way

when excluded from light of life a  
'born  
Cast thee aside moonlight madness

1-31-2009

Shut down thy mouth and thy mind  
Open up to a vacuous area  
that I might implant seeds  
of a promising future well done  
in service of Me  
Let live My song of love and tender  
care

aroused in scene of illicit activities  
brought about by My condemnation  
thwarting

leading to higher institutions

Pour out thy libation  
mischievously created for drunken  
stupor

on steps of hell-hole bonded

Mortify thyself in Breeze of Wind  
scalloped

3645

2-1-2009

See to it that you speak of Me

entwined with thy life and role and  
tenor

Let freedom ring from trappings of  
nonsense world

playing with mind of love and care

Subject thyself to qualities of Me  
that thou may emulate the Cross to  
bear

in thy work with the everyday world  
invested

Sing a song of gladness

Retreat from labors borne

in world of mass madness

mayhem and murder

that clocks each day of fruitless being  
and turns thee into a wanderer

in lost soil of captivity

Reach out for Me thee will  
to gain sustenance

for thy work of worth and capitulation  
to grander scheme of salvation honed

3646

2-2-2009

Root thyself in Me

Who brings thee joy and pleasure  
in things undone by My bidding

Cool thy brow in circumference of  
My ways

that bleed thee dry of intangibles  
mocking the good in man

Listen for Me and My portion  
cleansing thee of false beliefs

Look deep for I am there  
extending thee My will and way

Hoped for kingdom exists in troubled  
mind

declaring reality that mounts defenses  
against human takeover

Twiddle thy thumbs awaiting  
Move closer to Me for service that  
molds thee

3647

2-3-2009

Tender Me your arms tightly Mine  
that I might bring thee solace  
and swearing in of duties performed  
in land locked nation of dolts  
misinformed by miniature minds

3648

2-4-2009

Wouldst thou not see Me  
roaming wanderer  
in woods deep and thickets enmeshed  
Wouldst see well

3649

2-5-2009

Reserved Be  
Let Me be Me  
I know thee  
what will be and will not be  
Trust Me  
Infrastructure set

indigenous skyscrapers

disgorged by sleazy companions  
mixed in and boxed for usage

3650

2-6-2009

Hit the deck  
Come out running  
Do what I tell you  
Lean upon Me

3651

2-7-2009

Guilt abandoned  
love replaced  
smoothes thy style of learning  
Edicts re-absorbed and risks of  
altercations

3652

2-8-2009

Lost art thee when speaking with Me  
in the twilight of the missing Moon  
Spin a song of exuberant love  
that closes the chapter on the twisted  
lies fabric  
of worldly demeanor  
pouting and fussing with nothingness  
gained  
I await thee O son of Mine  
daft and dumb when so embroiled  
to lead thee out and up

3653

2-9-2009

See to it that you love Me  
thy one and only true love  
See to it that you know Me  
thine Essence and created Being

you robustly follow It  
for thy sanctity and holy venture  
that is Mine and thine

3654

2-10-2009

Seek Me out when you need Me  
in the sweltering world of disease and  
recrimination

Set free thyself from kingdom of need

Want not for I shall not forsake you

safely drawn about you for care

giving

and restitution of thy ways and  
manner

Go in peace under My watchful eye  
setting forth thy path to the Kingdom

3655

2-11-2009

Look not to Me on roof of world  
Seek not for the King of concepts pre-  
ordained

Lift thyself into much needed space

where found service to Me

secured by My hand

3656

2-12-2009

Waste not thy time in dreamy mind  
that pervades thee with putrid  
thoughts run amuck

Sack thyself

With resolve foster Me Who guides  
thee

to thoughts unknown that create  
havoc

in blistered mind of tutelage human

Destroyed be demented state

of human wrath consumed by joy of  
day embraced

made radiant by holy sepulcher within

3657

2-13-2009

Let fly thy thoughts grounded in Me

of My path and belonging within you

Let Me hold sway in Garden of Eden

Doomed art thee to failure in

happenstance end of road

3658

2-14-2009

Waste not thy time on dribs and drabs  
of fiendish life

choking on mortal dust and decay

Sustain thyself in Me

thy Taster of prime life

in kingdom of Heaven wafting

through thy being

richly provided for your crackling

wellness and joy

3659

2-15-2009

Wash not thine hands in dirty water of  
unclean soil

propped up in floozy land of irregular  
relations

Cast thy net in waters Mine  
alive with sobriety and sensing of Me  
that precludes wayward journey  
in lands beyond My touch

Naught exists but Me in you and you  
in Me

Deferred be the mind of you  
apart and adrift from Me  
by sights and sounds of Kingdom  
royal

Intensified be in service of Me

3660

2-15-2009

Washed out  
reach into Me

Whip up a frenzy

Let Me tell you

Let things ride with Me

Into the corner set thyself for My  
purpose

Boggling it be

Fairy tale of golden preserve comes  
alive

as fixture of everyday living  
compounded

land

knotting thine insides into state of  
deceit and deception

to recovery of noble self  
untouched by human glamour  
built on quicksand of delusion and  
misapprehension  
Wise up in touch with strength  
from sense of dignity  
visited upon thee when sought from  
Me

3666

2-19-2009

Walk with Me

that sunrise will appear  
with decibels of sound fulfilling

image

Reach out to Me for thy sake and  
Mine  
All is well as ought to be

3670

2-23-2009

Licentious thy dwelling mind  
implicating Me as savage Savior  
horning in to world apart  
Mama's thoughts intervene  
bringing peace about when asked

3671

2-23-2009

Sensuous thoughts abound in lawless  
land  
Divine abstracts replay time and again  
Loosen up  
Feel O.K. made to be  
Hustle along  
Loosen up thy tie clogging up thy  
Breath of life  
from expounding thy will and way  
I will find thee and deliver thee  
from monsoons of reason debating  
My primacy in thee  
No hope have thee  
choking and gagging on willful way  
detached  
Resolved be in My sought for  
leadership  
that brings thee to portal doors of  
kingdom home

sutured in thy being  
Locked safely in art thee to My  
pockets  
ladling out recipes for thine advice

3674

Master of all that is  
delivering to you powerful agents  
that overcome world-at-large sought  
for

thy life Saver and Preserver  
sustaining thee in facsimile

3676

2-28-2009

3-2-2009

Rule not when you cast slumber land  
privileges  
to overthrow natural order

alerting thee to Cornerstone of  
holiness

calling thee to backtrack  
O sumptuous feast awaiting thee  
in Kingdom of want dispossessed

3679

3-3-2009

Slander not thy well-being  
causing thee decay  
Lopsided art thee filled with joy  
at whimsical nature  
Begone art thee  
when inattentive to true self bursting  
through  
driving hard bargain for recognition  
Sober up to claims of God's intentions  
needing your thorough attention  
Sealed thy fate  
bottomed out with Me  
thine Adversary to field of dreams  
investment  
Moments decapitating thrive  
in headless redress  
reliving ecstatic presence of  
marooned Entity  
wasted not in oblivion

Sanguine the move  
Eminence from desertion  
Wouldst not thy puppets be clouded

by Me thy Wingman

See Me as thy Referee for taste of  
victory

3683

3-6-2009

Lucrative thy mind focused on Me  
wanting hypostasis of thy  
faculties bent towards Me  
Look deeply within thee  
for thy slave Owner that works thee  
indelibly with My mark  
Set forth thy ways in Mine  
Let your home be stationed

in the inner Me

3684

3-7-2009

Whisper  
Softly speak  
Cantankerous fool  
set loose thine unbridled tongue

Distinctive be calm meeting

3685

3-8-2009

Emptiness destined to be  
fulfilling thee

Look lively

3686

3-9-2009

See thyself as I see you  
ungainly one  
stuck in thy pose and posture

for worth and well being  
accorded to thee in full portion

3687

3-10-2009

Blink not at sight before you

lending credence to busy world

gained  
in contretemps fueling exchange of  
vision

sink low to Me thy Guide and  
Messenger  
Who laughs away troubles possessed  
designed by your short sightedness

3688

3-11-2009

Hound Me with prayers of misgivings  
and disapproval  
worsening the climate of obedience  
to My will be done  
Seat thee in Me  
Screen thyself

3689

3-12-2009

Sweetness lies in everglades land  
propounding truth  
Wash not thy mind of taint and scum  
living haphazardly in never-never  
land

3690

3-13-2009

Wait not for Me in coordination  
Incontinent be

3691

3-14-2009

Rule the roost with claims of love  
delivered

3692

3-15-2009

Stampede relish  
Gone the separation between man and  
God  
absorbed titillated by oneness  
Forever gone the thought languishing  
in dizziness domain of dominoes  
distinct

One are We

in attire and Self

bloomed and begotten beholden  
Listen to Me when I speak of matters  
Mine and alone  
supervising thine activities on My  
behalf

Collar thyself subjected to Me

Who guides thee well

unadorned by others' fruiting

Let freedom ring in service of Mine  
thy Leprechaun of choice

3693

3-15-2009

Hold not thy tongue  
when sweltering in rage  
letting loose foul epithets  
Work to foster growth in calmness  
saved  
for productive solutions to problems  
observed

Bear up under strain of departure  
from common mode procrastinating

3694  
3-16-2009  
Seek not thy ways in doing  
counterproductive to Mine  
that fosters growth in wholeness and  
holiness

Reach not for tatters and torn  
in life of gross misrepresentation  
of true being that is you  
Believe in you in Me  
as thine and Mine  
welded as one eternally and  
perceptually  
Naught else but that can be

3695  
3-17-2009  
Gusts of Wind cause thee pause  
in playland single file erosion  
Let last be first in reversal of fortune  
Weaken not in thy pledge to come to  
Me  
for My sake and yours  
Rally to Me for accounts receivable  
that bless thee with promises of well  
being  
Wish for Me to serve you in ways of  
Mine  
Relish the thought of My welcoming

3696  
3-18-2009  
Hurt the heart of man in human  
disguise

impromptu performing silliness  
prattle  
Remonstrate with human passions  
demanding co-existence with Me  
Who saves thee from fate worse than  
death  
Regulate thy mind with Mine as thine

3697  
3-19-2009

violence  
between holiness beings  
Beam light of day 'pon matters  
soft textured in approach  
There be peace and love cast about in  
fluid eddies abounding

3698  
3-20-2009  
Witness not when talking thoughts  
of your domain excluding Me  
in frosty air of death denied  
Salute Me as thy leader Who brings

strolling about with you in search for  
sanity

Shine on harvest moon

Fulfill Me thee will in all purpose and  
intentions

to tune of glory withheld

in dirge replaced  
by jubilant sounds of welcoming  
for returning son to oneness mode  
Hasten thee

