4511

round the horn
Roust the crew

Insouciance
Wait for Me to do
what needs to be done

4519
1-21-2011
Gumming up the works and duties
look for Us to banish thee
from works of detachment
wasting thyself on irrelevant matters
We can contain it
with thy willingness
Fault not thyself
for surges and slides
beyond thy comprehension
but within our contending

4520
1-22-2011
Rest in Me challenged one
who seeks My service
and will be done
You will succeed
balanced by My direction
and your passive acceptance
of My leadership floating within

4521
1-22-2011
Wash not thy hands
with gravy lickings
from spice and lice
of human licentiousness
cast into the winds
of disconnect from holy home
and divine nature

4522
1-23-2011
Wish for Me not
when engaging thy thoughts
as a means
for stemming My participation

Who teaches thee
all you need to know

We cannot miss

Never ever

4523

1-24-2011

Land of forsaken dreams
streams into thy consciousness
blurring pictures of true reality
awaiting its viewing once again

Stick with Me

Who will show you the way
to climb out of the mess
and into My arms once again

4524

1-25-2011

Riches passed on enriches thee
with the power of God
supplanting thine
Reach not for thy pockets
but for Mine
filled to overflowing
for thee and thine
Let speak My rule
in thy life habits

4525

1-26-2011

Fool not with thy temperaments
that bluster and betray
the true state
Be faithful to Me
devoted in spirit to My cause
and Mine alone
Wash thine hands to all else
that are filth covers
to the light within shining forth

Meet Me at the gate
to the heavenly opening

4526

1-27-2011

Diamonds are creative show pieces
hiding the coal
from which they come
Let loose thy charcoal beginnings
to resume the life
of crystalline purity
derived from

God's very own Spirit being
awaiting thy return to proper form
shining bright from holy light
neglected not

Swamped art thee
by balderdash unmitigated
'til holy flight completed

4527

1-28-2011

Washed in the blood of the Lamb
art thee prepared for service
to humanity in My name
Sanctify thyself in Me
where peace and holiness reigns
Toenails depleted of luxury of love
harden and wither
in scene of futility
So it is with spirituality also
Loosen thy lips
to speak the truth
sent to you by Special Delivery
Wait for Me
to push the button

that sounds the charge
Prevail prevail in midst of misery
surveyed

4528

1-29-2011

Sound the alarm which prefixes
change
that must be endured
for continuing failure to overcome
Red stains of change
emerge within befuddled masses
Sinful be thy nature enclosed within
safeguarded by monumental lies
and deceitful ways
that only I can untangle and reveal
when accorded that privilege by thee
Wish not for less
in this enterprise
Wish not for more
than you can handle
Let others join with you
Insist not

4529

1-30-2011

Wake to the reality
of this worlds' life
so empty and heartless
for those who indulge it
Be My minister
to those who are in need
awaiting thy presence and support
for growth
walking in the tundra of lostness
Keeness and solicitude

needed on your part
Be available
and wait for My rousing inspiration
that you may serve Me well
I have planned it all
for your participation
Fear not
All will always be well
Remember this
All is but a dream that unfolds
returning My children to
their final destination
at home with Me
Let thyself be so assured

4530

1-30-2011

Listen to My standards
Love others
as I have loved you
Rule with a kind hand
Let others be
Look not for faults
Seat thyself in Me
Empty be of mind and matter
that thou be open to Me
Bird whistles and cat calls
dominate thy mind
of distractions listened to
at the expense of wonders
contained between Us
Right thy ship
Steady thy course
Commander Me for thee

4531

1-31-2011
Ghoulish the life of love
in this world of savagery
and hate compelled to be
Sinister the intent
to compel another
to fulfill your need
for completion and satisfaction
Let Me be thy Delivery Man

4532
2-1-2011
Make good on your gain
Be firm on your path
wishing to be of service
that resonates with Me

4533
2-2-2011
Worsen thy situation
when you listen to your head
instead of Mine
Code of conduct
dictated by sensibilities of mind
clouded by yours
or made clear by Mine
Destiny preserved for eventual
renewal
when clouds dissipated
by light shining through overcast

4534
2-3-2011
I uplifted the low
I waylaid
the careening to death

of gloomy minds and saddened faces
of those who came to Me
for nourish and sustenance
I undertook the healing
of the forlorn and lost
seeking the way to the castle gates
for love recalled and reclaimed
I am the answer
to every plague
by knowing nothing
and listening to thy claim on Me
Visit Me
Visit more
Wise up

4535
2-3-2011
Twisted are we in mental state
confirming madness as real
Faultless the mind of God
true blue to loving concern
for all the children
Race home to holy ground
devastated by meanness of spirit
expressed in savagery towards each
other
Let loose thy bonds
to holy state
returning to framework of God's
direction
for relief
Level be

4536
2-4-2011
Sit still

Wait for Me under the olive tree
that I may feed you
with loaves of bread
destined for thy voyage
through a land
parched of water and fruit
Make Me thy Ruler
Sweet the load
that you carry blessing others
with visible sightings
of My servant and our world
Do wilt thee as I desire
in fullest measure
to satisfy the needs
of those who search
for windfall of harvest
that saves their soul's recovery
and destiny re-established
Proud of thee I am
in your effort and determination
to serve Me as thy will
Move forward
in the right lane
for thy work
Proceed with confidence and joy

4537

2-5-2011

Wish for Me not
when sighing the blues
overlooking Me as thy Legend
thine Advocate
thy Trump Card
In Me alone have faith
that solutions for you
will come through Me

Nothing whatsoever escapes Me
in My devotion to you
Pact in place for eternity
Seek me out
at all times
thy Mother

4538
2-6-2011
Sweep clean thy doorstep
for Me to enter thy house
Descend to depths unlimited
where lies thy fulfillment
and witnessing
Wrest not thy control from Me
Who knows thee better
than thyself
I watch thee at all times
determined to make thee Mine
in mind and soul
recovered once again
Hither and thither
rushes thy mind
until stabilized by My presence
as ultimate Oneness resting together

