when dawdling on the wayside
Plunge deeply within
arriving at the gate to maximum
awareness
Shelter not thine eyes from that place

of divine providence

4160
3-13-2010

Robust thy life with Me
thy schooner Skipper
skimming the waves of self deceit
to shoreline of settled life secured

4161
3-13-2010

Dankness in cellar dwelling
co-exists with heavenly charm
begging entry into human sphere
Listen to Me talking to you
about blundered existence
and way out of harm
Watch Me rule thee
with careful moves of recall
gently sidling into thine awareness
encouraging thee to release
golden moments of wholeness
and well-being held in storage
Trumped thine ace of spades
with higher order of significance
in thine identity

4162
3-14-2010

Cruise
Hit the cruise control
Wait for Me to lead
Will thee blend with Me
sickened son of moist endeavors

of folly and frolic
Morose be thy tidings
Raise up thyself to Me
for iconoclast smashing
Let Me be Wind in thy sails

4163

3-15-2010

Sunlight shatters darkness
of human life
stained by microcosms
of lies and self-deceit
Listen to Me speak of you
child of wonder world
asleep in boogie man land

with maelstrom monstrosity
mooning over matters meaningless
Make Me thy center core
Enter

Reach not for thy knees
when stars above call to thee
Stand straight and tall
with gumption showing
when hand of God closes up on thine
Robbed art thee
of thy fame and fortune
by head gone wild
in caverns of wallow and wear
Will thyself to Me

Molder of thee in true fashion
and manner of Mine

4169

3-21-2010

See to it that you love Me
first and foremost before all else
Wind blowing offers opportunity
to regale in perfection of process
stirring thy life
in accord with My wishes
for thy service

Fear not

Naught is going wrong
Stirring beneath are solutions
for all thy wants and ills

Seek Me out

Turn to Me for tide turning
propitiously

4170

3-21-2010

Rank the Rose buried in a sea of
garbage
mooning over what never was
in place of what's meant to be
Saddle up thy Mule
carrying thee forward
into doldrums of the world
waiting for delivery of the goods
that heal its pastimes
Forward march
Thy road has been made ready for
travel

4171

3-22-2010

Look to Me for what to do
in storehouse of supply
I am thine Implanter of seed and
foliage

All else is weed and sassafras

Let Me grow in thee
with whispers of success mobilized
Rivers flowing downstream
received by thee in exclusive manner

4172

3-23-2010

Lift thy gates to My approach
welling up within thee
Make Mine yours

4173

3-24-2010

Look not for whispers of Me
in outer banks
but to inner ear sparking with
receptivity
Place yourself in Me
where rivers of exchange partake
leading thee to new borders
and frontiers of healing
Bolt the door on your thoughts
that impede My presence
Shallow be awaiting Me
'lest deceived you be
by interminable thoughts
or rudeness mayhem thwarted not
Blessed thee be in sight of Me
thy willing Partner

4174

3-25-2010

Dawdle not in the outskirts
Get to Me with what you need
Listen to Me to lead you
where you've got to go
Loosen up thy hold on your life
Crunch time is Mine

4175

3-26-2010

Whistle Me a happy tune
made of love
forbidding mad tidings from emerging
Rectitude re-emerges
Dawn

4176

3-27-2010

Minister to Me My needs and wants
proclaimed for thine attention
Wrestle with My awaiting period
for declaration to occur

4177

3-28-2010

Sing to Me of a new song
of love and joy abounding
Cool your heels
Lift thy spirits
Problems overcome
Rejoice with Me rubberstone

4178

3-28-2010

Click into place with Me thy Guide

wandering one of syphilitic nature
Rub thy loins with holy grass seed
of nature pure and green
wastrel not

4179

3-29-2010

Risk not thy name and honor
in salacious thoughts of human mind
atrociously bred
Mankind suckered into defeated zone
by madness moments devoted
to rheumatism of faulty intellect
ignorant of true being and blessed life
Oh what fools are mortals
caught in their trap
Saved be they who turn to Me
for correct course of emergence
from blindness view
to sequined starlight of magnificence
magnified
Reach My children
Reach for Me

4180

3-30-2010

Wait not for Me when thinking of
yourself
moon gazing on memories and
dreams
Realize I am in charge
of how when and where
you will fulfill Me in My purpose
Who else can do the same
My village rounds thee up
and gathers thee in for thy work

4181
3-31-2010
Listen to Me for what to do
Nothing else counts
Lost art thee in clouds of misinform
wasting away like lilacs in decay
Awaken in Me thy charm fulfilling
Reach for sunlight trailing you

4182
4-1-2010
Kindness reaps rewards in higher
spheres
Rigor pays dividends
Celestial spheres applaud efforts on
tap
Scintillating be when propelled by Me
thy Mater and Choir Director
Tune out thy stars breaking contact
with Me
Forward thyself to Me
for reception of good news delivered

4183
4-2-2010
You wait not for Me
zooming in on principles of yours
Lacklustre are thine compared to
Mine
shining in all Its glory

4184
4-3-2010
Wend your way through thick and thin
to reach Me aloft

Send for help to guide thee
on path to recovery
Lessen thy views to receive Mine
flowing between us

4185
4-4-2010
Lend thyself to Me to hold thee up
Tussle with My rule within thee
Flout the law of the land
denying thee opportunity
to set right My forecast a'running
I am thy Queen and Bride
Maketh Me that
Set forth thy ways midst worldly
terms

Allow My expression
Strike Me down and curse Me
when you react with others
from rage and unforgiveness
Sullied thy face
contorted by false values and lost
ways
Come clean with Me
thy Leader and Guide compelling thee
to ways of love
that man may learn
to return to His roots
in the kingdom of God
eternally created and unblemished
by lost ways of fantasy land visited

4186
4-5-2010
Habits abound distracting thee
from viewing Me

Charge about left and right
Foremost be matters about Me
that consume thy mind and energy
Wait for Me resting thee
Wash thy face with cleansing cloth
of love sublime

4187

4-6-2010

Delve into matters of Mine
with full force
seeking out cloistered life with Me
Allow for Me to tell thee what to do
Watch and be ready

4188

4-7-2010

Wash off thy mind of grit and grime
containing elements of massive
destruction
Foolhardy thy notions of purpose and
power neglecting Mine
Hear not the notes
that strain symphony of sound
Rule out the stasis of self- immolation
and unpardonable sins
that sandbag thee with guilt and
shame
Replace with thesis of Mine
that all is lostness of primal self
ignited by love and forgiveness
of forbidden zones