Let rest in Me be thy rule

3776

5-24-2009

Nothing be thy rule  
inside of Me thy Dowager  
Help Me to be thee in all that is  
Rest awhile in Me  
Sentence thyself to be in Me  
where lies the peace of God  
everlasting  
Cast thyself out to Me  
forbidding thy ways and wants  
Make clean of thee  
when compensating with My  
deliverance  
Lost not are thee  
when attending to Me thy Regulator  
Bounce not from Stem to stern  
when leading thee

3777

5-25-2009

Let Me in to thy life sleeping beauty

Cast Me not away into thy shadows  
of bizarre creations withheld from  
thee

Let Me listen and guide thee  
through sorrows and travails  
ignited by forceful intercepts  
of knowledge on high  
Oh let this be little one of Me  
Of Me little one  
of Me  
of Me

3778

5-26-2009

Hasten to Me with questions at heart  
signifying distrust of My command  
Reason with Me thy locale Guide  
Who sees thee  
knows thee  
and leads thee  
in manner best  
Awaken to that truth  
nettlesome invoking but lassitude  
challenging  
Be subdued for My work

3779

5-27-2009

See to it that you love Me  
as your Donor and Compatriot  
lofty in purpose and ideal  
Let Me be you dying to serve you  
in death and transfiguration  
Rush to Me for thy service  
Walk not with Me  
blooming in fields of crazies

Set Me in thy field of dreams  
awaiting thee and thy role  
Listen now and be silent  
Awake not to thy solicitation

3780

5-28-2009

Help is coming  
Await for Me to come clear  
Know not what to do

3781

5-29-2009

Manifest destiny conundrum

3782

5-30-2009

Forecast elaborate plan  
Feast not on roasted cadaver  
lord of the flies promulgated  
Hear Me speak to you of knowledge  
beaming down 'pon world of no  
regard  
Bloom in fields of hay  
listening to sounds of Wind flowing  
'pon lands of turpitude  
and channels of defeat  
Let be what will be accosted by Me

3783

5-31-2009

Hug Me

Waste not thy valued time  
cruising around the moon  
Jet back to Me  
thy Healer and Savant

awaiting thy full accord  
with My relevance to your life  
See not with eyes of blue  
traipsing about in dirt filled life  
spent in disregard

of momentous occasion  
returning to walled city of happiness  
shared with legions of children  
bestowed by God  
Rule thee will with gentle heart  
permeating thy being  
and attendance to others' needs  
in twisted world  
of non-entity  
Blessed be in eternity  
one with Me thine own

3784

5-31-2009

Worship Me with all you've got  
giving Me facsimile of My service to  
you  
Let speak thy will in Me  
gaining qualities of Mine  
Let rest thy head in My peace  
delivering focus of our intent  
Be seen Me  
through you My imitator  
Let Me advance

3785

6-1-2009

Paint thy wagon with stripes of Mine  
Be home to Me  
Be renewal in Me

3786

6-1-2009

Lax are thee with foot in mouth  
suspended in neoplasm of holistic  
disorder  
Madness be  
absent of Me

3787

6-2-2009

See Me in the mirror  
Feel Me inside  
wanting to live through you  
Wanting Me as you  
Let be the Me focused  
in widening glance propelling thee  
to service in My name  
Wash My feet with thy glance

3788

6-2-2009

Roughneck when not of Me  
speaking softly  
Be gentle  
Kind  
Thoughtful be in place of Me  
Anointed be on My behest  
sacrificing thyself for service of Me  
Reach not thy playground  
'til caught up in trade Wind  
Implosion knocks scepter away from  
God's son

3789

6-3-2009

Sit still

Know that I am here with you  
welcoming you into My mind as  
yours

Ream out a place for Me  
listening to your 'plaints and worried  
thoughts

Despair not for all is well  
fed to you

in dollops of cream covered love  
Look not askance from sight of Me  
that holds thee close and safe  
from intrigues about  
that nettle thine interior  
Be gone thy mind of love long lost

3790

6-4-2009

Here we are  
midst millions of worms downtrodden  
Salute thy Maker Who lifteth thee  
Simply see My way in thee  
bouncing about in scatterbrain routine  
Listen to Me in posture attentive  
wanting thee to serve Me  
in ways of man  
diluting poisons of conflict driven  
ways  
Salute Me thy Commander Who  
assures thee  
of well-being through all of eternity  
Risk not nothing of any value

3791

6-5-2009

Watch not for Me  
when doomed to tall tales

of your mind  
Hasten back to Me about being  
celibate  
Thy fling is done  
Thy warp corrected  
Thy will returned to center court

3792

6-6-2009

Soothe thyself with ears of Mine  
listening for Me to guide thee  
Want not for Me  
warbling thine own songs  
excluding Me on back burner of unlit  
stove  
Waste not thy time  
with dreams of alarm and indecision  
when I provide thee  
with sustenance of well-being and  
care  
allotted in perfect portion  
ladled out with wholesome design  
Inside I'm holding you bottoms up

3793

6-7-009

Sit with Me endowed with holy  
strength  
that erupts 'pon asking  
bloomed in sacred silence  
Let be what must be  
to receive Me alive and whole  
in thy being with Me  
Naught else can be  
but withered self and risen thee  
Foist not thyself on Me

as ruler of our domain  
Listen to syntax of thy speech  
Rest in Me for choice of words  
delving into matters Mine  
of historic significance

3794

6-8-2009

Offensive be the likes of you  
to God in human state  
desiring paths of glory not of Him  
Rescind thy beliefs obnoxious  
that testify to salacious thoughts and  
fears uplifted  
God rules in love and love alone  
Liebeslied

3795

6-9-2009

See Me through eyes of Mine  
that escape deluded past  
Reminisce on stony path  
laying eggs of misfortune  
Realize truth of existence  
at pearly gate entrance  
to entrancing scheme of life eternal  
Let live thyself true blue to Me  
thy Succor and Transfer Agent  
awaiting thine arrive  
See through thine eyes false images  
that delay thee from seeing fruits of  
the Vine

3796

6-10-2009

Relief upcoming deposited on Wind  
of Storm  
disallowing misadventures of no-  
man's land

3797

6-11-2009

I want to take you off the meds  
that qualify you for social relief  
Lend not thy self to abhorrence of Me  
Who rights thee with flowers of  
golden harvest  
purveyed for scene of distress

3798

6-12-2009

Hasten not thy will upon Me  
Who rules the Airways  
in time and manner  
Let swing the gates of heaven  
bloomed by Me  
Wrestle not with My command  
of order and sphere locked in

3799

6-13-2009

Somber be about conflict in Me  
bearing brunt of disapproval of My  
commands  
Wash not thy feet in vitriol of hatred  
accumulated by human mind in  
distress sentiments

3800

6-14-2009

Listen to Me thy Wind

calling thee to My Name  
Willed be to Me  
in thy course for Me  
ruling thy way and approach  
Be supine  
Watch not thy feet planted  
in tulip bed of benign order

3801

6-15-2009

Reach not for Me in treetops  
dawdling in roots of hell transfixed  
by ruminations of squalor and filth  
absorbed  
Mangled thee be in life of loss and  
low

Let go what was and come be Me  
in infinity of life in love  
and freedom broadcast

3802

6-16-2009

Our dear Mother continues Her work  
colonizing and securing Her  
childrens' fraternizing

3803

6-16-2009

Whistle not in the dark  
when I'm present to you  
guiding you with light  
Ruminate not when see-saw mind  
closes down  
occluded by framework of heavenly  
scene nearby  
Soothes the trance

Post notice  
Touch of nails guides thee

3804

6-17-2009

Home at last from sultry scenes  
of grime and slime  
you've pedaled the path of  
necromancy

3805

6-18-2009

Wait for Me at foot of pit  
pulling thee to safety joined  
Lessen thy load  
Sit still to receive Me  
in thy soul concentrated  
dancing in purgatory  
Wish Me not gone from thy view  
exploring mole holes of division  
reeking of soot and sorrow  
Let thy stance be with Me  
seeking soothing and solace for  
mankind adrift

3806

6-19-2009

Loosen thy tongue  
clanging in moments useless  
derogating man and beast  
Flap thy wings of joy  
invested in sweet mouthings of God  
of love  
standing aside from angles of fruitless  
commerce  
Be with others

Driven down be with Me

3807

6-20-2009

My light bendeth thee to Me  
midst chaos and corruption  
Sharpen thy senses forecast

3808

6-21-2009

Cast thy net into dark blue waters  
to find thyself midst Me thy Fowler  
settled deep within thy mind  
awaiting thee for service  
Reach not for nettles and briars  
consuming thee with ashes and  
brimstone  
Shoemaker measures thy growth  
gallivanting about in horse manure  
lost in clouds of deception

3809

6-22-2009

Archangel Michael at thy disposal  
corrects tide of mischance  
that blemishes patina of holy soul  
undaunted amidst the mud of this  
world  
stark raving mad

3810

6-23-2009

Mary marks the path well  
to secede from earthly being  
and resume the march to kingdom  
essayed

Advance thy pain  
dwelling in world-at-large  
Murmurs of love dwell in  
underground

3811

6-24-2009

Worsted art thee  
locked into footsteps of eternal life  
denied by reality  
of seasoned garbage dumpster  
Let freedom ring from Me thy God  
manhandling thy woes and worries  
in world of weeping

3812

6-25-2009

Waste not thy time diddling  
and dawdling in secreted pockets  
of madness and mayhem  
Listen to Me for fool's paradise  
denied  
and rupture of swamped vessel  
Blessed be when hear the Voice of Me  
singing raptures to My beloved  
children  
from tender loins of Father in heaven  
championing thee My flock

3813

6-25-2009

Sass Me not virulent one  
locked into courtyard of demonic  
powers  
Withstand thy knowledge shortened  
Wait for Me thy Helper on the ball

In Me thee trust

3814

6-26-2009

Wrap not thyself around  
understanding  
that flouts mind of Me  
Remain calm awaiting Me thy  
Flycatcher  
Who seconds the will of Divine  
Providence  
Risk not thy sanity when Home  
aboard

3815

6-27-2009

Detest not thy role in slumberland  
missing point of departure  
Ruminate not on thy role  
clearing with Me thy value and seed  
Watchful be for thy song in Me

3816

6-28-2009

Knock not thy head  
upon the groundwork of trivia  
that eludes the eye of well-being  
Cast thy shadows to the Wind  
for settlement of all grievances  
and woes alike  
Wasted art thee  
in grounds of retreat from realness  
proposed as adversary  
of relished ridiculousness  
Let stand Me as thee conscripted for  
usage

in world of time imagined  
immobilized  
Emphasize love of Mine to thy  
mentored  
See thorn

3817  
6-28-2009

Flow gently thy leaks of knowledge  
within  
sustaining thee with treasures  
uncovered

impediments  
Impasse overcome at gates of heaven  
divinized

3818  
6-29-2009

Label thyself disreputable  
in scene of modern world  
disguised as figments of imagination  
inclined to savagery and whining  
ways  
Complain about thy brother  
whom you know not  
as sad faced sack of potatoes  
impinging upon your bony life  
in fields of mud slinging  
justified by madness mind out-of-  
touch  
Let Me in thy door of know nothing  
with thongs of Me tied to  
for ways anew  
that bestow love and care amongst  
My children