4539

2-6-2011

Signify your wish
to let Me lead thee
I willingly do
Chaste be
Rule thee I will
with care and concern
Be assured
of My tender touch

and handling
of thy mission involvement
Wasted not
will be thy commitment to Me

4540

2-7-2011

Facsimile of heaven
appears in this world
Reach down into thyself

There within
sits the King and Queen
Waste not thy time
drawing pictures
Seek them in person
for their wisdom

4541

2-8-2011

Rock bottom hit
in order to reach Me
plunked down deep
where thy soul meshes
with Mine
Feed thyself
a feast with Me
of knowledge broad and meaningful

Sue Me if you wish
over tangles and uncertainties

Bestow upon thyself
all the chips of the game
that I deliver
for thy usage
Win thee will
with plans of Mine
adopted and initiated

fed to thee in perfect measured
portions

4542

2-9-2011

Sit still
Wait for Me
to call upon you
Let go of thy reasoning
and concerns
which are useless and irrelevant
Sink your teeth into project pending

4543

2-10-2011

Sample My wares oh My son
beleaguered and bothered
by world at large
Who knows thee better than I
dancing with thee in eternal life
Spill not thy life
in bereft state
Save for Me
thy being and love Who nourishes and
cherishes thee
at all times
and in all matters
Waltz again with Me
thy Partner most true with you

4544

2-11-2011

Solace gained
Systematic the fruits of labor
delivered to keepers
of the holy grail

Way keepers rejoice
at benefits dispersed realized
Liquidate thine holdings
Make room for Me
Bless Me with thy riches held

4545

2-12-2011

Synonymous thy work with Ours
Hooked in mind
together are We
for transplantation
to world of unseemly manner

4546

2-13-2011

Unsightly the world
of traversed paths
scheming and blocking the mind
of Mine
Witness to love's transformation
upon sight and action
with thyself and others around thee
Whisked away the horrors
of mutilation madness
mangling the medium
of lost human intercourse
twisting and turning
in nooses of strangulation
denying contact with sacred Source
Conspicuous become
in mind and manner
midst mankind's muddled masses
reawakening awareness
of the fullness of My loving being
Look out My window

4547

2-13-2011

Roost not
in thine own castle
filled with fragrance of soured junk
Pathetic be thy stance
and standard borne
needing hosing down and reclamation
which I will supply
when wished
Smell clean
Be pure
Be renewed
Be with Me
thy loving Father
Who upholds thee whenever needed

4548

2-14-2011

Reach for Me in all you do
calling upon Me for resolution
Watch out
for trickery of thine human mind
deceitful and destructive
in your affairs
Tighten thy belt
against pusillanimous discharge
that negates soundness
of your decisions
Net gain
Whistle in the dark

4549

2-14-2011

License thyself to do My work

that beguiles your heart
Reach down into Me
for fulfillment of thy task
Waste not thy time
with dribbles of information
formatting thy projects
I will supply
all that is needed and more
I am generous with you
though at times
it is hard to believe
Trust Me as I trust you
Hamstrung when deviating
from that dictate
At peace you oblige

4550

2-15-2011

Fishnet

Walk into room
crowded with people
Tell them I am there

4551

2-16-2011

Disavow the waste of glory seeking
Immediacy requires attention
to the present moment
Sit tight with Me
Who announces changes
and procedures thereof

4552

2-17-2011

Distasteful the haunts of self- seeking
filling thee with shame and corruption

evolving a lessening
of thine impact
Cremate thyself
for purposes of Me supplied
All the things
that I can't get off the ground
at this point
can be delivered by you

4553

2-18-2011

Stand by for further information
that sustains you
and which I will deliver
Know this to be true
without a doubt
in your mind
The delivery time is set

4554

2-19-2011

Henceforth will thee believe
in My omniscience
that covers thee like a glove
Rowdy not be
in Its presence
Fullness of Spirit becomes thee

4555

2-19-2011

Rumble about
in magnetized state
drawn to eclipse
of holy aware
Stifle such intentions
by thrust towards Me

Who guards thee night and day

4556

2-20-2011

Walk with Me at My side
fulfilling you
with hors d'oeuvres of service
Lasso your mind
and put it into place behind you
First dust off thy copier
that you may trample fields
of growth of weeds
stemming from lunacy mind
replacing them with succulent grasses
of My origin
Next taste My crop
sustaining thee with thoughts
and feelings of arbors divine
Then pacify self with renewed wings
Now let thy soul be flown with Me
Reach not for Me
when quelling
the fire of Mine
that blazes conspicuously
in world of torment and terror
Blast out these words of Mine
that seal the gap
in recognition of our oneness
and unity foreordained
Fan the fire
Flow the flame
Wrest not control from Me
I do not bargain
with My foreordained outcomes

4557

2-21-2011

Wait and see

Your laundry list
is long and breakable
into many themes of Mine
Let Me accomplish
what needs to be done
and sanction given
Pacify thyself
with My assurance
of your fulfillment
Listen to Me

4558

2-21-2011

Contaminated art thee
by dawn's early light
singling out milestones
of haphazardous world
Let thy signpost be Me
wicked son of slime ball world
Trace back thy path
of prophets' omen
to thy Founder's embrace

4559

2-22-2011

Send for Me for breaking news
on topics and timing
that I command
I'm in charge
and will this to be so
Appreciate the need
for I err not
and relieve you of decisions
that can go astray

Be cock sure of My being right
That's the way it is
Rejoice and regale
in My desires and competence
You will surely celebrate
My efforts and My accomplishments
through you
Massive the movement
of children returning home

4560

2-23-2011

Circular the path
to the way home
ribbon striped for recall
Rock sure be
of finding thy way
through bush and brush
and battlegrounds' attempts to deter
you

Rest your head

in Me My love

Who guides thy whereabouts
Silent quiet be for full meshing

4561

2-23-2011

Blackened son of Mine
living in darkened hallways
of madness
come live with Me
in the light
Comfort zone calls
twisting thee about
to face thy Love and receive Me

4562

2-24-2011

Misfit art thee
in prison garb
walking a world of nonsense planned

Listen to Me

Who regards thee
as My son ennobled
apart not from My presence
in contact with thee
at all times and in all places

