of fitful starts  
Remain close to Me  
thy Teacher and Soeur

Waltz with Me golden dough boy  
whose cage is opened

4360

9-14-2010

Awesome be My treatise for thee  
awaiting thine awakening to My  
command  
Foolish the things of this world  
calling for investment in quirks  
and qualms  
garrulous and senseless  
Wasted be thy energy  
Proffer thy hand to Me thy  
scullery Maid  
planning thy route and travel  
for thee to accomplish  
Waste not thy time with Me

4364

9-18-2010

Wait for Me in all you do  
accepting My lead and grace  
delivered  
Let not thoughts of thine impose  
and lead thee astray  
For Mine is the power and glory  
forever  
Hail Mary full of grace  
The Lord is with You

4428

11-11-2010

Reach not for Me

suspended in animation of thine  
own  
Quiet thyself to remember Me  
thy Baroness of future delivered  
stoned by crowd-in-waiting  
Nod to Me  
do the few  
registered in book of life  
that call for My awareness  
circulating midst the crowd of  
non-believers

4429

11-12-2010

Cast aside all doubts  
that fulfillment will be yours  
Scenes of glory  
fulfill thy hopes and dreams  
Liken thyself to Me  
thy Mistress  
Who will reshape humanity  
in God's image foretold

4472

12-16-2010

You may disown Me  
but I your Ladyship  
am in the wings  
Breed the value

4488

12-29-2010

Cease thine efforts to understand  
autism  
Let Me explain  
what I want you to know  
My kingdom come  
lessens life in this world  
as a valuable format  
They are ambassadors of truth

Let Me fend for them  
I know how and what I want  
to accomplish through them  
Likewise for Down Syndrome  
I am the Queen  
of destiny perceived and  
initiated

4498

1-5-2011

Warped be thy mind attacking  
Mine

See through the fallacy  
I mean well and only well for  
your sake  
Rest assured that I have your  
well-being fully in My control  
Nothing can destroy our  
relationship

Solidarity is unimpeachable  
Sit tight

I'm with you

My Mother and I both have faith  
in you

Rancid the moments that deny  
this

We are unstoppable  
Grit thy teeth and press forward

4536

2-5-2011

Wish for Me not  
when sighing the blues  
overlooking Me as thy Legend  
thine Advocate  
thy Trump Card  
In Me alone have faith  
that solutions for you  
will come through Me  
Nothing whatsoever escapes Me

in My devotion to you  
Pact in place for eternity  
Seek me out  
at all times  
thy Mother

4539

2-7-2011

Facsimile of heaven  
appears in this world  
Reach down into thyself  
There within  
sits the King and Queen  
Waste not thy time  
drawing pictures  
Seek them in person  
for their wisdom

4562

2-24-2011

Withhold not thyself  
from war upon world of tainted  
men  
worshipping standards of culture  
penurious  
massively divided from God  
their Queen and King  
Decisive be midst clamor  
that clears the way to tutorage

4576

3-6-2011

Forthright be  
blending problems with solutions  
mattering to thee  
Listen for Me  
to tell you how  
Err not  
Make no mistakes when you do  
so

Crumble thyself into Me  
Who receives thee  
with joy and gratitude  
your Queenly Maid  
Richness aspired  
comes to fruition  
in thy hands  
Do with Me  
as I command  
for thy sake  
and the sake of others  
that await thy contribution  
Docile be with Me

4586

3-13-2011

Wrest not My role  
from Me that powers Itself  
into thy lives for thy sake  
I want you to have Me  
for leadership thine  
Waste not thy time otherwise  
I am thy King and Queen  
I know how to help  
and to simplify thy lives  
abundantly  
Take advantage of that  
for your sake and Mine  
It will help  
You'll see the results  
Smarten up  
You're ready for it  
Let that be the end of it  
My word is true

4612

4-3-2011

With My Daughter  
and My Son  
and the Holy Spirit

let Me comfort thee  
Right thyself in My boat  
spreading wings of song  
into eternity  
Fluster not 'bout My competence