4189

4-8-2010

Waste not thy time with dribs and
drabs
of troubled dreams
Devote thyself to Me
Who wishes thee wellness
and will to do My bidding
Match Me in My work
leading thee to kingdom home
Walk with Me in unison
Fly by to see Me

4190

4-9-2010

Wash thine hands of spoiled goods
soiling thee with worldly affronts
to holy life
Flatten thyself to receive Me
unopposed

4191

4-10-2010

Wash not thine hands of meaningless
matters
bombarding thy day from fickle land
of folly
Rule thyself with Me
forsaking all else
standing in the way
Levitate thy mind
Whisper in My ear
Realize My growth in thee
that absorbs thee
Corrupt be without Me
thine Adherer

4192

4-11-2010

Lose not your mind
when you practice forgiveness divine
Locked into Me thee be
'stead of fields of phony
Rule thy mind with My input
dashing down the Lilliputian laws
of self centered dismay and distress

4193

4-12-2010

Watch not thy mind
when tempers flare
longing for solutions
executed by Me in arena
Flounce about in dither
Watch for Me pounding upon the
scene
when called for to reconcile

4194

4-13-2010

Ratchet up thy mind to be with Mine
Escalate
Reach for Me
Sit down with Me thy Sister
Who reaches thee with My heart
Heaven's doors await thee
claiming thee as their own
Make do 'til I come
wanting thee to serve Me
Let be what will be
unfathomed

4195

4-14-2010

Wash not thine hands of Us
straining to bring thee about
into kingdom light
Wrest not thy rule from Us
Who know thee well and attend you
We are there for you and in you
reclaiming Our deed of you
Be not ashamed or disjointed
All is well within

4196

4-15-2010

Accepted your offer for travail
and heart delivered
bosom sweet
Naked be for Me
who comes with penitence
for lost ways and derelict being
humble and chaste
Wretched thee be without Me
swooned
Diligent be unmasked and healed
lopsidedness balanced

4197

4-15-2010

Lose your self in Me
thy Rock and Salvation
Toss away thy self that ruins thee
denying My presence
My being as you
Wash thyself down
Spit out thy self
as the puke that it is
Receive Me as thine and thine alone

4198
4-16-2010
Risk not thy rating
when come to Me for judgment
Wash not thy mouth of lies
told of yourself
blasting thee into smithereens
Wallow in filth of mistruths
Wing thyself to Me
for unfolding of reality told
Purity of specimen retained
unimpeachable by foreign substances

4199
4-17-2010
Set forth thy rules and regulations
pertaining to laws of silence observed
as the mainstay of prayer
carrying thee through torpid waters
Nothing is there but deceit all about
lifeless in its format
Rule from grace delivered
to silent prongs poised and waiting
Stalwart waves of inhibition
disordered by thrusts of love

4200
4-18-2010
Talk not to Me when thinking about
yourself
Be silent succumbed to Me
Let Me be thee
Castigate thyself smoking reefer
as roadside habit
Listen for Me to inform you
of thy work and Mine

Trundle along in waiting mode
for what will come
Ready not art thee
for fulsome task a' waiting
Gather thyself for Me
to supplant thee with thy permission
given

4201
4-19-2010
Use Me to satisfy thyself
Let Me be what you want

4202
4-20-2010
Live not on thy laurels
More work is coming
Rouse thyself for My planting
My will be done for your completion
Lift thyself from your doldrums
from not listening for Me
Rinse thyself off
Rid thyself of unjust thoughts
that color thee black with soot and ash
Cleanse thyself with holy water
forsaking all that emerges
from thy dusty musty mind

4203
4-21-2010
Walk in peace with those you know
giving what is given to you
Manifest Me as thine own
Forgo what is of you
Peace be amongst you through Me
Plunge into Me

Plead with Me
Who whips you into shape
to perform thy duties

4204

4-22-2010

Grounded in your new identity
will you seek out nameless souls
destined to partner with
Eagle vision given thee
to achieve thy purpose
Sit still with Me when you think
thy true Companion in molestation
times
Loving thy thoughts when culled by
Me
Fortunate thee be when exorcised by
Me
thy Fruit Maker

4205

4-23-2010

Forsake Me not when times look hard
and uncertain you be
Wish for Me to tailgate thee
nudging thee in direction proper
Wherever you go I go
and wherever I go
you will go too
Drawn to me art thee
through thick and thin
Rest assured all is well
Stay centered in Me

4206

4-24-2010

Hopeless thy cause independent of
Me

Who allows thee My representation
Listen to Me

Who delivers thy succor and wants
held apart from self seeking
luminescence

4207

4-25-2010

Set thyself down inside Me
thy Minister waiting for thee
to come
Look to Me for thoughts unknown
to thy vacuous vision
Let Me penetrate thy mind
with thoughts of Mine
to act upon
My will be thine
to be counted upon
for thy work to be done
Be assured of thy progress with Me
My servant gallivanting prone

4208

4-26-2010

Insist on wanting Me
to use you as a flagship
Raise your sight to serve Me
Deliver I will from our accord

4209

4-27-2010

See to it that you solve problems
through Me thy lasting Impression
Tendency to push be an impediment

At ease be as a forerunner
for Me that accomplishes much
Let slip thy rule
for fortunes founded
in megalomania madness
and corrupt deceit
Replace with Me thy constant
Companion
and Lover of your life

4210

4-28-2010

Reinstate thyself in My service
bludgeoning cacophony of
meaningless world
Disassemble voices of madness
distracting thee
Wish not for things
of which you know naught
Stay with Me in silence made
In truth be thy standard by which you
be known

4211

4-29-2010

Sewer system back flushed
cleanses mind for legitimate reception
of holy water in thoughts and actions
Magnanimous be in outlook
conceived
Stand by
My lamb
Divest thyself of life abroad
meaningless and melancholy
and await My coming for thee
to serve Me

Soundly prepare for My entry
Speak to Me of loveless times
that honor thy Parents true
Destined art thee to hold out thine
arms
sideways to Me for lilt and love
that cream bare spots of armor pierced
Trust Me to do this for you
Anticipate just awards

4212

4-30-2010

Gold Fish lurking in corridors of time
awaiting chance to emerge
for quality showcase
Listen for broadcast news