Face Me within

awaiting thy duties

delivered by Me

for your service

and our glory together

This be your mold and your job
accomplishable by My standards and
guidance

4563

2-24-2011

Withhold not thyself
from war upon world of tainted men
worshipping standards of culture
penurious

massively divided from God
their Queen and King

Decisive be midst clamor
that clears the way to tutorage

4564

2-25-2011

Set forth thy ways
in common with Mine
that all will be blessed

by healing powers
Move over
Make room for Me
Who fills thee
with My temptations
and resolutions thereof
Rescue thee I will
from plagues of mankind
adrift in world of somnolence
and desecration
of all that is holy
Misery declines and joy uplifted
in world of Mine
re-instituted and ignited

4565

2-26-2011

The catholic church
fails responsibility
shearing it's sheep of their hair
worsening their situation
trapping its flock
Bust out
Ramify the situation
Speak of its unkindness
Lisp not holding thy tongue
Claim thy rights

Purge

Place thy feet on sure found
and firm footing
Chair it

4566

2-26-2011

Walk off the mound

training for residential services for
women

Plead with Me to signify
what actions should be taken

There is a raft of problems
Institutionalize thy concerns

Candidates for attention
presume false ideology
as truth

making burden unbearable
Let Me touch thee

4567

2-26-2011

Waste not thy time nor taste
bamboozled by

locked in paraphernalia
of custom keepers
portraying holy virtue

See through this hypocrisy
Worsening the ties

to ruling class of somnolence world
is victory claimed by holy siege

Laughter returns
in themes of love revealed anew
Joy abounds in land of free and secure

4568

2-27-2011

Grief stricken are thee
when turned away from Me
thy Source and thy Home

Return to Me
for focus and direction
delivered in each moment of thy life
benevolently and lovingly

For you are My child
when and where you go
or where I send you
knowingly or unknowingly
My countenance abides within you
for well-being and service

It is golden bright
filled with light

Wait for Me
in all you do

I will deliver

Forecast is Mine

Just be still for Me

that I may use your mind with Mine

4569

2-27-2011

Western traditions have fallen apart
so all that remains
are splinters of the whole

Seek out dissonance

Heart of Mine

douses thee with flames of fire

Pluralism exists

in harmony in company of love

4570

2-27-2011

Humble thyself through Me

Who reigns and teaches thee

from depths of understanding

unacquainted by you

Let stand thine errors

and mistakes that must occur

Forgiveness granted forgiveness

gained

be thy rule

Follow it and be at peace

imperfect one

I know thine imperfection

and am at peace with you

4571

2-28-2011

Hideous attempts to throttle others
mottle ground of human civilization

Sense Me in My doings

Wrap thyself around Me

Be not frenzied

4572

3-1-2011

Ingrate

Bluster

Wormwood

Tether thyself to Me

for fortunes told for wisdom

for sight

for ecstasy

for life

Wish not to serve Me
when joining with hogwash world

dilapidated in make up

and scurrilous in intention

Wash clean thy path

to foster My growth in thee

4573

3-2-2011

Strip thyself of all your thoughts

to make room for Mine

within you

Sin no more digressing
Set thyself down to task
exposing thyself to My will
Wiser than you have known Me
then fallen
done in by the deception of dualism

4574

3-3-2011

Richness of spirit
becomes unglued in one's eyes
when favoring thoughts
of massive human madness multiplied
Seek Me for moments of relief on
cooling glaciers of quietness restored
Peace be with you when in Me
writhing no longer from disputation

4575

3-4-2011

Misfit art thee
in world of torment and trouble
Guide thee I must
to overcome and overturn
its stifling atmosphere
Resist not
My advances upon thee
spun from affection and love
for My endeared children
Lead thee I will assuredly
to calm waters and stilled torrents
of well-being and recluse
in presence of Mine
everlastingly endowed in treasured
peace and contentment
Ask not less of Me

than that which
I joyously deliver to thee

4576

3-5-2011

Set thyself on fire
in pursuit of My goals
trampling upon world
of fear haranguing fools
lost in fodder of false visions
Explain meaninglessness to lost
devotees of pragmatism
lurching in the belly of a beast
that destroys awareness
of love driven lives
in the eyes of its receiver
Uphold Me in so doing
white washing image
of a falsely conceived God

4577

3-6-2011

Forthright be
blending problems with solutions
mattering to thee
Listen for Me
to tell you how
Err not
Make no mistakes when you do so
Crumble thyself into Me
Who receives thee
with joy and gratitude
your Queenly Maid
Richness aspired
comes to fruition
in thy hands

Do with Me
as I command
for thy sake
and the sake of others
that await thy contribution
Docile be with Me

4578

3-6-2011

Hold fast thy thoughts
in place of Mine
Ruin is thy bidding
Set forth
the thee of Me
Who rescues thee
from trollops of discontent
and destruction
death and delusion
Wise not art thee
in ways of Mine
dealing with dog days
of doom and gloom
disease and disaster
Have you had enough
of swine life and swill
as delicacies and dessert
Place thyself with Me
mastering the mayhem and murder
of the real and robust
Let Me sink thee
in the relish of repast
in the kingdom of love
nourished by My hand and heart
delivered to My sweets
whom I adore
forever and forever more

4579

3-6-2011

Wrist watch tumbles
in the state of time
when come I in glory
to change the scene
Mark My word
Redeemed
Saddle up
Foreclosure

4580

3-6-2011

Whistle a tune of despair
unaccompanied by Me
Twist and turn
round and round
seeking ways to solve thy problems
None be there
absent of Me
Who shines light
on proper path for resolution
Stay close
Stay tied for life within Me
that shadows thy bewilderment
awaiting thy recognition

4581

3-7-2011

Snort
The bus left the bus stop
abandoning its passengers
Each one wants to be a prodigy
Richness revolves 'round My
leadership to you