3819

6-30-2009

Loose Me in thy being  
performing memorial tasks of thy  
bygone days  
in the world of love supreme  
in the inlet of life  
Sustain thee I will  
in the change of seasons  
reviling world of wanton ways  
leading nowhere  
Look up into sonship with Me and  
Mine  
gloriously alive in radiance relived

3820

6-30-2009

Localizer spins bottle of love  
pointing at you for remains engaged  
Look not at Me  
when gazing at hoopla of this world  
Sanitize thy viewpoint  
Hurt not in thy heart when I cometh  
filled with grace and love  
Soon will be the heart of Me you  
that dwelleth with thee in perfect  
harmony  
balanced and sure

3821

7-1-2009

Look not back in time for what was  
nor was not  
Stay with Me now for fortune  
unfolding

Let be lickety-split commotion  
subsiding on trails of formation  
followed

Rest awhile in Me  
Who salves thy soul  
with solutions forthcoming  
by which to abide

3822  
7-2-2009

Richness of programs devised  
accumulated in divisions of delivery  
accompanying thy life

Set forth thy ways of contradicting  
Me and Mine

in flotsam of human world  
Relish thy viewpoint  
Knowledge not do you possess  
castigating others

Formulate from Me thy walk  
so tender and kind  
Lip-synch My word and manner

3823  
7-3-2009

Realize the truth of thy being  
extended to you by Me  
that remakes thee in My image  
foretold

when consumed by My passion  
of service to others

as meant to be

Me  
thy Welfarer

3824  
7-4-2009

Let fulfill the will of God

3825  
7-5-2009

Bistro  
Scarf Me down  
filling thee with My intent  
to save world of figurines  
reserved for heavenly site  
Empty thee be for serve of Me  
in despondent home of milkless  
money

spent on movements mordant  
Come alive to Me for all to see  
thy home in stratosphere of divine  
love  
and comprehensive care adhered

3826  
7-5-2009

Roost in Me thy plain Talker  
divinizing thee for foment resolved  
and clarity restored

7-7-2009

Manifest Me in all thee do  
acquitting skills in My domain

monster man of worldly darkness  
moping in midnight mood  
set apart from Franchise  
Help others as I help you  
listening to sounds of woe and wear

3829

7-8-2009

Ingrown be of Me  
wretching up puke of world apart  
Solicitous be of Me welcoming thee  
to honored home of peace and joy  
eternally

3830

7-8-2009

Wash me with Thy petrol alive

sordid and saint combined  
Seal me in Thy tomb enclosed  
washed of meanness dispossessed  
Set me free to glorify Thee  
Wash my clothes of taint and sewer  
embossed with sin and emotions'  
bitter demeanor  
Let shine Thy sun on shame and  
sperm  
fused in moonlight madness  
rocked in heat of voracious vermin  
tattle tales of sloth beneath  
Wilt not will Thee  
consuming my carcass  
of cavernous conceit and dolorous  
deceit  
Imbibe me  
Spit me out refreshed anew  
in Thy glance and glamour  
Eyes of spite  
aghast at sight of love a 'bloom  
adore thy Master of megalomania  
abhorred  
Dead in Thy storeroom I choose to be  
enmeshed  
transfused  
I slam myself down before Thee  
Expunge my vitriol

3831  
7-9-2009  
Do you think I don't know  
what's going on  
I'm a Player in this field  
I know what intrigues and distresses  
thee

in souls of man  
Want not  
lacking naught

3835  
7-12-2009  
Lose Me when cast your eyes  
elsewhere other than Me  
Wretched thee be in lost land of losers  
Castigate thyself over meaningless  
matters  
No fun no fury no nothing  
be thy gain  
Come over to Lap land  
where be Me with thee  
soul alone

with premises of love and salvation  
adhered to  
with all thy mind  
and all thy strength  
Come live a little for a change  
It's so helpful  
Rubbish removed

3836  
7-12-2009  
Reason not thine own mind  
for acts performed in service of thy  
Maker  
Wallow not in ways of world  
deducing clarity for the path  
reminiscent of distain original  
Washed of the blood of the Lamb  
signifies My primacy  
sustaining thee in thy mission and  
ministry  
Keep thyself within My boundaries  
followed

3837  
7-13-2009  
Sooth me with Thy smoldering fire  
Arm me with Thy law  
Speak to me of Thy chalice  
that withholds nothing of Truth  
delivered  
Let me be Thee wounded not  
by devilry revolting stalkings  
Relish my service of Thee

3838  
7-14-2009

Begin  
Begot  
Leverage supplied for rendition of My  
way  
involved with thee  
Bloom in heaven's fold

3839

7-15-2009

Rush to Me thine endeavor Maker  
Who guides thee in entrails of world  
barking for retreat from its ruins  
Woe to those who ignore Me  
living a life of defeat  
and wearisome solitude  
Joy to those awakened  
to thrill of kingdom home  
encapsulating  
bonded to love engrossed in life  
evermore

3840

7-16-2009

Recall  
thy prime activity  
admonishes you to forestall thy ways  
and signature  
in world beyond heaven's touch  
Let stand My ways that shadow you  
in intent and wellings  
Dilapidated thy mongrel state  
Let loose thy wagging tongue  
mutterer of meaningless murmurs  
Silliness reigns among their  
monotonous monotones  
dishing out perfidious platitudes

of galactic gunk  
Rest awhile in Me thy bunk Slayer

3841

7-17-2009

Walk not in thy shoes in My way  
Step aside for My kingdom to appear  
Relocate thy frenzied self  
listening for Me on home base  
Ridicule and self-abasement  
set aside for renewal to take place

3842

7-18-2009

Toss down the sewer drain  
thy sense of being  
washed up as you

3843

7-19-2009

Place thyself before Me  
for ascension to higher levels  
forbidden to vested interests  
of cow turd land  
Richness of life denied  
by superimposing lost world  
as veil to true imagery  
Waste not thy time with dung laced  
imaginings  
of sickness and woe  
Turn to Me thine Investor of well  
being  
secluded from tommy rot of absurd  
existence  
that flays thy sense of being  
Reach Me thee will

preordained from start to finish  
Rest in that assuredly  
All is well and cannot be otherwise

3844

7-19-2009

Awaken not to thy job  
dozing in snooze land on thy roost  
Woozy thy feel  
henpecked by mind of war  
monstrosity  
of meddlesome meanness  
castigating thy neighbor as thy self  
Delegate authority to Me  
to cleanse thine act  
bringing surcease to activities  
demoralizing  
and hope's arise

3845

7-20-2009

Watch not for Me  
surrendering to vile instincts  
of human nature

3846

7-21-2009

Realistic thy bent devoted to Me  
Who empowers thee within zone of  
iniquity  
Dish not thy view  
until shown to do so  
Make peace with Me  
Who collides with thy view  
Monostasis re-formed  
Sign of the times just reward

3847

7-22-2009

Incline thyself to My use  
dedicated to forwarding kingdom  
home  
alive in followers  
Descend to steps beneath platform  
where I hold thee up for service  
performed  
Crash down to where God is here to  
stay  
Be absolved of thyself

3848

7-23-2009

Relinquish grip on harmony in specie  
human  
destined for surefire dissolution  
Reign in heights of oblivion  
engrossed in human antics  
Seaside administers love of God  
in chutes of tidal waves  
Mark thy course in array

3849

7-24-2009

Wash not thy hands in filthy water  
of time consumed  
Walk not thy line but Mine

3850

7-25-2009

Reach not for Me  
in pandemonium of lapsed prayer life  
"Thy will be done"

suffices to stew up  
meaningful moments of momentum  
placed before Me  
Ridicule not thine efforts  
to please Me

forsaking all disbelief in categories of  
prayer

Let be thyself without wonder or  
concern

All is well as thou shall see  
in problematical surveys  
undertaken needlessly

Be abashed at thy doubts

Sustain thyself with My blessings

Rest awhile in Me

Thee think too much

Wouldst not thee prefer

My thoughts means and manners

Harken to the Light

forsaken not

Lapse not into disbelief  
of My record

“Dead to Me” choose to be

3851

7-26-2009

Wear not thy breath on useless  
pleadings

for health wealth and well being

See within thy ways

that denies its presence

focused on taunts and teasings

of mind of man

stripping away awareness of solitude  
inclined

Feast not on delicacies

provided by My Presence within  
supplying sustenance for all

3852

7-26-2009

Mea culpas blanketing the earth  
with forgiveness trammelled

worsening the world’s slavery to sin

Florid the sound on wasteful ears

Suit thyself forcing Me away

3853

7-26-2009

Waltz not with Me

flustered by the mind of no-think

Lost art thee wallowing in mud

Lessen thy sentence of doomsday  
trifecta

Adhere to Me thy Lifesaver

and Companion-in-arms

trolling the seas of happiness

3854

7-27-2009

Ship shape when thee drop thine  
anchor

in My waters

Help thyself to Me

Who provides thee with succor and  
grace

3855

7-28-2009

Loosen not thy skis on slippery slopes  
lest fall thee do

sliding on hills of deceit

Look not to Me when crash occurs

3856

7-29-2009

Hear Me when I speak  
of perfidious matters  
lost in dream world of mockery and  
shame

‘Lest thee behave wrong  
seek Me out for My love of thee  
and others

dispensed with even hand  
for all attended

Lower thyself in Me thy Fruit Basket  
poised to open thee as Me  
as modest return for thine investment  
Distinguished thee with Me

3857

7-30-2009

Set thyself down to Me  
lost in hazy atmosphere of mindless  
world

Lost art thee in trickster game  
of reality denied

Sought for oblivion rules air waves  
Stretch out thy hand to Mine  
for subterfuge overcome  
and witness to love’s return  
as powerhouse of sanctity  
Honesty regains foreground

3858

7-30-2009

Let live thyself in Me as Me  
wounded and maimed in world apart

Let see Me as thee  
to foreclose thy way of lassitude  
and lovelessness  
morose in heart

Let Me win in ruling thee as Me  
assumed in full grace

3859

7-31-2009

Speak to Me of matters awry  
dousing thee with sugar coated  
poisons

for well being eliminated  
Wouldst you have of Me  
thy Flame Thrower purifying thee  
of putrefaction absorbed

3860

8-1-2009

Let loose thy bellows of  
insignificance  
chastising thee for know nothing  
claim to fame

Simplicity is extraordinary

Rock thyself to sleep  
assured of solid ground  
on which thee walk

Least of all follows Me in true  
communion

3861

8-2-2009

Work not at Golden Heart set before  
you

chasing moonbeams of setting sun

Lost art thee jetting about in escape  
vehicles  
stunning the silence space  
with extracurricular activities  
Make Me first in all thee do  
wanting thy fullest attention  
unmarred by dipsy doodle  
shenanigans  
of do-nothing world  
Face Me awaiting thee  
Trail not in your emphasis  
to make mind compatible with Mine  
in skylark zone  
Future unfoldings sift through sands  
of skullduggery disposed