4213

5-1-2010

Rock salt accompanies tickets to duel
meet
of athletes proposed by both sides
in scathing attack on human values
Savagery accompanies attacks on
worthiness
as felonious assaults
Tripods dug in for term of battle

4214

5-2-2010

Suit thy self with presence of Me
unfolding in thee in due time and
course
Flag Me down with thy silence
forsaking all else in thy pursuits
Listen for Me to tell you what to do

I will do so if you let Me
Simply be still for My sake
I will have you do
what I need you to do
Let this be the lesson by which you
live

Look to Me to revamp thy life
Plunge deep within thy line of sight
There will you find Me
awaiting thee with open arms of
gladness

Spot Me in the clearing shaping thy
future
Forestall thee I would not
Plant thee
Foot Saver commissioned to guide
thee back
from paths unwise to safety zone

4215

5-3-2010

Storm clouds break upon thy sphere
punctuating crass disharmony with
benevolent ministry

4216

5-4-2010

Sought for evidence of participation
Locked in do you benefit from Us
planning for make believe dolls
decimated by false pretenses
Hear Me speak to you of what is
needed
falsifying your position
Tenets of love win out nurturing
others

4217

5-4-2010

Win some lose some
Risk not thy treasure trove
in games of chance
With Me thy Guide win all
Dauntless be
All is solved

4218

5-5-2010

Waste not thy time in winterland
where cold hearted people
shun God's presence
Be with Me in thee
Walk along the path with Me

4219

5-6-2010

Caught in web of deceit
flounder thee will in sensing direction
and goal enveloped
Fruitless the world
Joyless the life
Impede its growth
Weakness is beyond Me
Settle down into Me
thy Charmer and Possessor

4220

5-7-2010

Cliffhanger
Rule of law clashes
with epic drama of love persuaded
Sensible be about outcome

Enlist Me thy prudent Caretaker
Who invasive be

4221

5-8-2010

Fold up thy tent in heathen land
and return to Me thy Source of home
Blacken thy hearth with cursed soil
of fruitless vines and ceaseless
droughts

Shake free and come to Me
where pungent Wind and flowing
water
give life to thy being

4222

5-9-2010

Pooped art thee grinding away
from thine own mind
worthless that it be
Pure worthlessness
Follow Me for thy plan
of attrition denied its influence
Wake up to Me
walking with you on bended knee
There be the rule that serves thee
in fullness of need
No more is required
Witness to Me in thy doings about
Sense thy self dwelling in Me
as thy Mentor

4223

5-10-2010

Reminisce at your own risk
Wreak havoc on foolhardy ventures

uninhabited by God's minions
Stay alive

4224

5-11-2010

Wash not thy socks in rain water
of dusty storms that cleanse not
soles of walking feet

4225

5-12-2010

Fruitless the vines of earthly world
that spring from garbage dump
Sensitive to Light
they shrivel at Its sight

4226

5-13-2010

Wasted art thee
consumed with trash of the world
Light up thine eyes to Me thy
Falconer
Host Me Who becomes thee
Satisfy Me who holds thee unbroken

4227

5-14-2010

Wish not for Me
accumulating as thy gain
in pack rat fashion
when stranded in thy thoughts
of melancholia
Fortunate art thee to have Me
watching over thee to succor and
command
Follow Me to thy doom

of escape from this land of martyrdom
and rising to the kingdom home
of glory post-haste

4228

5-15-2010

Leadership casts spell over you
Raunchiness allows displacement
Sort thy self out

4229

5-16-2010

Inlet law cascades over human race
tranquilizing dominant specie
with dormant substance of divine
nature

Forgiveness and understanding
sweep aside madness moments
delivering essence of God

Plunge down

Sit beside Me foolish man
awaiting My direction

Laissez-faire succumbs at end of rope

Property received for fulfilling Me

Do as I have said and told

Lead thee I will fully assured

Thy peace be Mine

delivered in full quota

To you bring I My blessings

4230

5-17-2010

Squirrel away thy truth of thee
untouchable

Risk not thy loss of Me

Who propounds who and what you
are

No failure can there be in its retain
nor in its express

My shadow hovers over you

My being inside of you

Touch it you may

Lose it you may not

4231

5-18-2010

Hurt in heart art thee
dwelling in no man's land
adrift from Me

Damned art thee without Me

Unpack thy bags and return

Watch out for thy fault finding
that clouds thy vision true

Cleanse thy glasses of foggy view

4232

5-19-2010

Falsely thee accuse Me
of holding back thy mission of love
whispered in thine ear

Doodle not would I with increase of
role

spread before thee

Desperate thee be for service
beyond thy means

Look to Me for thy bent and calling
foreordained

4233

5-20-2010

Become embroiled with human
instincts
escalating pitched battles
over opinions expressed
Be willing to sense needs
underlying strife
and live with formula that defuses
disagreement
Doomsday avoided deferring to Me
for position

4234

5-21-2010

Foolproof be thee invested in Me
locked into My heart

4235

5-22-2010

Washed out art thee
when proposed
thine offering to Me thy service
The baby is all right

4236

5-23-2010

You to Me
Play the game
Lift the veil
Be singular

4237

5-23-2010

Stop the slush Snow White
Toodle along at thy pace in thy race
Safe art thee with My divine guidance
Hear Me you do when I speak

Lose not thy sense of self preserved
within
administered by Me

4238

5-24-2010

Designed by Me art thee
for wear and tear in humpty dumpty
land

Waken to the sounds of progress made
Utilize Me for proper formula mix
and match

4239

5-25-2010

Wretched thee be focused on thee
'stead of Moonbeams reflected from
Me

Still thy thoughts lofted to Me
Boomlet satisfies thee

Waste not thy time doing otherwise
Fill thee with My power cascading
Loosen up thy mind for Me to have
Worth little lest thee do

Brief be in episodes apart
pining for return to luscious land of
love

Secular values cast aside
to honor Me

thy sacred Home in eternity
Listen for Me guiding thee
to Home Sweet Home
an outcast no longer

4240

5-26-2010

Tear up the contract with mother earth
and re-institute thine allegiance with
Me

Walk through marsh lands with Me
thy leader
recovering solid footing for thy work

4241

5-27-2010

Mind Me for your reward
It will come
Reason not

4242

5-28-2010

Malice
awake ends
Book ends

4243

5-29-2010

Settle into the whereabouts of holy
Name
visited on high
that thou see thy work
and plan for Me
You will and soon
It's ordained