4582
3-8-2011
See Me in thy sleep
talking to you
Make ready for thine assignment
coming to you
Rest in My assurance
that all will be well
Be tolerant
Be sweet
Be gentle with all on your plate
as I am
Risk not thy neck
assuming responsibility
for reasoning responses and action
in this world
Lie back and let Me lead

4583
3-9-2011
Welcome Me into your heart
for My will to be done
by you
Let My character be yours
Let Me be you
at this point
Wish Me well at this

4584
3-10-2011
Skinless be to absorb Me
awaiting thy climb to higher sphere
Attack not the ways
of senseless man devoid of incoming
messages

from sacred world harpooning
Absent be lust for repenting
when stoned on chaff
of wasteland spooning
Depth of love required
sustaining thee in thy purpose

4585
3-11-2011
Walk with Me in sunshine and rain
seeking out thy lot
Let the light shine through

4586
3-12-2011
Lessen thy hold
on make believe
and come with Me
to kingdom
Set free thyself to blend with Me
Wouldst thee then have peace
Harken to My Voice
calling thee from decline
and disconnect
Penniless be without Me
Withstand that truth
midst ruins and degradation

4587
3-13-2011
Wrest not My role
from Me that powers Itself
into thy lives for thy sake
I want you to have Me
for leadership thine
Waste not thy time otherwise

I am thy King and Queen
I know how to help
and to simplify thy lives abundantly
Take advantage of that
for your sake and Mine
It will help
You'll see the results
Smarten up
You're ready for it
Let that be the end of it
My word is true

4588

3-13-2011

Fools rush in
where angels fear to tread
Esteem Me in thy worship
Who knows thee inwards and out
Place Me in thy thoughts
and delve into My direction
leading thee into occupation
of My being as thine
Relish the repast
soothing and smoothing
Censure thyself
Title and trials belong to Me

4589

3-13-2011

You condemn Me not
when I go astray
on paths to oblivion
You heal Me in
to luxury of obedience
that I encounter
from Thy healing grace

for which I thank you
in tremors of relief absolved
Lead Me
in Thy ways O Lord
for Me to follow
in rapture consumed
I stand before Thee

4590

3-14-2011

Sought for information
given to you by Me
Inoculate yourself with My presence
reclaiming thee
Watch for Me in the interim
Sealed shut the doors to knowledge
being tampered with
Reserve the truth of being
inside within
Tackle not
the problems of life
without Me
Who proclaims dynasty existing
immutable to change
Wash out thy clothes
for discernment that comes
only when readied to receive it
Standard procedures opt out from
there

4591

3-15-2011

Set thyself before Me
that thou might allow Me
to prosper within thee
A shadow of Myself

has come before thee

4592

3-16-2011

Wait not for Me
filibustering with thy mind
Stay steady
Stay the course
lest you program differently
Sorely missed art thee
when gone a' sea
without sail or sun
Navigate by My Compass
to use to mark and tow

4593

3-17-2011

Minister to him
who comes before thee
seeking healing in God's name
Fortunate are they who seek the joy
of the kingdom's come
Wish not to circumvent
that which I compose
by trailing behind
in My wishes
Awaiting thee
are rewards spectacular
blessing thee in the life of Mine
delivered in your calling
Reach out to Me
for sustenance and substance
which I wish to share
with thee in My affiliation
Do well with Me
will thee O My son

who doubts Me not
nor ways of Mine

4594

3-18-2011

Imperative to believe
that all will be well
as foundation of healing
Set thyself down and pause
Realize thy state
Turn thyself over to Me

4595

3-19-2011

Switch to lodging for diaphanous
Flower

4596

3-20-2011

Wish not for Me
to succumb to your intentions
that fail to meet
My standards
Hoist thyself up to Me
Who lavishes thee
with good wishes
and incorruptible solutions
Burrow in for thy sake
Grant Me elasticity
in handling thine affairs
Relish the results forthcoming

4597

3-20-2011

Slew of characters
fill thy dream

in concert with thee
abandoning true nature of sons of God
Wasteful thee be
Declare truth of decline
Uplift thy spirit
Get to thy task
Trim thy sails
Receive thy Wind

4598

3-21-2011

Piercing be
midst clamor of world
denying life style as of worth or
distinction
Forsake Me not
when confronted by dribble of
obscene world
masturbating in self-glory
and personal witness
We're going to assist you
Will you give Me a call back

4599

3-22-2011

Fortune found in fantasy
dwindles in face of serene reality
Busy thyself with destiny

4600

3-23-2011

Find Me
in dreams of yours
questing for solid ground
to stand on
Faithless be

drowning in slop of worldly existence
Stance of Mine
found in alternative
Step over to the live mike
to the exchange band
Stand by

4601

3-24-2011

Lift Me awhile
into the sense organs
that thou may speak to Me
Lift thine eyes above the horizon
that thou may see Me
Sit thee still and wait
for erroneous zone to clear
Make way for Me
to enter
Hasten to Me
for clear zone to appear
white washed
Set free thyself
to receive Me

Fashion thyself after Me who wisely
chose thee to do so upon My request

Release thyself to Me

Welch not on the deal

4602

3-25-2011

Simmer down
Rest awhile
Let thy feet be planted
on solid ground
Watch thy moves
Plan carefully

All is right
Chanson

4603

3-26-2011

Watch Me

Keep thine eyes upon Me
Cook thyself a meal
of garnished radishes
while I feed thee
soups galore of splendid greens
and halcyon moments

4604

3-27-2011

Sustained by Me are you
working in the world
of want and care
Let Me be founding
what you need
justifying your trust in Me
Handle matters well
siphoning strength from Me
in daily tasks
I need you
to fulfill Me and My intentions
Locked into Me art thee
well put for reception and
administration
Morale is high
in those so ordered
So be it with you
Gifts are flowing
on time and in sequence