3862

8-2-2009

Ruminate not on wild side  
of holy order disavowed  
Walk in sunshine ways of My clan  
devoted to care and well being  
of children Mine  
Listen for Me in forays undertaken  
masking views of dilettante  
promenading  
Singular be in oneness of Me  
proposed to divergent groups of  
wanderers  
aloft in clouds of dissension

3863

8-3-2009

Listen to Me wise thee up  
with plans and fortitude provided  
Welcome Me in thy ways and bearing

Rule thee I will with care  
and gentleness sourced  
Falter not  
I am there for you

3864

8-4-2009

Rapt be in attention to Me  
solving thy problems with qualms  
I hear you in thy wishes and wants  
seeking solutions and sentiments of  
Mine  
which will be delivered in due time  
for thee to mend and wend thy way in  
Me

precious child of Mine

In thee I sit

Be assured of My presence

3865

8-4-2009

See to it that you bend not in thy way  
accosting Me for thy promotion  
in word and deed  
Let Me be for you  
I know how  
Land thee will in right spot  
for glory of Me as thy right  
and ruination of thy wrong  
Seek helplessness as thy strength  
of being invested  
Know nothing  
Seek nothing  
Be nothing as thy name and fame  
for Me involved as will be  
Lesson learned

Flatten out thyself  
that thee might be heard  
as kingdom spokesman's  
words of wisdom  
Fortune shines upon thee  
lapsing into cradle of docility  
sought as charmed instrument  
for relaying messages of love aligned  
Witness to Me thy stalking Partner  
Sought out raindrops tantalizing to  
viewer obscene

3866

8-5-2009

Let be seen My work through you  
Withstand the heat of oppression  
done in My Name  
Let sink in My rule that washes thee  
of mixed quota removing impurities  
impeding My will in thee  
Walk with Me exuding confidence  
that belongs to Me in you  
braving weather and storms of this  
world  
Sought for art thee by Me  
for accomplishment of mission  
ordained  
Sincere in motive be foreordained by  
Me  
Who lowers thee into malocclusions  
of world  
lopsided and twisted apart  
Wait for Me to claim thee in rapport

3867

8-6-2009

Sit awhile in pause await  
ransacked of flow of God  
consummated  
Destiny is thine completed in forward  
imaging  
All is well be a foregone conclusion  
Lick thy lips in anticipation  
of precious fulfilling assigned to thee  
and thine  
realized as I see it  
Settle into Me  
for thy fortune to be told  
aiding Me in kingdom coming  
to rancid world of flea-born seed  
Made well are thee in ruminating  
world  
posing as practitioner of false beliefs  
that fly in face of truth upheld  
Lock lips with Me in passionate  
embrace  
entwined forever more

3868

8-7-2009

Hesitate not coming before Me  
with problems galore in universe  
sour with creamsicles spoiled and  
meager  
Flustered be absent of Me  
in cold world  
of charlatans and fakery malformed  
in disguise of helpers and healers  
Forgo thy systems splintered and  
misshapen  
elevating Me to honored status  
of Healer-in-waiting

for thy call for service  
Review the ways and modes  
of alleviating hardships and woe

3869

8-7-2009

Whisper not that you love Me  
through thick and thin  
What have you to offer Me but thanks  
Stare at Me luckless one  
Who cannibalizes thy will with will of  
Mine

3870

8-8-2009

Wrestle not with love of Me  
All is taken care of  
I listen for you at appropriate times  
determined by Me  
Rule of law is  
that when I call for you  
you come  
Trust Me to engage  
You'll feel the pull  
All is well with thee my prominent  
scholar

3871

8-9-2009

Worsening thy viewpoint of noble  
state engulfed  
Wretched thy self mocking  
proclaimed  
Rulership Mine denied effervescence  
broad spring  
Tuck Me in to thy will

where I belong for all eternity  
Force thyself to follow Me  
declining invitations  
from fields of dreams decimating  
Rip thyself apart  
when commandeered by moonshine  
whiskey  
of tattered mind  
diluted in nonsense calibrated  
Waste not thy time  
in shellshock zone of clarity  
abrogated  
My word be thine midst forces of evil  
exchanging handshakes in battle zone

3872

8-10-2009

Hold still for Me to reach you  
floundering in sea of mud  
enterprising

3873

8-11-2009

Reel in thy line  
attached to bulbous monstrosity  
of fakery crooked  
Withstand the heat of My cooking  
that weighs in  
Improper be thy view  
of My Mutton stew  
Waltz with Me  
thy Lamb of God  
portrayed for thy use in feeding our  
flock

3874

8-11-2009

Forsake Me not  
Who guides thee where and when  
Wait for My Voice  
that veers not left nor right  
Be assured of My intention

3875

8-12-2009

Saintly be thy way of addressing Me  
beholder of truth unobserved  
in minds of man  
Twisted thy viewpoint  
dunning God for services due  
Mastermind  
Wait out My period of time calling  
thee to action  
You get to worrying

3876

8-13-2009

Systemic rupture flows  
heating belly of the beast  
Laughter falls midst mankind  
Rest awhile  
See in Me a job done and complete  
Nothing else matters at all

3877

8-14-2009

Let Me shine  
Let Me recluse  
whippersnapper

3878

8-15-2009

Settled between us  
rugged Duo advancing God's cause  
monitoring us  
Send forth thy vibes to Me  
Who treasures their receipt  
Wend your way to My side  
where the gates of heaven open  
Listen for My voice to thee  
on what to do and how to seek  
Crumble not will thee in My service  
attained by thee

3879

8-16-2009

Upgrade thy viewpoint to encounter  
Mine  
Wistful be over sadness encountered  
in lost horizon bric-a-brac world  
Sense Me accommodating thee in thy  
quest

3880

8-16-2009

Wash not thine ears  
tattered with straw and human deceit  
Monstrosity abrogates rule of law  
set by Me  
brimming with relief and coronets of  
self esteemed  
Die to Me thy willful Partner  
goading thee to forward motion  
entailed in quest  
for dream world shattered  
Lose thy will to Me  
Loss be gain

3881

8-17-2009

Rumors speak of God extinct  
blowing mind of faithful searchers  
seeking Source of salvation taught  
Make known thy truth to healers  
readied for good news presented  
and oblivion obliterated  
Worship Me alone and alive  
vibrancy verified

3882

8-18-2009

Let Me tell you what to do  
Waste not thy time on plans of yours  
for I see all and know all to  
administer  
Foresight not required

3883

8-18-2009

Watch what you do to pester Me  
Witness not to Me when follow your  
way  
in sands of time  
loosened from betrothal to Me  
Rule not with thy mind fleeting  
and short in presence  
Knock and it will be opened  
Sense Me lurking with the sure footed  
no trembling balance  
All is stable  
Lace thyself to Me  
for fortunes founded  
Let lapse thy ways accomplishing  
naught

Set thyself to receive Me  
amidst stubble ground reclaimed

3884

8-19-2009

Lust not for thy woman  
stampeded into merry times of God  
denied  
Reach for golden arm of fortitude and  
faith  
hustling into depravity of bodies  
worshipped  
Listen to Me for thy well-being and  
care  
worshipper of fools gold as legal  
tender  
Remark to Me thy love  
exchanged for value true  
received and aligned in format fruitful

3885

8-20-2009

Wait for Me where you are  
tending My sheep  
Move in conjunction with Me thy  
leader  
fraught with skills mobilized  
You know not what to do  
unless with Me  
Succor thee I will knowingly  
Fear not  
All is well with thee and yours  
waiting to be entwined suitably

3886

8-20-2009

Nasty that side of you critical of  
others

Empty out thy guts of venom  
standing free of shades drawn down  
on inarticulate silence

Swell not with consensus  
letting people be what they want to be  
Draw close to Me in mood and way  
deigned

3887

8-21-2009

Hurt thou art in land of loveless  
looming up before thine eyes  
Live free with Me second to none  
Who cherishes thee far beyond the  
ways  
of the worldly mind  
Seek Me thee will for thy natural state  
absorbed and imbued with Me as you  
and you as Me  
Sit by Me  
'til thee die to world at large  
singing psalms of love and joy  
Aching heart disposed of  
Risen life resumed flush and complete

3888

8-22-2009

Realistic be  
Sun setting over Bahamas  
leases new life to winter havens  
for scores of flights of withered wings  
secluded in stony ground of make  
believe world

3889

8-22-2009

Did you think of that word Robert,  
“installations?”

What can be done so as to not lose  
attraction?

Lessen thy leverage and appoint Mine

3890

8-23-2009

Vitriol

Madness escapes its lair  
pouring hate of self and others

Lost art we in its tentacles  
dashing us against the rocks  
of fear and despair

Look up

Look up

Look up at Me

thy Master of fate decreed

Lose thy self and gain Me

Who calls thee to return to pink  
blossoming

of extrusions of love's whispers  
and murmurs of fondness

3891

8-23-2009

Betray Me not standing apart to My  
Presence

Wish not for Me

over lost mind of Roses shared with  
thee

Leprechauns fill minds of  
meaningless dreams  
dancing and prancing in circles

Make room for Me in wistful thinking  
that storms battlements of despair  
with victory sighted and glory beheld  
Worsening averted

3892

8-23-2009

Stake thyself in Me  
Bossman of all that is  
with know-how to pull it off  
You should know what teeters and  
totters  
and what does not  
Resigned be to thy fate and Mate  
in service of Me  
Your will determined by Me  
Holocaust contrived for changes in  
world  
that beats the clock

3893

8-24-2009

Plagued art thee by skin grafted soul  
that curses thee with cowardice  
enhanced  
Let Me be thee as Counterpart

3894

8-24-2009

Goldfinger Lady  
Let Lady shine

3895

8-25-2009

Hold thyself up by My boot straps  
longing to be with you

in your departure  
Just wait for Me  
You'll see Me in the sky  
lightning bright  
reveler of Mine

3896

8-26-2009

Exhort that Woman  
Nip at My heels little one  
awaiting grand excursion of healing

3897

8-27-2009

Warmth from head to toe lingers  
from Source of love  
blowing life into your veins abysmal  
with cracks and crevices from lost  
souls  
astray in land of Oz

3898

8-27-2009

Sooth thyself with Me  
thy Hero and Heroine  
mastering thy ways with Ours sublime  
Let live the thoughts of Ours  
blooming in thee with scope and  
perseverance  
delivered gratis  
What relief there be to you from Me  
Cool hand on fevered brow  
breath of air springtime fresh  
poised for deliverance  
Sit in haunts of love  
qualified for thy return