4685

6-4-2011

Wash not thy hands  
of zealot's compassion  
'lest thee fall asleep  
at the switch  
of companion's cares  
Make known thy holy Mother's love

4692

6-8-2011

Dainty be My touch  
gently given upon thy soul  
immersed in Mine given over  
Walk through life  
in My Presence belonging  
that thou may serve Me faithfully  
Oh My son of My loins  
Twisted be apart from Me  
menaced by mounds of contempt  
parceled out by demonic minds  
of escapist lore  
Turn the switch  
onto My healing track  
the Mother lode of love  
evermore  
Let the son in

4784

8-21-2011

Time is valuable  
spent with Me  
thy Producer of good works  
and calmness of mind

Look to Me thy Mother  
shaper for wants and ware  
Face thyself and make Me known  
Waltz with Me into thy home  
In sickness tread  
when not with Me  
Lost thy sight of eternity  
Settle down within Me silent  
Waste not thy time elsewhere  
frothing at the mouth  
Look for Me  
with both eyes open

4834

9-27-2011

Holy art thee when seized by Me  
flaunting not thine independent  
ways  
Worship Me thy King and Queen  
wanting thee home  
as meant to be

4865

10-22-2011

Confusion exists upon My  
identity  
You are to uphold  
the Source of love as My Being  
extended to those  
who fare well with My grace  
as the center of theirs  
Foment revolution  
Excluding Me from My rightful  
status  
is akin to wasting  
good Wine as Pepsi Cola  
for those thirsting for My nipples  
to feed upon  
Waste not thy time  
with those who eat unseasoned

bread  
Reveal Me to those  
readied for extension to  
Motherhood  
as their craving for  
balanced sustained life that  
brings peace and love to the  
forefront of healing  
I am missing  
from their vision field  
and so badly wanted  
for stability and purpose  
in the salvation search  
To you joined with Me  
is thy path  
for fulfillment extended  
to My servants  
Shine with glory retrieved and  
expressed  
I am I am

4866  
10-23-2011  
Semblance to Me  
crucial to meaning in life lived  
fully and blessed  
Faithful be My follower  
under the skin of phony  
existence  
Wordless be when shining  
through  
Naught else matters  
but the receiving of Me  
thy grace  
Receive Me  
in tranquility fruitful  
with alms for the needy  
seeking thee out for lost souls'  
despair  
Clarity gained

Sought for answers applied  
Relish Me with appreciation  
thy thoughtful Mother  
ever present for thee and thine

4868  
10-24-2011  
Sagacious the sons of Mary  
flying through the wilds  
of world deranged  
leading to demolition of pillars  
and reconstruction of  
replacement  
longed for by its denizens  
Emit songs of cheer and  
revelation

4870  
10-26-2011  
Holy Queen extends to thee  
best wishes and love of heart

4875  
10-30-2011  
Lady in black  
Seek Me  
thy Queen and Mother-in-waiting  
Table thy thoughts  
Muster Mine  
for thy use and way  
My will be done

4878  
11-2-2011  
Rupture thyself  
for Me to enter  
with mild and loving nature  
for all to see and emulate  
Destiny calls thee  
in service of Me

thy Mother thy Coach thy Guide

4882

11-6-2011

Put on your head gear  
to write what I say  
First place yourself  
under My command  
your Mother-in-tow  
Second lease thy Footladder  
to publishing company  
that is now prepared  
to receive thee  
Do not digress  
from this task  
Stultified the mind  
in recognition of  
this massive Goliath monument  
of healing  
Fair weather abounds  
Set thyself to the task  
You will be guided  
Undertake this  
with calm assurance  
that all will work out  
I have proclaimed this

4884

11-8-2011

Forsake Me not  
in your willingness to serve  
day by day into eternity  
I will lead you  
and lead you well  
in this world of masquerade  
Phony lake placid belongs to  
thee  
Endowed by Me  
to all My children  
partake My love

Partake willingly and joyously  
Mary is My name and I am your  
God

4887

11-10-2011

Wolf in sheep's clothing  
preys on Me  
discipling falsely in My name  
Long I do  
to recover My true identity  
as Mother God  
yearning to help My children  
in their fullest  
Right Me in glory  
observed and honored