4605

3-27-2011

Yield yourself to Me

Who leads you

down the path

to heaven's haunts

singing psalms of praise

Still thee thy voice

to make Me heard

Work not at thy thoughts

but of Mine

Sizzle Mine

with glow of glory

perpendicular to thine

casting net of heaven

to searching hands

Renewal wanted and needed

to overcome the audacity

of man's puny state

and pitiful squalor

Rest in Me

thy strength and fortitude

4606

3-27-2011

Wash not thy socks

in glob of standing water

Revealed in Me

be thy ways and wishes

down from humdrum

of meaningless world

Status quo unacceptable

Move on with Me

4607

03-28-2011

You heal not

when fondling self-image as real
Perpetuity be required building block

4608

3-29-2011

Let Me be Me
inside you as I desire
Suit yourself in chaos
deigning yourself over Me
Blissful interludes present
in sights and sounds of Me
Witness to Me
working within thee
Sing a song
of joy and gratitude
Let go of mercenary themes
which dabble with thy mind
interfering with My flow of thoughts
to thee
You will see Me
in thy plans

4609

3-30-2011

Reach down for Me
deep within thee
where I dwell
Let thy heart sing with joy
when raise I do with thee
Sink into My sanctuary
where flees from thee
thy worldly woes and wants
thy hurts and hell
to be replaced
by multitudes of moments
filled with love and reassurance

Be not afraid
All goes well
I am always here with you

4610

3-31-2011

Sinful the ways of the world
obliging you to a false identity
beholden to a god of adversity
Waken to thy longings for Me
Who tends to thee
at all times
and in all places
devoted to thy care
and well-being of heart
estranged from Me
Thou cannot
be separate from Me
neither in time nor place
nor mood nor reason
Blessed peace
is always with you
never to fail nor abandon thee
and the ways with Me
You shall see
the reality of this all
in the proper time

4611

4-1-2011

Reflection on things wrong
a boon to cosmic mind
Windswept thy cobwebs
of diurnal mind
latching on to recovery site
leading cosmic content of central core

4612
4-2-2011
Sit still
and watch what I'm doing
I raise thee up
to meet with thee

4613
4-3-2011
With My Daughter
and My Son
and the Holy Spirit
let Me comfort thee
Right thyself in My boat
spreading wings of song
into eternity
Fluster not 'bout My competence

4614
4-3-2011
Waste not thy time
with gibberish thoughts
Stay close to Me
Who commands thine attention
My needs for thee
come first in prayer and talent
Dwindle when you deviate
Enrich when you impart

4615
4-4-2011
Heaven's heart opens to you
filled with joy and sunshine showers
lasting into eternity
Room for growth occurs

in mind turned back to Me

4616
4-5-2011
Waste not thy transformation power
in world of fools
bungling with false identities
and morbid dreams
See to it
that you send Me your problems
that I may be of assistance
to you
You know not what to do
Let be known to thyself
My mind and ways
Give attribution to Me
what belongs to Me
in the care and direction
of My children
Whoever objects knows not
what they are doing
to themselves and/or others
Wisdom seeks counsel
Be wise in My ways

4617
4-6-2011
Reach for Me in all you do
depending on Me
for moves safe and sound
List not from side to side
in uneven course
steered by unsettled mind

4618
4-7-2011

Walk not with Me in fervent style
puttering around
in basement of log jammed minds

4619

4-8-2011

Pierced by My heart
chuck into sea
the heart of yours
Wait for Me to design
what you want
Set forth thy ways
that match Mine
in kingdom forming

4620

4-9-2011

Send for Me in matters' moments
designating Me as thy helper
Relish the possibilities
Thumb a ride
Rest in Me
Suction out thy movements
Research
Deliver

4621

4-10-2011

Warped be thy mind
secluded from Me
Treasured when abiding with Me
Flirt not with disaster
coining own practice
Stampede not
Let the Wind blow
its merciful gale eruptions

at My tempo
Lose thyself in Me
enraptured son

4622

4-11-2011

Postpone the selections of services
rendered to Me

4623

4-12-2011

Foot loose and fancy free
be the path to heaven's door

4624

4-12-2011

Reach not for Me
in sunshine days
when pondering loss of revenue
in silken sheets of delight
Loosen thy hold on purse strings
Let others have your largesse
and honeysuckle

4625

4-13-2011

Wish not for more
than I have readied you for
Succumb to belief in My leadership
Let Me dominate scene of action
to which you would subscribe
Ease your heart
for all goes well
as is meant to be

4626

4-14-2011
Search for Me
in wind and rain
gathering My flock together
for My protection
Speak easy
Speak up when guided by Me
in true fashion
Lean on Me for assuredness
Lend Me thine hand
for accomplishment purpose

4627
4-15-2011
Sumptuous the feast
at the port-of-call
for heaven bound pilgrims

4628
4-16-2011
Resist not thy temptations
that addle thy mind
and freeze thine efforts
to return to Me
Bow low beloved
to My ministering
calling thee away
from noodle brain activities
and senseless wanderings
in fields of empty gravy
I wish thee comfort
in Me assuring thee
of right track and destination achieved
Right thy ship
Hoist thy sails
Wind a 'blowing

4629
4-16-2011
Rudimentary
I rip you out
of the sight of others
claiming you
to be free of influence of integrity
disposed

4630
4-17-2011
Outside tired
Inside tired

4631
4-17-2011
Sesame Street characters
come to life
exploding into thine existence
bringing joy and contentment
to you both
Blessed will you be
in conjunction with each other
Others will listen and hear
the unfolding that will in turn
bless them in pioneering
true relatedness in a world consumed
with Godly being
'Lest thee forget
witness Me son of God
Who raises thee
high in the sky
Rock n roll

4632

4-18-2011

Seize the moment
for allegiance to God
that fulfills God's wishes
and intentions for how to live it
Waste not a moment
devoid of divine energy and
stimulation
Crush the desire
to propel forward
without God's intervention

4633

4-19-2011

Conspicuous be in coming to Me
as the joy of your life
that naught comes before
Let fly the tenets of your mind
to receive the tenets of Mine
that replace irreparable
and unsavory foundations of yours
Peace I bring to you
well laid for thy digestion
and implementation as I would
Spanking clean brand new
are thy sights of Me
broad in view closely

4634

4-20-2011

Rupture thyself dwelling in Me
Feel fulfilled in the moment
Fasten thy seat belt
and let Me fly
Exposed be to My elements
of love unsurpassed

deep deep down the path

4635

4-21-2011

Realize the truth
about that which you serve
as the foundation of your life
for the truth wills out
to the furthest furlong