4244

5-29-2010

Pestilence overcomes mankind
losing its way diverted from love of
God
Sought after goals turn sour
Washed by the blood of the Lamb

heart of the beast turns into dust
making room for resurrection
of the spirit within

4245

5-30-2010

Reach for Me in all you do
wanting My thoughts and opinions

Listen for Me

to comply with My will for you

My heart belongs to you

Make Me of you

Let Me guide you in your wishes and
wants

All is solid of My making

4246

5-31-2010

Casanova needs re-addressing
to include all members of the human
race profiled

Stand still with me

absorbing My viewpoint

Institute proceedings for manual
training

How can you think of this for yourself

What you need to do

the Carpenter will come after you

All things are for return

The end is nearing

4247

6-1-2010

Sit still next to Me

letting Me tie the knot

that solves all problems as I would

Collapse thyself for My entry
as the building block of thy happiness

Do thy duty
Substitute Me for thee

4248

6-2-2010

Soup up thine engine
awaiting call to service
Landlocked art thee
'til shown the road to way out
Vaporized the scene of despair

4249

6-3-2010

Offspring of God wander about
lost in sleeves of muckland
cheerless and betrayed by godlessness
Begin the beguine with Me
Seek not thy fortunes in scalding
waters

4250

6-4-2010

Dust off thy vibrator
in synch with Mine
that fuels this life
with My presence in thee
Seek not thy wisdom in place of Me
Who wishes thee good things at all
times

4251

6-5-2010

Rue not thy reliance upon Me

4252

6-6-2010

Sit by Me all you can
to receive what you want
Listen to Me to do
what I want you to do
You are being heard by Me
for fulfillment of our project
Lassitude creeps in from doubts
Holy Element is performing
as much as you would wish
Be assured love
be assured of My means and ways
Tease not do I
Fortunate art thee
Waltz with Me in time

4253

6-6-2010

Don't go off on your own
Stay put in your place
where you will receive Me
Relish that spot
It's your pleasure that nothing else
surpasses
Weaken not in your resolve
holding on to Me

4254

6-7-2010

Walk not in fields of graves
exhuming bodies for restoration
Beastly burden becomes thee not
Settle vengeance scores with Me
Who disdaineth violence and unkempt
attitudes

4255
6-8-2010
Reach into Me for thy fill
'lest thee stagger from swill

4256
6-9-2010
Goose neck provides slippery slide
to love absorbed within
Make effort to obtain similar input
Wouldst bless thee wondrous well
Worthless art thee of common stock
in world of want and wear
Signature wealth bound to fleshless
dynasty
inspired by God

4257
6-10-2010
Foresake Me not when in doubt of My
news
Listen for Me
tempestuously devoted
to My coming
Want nothing else but Me
thy Father in heaven
ruling thee with mighty straps of
Oneness
Let freedom ring from enclosure

4258
6-11-2010
Don't ignore
Been happening underground
Restitution obliges thee

to overcome hazardous conditions
of world at large
commandeering thee a ride home
to safe haven for thy soul

4259
6-12-2010
Champion love amongst thee
foolish heart
that runs astray
Dither not with theme song

4260
6-13-2010
Rambunctious be apart from Me
delving in matters of grave import
Swerve left and right forsaking Me
and My wisdom attached
Alias creeps in
subsidizing thee with strength of
conviction
propelling thee
through mainstream of mausoleum
malfunctions
Don't be a twit
Regulation present for My standards

4261
6-14-2010
Stalwart be thee of Mine
steadfast in intent
Branch out to reach others

4262
6-15-2010
Waffle not in desires to serve Me

'lest thee fall away from intent
Loosen thy boot straps
trudging through this world
that thee may be lifted
to solid ground of healing
reserved for thy soul's plan in Me
Delete messages from improper
sources
banging away at protective shield
held in place by God almighty

4263

6-16-2010

Ring a tune of joy for thee
descending into a life of love
Feel not the lassitude
of worthless world
poking about
in semicircles of mishap
twirling in space of nothingness
Reach out for Me
for thy livelihood grounded in
decency
of corruption cornered
and enlightenment captured
contained
and considered
Twisted mind in flight

4264

6-17-2010

Paltry thy view in matters human
Gifted thy senses in knowledge from
Me

4265

6-18-2010

Wouldst not thee see
in reflection in glass
an image of My own
Saints accomplish this
Fall into line for thy place

4266

6-19-2010

Silence stimulates
thy recognition of God within
coordinating the attack of hunger
project

4267

6-20-2010

Wastrel be acceding to Me
for thy will and ways
Render thy decisions to Me
for My formation and action
Waltz with Me during interludes
thy Holy Mother
First and foremost be prepared for the
coming
of My Presence
List thyself as missing-in-action
formed to frustrate Godbeing as self
Deepen in Me as thy Tool for
recovery

4268

6-21-2010

Sweep the sill clean
awaiting God's arrival
Withstand the heat of calumny

4269

6-22-2010

Fill thyself with Me holy son
that you may be as Me
Shoulder thy burden with gladness
that fulfilled you will be
with largesse of servanthood
Make My rule thine
Sense thy self engaged with Me

4270

6-23-2010

Leave room for Me to work within
thee
Let Me blossom
Water Me through thine attentiveness
Flourish We will in My succor

4271

6-24-2010

Rest in Me thy Vouchsafe
Filmed thy view of My oversight
that plagues thee with misconception
Will thee to turn to Me
Richness lies in thy awaiting
Root thyself in Me
Wince not at outcome

4272

6-25-2010

Risk not thy values
attending to false media productions
Enrich thyself only with sounds of Me
calling thee to My side
for purpose Mine
Wisdom be located there

Forage within

4273

6-26-2010

Hairy the road of pestilence
calling thee to healing duties
Thronged the thoroughfares
with mixed emotions
of those trounced
by unfit minds
and collapsed hopes
Wounded the gallery of seekers
searching healing in haunts of hell
Useful you'll be awaiting those
made ready to absorb truth and well-
being
lined up by Me for delivery of
services
You will perform thy duties

4274

6-27-2010

Bite off more than you can chew
chasing Me for more
Rest easy
Be moderate
Wait for Me to claim thee as My own
You will see Me perform
All your wishes will come true
and even more
Get ready for the clambake
It's coming