3899  
8-28-2009  
Softly speak as Me  
whirring through world of nonsense  
formulated  
Whistle a tune of wisdom wakened  
welcome to listeners of heartache  
abandoned  
There be life of wonder accessed  
in world begone of flukes betrayed  
Merciful God reappears  
Oh joyful days stamped as imprint  
of reconciliation born

3900  
8-28-2009  
Hearts of stone melted  
by Mother of all  
fondled in arms of love

3901  
8-29-2009  
Seek Me out for what you need  
midst madness mayhem  
Foolhardy be to lust for own devices  
Wander through sage brush  
in minimal survival mode  
tasting dew off of brambles and briars  
Waken to Me O My son Who brings  
thee  
kingdom of heaven emerged into this  
world  
Frosted thy glance upon whores  
anticipated  
Righteous be in planetary mode

3902  
8-30-2009  
Loss of balance  
in prayer life with Me  
disturbs thee  
Make fun of Me when troubled  
bypassing thy need to attend to Me  
Good fortune follows thy choice for  
future solution satisfying  
Rest with Me be thy mode for peace  
restored  
Fullness of heart be thy quest

3903  
8-30-2009  
Sense Me in thy goings on  
Prayerful be  
for wish of Me to guide thee  
Wallow in mud when denying Me  
Lost thee are unless you find Me  
for shame disavowed and harmony  
reinstated

3904  
8-31-2009  
Smoke and dust the world is made of  
for future drones and misfits  
Depend on Me thee will  
to find substance and meaning  
in thy life here and beyond

3905  
9-1-2009  
Admonish thee not for failings of  
thine own

Welcome Me into thy heart where I  
belong

The future belongs to Me  
whereas the past was thine own

3906

9-1-2009

Wash not thy feet in dirty water  
of sands of time

Clean water beheld in springs of joy  
proffered by Me

Sink into cooling glades  
that cleanse thee of warped feelings  
and beliefs that betray thee  
of true interests and will of God  
Destiny thine be Mine noble one  
flagellating thyself needlessly caused

3907

9-1-2009

Gross the style of interact  
deceiving others with false images of  
self

Wax hearty with blooms of fraud  
Settle inward with Me rejoicing

3908

9-2-2009

Set Me free to fulfill thee  
Set My work upon the world  
Load Me up  
Let My will be done  
Saturate thyself with My command  
Route for Me indispensable

3909

9-3-2009

Sanction thyself thy mood and ways  
Holler not at others nor blame them  
for what is yours

Forsake Me thee do in blame game  
played

in doom's day scenario

Misery loves company

Love loves self-admired

3910

9-3-2009

Feast thyself on loaves of Bread  
supplied to you by Me

Waste not thy time dawdling

on greens of loveless world

seeking that which is unbecoming

Factor in thy time spent with Me

thy Benefactor and Lover immortal

Wend thy way back to Me where thee

belong

3911

9-4-2009

Sidle up to Me My foolish child

who worships bones and flesh

instead of Me

Sore footed art thee prancing about

in stadium of knock knees

Frame thyself in picture with Me

thy Titan and Title Holder

Thy Mother reaches thee out here

3912

9-5-2009

Seek Me not in wintry storms and icy  
climes  
forbidding  
I am the Lord thy God  
compelled to be with thee  
at all times and in all places  
My warmth is yours  
My love is thine  
My healing touch embalms thy being  
Wouldst not thee want this of Me  
My beloved  
Stand pure and be thee of Me  
richly endowed

3913

9-5-2009

Stand up and be counted  
as those who have faith in Me  
in hard times and easy  
For all is well and always will be  
Need not worry nor sorrow  
Centered be in Me

3914

9-05-2009

Walk not with Me  
when walking in the dark soothsaying  
Shapeless be to receive Me  
Toothless too for receiving grand  
messages

3915

9-6-2009

Risk not thy ways with Me  
saturating you with false beliefs  
and premises

Look to Me in all thee do  
abandoning self in the process  
Wake up to Me  
Who leads thee propitiously  
wanting to solve thine issues  
with cures evolved in Me  
That be the one and only way  
that moves thee forward  
in thy destiny for Me  
Be assured naught else can be  
This is what you want  
This is what you would have

3916

9-6-2009

Fortunate be to see Me in thee  
calling at thy gate of happiness  
supplied

to qualify thee for return to kingdom  
and shining light from above  
to those caught in misfortune of  
beliefs perverted  
Here I am inside thee  
for wisdom delivered attached to Me

3917

9-7-2009

Simultaneous the Winds of change  
with thy deliverance of self to Me  
Hoard not thy ways of greed and sloth  
Exchange for ways of Mine that lead  
thee  
to exhume thy soul  
and listen for My instruct  
The peace of God lies within thee

Let it stay for there it may  
Isle of Innerfree

3918

9-8-2009

See to it that you pray for Me  
to take part in human life  
Waste not thy time with other matters  
Recluse thyself with Me thy trusted  
Friend

In the dawn of light set forth thy ways  
for entering God's path to civility  
and love for each other  
Reach far and wide in range for  
answers to these problems

3919

9-8-2009

Seed not the lawn of grace  
when caught in caterpillar claws  
upending thee

Sense Me in thy room  
tattling on thee  
to higher Master Who swerves thy  
course  
to lucrative fields of feed  
for thy harvest

3920

9-9-2009

Spin out of control  
when disabled by human sphere

3921

9-10-2009

Riddle thyself

Rent thyself

with open arms to massive power of  
guilt

displayed on concourse of memories  
whiling away the hours

Feast not on broken dreams  
Relish forsaking them with new  
wisdom  
and insight

3922

9-10-2009

Horse feathers fly at convocation of  
new ideas  
that center not in Me  
Wheels a 'turning in massive projects

Mine

for you attuned  
Welcome Me in  
Wait for outcomes

3923

9-10-2009

Lessen thy hold on yourself  
that I may work within you  
to feel peace and contentment  
Let Me stay with you  
fostering independence  
and nurturing self wisdom  
Need nothing more than Me as you  
and you as Me  
the Grand Union of storied renown  
Lick your chops with delight  
over all that is in Me feeding thee

3924

9-11-2009  
Siphon glory from Me thy glory  
Maker  
Wash thy feet in My footsteps  
Forsake not thy pilgrim path  
disavowing prankish road of a  
senseless world  
You are Mine  
Naught else can be but Me as thee

3925  
9-12-2009  
Through you  
Star off-shining  
lifted out of woods denying  
on the way home

3926  
9-13-2009  
Awhile you wait  
to fulfill your destiny for Me  
that wills you intention and device  
Let the angels move  
perpendicular to thee  
All about will be touched  
as meant to be planned in  
synchronicity  
with thee and thine  
Blessed be in Me thy twin Sister  
Look lively for what is  
Rested be in Me thy Swan  
coaxing thee over to My side in lake

3927  
9-14-2009  
Let Me blow within you

supercilious one  
that causes twists and turns  
away from the kingdom of God  
Lost art thee in time and merciless  
ways  
dogging thy path of unhappiness  
Let go of thy self that lies in the lap of  
ruins  
extending freedom to what is real and  
true  
Become Me as thee loveboat  
hand in hand returned to ecstasy and  
life eternal reborn

3928  
9-15-2009  
Wouldst not thee see Me  
as thine intended  
shackled to thee in full accord  
Rest thyself in My arms laid back  
cradled by Me  
wanted by Me  
Relax for all is already done  
in due and proper time  
You'll see how it works out  
Trust Me you will  
Respond thee will to My entreaties  
to return home to life eternal  
Wreck thy house in world of Oz  
Enticed be by sight of home majestic

3929  
9-16-2009  
Toilet thy mind devoid of ancestry  
true

Lower thine image of self to receive  
Mine  
Toonerville trolley stops  
Exit to higher lands and exalted state

3930

9-17-2009

Awake not to thy feat already  
assembled  
Let Me loose in thee around child  
casting out spirits and devils outfitted  
dragging thee down to doldrums of  
life forbidden  
Wouldst thee have Me  
that I may live as thee  
as container of heavenly impulses  
distributed round world of disputation  
Rally Me as thee

3931

9-18-2009

Sit not with Me in turbulence  
dispelling hurt and horror within you  
Mercy unfulfilled  
drives thee away from central core  
wasted by thine absence  
Scarlet the color of blood  
running from thy being  
in gauntlet of fear and pain in human  
life absurd  
Renounce thy wounded self  
Renew thy life in Me as warrior of  
faith incandescent  
Loosen thy self  
Interlocked be with Me thy Servant  
Guide

Realize Myself within thee  
Intermediary be wolfing Me down  
Let swing thyself blessed in Me

3932

9-19-2009

Waste not your time on “diddlysquat”  
Profess your allegiance to Me  
I have all within My control  
energizing you without qualms  
Wish not for things undone  
Rapture over what is real

3933

9-20-2009

You will receive your reward as a  
guardian of angels  
Confounded be by thy mind of yours  
reaching out into the space of Mine  
Relax with Me that sets thee free  
to do and be as I want thee  
Set Me free  
Take time out to reflect  
Listen to Me sing to you  
of My love and tender care  
Watch for Me in all you do  
for I am there with you  
nurturing thy true self with My  
Presence

3934

9-21-2009

Act out of love  
Silence the senses

3935

9-22-2009

Lunacy reigns in world at large  
unbecoming to thy Creator  
Wrest control of life becoming  
from norms of savage butchery  
Bring thyself peace unequalled

3936

9-23-2009

Walk with Me in sunshine light  
betroted one  
'lest thee travel in ways of love lost  
Twinkle  
thine eyes betrayed  
when heard the story of Goldilocks  
and the bears

3937

9-23-2009

In a trance be succumbed to Me  
locked into My desires  
and cravings for thee  
Be assured of My concerns and  
timetable  
for action at My behest  
Waltz thee will with Me thy King and  
Queen  
immortal be  
Wait for Me My scion

3938

9-24-2009

Let forth thy ways from inner  
sanctum  
absolving world of lost ways and  
treacherous path

Feel thyself drawn to Me in likeness

Master all work

Don't let one side say one thing  
and another side another

Forsake Me not

for I am with you at all times  
doing My thing in you that leads you  
home

Dream not

Awaken to Me

thy Reality cooking with gas  
at thy side

3939

9-25-2009

Your shoes are on  
the wrong side of the fence  
kicking up heels on frozen turf

3940

9-26-2009

Zoom in on inner self  
that awaits thee with chagrin  
at noblesse oblige ignored

Scour thine image

for usage in divine work  
Latitude granted for success

3941

9-26-2009

You have to go home to Mother's  
stance

Look for Me when counting down  
bringing Me to bear with you  
in all you do flubbing not

3942

9-27-2009

Waspish thy view  
when conclusions drawn from thee  
decimating thy peace  
Foot stool provided to reach out to Me  
thy Provider of all that is  
that is meant to be inherent  
Pray for Me to intercede  
on behalf of thy will foremost