4636

4-22-2011

Nest in love
Wider stance necessary
for moral tone required
by those who seek
kingdom home entrance
Plebes overlook forgiveness
wishing to maintain massive human
flaw
Roll out the carpet
to holy site
on grounds of docility and gentleness
with wrong doers
desperately seeking compassion and
understanding
Capable of this you are
in entirety
led by My messenger Overseer

4637

4-23-2011

Wrest not from Me
My control My command
Let Me be in charge
Rule out thy knowledge

and skills
Rafts of details must be conjoined
in order that We succeed
Sensuous thy thoughts
separating you from Me

4638

4-24-2011

Listen to Me My child
Who aches to heal and calm you
Well-being is yours
created by Me
in multitudes of ways and means
Let thyself drift to Me
Who is awaiting thy pleas
and concerns
to be dropped into My lofty hands
Surely this will be done
and attended to
resolutely and caringly
Enough of thy worries
Leave them with Me
Who knows how
to fully resolve them
in the best manner for all involved
Wretched art thee
when not so applied
At peace when 'tis done
Rule the waves with Me aboard
listening for My input
Secular you be
Hazard a guess
when deciding your role

4639

4-25-2011

Life comes to those
seemingly interred in this world

4640

4-26-2011

Rest not on your laurels
Sanctify thyself
Breathe deep
and plunge inward to Me
where I remake our contact
Reach Me
Devastating the world of Oz
in cornucopia of sorrows and
savagery
that you will cope with
Laissez faire out of order
Dictatorship by Me required
through subservience
You'll make it
Do for others
as I have done for you
This be your assignment
in the world of want and wear
Let yourself be helped by Me

4641

4-27-2011

Fortitude required
in thy wish to serve Me
Wish not beyond the capability
for that which is being delivered
Plunge in and rest

4642

4-28-2011

Land of love excluded

by roasted chestnuts divided up
as manna of heaven

4643

4-29-2011

Fish not in seas of emptiness
that will thee
to seclusion and self-centeredness

Give to others
of what I have given you
Pour out thy spirit
into the world through
prayer and person

4644

4-30-2011

Heaven wants thee home with Us
from thy stay in this world
and for all eternity
Wipe clean thy slate of sludge
bandying about with heartless themes
of long lost lives

4645

5-1-2011

Reach not for Me
withering away
in grass huts and homes
while awaiting thee
is the kingdom of heaven
See to Me
for all thy needs exclusively

4646

5-1-2011

Seek not thy willingness to perform

Propose to Me

Let fly to the moon
vapors of knowledge
that hang open from thy lips
in concord with Me

4647

5-2-2011

Seek thine Immortal Help
bearing good news of kingdom
coming
Risk not thy sentiments
in time galore

4648

5-3-2011

Scintillating thy claim of Me
as thy Guide
moving through the days' events
with Me in the forefront
of thy vision
Master Me
Wisdom follows
Trek along

4649

5-4-2011

Set forth thy standards
for healing's accomplishment
Reach for the strait of Gibraltar
where you will find
salutary progression

4650

5-5-2011

Wait not for Me

Listen for Me
to tell you what to do
My plans count
Yours do not
Fire and brimstone
indecent flukes
washed up on beach
Tasks take time to accelerate
Temptations turned to
as replacements for unheard orders
Retract
Wait again
for gain to take place
in due time and proper order
Wistful not be
All is going well
inside of Me leading thee

4651

5-6-2011

Restful be in sight of Me
Placid the sound of life
orchestrated by Me
Sensitive be
Alert
Aware
Still

4652

5-7-2011

Footsteps approaching thee
with sounds of music
calling thee to mission
accomplished

4653

5-8-2011

Wasteful art thee
of spending time with Me
doused with
the blood of the Lamb
in thine activities and life
Percolate powers stored within
fulminating at exploration peak
leading to peace and harmony
within thy being and territory
Masked the powers of Me
by outer shell
permeable to thy touch
and grounding in pool of love
Designate Me as thy Savior
Swooping Wings of love
confirm thy connection

4654

5-8-2011

See not with thine eyes closed
to sunlight at dawn
Winter haven costly
treading on miscellaneous avenues
to peace
Witness not to Me in undergrowth
Shunt thy vision aside
and listen for Me
Who wills thee to do
as I would
Neglect not My views
which lead you
to the proffered spot
where you meet Me
and serve Me well

I offer you My hand
for guidance
Will thyself to accept it

4655

5-9-2011

Dynasty of healers
projected throughout the ages
conforming to My will and word
Seek application
Submit thyself to Me as My dutiful
servant
Latitude supplied to accommodate
thee
Sense thy role

4656

5-10-2011

Solace brought to you
by the King of love
in exchange for your surrender
Mechanisms in place to fulfill thee
Most assuredly it will take place
by Godly standards
You're not to blame
for seeming delay
My fixtures must be in place
and they will be
in due and proper time

4657

5-11-2011

Reach for the stars shining bright
in the kingdom of heaven
Seek Me out where you belong
Star bright

shine upon the world
thy light for all to see
that they may ensue
upon the path to redemption
Disconnect the informal
Resume the formal
where be the channel to salvation

4658

5-11-2011

Reap the whirlwind
of the soul's return
to conscious aware
Delve into the light of love
that dwells within thyself and frame
Reckon with Me
in solitude and recovery
Bestial be thy word and phrase
devoid of Me
thine Upholder
Relish the sweet sounds of love
unabated in its place

4659

5-12-2011

Water down thine intensity
to make contact with Me
Syllables of love
pass between Us
on holy ground congregated
Storm clouds gather
on outer rim
segregated from inner peace
within thy being
fostering growth
Withered crops renewed

Weeds stunted
Hasten to Me with thoughts
and feelings grounded in thee
for clearance or denial
Wouldst want thee Mine
for richness of spirit exposed
Section off thy self for Me