4890

11-13-2011

Pain in the neck  
distributed by people  
who faze thee with  
opinions other than yours  
Watch your irritability  
and decline its expression  
Summon your strength  
to come to Me  
thy Mother lode  
for resolution  
and approach to conflict  
I will see you through it  
in best manner

Ransacked  
Review this video  
of raging humanity  
closeting with demons of  
destruction

Wish not to partake  
Draw apart to find trip  
to holy land of love  
awaiting thee  
in the silence of the heart  
Worship Me  
in the highest magnitude  
of obedience  
that wills thee to return  
from emptiness to felicity  
Cast aside all else  
that rocks the cradle of love  
that I command  
Free thyself for Me  
awaiting thee  
at My nipple of sustenance  
that nurtures thee  
and thine  
This will cause some a' do  
and being taken aback

Excellence

Steer clear of nature's form  
tempting you  
into distance from Me  
Be attentive  
to My direction and presence  
I will guide thee  
in all formats and decisions  
knowingly or unknown  
These are the ways of your  
Mother  
beside you at all times  
Set Me free  
to function with you  
as I need  
for entering this world's  
vale of tears and fears

Bless Me with your willingness  
to do so  
It is so very necessary  
for My helping hand  
for My answers  
to My children in need  
You supply that to Me  
and I thank you  
for so doing  
Bless your heart  
Distaste in My mouth  
when you deny Me  
My rights to be thy God  
active and triumphant  
Wander away thee do  
siphoning pestilence  
from world of perversity and  
shallowness  
Drink a draught  
of My Spirit  
cooling thy fervor  
for phony life in phony world  
I stand ready to help you  
Come stand with Me  
adored and supported

4903

11-23-2011

O wastrel son  
deeming to be  
who you are not  
come rule with Me  
Whose glands are cosmic created  
O wastrel son  
delve not into identity  
not of thee  
Let Me thy Mother true  
take thee to horizons afar from  
thee  
glued to Me

O wastrel son  
freed to be with Me  
in Rulership divine  
atrocious not  
bandying about in this world  
of fevered brows  
and meaningless lives

4907

11-27-2011

Reel Me in to prime time  
that thou may  
bend the knee towards Me  
awaiting thy presence  
and communication  
For thou are correct  
in anticipation of My realm  
coming upon thee in greater  
fullness  
Simplicity be the rule  
Simply await My bonus  
for such an action  
Retreat retreat from the world  
of make believe and maze  
whirling about in a dream  
of meaningless mash  
and mush devious  
Fraudulent is all  
Truth only lies in Me  
thy Father and Mother God  
of thy liking and choosing  
Amen

4929

12-14-2011

Waste not thy time  
with useless embryos of  
enjoyment  
abdicated from role  
of Amazon Queen's servant

4934

12-19-2011

Ruminate on matters  
meaningless  
when thoughts rotate  
to life ahead  
You deny My presence  
when doing so  
All is empty flotsam  
turned away from Me  
thy Father Mother of your  
creation  
Listen for Me  
dwelling within thee  
with fullness of plans  
that I lactate  
which will fulfill  
thy needs and means  
You will succeed of this  
Have no doubts  
Your destiny is ordained  
Warped thy view  
of world incline  
that compels thee  
to look no further  
Douse thy flame of treason

4943

12-27-2011

Worship Me in holiness  
grounded  
for I am the King and Queen  
Delve into My depths  
where rancid rule of human life  
is detached and abandoned  
Forsake not My faith in you  
that recedes not in time's calling  
Believe in Me and My wisdom

in planting thy ministry and  
activities  
Be of light heart  
and patience for what is to unfold  
I know the better

4950

1-1-2012

Heal Holy Queen  
My life is yours  
to do as you want

4951

1-1-2012

Step into Me where you belong  
willing for Me to run your life  
I thank you for your prayer  
to be enabled to do  
what I say  
You have sighted Me and  
responded  
All is in My hands  
You will obey Me  
It is foreordained  
Centered in Me  
flag not will you  
in your mission  
Dispsy doodle mind  
shrinks in My presence  
giving thee the opportunity  
to hear Me anew  
Wend your way slowly  
Take your time in approaching  
Seek rapprochement with  
comfort and confidence  
It exists and will occur between  
us