4275

6-27-2010

Trust Me to know what to do

in service of My children divine
Lax not am I in performing My duties
for thee and thine
Be assured of My competence
Sit still with Me lamponer
fortifying thy views with frivoulous
tomfoolery
Bounce not about when huddled with
Me

4276

6-28-2010

Hot the Wind that blows
of fiery nature
that wards off cancers of the soul
plaguing thee from mind of magic
mooring
Settle into Me

4277

6-29-2010

Reach not for Me
when gaping at monsoons of
distortion
from flip-flop mind
of make believe god of worldly fame
Trust in Me thy Light of leadership
promenading before you in view
Let Me help you to reclaim Me
Listen down deep where you belong
with Me
thy Soulmate fastened together
with golden cord
Step thee free from accursed land
of milk and money
worthless tender in honeyed land

4278

6-30-2010

Sissified thine approach
to wanderlust problems
eating at thy spirit
Make bold thy proclamations
stern and adamant

4279

7-1-2010

Restless thou art claiming precedence
over Me
Seek safety in Me
Trounce thy mind with prayer time

4280

7-2-2010

Dust pan

Lessen thy role in healing others
to make room for My Word
dissolved in catalyst of love

4281

7-3-2010

Pillage thyself of lostness dreams
Seek Me in all thee do
Let live the mind of Me
that sees all
knows all and resolves all
as only I would for you
Blast open thy lost self
to let Me in
Abandon thyself to My fulfillment of
thee
My paupered child

Outlet stands for thee to use
Stupifying the escalation

4282

7-4-2010

Short sighted art thee
when considering thy road and rule
twisted about in man made world
Rule with Me thy Master Skipper
leading thee in sure land
to accomplishment broad
Listen for Me to set you straight
on narrow path to kingdom achieved
in grace supplied
right to the door with Mother

4283

7-5-2010

Volunteer thyself for Me to use
Set thyself on My path
that serves thee well
amidst tumult of worldly ways
burgeoning in thy mindset
Foretaste of heaven presides

4284

7-6-2010

Loosey goosey be
when fending with others
seeking points of intervention
Lock horns when seeking top of draw
Root out evil
dropping seeds in Master Plan
flogging God's wishes with
distractions

This will happen in right and proper
time

4285

7-7-2010

Waste not your time
with senseless doings
disgressing from Me thy Word Giver

4286

7-8-2010

Leprechan grimaces
Seek solace in graveyard
Worry not over outcome
All must be approved by Me thine
Overseer

4287

7-9-2010

Walk not in My shoes
when catering to snobs and snips
vandalizing My place in scheme of
life abroad

4288

7-10-2010

Wash not thy feet in sludge and slime
walking the way of worldly man
Walk with Me in ways of light
firm afoot in pregnant soil

4289

7-11-2010

Whistle stop express
grinds to a halt
confronted with barrier blocking track

Stranded passengers toot horn for help

Seige lifted

Passengers tranferred
to new born awareness
of heavenly realm
availability

You made serious mistakes
You were meant to be My brother
Let Me out to receive Me

4290

7-12-2010

Risk not thy rule
tending sheep in My pasture

4291

7-13-2010

Rock of Ages comforts thee
wills My song to come to thee
Midst the mire and the blood
sense My call to be of Me
I am with thee no matter what
Recognize Me within eternally
Waste not your time appealing

4292

7-14-2010

Reek of golden psalms doth thee
filled with My chatterings and
discourses
Let loose My double bond
with Me
bringing surcease to the world
of rigor mortis

4293

7-15-2010

Strange are the ways of man
deluding themselves about well being
Be cautious
about runaround of deception
misleading them
Feed them spoonfulls of healing broth

4294

7-16-2010

Sought for help available to you
seeking service with Me
Situatethyself for humdinger task
coming thy way

4295

7-17-2010

Rest awhile in Me
Who salvages thy sanity
in body filled with grief
Lust for Me thy Template
Reach down for thee to find Me
'mongst the bushes and briars of
patricide
Kneel down before Me
in conclave of peace absorbed
filling thee with cool breezes
of serenity and relevance
Lack nothing therein
Trinkets doom thy style
listening to mayhem galore
Foreclose on bitter pills and popsicles
deadening thy senses
to underground swellings
parading truths of life legitimate

4296

7-18-2010

Waltz with Me on You Tube
Don thy cloth of servant Mine
held close to Me in heart and mind
Rush about as signature of human
race

Stand still and wait
I will send where and when and what

4297

7-18-2010

Wake not to dreams forlorn
insisting on meaning where meaning
is not

Worship idols in damaged state
listening to catcalls and moans of
madness

Arouse thyself to Me
Who wakens thee to music of
heaven's delights

4298

7-19-2010

Seek no further for the love of Me
than inside thy bowels where I sit

4299

7-20-2010

Savagery is subject matter of human
mind
working against the recovery of God
of love

Bend forward into Me
relocating My domain within thee
Fruitless the trips elsewhere

Beneficial thine entrance into Me
thine Hand Holder

Welcome Me with opened heart
Reach down My love
Reach down for thine encounter

4300

7-20-2010

Buzzards eat bait of world without
life
rolling stones off graves

4301

7-21-2010

Coarse the road to simplicity
leveling the bumps and grinds
Witness to its difficulty
Worship Me in all its forms

4302

7-22-2010

Your presence is My presence
Fought for Me you have
overcoming stubborn opposition
to My presence
by your cow turd human mind
of madness obstacles

4303

7-23-2010

Reckless thy style maiming others
by judgments of their calculations and
plans
Be adrift with Me
thy Rudder of compassion and
endearment

Entertain the thoughts of My
outcomes

4304

7-24-2010

Set your course on Me
and Me alone
that deceives thee not
as to whereabouts of thy present life
Houdini swirls and swells
dropped in favor of My direction
Dereliction of duties overcome
Poolside manners erupt with a
vengeance
Maelstrom disintergrates

4305

7-25-2010

Hold thy head up
in Me purposed
Foot loose and fancy free be
when depend on Me
Oh the joy of life
free as a bird when led by Me
in plots planned and begotten
Waltz thee through the world tumble
free
Want this of Me stolen child

4306

7-25-2010

Pensioner of Mine
in full dress and regalia
perform thy duties
Wish for Me to lead thee
down the path of fulfillment

Roast the flagrant dissemination
of fraudulent chicanery promenading

on

My foot path
seed dropper

4307

7-26-2010

Chained to Me art thee
immovable
stock still
while thy mind trots off into fantasy
land
bobbing for apples lunacy
Straighten up
Fly right