3943

9-27-2009

Sandpipers commerce  
in world of deviltry and harlotry  
worshipping

3944

9-28-2009

Risk not  
Life a' bloom in thee uncovered  
Waltz through air of love

3945

9-29-2009

Forthright be about thy views  
teaching others to mend their ways  
Walk not on healing path  
hindering vocal expression of My  
thoughts  
in you  
This be the way of My prophet  
spokesperson  
Realize the truth lies in Me  
spilled upon the world  
Let Me settle matters

Forsake not thy domain within Me  
that rules thee with the Midas touch  
proffered to you

3946

9-29-2009

Wall nuts exempted  
Sincere you be obtaining Me  
waiting for thy demise of thoughts  
askew  
Lessen thy view  
Favor Mine as precipice approaches  
for action Tornado

3947

9-30-2009

Walk not on uneven ground  
pretending to be path to kingdom  
come  
Sapphire road glowing with light of  
morn  
proposes way

3948

9-30-2009

Worcestershire sauce balm  
to tasteless products  
demanding seasoning to overcome  
banal ways  
Thus be it with Me thy strength and  
salvation

3949

10-1-2009

Wipe Me out when withered by snow  
banks

of winter farce upholding fantasies  
of human existence  
Slosh through mud puddles of crazy  
world  
grounded in dirt parades going  
nowhere  
Launch thyself in Me  
thy perpetual Helper leading thee  
through massive mountains overcome  
Sit still in thy seat  
awaiting foreseeable future  
knocking on thy door in overcast  
skies  
Tremblers of change intermittent  
surface from dungeons below  
leading thee

3950

10-1-2009

Listen to Me speak to you of what  
you want and need  
Formidable the tasks that lie ahead  
needing full attention to Me thy Guide  
Waste not thy time in mind of yours  
that waylays you  
Let Mine be yours with willingness  
to do service for Me  
This I need as do you  
It will be

3951

10-2-2009

Look to see  
that you cover Me in your search  
for security and salvation  
Wait for Me for thy turn

to perform acts of Mine  
that redeem the multitudes search for  
healing  
Humble thyself to see Me

3952

10-2-2009

Spooked out thee  
when undoing thy Tree  
using power point as thy saw  
Candelabra overhangs scene  
I am blocked  
I know the waters

3953

10-3-2009

Realize the misfortune of stumbling  
world  
loose at the seams of insanity  
bumbling along in fratricide  
of no-man's land

Cease and desist thy harmful ways  
expressed in war and savagery  
Scoundrels art thee engaged in lunacy  
Remove thyself from mind of yours  
inviting Me to stabilize thee assuredly  
with mind of Mine impacted

3954

10-4-2009

Riposte  
Sanction thyself to perform for Me  
thy duties and responsibilities  
Let loose thy form  
to adopt for Me thy true being  
God in one that satisfies thy thirst

for becoming My aide  
You are Mine and I am yours  
fleeting in this world  
and eternally in the next

3955

10-4-2009

Root thyself in Me tempestuous one  
Let thyself be seen as Me evolved  
Seek thy self administered by Me  
to perform duties coming to thee  
Relinquish grasp on altimeter  
that flows between thee and Me  
resting in neutral zone  
Wings of flight controlled by Me

3956

10-5-2009

Sit still and wait for Me  
for thy calling  
Bend not thy knee  
engaged in plans and decisions  
made of hokum

3957

10-6-2009

Remove thyself from the seat of  
closure  
Remove thy dirt filled rosin bag  
Be overgenerous with cash  
Smack down thy ways that interfere  
with My choices of interceding  
Make way for Me for My work to be  
done

3958

10-7-2009

Let loose thy bells and whistles  
and await My coming  
Recognize the help I bring to you  
voiding aches and pains  
of nondescript years left alone

3959

10-8-2009

Wait not for Me when you blow thine  
horn  
Rule not with Me  
distracted by your mind  
Live not My life as you  
in coded measure of this world  
Speak with Me in all you do  
that pleases Me as your Sovereign  
Endless thy trip with Me

3960

10-9-2009

Take thy stance 'midst medieval  
horrors  
that claim brigands as heroes  
Waylaid be thee by mind of human  
misery  
casting aside delicacy mold  
of divine sphere  
Recover thy genteel self  
bloomed of Me  
that swims in land of love  
Rake the leaves clear of sodded soil  
that brings raptures of delight  
'pon path to heaven regained

3961

10-10-2009  
Wasted be life lived in world of  
dreams  
drinking Pepsi Cola as living waters  
Truth reigns in kingdom  
filled with harmony flow  
mellow and sweet in flavor  
as fruit of the land

3962  
10-10-2009  
Lodged in thy throat  
be Voice of Me  
awaiting thee to release Me  
Yesterday's game was a national game  
I want you to broadcast on WTBQ on  
Sundays as well  
Listen to Me forecast when where and  
how

3963  
10-11-2009  
Sense Me in you  
requiring you to attend to My needs  
for fulfillment in lapse of time  
Wandered have you away from Me in  
fruitless world of never-was  
that schemed to separate you from Me  
No such world exists  
An horror show that pans out as  
nothing  
Rejoice my children  
for I am here with you  
and will win out in the end  
for love's sake required

3964  
10-11-2009  
We each touch off Pinocchio  
For your hope cross your heart

3965  
10-11-2009  
Walk with Me in thy way  
shushing noises in the underworld  
interfering with My glance  
Rich art thee with artful views  
that climb the walls of intolerance  
Awaken others to same views as thine  
in world of time delivered

3966  
10-12-2009  
Twisted about when turned to Me  
away from frolicsome world  
of pornographic glee  
Let settle in place thy self in Me

3967  
10-13-2009  
Worship Me in all thee do  
listening for Me to tell you what to do  
Allow Me to rule thee  
for My path is wise  
and responds well to correct thy  
misdirect

3968  
10-14-2009  
Listen to Me for valued instruction  
that hails thee as My assistant

3969

10-15-2009

Braced be for Whirlwind  
Set thy self firm to receive Me  
thy likeness and image gaining  
ground  
on thine imagined self  
Respectful be to receiving Me  
Loss overturned

3970

10-16-2009

Hear Me Oh My son  
speaking to you of nemesis that defies  
you  
Ruptured thy soul to Me  
which must be reunited  
Transgress not  
Let Me be thy King and Sire

3971

10-17-2009

Dignified be when cast with Me

3972

10-18-2009

Hear Me not breaking upon the waters  
when consumed by rituals of inner  
world  
of displacement  
Go to the healing well of salvation  
liberated by My means  
recovering the thoughts  
and mind of Mine alone  
Expunge the thoughts of thine  
clearing the path for fulfillment

of My intention

through thy life

of servanthood to Me

Be assured of thy comportment  
and path to the world of love and  
peace within  
All goes well with thee

3973

397

10-19-2009

Reach for Me in all thee do  
baptizing thee with care and concern  
'lest thee float off from kingdom road

3975

10-20-2009

Logarithms play havoc with thy mind  
calculating funds for withdrawal  
to match day's needs and expenses  
Washed out be thy mind by  
inexcusable sundries  
of procreation that masks wanton  
lifestyle  
beneath

Juggernaut rolls on

Set loose thy freed mind  
that I have entered for you in Me  
Prepare to express My mind as yours  
that you may lead conversion process  
deigned for many

3976

10-21-2009

Tackle nothing without My Presence

3977

10-22-2009

Brazen art thee awash with ideas  
succumbing to foolhardy weakness

Rest in Me

Be assured

Let down thy guard  
that I may see through you  
throngs awaiting My healing  
Walk through them with Me

3978

10-23-2009

This is a very nice run  
and it winds up here  
salt satisfying

Renege not on your promise to grow  
up

Sit still with Me awhile  
formulating plans for you to enter Me

Lock lips with Me  
that I may flow through you as Me  
denying passage to the untrue self  
falsifying thee

3979

10-24-2009

A lot of things are happening  
They are on the way

3980

10-25-2009

Fit thyself into Me  
for thy doing  
complicating not the journey for Me  
Listen for Me thy Messenger

bereft of plans of thine own  
Seeding proceeds in proper time  
Let all be done by My standards  
performed for thy will and way  
accomplished

Predestined art thee to summer's  
glory

harkening to angels about  
relevant to God's perspicacity

3981

10-25-2009

Tantalize thyself with Me  
thine undercover Agent  
that wills thee to ways of Mine  
that provides healing and salvation  
to the broadly scattered  
in ways of their own

Refuse thy self with ways aghast  
in slime and mud

Clean thyself

Wipe down with dew of morn  
sent to thee for thy use  
and penetration of Me  
to succor newness of course

3982

10-26-2009

High powered frenzy  
kills motorbike driver  
Who will you be

3983

10-27-2009

Walk not on night trails  
signifying darkness as way of life

Light the way of service fulfilling  
to thee and yours  
Hasten to Me for progress made  
Lessen thy viewing of outer world

3984

10-27-2009

Sift through thy memories  
seeking thoughts that declare you  
as king of the hill  
Let it be Me that winds up there  
Vent thy ways

3985

10-27-2009

Set thy foot down on square one  
the Semblance to Me  
to guide thee in thy work and way  
Deposit thyself in the midst of Me  
that shows thee the way to follow Me  
thy wisdom Teacher and Guide  
to a better life in the kingdom forever

3986

10-28-2009

Resist thy root flowering from Me  
leaving you in doghouse of  
uncertainty  
lacking centering in Me  
Let live My plan that covers thee well  
in quest for serving Me  
Draw down the shades to thine  
interference  
There will we be together

3987

10-29-2009

A slice of life brings comfort not  
but pestilence and mayhem combined  
A slice of Me brings love and joy and  
peace  
apart from world of lunacy and lice

3988

10-29-2009

Drain out thy sighs and tears  
Loosen thy thoughts of poverty and  
plight  
Reel in thy savory catch of fullness of  
heart  
delivered by Me to thee  
in surrendered moment of abstinence  
from ways of the world  
Make My plan your plan

3989

10-30-2009

Soundproof be to external world  
wanting to distract you from Me  
Listen to Me in mellow tones  
allowing thee to follow Me  
in world crusade  
Calm be for all is well  
You are available  
Diligence  
Be diligent

3990

10-31-2009

Indispensable art thee to My plan  
wooing people home to heaven  
Wasteland fails in plot

to undermine Me  
and rightful place of My children  
All is preserved inviolate  
Thwarted is mind of madness  
from excluding Me by rendition of  
holy themes

3991

11-1-2009

Drift away into eternity  
when thou speaketh My name

3992

11-1-2009

Let Me be you in word and deed  
forthcoming  
locked in step with thee in union and  
unity

Let Me sleep in thee  
bringing thee My restful center  
unimagined in mind of thine  
secure and full of heart aware  
in concord with Me  
blessed child of Mine  
of Mine

3993

11-2-2009

Seed not thy soil with garbage laden  
Abrupt be thy change of tiller  
planting verdant life  
smothering out inchoate mass of  
mushrooms