4952

1-2-2012

Rest awhile with Me  
Who clothes thee with gentle  
peace  
and ease of mind  
Rock thyself to sleep  
in My arms  
that bedevil the insolence  
and defiance of the pratfall  
human mind  
Foolishness foolishness for those  
who follow madcap adventures  
of human depravity  
March on dear child  
wrapped in My cloak of Motherly  
protection  
and guided accomplishment

4959

1-8-2012

Laughing at troubles  
in all their fullness  
be the way chosen by God  
sincerely concerned with our way  
to face them  
They don't exist  
Only I exist  
and what I say and what I do  
All else is nonsense  
and imagined aggravation  
to be disposed of  
with a turn to Me  
Who wipes them out  
from your mind once given over  
Foul not thy mind  
with garbage dumped there  
by entertaining imaginings as  
reality  
I am reality  
Do what I say  
is the most helpful rule to follow

Just wait for Me  
for all completion  
It is always surely delivered  
in every circumstance  
that you entertain and enter into  
My sweet  
Worry not  
I'm in control  
and know what I'm doing  
Thank you for your faithfulness  
and devotion to Me  
I am thy Mother Love and Mother  
God

4973

1-19-2012

Fortuitous thy prayer life  
Sit down with Me  
thy progressive Maiden  
Who lights thy way to Me  
Let Me shine My light upon thee  
where grows the Narcissus of  
heaven

4974

1-20-2012

Weep not over lost fortunes  
that compel thee to signature  
moments  
of droopy despair and solitude sullen  
Fixed ahead of time  
are all issues  
Smell the sweet Rose of success  
blooming always in your garden  
of durable happiness  
engaged in for all eternity  
guarded by Me your Maternal  
Queen

4976

1-22-2012

Bless you for your fortitude  
and withstanding by you  
of the truth being delivered  
for your fulfillment in Me  
Thou will be sustained  
by Me your Mother Queen  
Who knows the way you travel  
and how to accompany you  
I am Perfection  
leading you back to perfection  
from your place of dreariness  
sorrow and despair  
I shall conquer  
I shall win  
and in so doing so will thee

4985

1-29-2012

Live today  
Live with Me  
Live how I foresee  
Live with how I plan  
not from you  
Give Me the right to your life  
Live without shame or  
embarrassment  
without guilt and fear  
lostness and uncertainty  
Be content  
Be at peace  
Be in prayer to accept and obey  
Be Guided and directed cared for  
and protected  
from all error and mistake  
as you go forward blindly assured  
of the propriety of your path  
Live the moment  
Live as My extension  
honed to perfection in the process

conceived by Me  
Live with joy  
All is unfolding beneath My  
wings  
All is in place  
and planned for impeccably  
to lead you home as forecast  
I am your Mother and Father  
your destiny and life  
No more than that do you need  
and been readied for

4995  
2-5-2012  
Hail Holy Queen

5000  
2-9-2012  
Come home for Her too

5005  
2-12-2012  
Rule you must in Me as Me  
to make My presence known  
That be the way the world is  
concluded and My children  
brought home to Me  
This must be  
No other way can it be  
Set thyself down in Me  
to so perform My will  
and My way  
Locked out all else be  
Confounded the human mind  
in retreat in the presence  
of your Godbeing in command  
Set thyself free to be Me  
thy true Identity  
one with the Father and the  
Mother

for blessed eternity  
Amen Amen Alleluia  
That be My piece said to you  
Rejoice in that reality

5024  
2-28-2012  
Rightful rulership belongs to Me  
thy Father Mother  
rules thee  
with gracious reign and full  
support  
of thy most beneficial being  
Clown not with less  
than what you truly are  
the blessed children  
of thine adoring King and Queen  
I am welded up on thy door