4308

7-27-2010

Fatigued art thee by worries pressing
launched into the cosmos of
awareness
Rulership Mine sees all
knows all
does all
according to My standards lovingly
Wilt down
Lean back
Relax

I know what I'm doing
as will you with calmed demeanor
Trust Me loves implicitly
My work will be done
Institute thy plans for Me to play in
Set Me free to indulge thy work
Wait for Me to set you up

with cast and program
Be ready for My intervention

4309

7-28-2010

Worsening thine attitude
about obligation not given to Me
for resolution

4310

7-29-2010

Wash not thy face
in grime of worldly affairs
Speak to Me
about projects and intentions
unfolding for thee that helps thee
to become valid representative of Me
Symptoms of dis-ease call thee to My
attention
Destined to be fulfillment from Me
ricocheting off walls of earthly
domain

4311

7-30-2010

Lead forth with own ideas
not bargaining with Me
Rein thyself in for My participation
Let slide
Wash not thy face
with snowballs from hell
filled with toxic poisons
from gremlin led world of fool's
paradise

4312

7-31-2010

Sanitize thine output
placing crimps on verbiage
defining outlooks for kingdom home
retrieval

Bask in sunshine of hope
that all is well
and goes well in starry return
from elopment
to baseless existence
Ragged the design depicted
that excludes guarantee of joyous
outcome

4313

8-1-2010

Seek not the kingdom when you
converse with florid minds
of dipsy doodle world leaking
moments of precious participation
into drums of waste
Be aware of My presence
that watches over you and yours
Substantial time devoted to
distractions
better used by Me
There will come a time when
everything is shifted
All will be known and all else gone

4314

8-1-2010

Sanguine thy love for Me
dipping into My reserve
of well being and health
Rest awhile with Me

refilling thy reservoir for total recall
of kingdom gate and beyond
The fruits await thee

4315

8-2-2010

Besmirched by non-belief
you cater to false sounds of
wandering world

Lust for Me

I'm all that counts

Risk not thy ventures devoid of Me
Nay say thy world apart

4316

8-3-2010

Lost art thee in tundra of excess
dwarfing presence of thy soul
Rent Me for thy collision with reality
Who knows the way to get you there
Waste not thy time doing it on your
own

Forthright be living as Me
with My mouth and ears and eyes
Stand still

4317

8-4-2010

Washed up on sand
survivors of oceanic voyage
through hell and back
Masterful Hookup still in place
compels landing

4318

8-5-2010

Chortle with glee will thee
when tuned in with Me
wending thy way through catacombs
of mysteries
opened to thy awareness
Whispers of love pass before thee
on plane of ecstasy wound about thee

4319

8-6-2010

Waste not thy time on useless efforts
pulling thee away from Me

Ruminate

Chew your cud

Direct thyself to Me

for abandoning tasks unwise

Solitude assists focus

You'll do well

4320

8-7-2010

Riches awaiting thee in song and
dance

piled high and deep

in servitude to Me

Golden heaven prepared for thy return
in glorius manner

4321

8-8-2010

Sit still with Me traveler in time
noteworthy for its healing power

Trust in Me in all thee do

absconding not from this process

Sit still flat against Me within thee

thy Maker Who counts thee

one of Mine for all eternity
in love saved from any dribbles of
fear

Lactate My blood soldier of Mine
mimicking My way as thine
Source of love freely given
to volunteers
serving My will

4322

8-9-2010

Realize the ruins of civilization
that mock the rule of God

4323

8-10-2010

If you don't wake up
you're not with Me
Use your mind to trail Me
wherever I go
Step in deep with both feet
Mask not thy mind
with meaningless thoughts
Follow Me into the vineyard of truth
made for thee and thine
eternally possessed

4324

8-11-2010

Thoughtless are you
when becoming unaware of Me
sitting in thy background unperturbed
Laced thy mind
against goodness and well being
Sought for healings
and paths of service

dependent on thy welcoming of Me
and Mine

4325

8-12-2010

Ransack thy mind of devious thoughts
emptying it of interferences with holy
intent

4326

8-13-2010

Wouldst troubled be apart from Me
seeking not My views
and themes for thy life

Hasten to Me paused and awaiting
for synchronicity between us
Relieved thy mind at one with Me
balanced and secure in thy life and
ways

4327

8-14-2010

Wash not thy hands of glue
maintaining contact
with the living God
perspective and program

4328

8-15-2010

Tyrant be in absence of Me
declaring thyself superior to Me
Blessed be in heart of Me
being held safe and secure
Let not thyself be tied down
to meaningless world of suffering and
pain

declared void by the spoken Word
 endearing to thee
Rule you will in heaven's glory
baptized in Me thy Selfless Leader
 spread about for all to see

4329

8-15-2010

Twist not thy receivership of Me
 cutting off succorance of thee
 I want thee open
 for My instruct
that eliminates false signals and codes
 born of thee and thine ilk
 Stand still with Me
in My fashion for recruiting

4330

8-16-2010

Regulate thyself
to be available to thy Teacher
Who entrenches thee with life and
 purpose
Cast aside thy doubts and
 uncertainties
to rely on Me

4331

8-17-2010

Risk not thine elbow grease
 on wasted products
 Wait for Me
to induce thee for tasks performed
 Proud thy lineage
in disproportion to what I accomplish
 Establishment is Mine

Listen for Me to sing to thee
 of glad news a' coming
 Sealed in stone
 the law of the land
made holy by disciples love and
 translation
to those illiterate
of divine spark within themselves

4332

8-18-2010

Sensible be planning with Me
thy tools and ways of serving
 Human decency denied
 by vulgar mindset
concentrated on mongrel race attitude
 witnessed

4333

8-19-2010

Regulate thyself to face Me
 Who holds thee within
My boundaries and concerns
Fraudulent thy views and concepts
 that guide thee into morass
 and misery unkempt
unsuitable for thy serving of Me
 Kill off wants and needs
 Substitute Mine for thine
which enriches thy life and being
in world of muck and mud corrupted
 Singular be for Me
that you fulfill Me as needed

4334

8-20-2010

Strike past Me
to destroy academies of this world
invested in discharging My children
from kingdom home inhabited

4335

8-21-2010

Seek not Me playing with thyself
in fields of gravy curdled
Sit still with Me attentive to thee
and what I need and require