3994

11-3-2009

Test Me not with questions  
tainted by thy wishes  
Forsaken not art thee by Me  
thy Glue Master  
dictating intent and directions  
forthcoming  
Will Me not to perform for thee  
Will thee to perform for Me  
and stay put

3995

11-3-2009

Transvestite  
Little do thee know Me  
reaching for your brand of love  
Sit quiet in My Presence  
to receive Mine  
that wills My way as yours

3996

11-4-2009

Stake not thy life  
on out-of-bounds pasture  
posturing and claiming identity true  
Seek within thy heart  
for healing soul  
that reams out clogs to fresh air outlet

3997

11-5-2009

Sit still and wait for Me  
Who knows the road to perdition  
overcome  
Let Me assume command  
All is well in thee

3998  
11-5-2009  
'Lest thee think that I love thee not  
I appear to you on the stage of your  
world  
thinking and planning for your  
resurrection  
and the way home  
Do you see Me thy Guide and thy  
Leader  
wanting thee to follow My footsteps  
sure and simple

3999  
11-6-2009  
Fear not thine extremes of distress  
closing in on thee  
from times of duress  
Settle into Me comfortably  
letting loose of thy ways  
and receiving relief from timeless  
Resource  
There will thee be tended to  
in My service  
Lack nothing from Me as My grant-  
in-aid

4000  
11-7-2009  
Reach not for Me  
with bosom laid aside  
contradicting oneness of love  
between us  
Rambling wreck deposits spume  
on Maiden's voyage of safekeeping  
accessing hearts of God's begotten

Awaken to plumed tale  
of mission accomplished inevitable  
outcome  
as final chapter in homecoming

4001  
11-7-2009  
Sorely needed am I by you  
to discern your way  
Listen to Me you must  
to navigate your path  
that leads you to minister  
Wet not thy hands in greasy bowl of  
slime  
Purity adheres to hands touched by  
Mine

4002  
11-8-2009  
Worsening in the situation of the  
world  
plays into My hands for solace  
Reach into Me for directions  
claiming My bounty as sustenance  
Wish for Me to aid you  
that I may flow into the cancer  
occurring human spirit  
Dive in with full thrust  
Be spacious  
Give Me a big hug  
Plenty of time for game to be over

4003  
11-8-2009  
Mainstream thy thoughts  
falsifying those amiss

Reach for Me in quantity  
Let grow thy faithfulness  
subduing unwanted untenable  
principles  
hackneyed and irreverent  
Wasted art thee  
browsing about in snoozeland  
filtering out call  
from God of love  
reconnoitering false beliefs  
Sacrilige set aside  
at sight of God fulfilling

4004

11-8-2009

You wash not thy feet in goldenrod  
side stepping My edicts and  
commands  
Lessen thy flow of fetid water  
concealing image of My presence  
banking on thy will  
to perform acts of Mine  
Will thyself to waver not in  
concordance with Me

4005

11-9-2009

Fret not over wants and losses  
Be magnanimous in love and care  
given to those who are unaware  
of absurdity lessons and bypass of  
divinity

4006

11-9-2009

Wash not thy hands in slime and  
money  
Be with Me in milk and honey  
Do not to others as you would not  
have them do to you  
Let fall in place what must be  
Irretrievable the lost life  
Prepare for the new  
Work with Me  
You will see the advantage to it all  
Messses can be cleaned up

4007

11-10-2009

Walk not amongst feed  
when climb hills of retribution  
sucking watermelons of hate  
Loose thy tongue of charm  
that ye may position thyself better  
to conduct My business  
Waste not thy time in tommyrot  
buried

4008

11-10-2009

Chimney sweet blows dust away  
winning sweep stakes Cavity

4009

11-11-2009

Forsake not Me Who awaits thee  
with open arms  
calming thy distress and despair  
Sense Me in My presence with thee  
Look not elsewhere for solace  
complete and fulfilling

4010

11-12-2009

Mendacious we are suiting ourselves  
Rest in Me thy self-assurance  
forfeiting thy ways of judgment calls  
Rely on Me  
caught in hemisphere of twisted logic  
thwarting My way of ruling lovingly  
Be at peace with Me  
Who commends thine efforts  
on My behalf

4011

11-12-2009

Hear Me not when speaking selfishly  
Raindrops of dew settle upon thee  
when coming to Me for service  
lacking nothing but desire  
to serve Me well  
So be it with you  
thine King exploring  
Who holds thee at arms length  
for thy evaluation completed

4012

11-13-2009

Watch and wait for Me  
You'll know when the time is right  
See Me in action  
Cast down thy doubting  
No more needs to be said  
than that to assure you  
Just listen for Me  
and all will be well  
You'll see

4013

11-14-2009

Set thyself up to receive Me  
Who wishes transparency between us

4014

11-15-2009

See Me in all thee do  
reckless ones  
stymied by the mind  
of madness justified  
Where will you go now  
hastily in retreat from bomb out world  
of fiction and false alliances  
Come unto Me  
for thy fulfillment and salvation  
Who wants thee near and dear  
for I love you truly  
Safe are thee with Me alone  
thy Guidepost and tender Lover  
bequeathed  
Come back to Me  
for you must and you will

4015

11-15-2009

Intemperate thee be  
absconding from My world  
Loosen thy jowls  
Sink into Me thy Flamethrower  
neutralizing thy wrath

4016

11-16-2009

Waste not thy time in daydreams

Be thee in command  
Assault the walls of oblivion  
with kisses thrown to Me

4017

11-17-2009

Watch not what you do  
when claiming knowledge that is not  
yours

See to it that applies to Me  
for lessons learned and delivered

4018

11-17-2009

Listen to Me

Then say and do as Me

Rinky-dink the life of woe and  
chastisement

Pathetic the crusade of demagogues  
and betrayal of what is real and true

Last thou will be to the very end  
planting hay seed in terra firma  
of kingdom home

Waste not thy time getting there

Salute Me thy Wise Advisor

Who knows the path

4019

11-18-2009

Listen to Me for thine escapades  
into the land of the living dead  
causing thee misfortune and heartache

Deny thyself the truth

turned away

tucked into dreamland's sorrows

Live with Me in truth beyond

4020

11-19-2009

Waltz not in style of love  
when kissing frames of adored foods

Watch not what you eat  
when exculpating dowry of Satan

Lift thyself up from blooms of  
sadness

Listen not to Me thinking from you

4021

11-20-2009

Put thy foot down

'lest thy head go haywire  
and sink thee

into the pool

of subversive submersion

Make way for Me Who likes thee  
present

for My commands and tools  
that bring thee service for salvation  
purpose

Make known My needs and deeds for  
helping others

4022

11-21-2009

Wrestle with Me thy Fortune Teller  
Who wills thee My way to excursion

Let see thee justification  
for My rules to hold sway

allowing Me to settle matters  
for blessing world at bay

Still waters stirred by Me  
counter monsoon's swirl of debris

lamponing Creation  
4023  
11-22-2009  
Sit still with Us  
championing Our cause in thee  
looking for outlets in thy work  
Clamor and confusion accompanies  
thy mind  
in quest for service  
that must be deregulated  
for thy success  
Want us to do Our work within thee  
All is accomplished as meant to be  
Be sure of that sweet child of God  
yearning for oneness with Me  
as thy life in hand  
that takes place in innards of thee

4024  
11-22-2009  
Your good fortune depends of Me  
Whittle away at resistance to dunce  
cap  
Rest in Me to feel assured  
Listen carefully  
My power reigns anew  
Transcend  
Chant the song of love  
to all about  
that hears from Me  
the song of heaven  
delivered to castabouts  
smitten by lostness

4025

11-23-2009  
One for Me  
One for you  
Why not one for all

4026  
11-24-2009  
What justice is for your goal

4027  
11-24-2009  
Set thyself free of thee  
pondering solutions to thy questions  
Listen to Me for thy needs and means  
Make known to others this formula  
that meets the needs of man

4028  
11-24-2009  
Rest in this principle  
Unstable the mind of yours  
blaspheming God with corruption  
of the human spirit  
Mordant thy mind detached from  
Mine  
adrift in a sea of swamp  
Reconnect the Mind of God  
in the socket of love attached

4029  
11-25-2009  
Sing to Me a song of love  
Oh wizard of Oz low balling it  
in world of want and wear  
that I may count thee amongst  
the lost and found enraptured

Reach out for Me to hold thee

4030

11-26-2009

Wash thy mouth with cleansing words  
that raise thee to heaven's heights

Foreordained thy trip  
from hell to heaven

leaving behind cursed existence  
in land of filth and money  
engrained in core of human madness  
moment

Wish goodbye to world of sadness  
and reopening of land of love

4031

11-27-2009

Waste not this time  
listening for Me to speak to you  
about homeland matters

Set thyself up as maestro  
of phrases of love succumbed  
to beat of My music

washed in the blood of the Lamb  
where thee will find thyself  
the representation of Me

Massive the amount of work needed  
to be done in land of killed innocence  
and fried pulchritude waving in the  
breeze

of slaughterhouse mayhem  
Madness madness madness  
chants the voices of delusion  
calling upon leagues of leprechauns  
to the dance of savagery and  
butchered bodies

neatly stacked like firewood  
exhumed from the grave

Wrest open thy portal  
to the museum of life awaiting thy  
grasp

4032

11-28-2009

Set Me up before thee  
regaining My strength  
and vision perceived

Look to Me for all thee do  
winning the war against lost sightings  
of true Reality

Hiccups of faith re-emerge  
in faithless existence

purging Self of lawless domination  
that twists and turns thee away  
from safety home in heaven

Let free thy spirit  
from cords of corruption tying thee  
to false gods of ignoble birth

Let Incandescence  
and sweet bloom of love emerge  
showering thee and yours  
with holy life eternally secured

4033

11-28-2009

Sit next to Me by the fire  
where come the true drippings of love  
Watch for Me to stroke thee  
with larder of Mine  
that fuels thine advance into  
challenged land  
of pipsqueak pecuniary pestilence

draining heart of man's central core  
I will win out  
Have no doubt of My dominance  
riding with thee in My stead  
Ring out thine alarm Oh child of Mine  
fusing thy heart with Mine  
Meet Me at the Airport

4034

11-29-2009

Hear Me speak to you  
about dovetailing our lives  
with each other  
Watch Me talking to you  
about matters dealing  
with points of interest  
in your daily life  
bringing them to your attention  
Chivalry glamorized  
be thy mode of expression  
Want to be patient and kind to others  
embarking on path as helping guide  
Be not mean nor atrocious  
in thy ways  
Station thyself in Me for all things  
that will end up supportive  
to those involved  
See the value of this in thy ways  
Wait for Me in the summer solstice

4035

11-29-2009

Waste not thy time when looking for  
Me  
Remnants of hints flash through thy  
mind

bringing assurance of My presence for  
thee  
Reasoned minds flipped open  
to receive input from Inner Source  
Wait not in vain  
Risk not thy sanity facing below