5034  
3-7-2012  
Hail holy Queen  
Erupt not into false moments of  
dismay  
when consoled thee be  
in the Presence of Me  
Twisted thy faith sustaining thee  
when replacing Me  
with plaster idols  
of man's detonating confusion  
and uncertainty of My  
whereabouts and availability  
Cast not thyself  
into slough off mode

5037  
3-10-2012  
Inevitable the sounds of music  
cascading upon the lands  
of the lost

in between thy forests of morass  
and the calls for help  
Loosen thy jowls  
to receive feeding of hope  
delivered for sensibilities return  
to surface awareness  
Worsens the situation  
when ignoring the feud  
Dangerousness averted  
when allegiance recovered to  
safe and secure grounding  
in the King and Queen  
Whisper low while tempests  
blow

5049

3-18-2012

Mother Mary and Jesus  
soothe me with Your tender loin  
compassion  
for I am needy  
and You are my one and only  
Provider  
(And God answers)-Place thyself  
upon My station

5052

3-20-2012

Mary time concludes  
with all Her children  
returned to the hands of God  
See to it  
that you unmask thy true self  
growing in the Grape Arbor  
while willy-nilly thy head plays  
with you  
Reflect on Me  
thy Douche Bag Cleaner  
of light submerged in darkness

5058

3-25-2012

Whistle not in the darkness  
proclaiming Me as yours  
in kinship  
in honor and glory  
in peace and love transparent  
Mock Me thee do  
in thy way and want  
as phony king and queen  
in land of obsequious  
to wrong doing and farce  
Pick up thy lips  
and speak to Me  
for apprehension of thy  
mind  
and return to recovery  
of Me as you  
You have declared  
Me as foul  
and you as fair  
It is Me  
Who reverses futility  
in the light of My Presence  
You must want it  
for Me to act  
Do I have your willingness

5085

4-15-2012

Dumbfounded be  
when I work with you  
over all that I plan with you  
for you are Mine  
in your inheritance  
Be still  
in your work for Me  
that I may work through you  
Sense Me and My presence

guiding you inevitably and  
posthumously  
to My kingdom beyond  
Awaken to this realization of  
unfolding  
See it clearly  
irrevocably  
as the truth  
of your worldly existence and  
beyond  
This I say to you  
as your Mother  
Founder of your being  
trust Me you will  
in all fullness prepared for you

5094

4-22-2012

Stern be with thyself  
marking Me as thy Ruler and  
Guide  
knowing not what to do thyself  
in turn  
Flabbergasted be  
by My resolutions in the world  
of mess and mud  
propelling thee into confusion  
Stand firm in the determination  
to involve Me in thy decision  
making  
Realistic be about thy  
shortcomings  
Objective be about My  
accomplishments  
that you have been shown  
and noted  
More is coming  
Wait and see thee will  
in thy hankerings for fulfillment  
Thy Mother speaks to you

5102

4-29-2012

Present Me as you know Me  
loving and kind  
attentive to all the needs  
of My children  
where and when thy call upon  
Me  
Be true to Me  
as well in the way  
you relate to others  
breaching their lostness  
with My presence before them  
This be thy mission to perform  
as an aide to Me  
and perform it well you will  
for My hand is upon thee  
guiding and instructing thee  
in the process  
Fail not will thee  
in thy mission for Me  
Of this you are assured by Me  
thy Holy Mother harkening to  
thee

5126

5-20-2012

Seek Me out for all your needs  
for this I will perform for you  
Hail holy Queen  
Set Me before thine eyes  
that I may be scripted by you  
for My work intended  
Surface under My guise  
Tootle along  
as you are doing  
My work will be done  
Set thy mind to the task  
All is arranged bar none

5164  
6-18-2012  
Foremost have Me in mind  
for thy doings and Mine  
Let yourself be available  
to Me Who dictates where what  
and when  
Sooner than you think it would be  
Forsake Me not  
thy King and Queen  
of thine imbecilic life  
destined for thy return  
to shattering openness  
Ponder this in thy heart

5216  
8-1-2012  
Hail Mary full of grace  
the Lord is with you

5238  
8-20-2012  
Soothe us with your love  
My blight ends  
My heart takes hold  
I rejoice in you  
My Father-Mother  
Mender of my life