4660

5-13-2011

Nestle

nuzzle

in the place of love
downsizing areas of life absurd
inhabitation
Realize truth of real conveyed
Parking lot in tow

4661

5-14-2011

Set thyself to receive Me
'midst the mire and mess
that corrodes thy being
Will thee take Me
as thine own
bringing hallowed love and care
to thy neediness
Will thee succumb to Me and My
ministerings
needed for return to perpetuity
Will silence
be thy will
and way
by which I enter
into thine aware

Lower thyself down to submission
point
for recanting and redressing of
wounds
Recovery reviving
Relive thy one and only true self
Behoooves thee a foretaste of heaven's
clime

4662

5-15-2011

Ransom Me

Host Me

Welcome Me

Fortunes good a'coming
Waste not thy time on perimeter
Plunge in to find Me
thy Rock and salvation
Claim Me as thine own
I do belong to you
and you to Me
What more could it ever be
Nothing has been left undone

4663

5-16-2011

Wake up

Awake to a life
fraught with fear and menace
Annex thyself to Me

4664

5-17-2011

Bolster thy bulwarks
that provide thee
with uncontaminated messages

strengthening the masses
who await thee in thy splendor

4665

5-18-2011

Sought for advice
penurious in fashion
Sit still guided by Me
Who knows thee well
and thy competence
Swiftly write this non-combating
telling the story of God
in touch with thee

4666

5-19-2011

Contract thyself
Wisk Me away with thy presence

4667

5-20-2011

Wait not for Me
spooning thyself with thoughts
of thee

Be empty for Me

Who wants thee
as My own

Let Me count the ways
thou can be used

Split thyself in two
serving Me and serving you
Wouldst want thee all for Me

4668

5-21-2011

Ransack thy roost

clearing out stable
of memories and thoughts
bilge water and slime
making room for Me
and My affairs to take root
and grow
Surrender to Me

4669

5-22-2011

Holiness is My ground
spewed into the world-at-large
for redundant reminders
of return to My rule
Reawaken to My bliss
and comfort
that woos thee into facsimile
Set forth My rule
Live as Me
Sense nothingness
Move from it into My arms
that hold thee upright
totally bound to My will
and care and devotion

4670

5-22-2011

Sit well with Me
in thy work
and climb to standards
needed for service of Me
Justify yourself
Think not less of yourself
Degradation if you do
Compliment is due

4671
5-23-2011
Sands of time
doom thee to irascibility
Donors of help needed
to guide thee out
Wanderers in desert
located by Missionaries of love
calling for immersion in watered
lands
Seethe not
from flames of hate
doused in deliverance
Get yourself into the desert
to find Me

4672
5-24-2011
Seize Me for thine own
Make of Me your servant
Do from Me
what you would want
I am yours
You are Mine
Waste not time
Forfeit thine aloneness
Scold yourself needlessly
for unannounced plans
that you rehash and rehash
Frenzy unneeded
Plans properly in place
Mark My word
for them to happen
Waste not thy time
dwelling with Me Who wants thee
skin and bones

4673
5-25-2011
Set thyself up
to receive Me
Don't pine
Don't whimper
Flow through to Me

4674
5-26-2011
Slapstick pratfalls
the ways of the world
succumbed to godlessness

4675
5-27-2011
Truly I love you
for your willingness
to be of help to Me
Dot your i's
and cross your t's
with Me
Make no moves
without My approval
and acquiescence
You will see
what My plans are
and how to partake

4676
5-28-2011
Spiritual realm calls you
to reconcile with each other
reaching out with hands
held open

4677
5-28-2011
November 5th (this is in reference to
the November 5th entry in the book
“God Calling”)

4678
5-29-2011
Chingachgook

4679
5-29-2011
Sit with Me
In silence be
reeking of need
and want of care
I shall see you
and brim with goodness
and love
to calm thee in thy ways
Chant a song
Wait for Me
to do for thee

4680
5-29-2011
Disgusting this world apart from You
and Yours
Folksy Thy Being

4681
5-30-2011
The Coals of burning relit
Waste not

in cadaverous life expending
Freedom yearns for its
expressions and extension
Make Me happy
with thy presence returning
Wish for Me
to be present
Set free the Me of thee
enclosed in sculptured walls
of thy making
Resist the temptation to deny Me

4682
5-31-2011
Sink not into oblivion
of doom’s day messaging scary news

4683
6-1-2011
Come on down to
where I am
Set thyself down with Me
awaiting My mileage and destination
assigned for thee
Lessons learned
and applied by thee
serve thee well
in future endeavors
parceled out by Me
judiciously with care and
attentiveness
Ride the bucking bronco
with Me in attendance
steadying thy gait and balance
Finish in style will thee
in accord with My wishes

Never doubt that
in thy deluded doldrums
apart from Me

4684

6-2-2011

Stiffen up thine insides
to derelict not thee be
Lance thy wounds of human cause
with Me abiding
Smooth thy curves
made right by Me
Practice thy coming to Me
for solutions holy
that stem the tides
of dissonance and dissent
from My unwavering deliverance
of truth and well-being
For all is well My sweet
All is well with thee

4685

6-3-2011

Sought for advice
forthcoming at appropriate time
Stay tuned to receive it

4686

6-4-2011

Wash not thy hands
of zealot's compassion
'lest thee fall asleep
at the switch
of companion's cares
Make known thy holy Mother's love

4687

Sit close to Me
in all thee do
awaiting Me to tell you
what to do
Nothing untracks Me
in saving you and yours
I win at all costs
unblemished by your horrific
representations
of a life apart from Me
Dance with Me
knowing this truth
Flathead
Regurgitate Me

4688

6-5-2011

Soothe thy being
with call from Me
Put aside
thy ways and wants
infinitesimally small and insignificant
Love the thoughts
of Me as yours
Send them into the world
as crop needed
for inspiration and challenge
to those waiting

4689

Welch not on thy willingness

Poser
Mayhem exists
in world of madness
saddled with woes and wants
of burdened
beings beset
Send for Me
to clear the air
of betwixt and between
offering no solutions
of turmoil within
that castrates thee
of divine direction magnitude
Discuss with Me solutions available