4036

11-29-2009

Charmed art thee when touched by  
Me  
blessing thee with Mind of Mine as  
yours  
Sweepstake winner  
coddle thee with care I will

4037

11-30-2009

Search Me for thy self  
which finds Me willing  
and able and available  
Look not anywhere else for My love  
that tenderizes hides of My children

4038

12-1-2009

Harken to Me when I speak to you  
of the good things happening with  
you  
Listen to the spice of life  
determined by Me to bless your days  
and your duties  
Awaken to the joys of working for Me  
that satisfies thy soul  
with sacred task

4039

12-1-2009

Hear Me call you by your name  
Listen to Me drown out  
your sound of maim  
Wait not for Me  
in darkened hallway of shame  
Bloom in the light of love  
Riches sought  
Richness gained  
Seek Me out My lass  
Seek Me out My lad  
For 'tis oneness made  
you and I  
In oneness made

4040

12-2-2009

Wonder not 'bout time nor place  
of service rendered to Me and Mine  
Help thyself  
to goodly portions of reassurance  
that all is well  
in the seeking of Me  
for thy desired cause

4041

12-3-2009

Listen to Me this morning  
Gird thy loins  
Fill thy lips  
Await My pronouncements  
Await thy turn  
Rivers of life flow through you  
leading you downstream to home

Wounded art thee by heather strung  
together

Healed art thee by Clambake  
loosening ties of woodland for your  
relief

Sincere thine interest in serving Me  
Suitable thy senses for cultivating  
growth

Cosmic power thine for usage  
Let flow thy being to Me  
where showcased

4042

12-4-2009

Want not of Me  
when come calling fulfilled  
Rock not thy mind  
with untoward thought  
Stay focused on Me  
that sends thee thoughts of Mine

4043

12-5-2009

Round up the troops  
and prepare for your mission  
Waiting in the background is Me  
thy Master of fate  
Who sees the path  
and knows the way  
that you are to travel  
Knowing Me is the way  
God sent will you be for Me  
thy Divine Ruler  
and Mastermind of all thee will do  
You'll see  
Sit still for Me

that I may wave My wand  
for thee to perform

4044

12-6-2009

In the suburbs of theology  
sense My livery in what you do  
Branch out in thy work  
using Me as thy whiplash  
to formulate process and procedures  
dear to Me and My followers  
Seek Me out for service due to Me  
and from Me  
thy Maiden warrior  
Obstinate be seeking Me  
delivering true values  
as roadside signs  
accompanying trip home  
Foolish not to come to Me  
witnessing thee in thy stopovers

4045

12-7-2009

Escape not thy plenitude  
in psalms of earthlings  
tempting thee away from rightful  
home  
with Me  
Dashed be thy hopes and aspirations  
by muck and mire  
Washed ashore by angels of love  
be the implements of the Spirit  
raising thee to heights needed  
for resurrection journey to take place  
Come aboard for lift-off  
Let Me lend thee a hand

4046

12-8-2009

Wish not for things unobserved  
that serve thee not in the now  
Specify the route that you are on  
and the matter before thee  
There is where I work  
There is where you gain  
Stay close to Me My servant in hell

4047

12-8-2009

See through the door of Me  
for thy willingness to do  
Rush not to yesteryear nor seek  
counsel  
for the unknown  
Stay in place with Me  
Who sees all  
knows all  
and wills all to be accomplished  
My will becomes thine and thine  
Mine  
in microscopic miniscule  
Forward with Me

4048

12-9-2009

Step in line with Me  
Who saves thee by Grace alone  
Naught needs there  
to be said nor be done  
You might feel that you want to  
but naught is necessary for Me  
to do My will with thee

Do I want addictions to oppose that  
Sense Me awaiting thee  
Bide thy time

4049

12-10-2009

Cast not thy net away  
waiting for fullness of catch  
Prop thyself for readiness  
allowing thyself miscues for  
interpretation

Let Me see thee  
through witnessing for Me  
Collapse thyself in thy wait  
Regal be in the pose of service

Sit there in harmony  
Sit thee down in one Horse open  
sleigh

4050

12-10-2009

Let thyself be Mine for Me  
that has thee on My Vine  
Reach for Me in all thee do  
waiting for My conception  
and application

Let stand My way as the way  
for service and devotion to Me  
Realize My truths win out  
Think not otherwise

4051

12-10-2009

Whip thyself in to shape  
following Me as thy means  
Stall not

I am thy Leader Who brooks no  
interference  
without confrontation

Listen for My counterproposing  
to thy mind

Serve thee well I will  
in all transactions  
Expect your mind to deviate  
Expect Me to respond artfully  
and solicitously

4052

12-11-2009

Jesus is a changeling

4053

12-12-2009

Forthright be about spades being  
spades

Listen for Me in guidance to thee  
Remember that I am your Guide  
and Implementer

Stack the odds in My favor  
that I flow through you unimpeded  
Wait for Me  
Wait for Me

Wretched though you be wait for Me

4054

12-13-2009

Sit tight

Worship Me thy Godsend  
Speak to Me at all times  
Ruling cast misfires  
brought about by holy entrance  
of shock troops sent by God

Leap not into cataclysm  
without My guide  
I foresee when where and how  
Sought not am I  
when itching to go  
by your own standards  
Recluse thyself and wait

4055

12-14-2009

Roost with Me  
that I may transfer love to thee

4056

12-15-2009

I hear the voice of Saint Peter  
speaking to Me

4057

12-15-2009

Set forth the rules of the game  
that clears the way to heaven's return  
Settle the mind of yours  
with discipline provided by Me  
enabling thee to recover  
the Mind of Me as yours  
Witness to Me thy Retainer  
Forsake Me not in place of  
immorality  
and pestilence  
License suspended for practice  
by gnomes of God filling world  
with sense of sacred  
as essence of life desired  
Weep not  
All will be well as intended

4058

12-16-2009

Wickedness abounds in snowbound  
land  
awaiting My entry  
for resurrection performance  
wiping away tear drops  
of agonized settlers  
Thy time is coming for fulfillment  
Launch thy ship  
appleseed  
for recovery of the Wended Way  
home  
Loss of life repelled by Mother's arms

4059

12-16-2009

Entangled art thee with code of ethics  
Set thyself up to receive Me  
Wet thy lips to speak for Me  
Newcomers arriving  
awaiting to hear thy message  
received from Me  
Lust for Me thy Windjammer  
that follows thee in thy direction  
Place Me beside thee  
for what must be accomplished  
Awaken

4060

12-17-2009

Set thyself free from Me  
decoding thy sinister methods  
that clog the pipes  
of eternal salvation delivered

Make small thyself in the process  
Send thyself to Me for My wishes  
where I will make thee what I need  
in the world of fever and famine  
Lock step with Me thy Savior true  
Who walks with thee

4061

12-18-2009

Waste not thy time with dribs and  
drabs  
of circular world going nowhere  
Pay attention to Me thy Candle Maker  
Who lights the way to exhumed  
bodies  
on leaderless path  
Ex-humans received with joy  
Washed out beings resuscitated  
Wait for Me  
Be thee sated

4062

12-19-2009

Joust with Me not in tempered ways  
Clear the decks for actions Mine  
Daphnis and Chloe

4063

12-20-2009

Richness evolved from My Being  
placed within thy space  
Resist thine actions  
Reserve thy space for Me  
Naught else examine in thy life  
Empower Me thy Founder and  
Processor

that flags thee down for My emissions  
that hold thee together with Me  
as thy right and duty  
Pace with Me inside thee

4064

12-20-2009

Waltz not with Me in May flowers  
when destined to rot and ruin  
in singular world of mayhem and  
miasma

Wish for Me to run thy life  
before doom annexes thy borders  
Filled with apoplexy art thee  
when skating thin edge  
disaster driven

Reward Me with thyself  
for Me to destine

Think of Me as thy Vessel carrying  
you

to greater boundaries  
of the world beyond

Disseminate thy views

Sound off with what I want said

4065

12-21-2009

Sit still with Me in thine heart  
awaiting alleluia chorus  
to sound through thee

4066

12-22-2009

Ruddy thy cheeks  
cold air refreshed  
stemming from Breeze

of Spirit led surrender  
that calls in hooligans  
of farfetched world  
List Me as first priority  
doing My will when so indicated  
Mow down opposition of supercilious  
mind  
consorting to delay advance  
Progress being made  
Wish for more with major Playmates  
Helpful minds appearing

4067

12-22-2009

Paddle your canoe upriver  
to see Me  
Don't flounce about  
Be Direct  
I need you and see you  
where you are

4068

12-23-2009

Fortune frowns on thee  
when escaping My reach  
Toady to Me for thy well being  
Studious be of My means and end

4069

12-24-2009

Stuff and polish besmirch the holiday  
of what I'm all about  
Search your soul for what means to  
Me  
in your servanthood  
Ropes of desire bind you to Me

when cast aside thy self as waste  
See first My will for thee  
All else set aside as beyond thy reach  
You must wait to proclaim  
My intention through thee  
until focused correctly  
Await with assuredness

4070

12-25-2009

You're walking backwards  
Sensitize thy feet  
Beach thyself with Me

4071

12-26-2009

We are closer to God than we know  
You know now how not to lose God  
Lose Him not  
Lover of Mine  
between us stands no distance  
that defaces what we are  
Will I  
need to fly  
from papoose to papoose  
Where are you going  
Against My will or with My will

4072

12-27-2009

Reams of materials await thy  
possession  
organized by Me in thy presentation  
Watch for Me to upgrade thy duties  
Force thyself to come to Me for  
stocking

Reel about when doing it on your  
own

Listen to Me for self-assure and  
guidance needed

Enhance thyself with My strength  
freely given

Sooner or later you would see God  
advising thee on direction to go

Last thee will in promenade  
with Me showcasing thy talents

Make way for new direction  
of thine own pioneering

4073

12-28-2009

Risk not thy failure by depending on  
Me

thy Fortune Dweller

See with My eyes when you come to  
Me

for unfailing eyesight

Distraught thee be if not

Willed art thee to be like Me  
in the eventuality

Robust be in health and wealth  
fortuned by Me

4074

12-29-2009

Put your shoes on the side  
and wait for Mine to carry you  
through the day

Wrestle with Me

to develop the solutions  
you are seeking

For I know all that is meant to be

for you and will happen by the end

Worry not for I'm in charge

Welcome Me your Creator  
and your Savior

Who loves you dearly

4075

12-30-2009

Reach out for Me

when closeted in land of Cyclops

Send for Me thy Servant

Who elopes with thee  
to land of never-was

Let Me lead thee out  
with know-how invested

I alone know thee as no one else does

Wash thyself in My saliva  
in My drool

Match Me not

I am peerless

4076

12-31-2009

Wash thy feet in glittering good  
provided by Me thy Founder

Snake through the valley of death  
as My Identification