5241  
8-21-2012  
Wetstone commands thine  
attention  
to sharpen thy skills  
for communication with Me  
thy Driver and Drover  
Sense Me  
in action within thee

pouncing with administrative  
directions  
through Mother  
Thank you for thy broken mirror

5253  
8-31-2012  
Sit still in Me  
that guides thee to a future  
well planned coherent and  
sorted out  
for thy full usefulness  
as you would want  
Succinct and distinct  
is thy role  
played out in world scene  
of dangers diverse and doodle  
mania

Demands cry out  
for amending false meaning  
and purposefulness existence  
which you will meet  
head on and fearlessly  
Ratchet up thy tempo  
and timely attention  
for thy tasks subordinated  
to Me thy Mother diamond

5259  
9-3-2012  
Mama Mia  
Access that access through  
healing  
It's going to go out  
I see the dark ages lie behind

5308  
10-11-2012  
Suet  
dost thee tumble to the ground

like flakes of moss  
peeled from the Mother tree  
Flatulence doth thee express  
expelled from dynamos of waste  
wash  
and putrid pestilence  
Mocking art thee of Me  
Who founded thee whole and free  
of immortality  
loved and loving  
Oh such sadness when  
recognized  
Such joy when re-discovered

5309

10-12-2012

Jettisoned Mary  
I'm in your house  
Enter the overhanging door  
I'll take over from here  
Relegate to the rear  
thy thoughts and being  
making room for Me  
in space abandoned  
Wish for Me to possess thee  
in the fullness of Creation  
Waste not thy time  
with dribs and drabs  
of human life

5311

10-14-2012

Cloistered be with Me  
thy Facsimile  
reaching for understanding  
of all that is involved  
with cares and concerns  
I am thy Matrix  
fulfilling thine intentions and  
Mine

Watch for sprigs of Paradise  
growing within thee  
in thine efforts  
to cooperate with Me  
Motherly concerns flow between  
us  
to be delivered  
with no faux pas  
Succeed you will  
in the merry chase of returnees  
to the kingdom of heaven  
abiding with Me once again  
Thus shall it be  
for all eternity  
Your role is precious and appreciated

5366

11-27-2012

Whip thyself into shape  
for what is coming your way  
Sound the bells of welcome  
for history fulfilled  
within thy life  
Welcome Me into thee  
in sound and shape glorified  
Make known  
that which I say to you  
Be My presence  
Motherhood to all My beloved  
children  
whom I will send to you  
Pack a lunch

12-23-2012

See Me  
Seek Me in all thee do  
No tryst outside of Me  
That's the rule for you to follow  
All is fallow outside of Me

thy Teacher thy Commander  
thy will to live by  
Wouldst thee not want to do that  
Seek the relief  
the release from tales of woe  
that consume thee  
in thine own mind  
And you will  
in your own good time  
I have all the goodies  
waiting for you  
to deliver palpably  
as part of your trek  
through this world  
I wish you a joyful  
and meaningful Christmas  
presence  
of My company with you  
to bless your heart  
Amen from Mary and Jesus

Rest a while  
in Me thy Queen  
Who holds thee  
in My arms  
lifting thy call from above

5416  
1-7-2013  
Seeded by Me  
thy loving Mother  
wilt thou proceed to fulfill  
My needs in the world apart  
for salvation of My children  
Proceed to western world  
through outlets available  
to your proclaiming Me  
as the Mother God

with all powers intact in Me  
Go no further  
Stay within My bounds  
You will see what will unfold

5458  
2-10-2013  
Your being is Mine  
and all is well as it ever is  
The staples of your life  
are in place  
Your plans are in order  
Your safety assured  
Your well-being supplied  
Nothing more needs to be done  
I am in charge  
with you in tow  
Remarkable thy life with profits  
assured  
Many thanks to you too as well  
for sustaining Her in Her desires  
You have done well  
Released art thee  
to receive thy treasure trove  
delivered by Me  
Satisfied be thy wishes in  
participation  
Rock solid thy command