4336

8-22-2010

Listen for Me to tell you what to do
I am sane and in control
Double in the sanctity with Me
for I am Queen and King
Witness to Me
Waltz with Me golden dough boy
whose cage is opened

4337

8-23-2010

Falling apart
the human mind goes into self
destruct
Wash not thy hands in glass shards
tilted to moon drippings of carnal
worth

4338

8-24-2010

Waste not thy time languishing about
when call to thee has arisen
Sense My presence

Loosen thy girth

Trod upon My ground that sweeps
thee up
to message land for thy bidding
Center in Me for thy rule
Wash thy cup and saucer to receive
Me

4339

8-25-2010

Ruminate not on dandelion and cactus
Play in fields of rich foliage and plush
plantings

4340

8-26-2010

Pickax thy hole and prepare for
planting
from thy sighs and calls for Me to
respond

Short step to surefire plan
Wasteful be in time spent with Me
presuming knowledge of alliance
Flat out broke art thee
Resume trek from that point

4341

8-27-2010

Reach not for Me
extending thy judgments into My
transaction
Waltz with Me during interludes of
waiting

4342

8-28-2010

Hear Me
not listening to the clamor of the
world
dictating thine existence
Suffocate
thy mastery of world's domination
being delivered to thee
by apostles of divine origin
who claim thee as thine own
and await thine attention
Make special effort to focus inward
and receive thine instruction
for safe passage of materials
destined to thee for usage
Clear the decks for receptivity
Allow your usage

4343

8-29-2010

In silence do We speak
listening to each other
lost in shades of dismal world
Let loose thy freedom
to be with Me
thine Handclasp and Guide
to future mooring
Sit still and be encountered
Breast to breast
Heart to heart
in shame abandoned and life emersed
Fortunate thee be to be with Me
hand picked soul of My being
for thy work and will
in lonely world of broken parts
Consumed thee will be
with Me thy Champion and Keeper

Proceed to jumping off point

4344

8-29-2010

Whisper not into My ear
of pent up feelings and frustration
'Stead let Me hear thy silent waiting
for instructions Mine to lead thee
Come with Me where I go
in certainty
Transfusion planned
ready for delivery
Be thee so assured

4345

8-30-2010

Galaxy keystone
friendless
warped
Bright Star appears in cloudless sky
Torment over
Peace at last
Love forever

4346

8-31-2010

Forsake Me not
Listen for Me to tell you what to do
My elixer of love fortunes
shine upon thee
Waste not thy time with drivell

4347

9-1-2010

Seek Me not
when flowering destitution of the soul

traced to nomads in useless land
Spring up from underneath
load of waste that forces thee
into futile fickle life
of non-collectable promissory notes
Sit with Me when mooning about
in muddied land of misery
Make thyself comfortable in eddies of
wisdom

4348

9-2-2010

Destiny fiduciary guaranteed

4349

9-3-2010

Lessons learned

Abandon course

Revive life in kingdom home
safe at last for posterity

Aim high

Means granted

4350

9-4-2010

Replicate Me be thy calling
for thee and thine

Walk with Me through thick and thin
imitating My steps and gait
Float above the world at large

4351

9-5-2010

Filled with Me art thee
scavenging with this world
of heart pain and suicide

Lost art thee
when deviate from Me inside
Reckon not thy way
Let the ball bounce
as played by Me
Witness thy Ruler
Bend to My position with thee
Abominable be the circus of fools
Lost to the aware of eternity pitfalls
degenerate be the result
Waste not thy time with the
unprepared
Lose thyself in My command
Perform perfidiously when apart
Be not there
In holiness do we sit embraced by Me

4352

9-6-2010

Destitute thee art in means and ways
to perform for Me what I must do
Hasten to My site where overcome
exists

and filled become with Me as thee
Naught else matters

Transfer system in place and active
to supplant the unworkable

4353

9-7-2010

Unsustainable the power of God
lumped into the scalawag portion of
man

torn out by the nemesis
Live from likelihood of healing
reattached by swarms of angels

bringing glad news of festivities
in blighted areas overcome
Joy proceeds
Peace emerges
Submerged identity regains sway

4354

9-8-2010

Blotched the career of man
by strips of gold and hubris
demanding superiority
over Me and Mine
Cursed
man's existence
by flaws of character
and bedeviled mind
Let be what is Mine
of love and truth made
Flawless be thy true spirit
made in Me and of Me
Witness to your part of Me
for all to see and emulate
Pattern thyself by Me
in compassion and forgiveness
for lost souls wandering about
in land of iniquity

4355

9-9-2010

Fortify thyself with will
to see Me use thee
from stage to stage

Travesty

Autism

(In response to my prayer seeking
clarity on messages about autism I
hear the statement "For Thine is the
power and the glory forever" followed
by "These are the people who can
think outside of the box" Because
this was a message that was solicited,
I do not consider it a numbered verse
on The Footladder of Notes Divine.

On 10-22-2010 an unsolicited
message came from God which I have
given a number and is considered by
me to be a legitimate verse and is
reported on that date)

In you do I swim

in eternal waters of love expressed
Dominate I do your mind of Me
unopposed and unrestricted
seasoned and strong beyond measure

Listen to Me

Who wants you home
devoid of worries and cares
heartaches and fears
of the sleep you're in

Come

Want to awaken

I'll show you how

Would you not want
to believe in Me

Who fosters thy growth and healing

Would you not wait
for My timing and correction

Deceive thee I would not

Closet with Me
in safety and love

in moral and upright fashion
persuading Me to serve thee

beneath the tumult of human
conditions
Wrought the feelings of seeming
failure
disclosed in thinking of your own

guiding thee inexorably to thy station
determined by Me alone

Mud slingers
The hunt is on
for gun slingers of perverse ways
misanthropes of dialects
esteemed by purveyors of ungodly

Seek out the renegade
the lost soul
that shames the beauty
of God's bounty in His children

of immortal delight
Release them
from their torrent of self abuse
mortifying their vision
Let shine thy peace
thy love that evangelizes their
troubled world
with hope of healing and solace
incontestible
Rise and shine

10-5-2010

Fruitful be when attend to Me
and My wishes
Lost art thee
when in sheepfold gazing at steers
Listen to Me for fortunes founded
in land of destiny
Found thy self and Me
in hand and heart
abundant in joy and love residing