5465  
2-17-2013  
Around the corner  
be the Word  
delivered to you for publication  
Simple be the process  
You will do well  
Shocking the news  
that will unfold  
for the world at large

that ministers to the needs of My  
people  
Woe to those  
who cannot receive  
and must wait still further for  
elucidation  
Habituation is not easy to break  
but broken it will be  
for the return of My children  
one by one by one  
I am the King and Queen  
of heaven abroad  
and will have My way in the end  
How pleased will My children be  
that all is in place

5479

2-26-2013

Sit still awaiting Me  
for thy role transpired  
Holy work requires it  
Drama unfolds according to  
plans  
Your role transfixing  
Transform thyself into Me  
blessed child  
one with thy Mother and Father  
Be gone little one  
Be gone in order for Me to use  
Useless be as a treasure for Me  
Recant thyself  
Recant thy life  
Enter into death  
of all you believed  
and come alive in Me thy Foot  
Stool  
Slow and easy the way to go  
You're making it  
You're doing fine

Submit submit to Me thy Queen  
angling to serve through thee  
to compatriots of love advancing

5493

Wake not to Me in submission  
when wandering in thoughts of  
deviltry distraction  
Submit submit to Me you must  
Ring My bell dear child  
Climb My stairs  
to My heart open to thee  
your Mother adored  
Respond I will to you so  
absorbed  
Second giveaway enhanced

3-15-2013

Wash thy hands of purposeless  
living  
dressed in skivvies of wanton life  
Empty thyself of emotions dead  
wasting away in sands of time  
dribbling through thy stilled  
hands uncreative  
Wish for Me thy Leader  
to become thy knave  
in misery incarnate  
Exit this world of want to become  
Me  
thy Lass of salvation bred  
Open thine eyes  
Unstuff thine ears  
Obey the Word professed  
rising into consciousness

Torrents of lacings abusive  
abandoned  
Extolled words of kindness and  
understanding compassionate  
amidst carnage of hate and attack  
Risk thy self  
reincarnated and renewed  
in seminar of love restored  
Choose you to be Me uncovered  
and virile

5548

4-17-2013

Waltz with Me in Maytime  
when breezes flow  
decorating thine house  
with sound repairs  
adjoining Mine  
Listen for the Bluebird chirping  
with its Matronly song

5591

5-19-2013

Weep no more for Me  
Who gathers thee into My arms  
to sustain thee and profit thee  
in thy work for Me  
Sustain thyself  
by My showing to thee  
of My resolve for thine  
accomplishment  
Look forward  
from the moments of this world  
to the preciousness of the next  
returning to Me My children  
wandering in the wilderness of  
actions deleterious to well-being  
and saintliness in the kingdom of  
heaven

This I vow for you

faithful to thy Mother space in  
your life

5596

5-22-2013

Heel to Me thy Mother  
Who flows and flashes  
signs to thee  
Hold fast to thy ways  
in accord with me  
that are welcome in My sight  
Let Me lead  
Be confident in Me directing thee  
Wish not for more  
than is being shown  
on time in time for thy direction  
All is going well between us

5599

5-25-2013

I send My greetings  
to the world of debauchery  
You're such a monster in human  
form  
knavery at its peak  
Boundless be thine illicit behavior  
beyond the scope of heaven's  
bounds  
playing brigands  
as thine identities in falsehood  
Wash thy face with syrup  
cleansing  
from My grotto's waters  
of true life and love  
awaited at thy request  
for resurrection of thy  
beleaguered soul  
Stamp thy feet clean  
of mottled soil

clinging in a meaningless and  
purposeless existence  
Embark now on trip with thy  
Mother  
of heaven's dominion and  
ultimate haven  
bringing with thee those souls  
assigned  
to thine influence and guidance  
Advance  
The time has now come  
for thy duties performed  
A flotilla of alms is being made  
available  
Thy life begins anew  
This all has to do with eternal life