4386

10-6-2010

Wrest thy prize from Me
by being observant of
My presence to you
Be studious
devoted
passionately attached for Me to use
you
And I will
That I promise for your faithfulness
Set Me loose upon thee

4387

10-7-2010

Beknownst to Me
thy soul of thee
that calls to Me
for healing wholeness
Trust in Me to respond in kind

4388

10-8-2010

Wash not thy hands in grime of day
that wastes thy time
in devious duties of dullness delivered
'Stead place thy hands with Me
where richness roams the land
securing welfare and well being
of inhabitants seeking refuge
and return to land of ever free
and love secured and infinitely
engrossed

4389

10-9-2010

Wash not thine ears of
tender sounds
proclaiming love of God
for His children
Dispel the noise
of honky tonk life
that calls for thee
to lust and leer
placating the mind of monster man
lost in mud bath of savagery
Wish for Me
to partake with thee
in sushine frolics of joy

satisfying thy soul
with feasts of fondness between us
lacking naught in contentment and
reverie

4390

10-10-2010

Whisper to Me of longings and
desires

that con your heart
to service of Me

Frame thy prayer to surrogate Me
in time and places
of My choosing

Whistle stops prepared for application

Reach out for Me

to serve thee well

with My will as thine

Set forth on thy trek
from Me to you

solving problems of worldly making

Shine on harvest moon receiver of My
dotings

and longevity of lasting

that upholds the rule of eternal love

Speak to Me of this

for assurance sake

4392

10-11-2010

Watch not for Me

daydreaming and doodling

in turgid world of sin and shame

Pontificate scenes of on high

while dawdling in base manner

of life below

Attend to Me

Attend to Me

for fullest view of life resurrected

4393

10-12-2010

Relearn

Return

Relish the thought

that all will be well

Ruthless be

when dominating scene of discourse

Sense My presence

when turned to Me

presiding over our contact

Lost not when following Me

as thy Leader in command

4394

10-13-2010

Seat thyself beside Me

that I may talk to thee

of matters Mine

meant to be shared

Wilt not from thy task

Flowers bloom from wayside

properly tended and nourished
by caring hands

4395

10-14-2010

Seek out solace
from fruit of satiety
which leaves bad taste in your mouth

Hunger feeds thee wisely
turned to Me for subsistence
and nourishment

Sense not My way
drifting from My presence
Walk with Me in tune and tempo

Reach not for Me
in molds of cow licks
Thespians sing of stain and sloth

I will not sell you that
in sleek vehicles

Do you want to try this
that I promote

4396

10-15-2010

Perception nears infinity
in scope of worldly view
presenting outcomes of nature true

Wallow in filth
when disowning heritage of Godly
being

casting spikes at thy Creator
Dismiss thoughts of lost accord
bombast

Relive thy true self
presented to you by occupying Spirit

awaiting turn of receptivity by Its'
host

Relief springs anew at franchise site
Peace of heart blessings
surface for adoration and usage
in warring world of nincompoop
minds

4397

10-16-2010

Twisted about by time and troubles
lead thee a life of incompetence
and thunderstruck

Straighten thy path to include Me
jousting with meaning sought and
displayed

4398

10-17-2010

Wish Me well for fulfillment of you

4399

10-17-2010

Weep not for skedaddling children
lost in forests of dismay and distain
Desperation rules their life and
manner

Workers of the world
seek fame and fortune
untouched by blemished lives of have

nots

Recognize thy self and pattern

Forgiveness

Forgiveness

4400

10-18-2010

Squeamish

Forthright be exposing thyself
thy shortcomings and limitations

Waste not thy time primping and
posing

Intercept thine unwillingness to do so
in order to become My linchpin

4401

10-19-2010

Reach not for Me in tender fashion

when you accost others
spawned by blinded eyes

Well being defined by Me
in thee and others

Abandon thy view

Adopt Mine

Judge not lest you feel judged

Wish for My tempering

4402

10-20-2010

Sought for life of love and song
debuts for thee in tailor made
circumstances

that wills thee be My servant

Tootle along on tracks laid out
that brings thee to Me

4403

10-21-2010

We don't understand the Fishness of
what is

Risk not thy life for Me
unless you trade in thyself for Mine
When kindness comes then are you
ready to do so

Flaunt Me when you wiggle thy
tongue mercilessly
casting moral judgment upon others

Let leave be

thy brothers and sisters to Me
Who guides them through horrors
and misshapen identities of human
quagmire

in their right and proper time

Be still for Me

thy Listening Post and Instructor
for healing processes
in this world of twisted ways and
wants

I solve all mercifully

Be My aide and sought after helper
for My work through thee

Holy be thy way in concert with Me

Softly speak
Gently listen
from the silence within

Welcome Me into your lives
My loves
Who need Me so sorely
for thy heartaches
thy pains
thy woes
thy wearing down
thy torn asunder
thy will to recover
thy knowing

thy sight
thy feel of Me
as loving thee for ever and ever and
ever
Turmoil exists when unknowing of
Me
Thy cannister becomes dim
Shade covers the scene and thine
outlook
Brighten thy bulb to hues of
whiteness
seeing My presence and process
in guiding thee through thick and thin
tension and tauntness
cloudy and clear
in this life unfolding

Set Me free amongst thee
to do My work for God
Harness My power
My energy
in ways that touch
the lives of people
Wash thy face with tears of Mine
that sufferers feel My love for them
Repent repent be My plea for holy
life's return
in kingdom's home of bliss
Pilferer of My children
defeated by heaven's sighting

Stay detached

Doomsday furor sickens mankind
Silky breezes stir air
with caresses of love
delivered by God of happiness
Believe what you want but happiness
wins out

Life is fun
Life is happiness
Life is filled with Me
This world is raw
This world is rank
This world is devoid of Me

Cease thine efforts to understand
autism
Let Me explain
what I want you to know
My kingdom come
lessens life in this world
as a valuable format
They are ambassadors of truth
Let Me fend for them
I know how and what I want
to accomplish through them
Likewise for Down Syndrome
I am the Queen
of destiny perceived and initiated

Reach not for Me

when tending to matters
as your own business
Reach better for Me as the lamb for
God

Witness for Me
Speak as I would
that all may hear
My views and thoughts
Round the circle we go
to leave and return to home
Speak of Me as Love and Forgiveness
Naught else matters nor exists
except fraud and deceit
brought on by thy drifting
from the holy embrace
Do for Me as I would do for you
For are you not My friend and
follower