5606

6-1-2013

Laughing stock art thee to the  
world  
but not to Me  
Who dwells in thee  
grateful for thy devotion My son  
Stand firm in thy dedication  
solid in thy performance  
Trip the fantastic  
Light the world  
See Me in all others  
Waste not thy time with less  
Crusade for glory upheld  
Wrest yourself away  
from worldly affairs  
that interfere with your being  
with Me  
Bargain not  
I am irrefutable  
Thy maiden voyage proceeds under  
your Mother's aegis  
hatless and shoeless dynamic

5623

6-13-2013

Regal the Queen  
set upon Her throne  
delivering peace and love

Wish not for Me to be set aside  
in your journey for recovery  
For I am in charge  
of all progress and change  
It is Me Who must accomplish  
this  
Much is at stake  
but I accomplish this  
Rulership is Mine  
always is and always will be  
You're making it  
Keep your head up  
intact and determined to proceed  
You will master  
all that has been predetermined  
Be vested in Me  
You're safe there  
and secure in My heart beating as  
yours  
My beloved child  
(My soul responds)- You hold Me  
blessed Mother

5695  
8-9-2013  
Fortify yourself  
with tender loins of Mine  
at thy disposal  
to distribute grace and love  
as thy fulcrum  
Bend thy knee to Me  
thy holy Queen awaiting thee

5706  
8-18-2013  
When you come to Me  
be sweet and caring to others  
Love as I do  
Swell with pity  
towards others heartbreak  
for they know not what they do  
Help them e to foreswear their  
lostness  
and live in the peace of God  
within  
Entrance the ways of the Mother  
lode  
The bridge will never be open to  
you  
until cast away thy self  
In the earthly storm  
it is so heavy with grief  
Come let us pray together  
for God's will to be done

5852  
11-29-2013  
Cease thine efforts to disobey  
running ragged with denial of My  
need  
for your services  
Look in the mirror

and see Me in you  
awaiting coordination of our  
efforts  
Reach down to release Me within  
thee  
Sincere be in thy surrender  
Bridge the gap of consistency  
that plagues our working  
relationship  
True that you are doing better  
I call upon you still more  
You are capable of delivering it  
Waltz with Me  
together in My grip  
warned beforehand of  
deepening a 'needed  
Plunge in  
Seize the moment for thy awakening  
Destiny is thine in fullest manner  
Cease and desist  
Your Mother awaits

Look not inside  
when drifting away outwards  
focusing on land of Oz

5890  
12-24-2013  
Wish thyself a Merry Christmas  
for job well done  
serving Me in lattice work  
of life's protrusions  
that Mary didst bring you on this day

of the message)

Awake not  
when you sleep in groveling  
grave  
of minuscule rule  
daunted by misery mind  
of lost status  
Dream away thee do  
in far off places  
unaware of My love for thee  
unending and unchanging  
in thy washed out state  
of ignorance of distress  
and despair  
Come  
let Me turn thee about  
to face Me  
unlimited in My powers  
to return thee in gentle ways  
to the truth of you  
safe and sound in the arms  
of thy loving Father and Mother  
for the eternal life  
of love and peace and joy  
so yearned for  
of which you are fully capable  
of receiving and experiencing  
You're on the trip to return  
Enjoy the oneness  
that we truly are  
with each other

What more could you ever want to  
be  
Undaunted be

2-6-2014

I am your Mother  
I am your Father too  
Sit with Me for awhile  
and ponder nothingness  
enabling you to take in  
all of Me  
That is what you would want  
That is what I would want to give  
Stretch yourself to receive  
the most precious gift from Me

5991

Steam on  
You eclipse the work  
that has come before you  
with your own  
You have exceeded  
the knowledge of prayer fulfillment  
taken to its limits  
Bloom  
Bloom again and again and again  
Mock Me not  
with your closet of prayers

Stumble not  
in your work of surrender  
to My will and way  
Proceed in its declarations and  
imitation  
Rise up  
I am your Mother talking

6073

4-20-2014

Shut thy mouth

sworn to  
'lest thee be troubled  
in nature and spirit

depending on your own judgment  
Lassitude and uncertainty  
plague you when so occupied

I stand before thee  
in full knowledge  
of what is coming  
and of its handling  
To trust this is required  
and I will help to accomplish it

in strength and character  
from thy true Mother