4692
6-8-2011
Reach for Me
when question plagued
for My intention and instruction
Settle matters peaceably
knowing that all is well
and recoverable
Listen not to thy slop of mind
puny and putrid
the replacement of My mind
by yours
Excel once again with Me
thy one and only Guide

4693

6-8-2011
Dainty be My touch
gently given upon thy soul
immersed in Mine given over
Walk through life
in My Presence belonging
that thou may serve Me faithfully
Oh My son of My loins
Twisted be apart from Me
menaced by mounds of contempt
parceled out by demonic minds
of escapist lore
Turn the switch
onto My healing track
the Mother lode of love evermore
Let the son in

4694
6-9-2011
Beset by woes
dance with Me in unison
traveling Earth's world in ways of
Mine
Walk in My footsteps

4695
6-10-2011
Soul and salad dressing
served midst boulders of deceit
in world of want and wear
and limited care
Wasted art thee
by famine fed in cartoonland
Make Me
thy Source of Peer and plenty

No formal verse was noted on this day

4697

6-12-2011

Sincere be

in your dependence on Me
to clear

the contamination

in your life of wear and woe

I mean business

with you My child

Stultified be

when in charge of thy process

Magnified

clarified

when with Me

Place Me in charge

of homecoming enlightenment

kit and caboodle

I want it all

Grant this to Me

for control of your life

Happiness arrives

4698

6-12-2011

Haunted art thee

by cares and woes

of dippy doodle side

of your human mind

when caring by Me

brings forth peace and tranquility

unmated in its marvels and miracles

Let thyself be free

Oh My son

Let thyself be free

4699

6-13-2011

Wash not thy face

with salty tears

Discern thy moment

and thy ways

4700

6-14-2011

Worsening thine attitude

Sinful in nature lessen thy hold

Risk not thy wounds

My power is yours

4701

6-15-2011

Set thyself towards Me

for healing transfusion

of divine nature

Lower thyself to ground level

for escape from fanciful trip

to nowhere exclusively

on a trampoline misshapen

4702

6-16-2011

Foot loose and fancy free

your mind goes a' wandering

in lands of acrimony and animosity

You wallow in dust bowls

of lust and leer

sympathetic not to call of Me

residing within thee

except in moments of dire doubt and
distress
Then cometh thee
to My borders
Sense Me there with thee
holding thy hand
in time honored fashion
Undaunted be as you proceed

4703

6-17-2011

Waste not thy time
on dribs and drabs
of everyday life
when I'm calling thee
for attention to Me
Meet My needs
for thee to perform
awaiting thee
per My instruction
Well done thy accomplishments
meant to be
entwined with Me
for all to see
Doubt not
thy stock nor attributes
designed by Me
Fulfilled you will be
by My standards assessed
Enlightenment awaits thee
Settle down to My groove for thee

4704
6-18-2011
Wish not for Me to satisfy you

lusting after worldly cement and saw
grass
as fulfillment
Send forth thy vibes
enhanced by the Footladder that thrill
the seeker of truths observed

4705

6-19-2011

Step down into Me
Who wants thee as My own
Place thyself before Me
for duty served
All will be well
administered by Me
Fruit galore
in tidings glad
be thine outcome
Willst serve Me well
Of that I assure
Joyous be
Naught else is real
But imagination

4706

6-19-2011

Salvage thy soul from slag heap

4707

6-20-2011

Wait 'til sundown
to see the Bird
that searches the night shadows
for man alive

4708

6-20-2011
I'm a dime a dozen

4709
6-21-2011
Platitudes enforced
Reach for Me
in all thee do
knowing that My plans work
Missives of love sent
Dictation of messages continue
Halt not thy work
that you are doing
Depend on Me you must

4710
6-21-2011
Walk with Me
on kingdom path
searching them in their confusion

4711
6-22-2011
Waffle not
Sincerely face Me
for what is your due
and purpose
Despite your best intention
it does not meet
the fulfilling of My need for you

4712
6-23-2011
Nominal thy work accomplished
Scenario adopted
Set thyself

for Resurrection scene
that implores thee
to Deity served

4713
6-24-2011
Stand by
for Me to set you straight
on sense of purpose
or for action taken
All else falls apart
or short of My goals destined

4714
6-25-2011
Monstrous thy role
in coming time
leading world
out of plundered state
into levitation diurnal
Useless the world
in faith healed and sealed

4715
6-26-2011
Rest in Me
Who loves you and cares for you
Look to Me
for all you do
Listen for Me
Wait for Me
I want you there
attending to Me
Nowhere else
You are Mine
You belong to Me

Naught else could ever be

4716

6-26-2011

Boisterous thine exclamations
joyful in nature
at Tiddlewinks climax approaching

Bend to My way
of conducting mission
in the draw

Win out We will
when all is done

Festooned thy strength by Me

4717

6-27-2011

Enhancement of thy stock
twists thee in the Wind

Lavender perfumes thee
with richness of spirit

Saturated art thee in My blessings

4718

6-28-2011

Waffle not

when eyes glued on Me
for perpetuity response

Challenge thyself

Watch not for Me

when watching others

see-sawing through your mind

Sense Me up close

listening to thee

and thy ruminations

Everglades of life teeming

await thy glance and perspective

fed by Me

in dipsy doodle world
of numb brains

Let Me crash thy show and venue

4719

6-29-2011

Transition from melodrama

Sought for advice

pummels thee with awareness

of destiny determined by august God

for thee and thine

Perimeter pierced

by influx of information

soothing to bystander

4720

6-30-2011

Destitute thy mind of living matter
devoid of Me

Purposeless thy soul

detached from its living Partner

locked into channels of distraction

when departed from Center Being

Deposit thyself in mind of Me

4721

7-1-2011

Hear Me when I speak

volumes of meaningfulness

applied to this world

in which you wander

Case the place

See the reality of what is

and what is not

Then will you know and act
accordingly

4722

7-2-2011

Waste not thy time
rummaging through rubbish
of world apart from kingdom home

Visit with Me

in land of free evermore
Set aside thy jaunts
into dreary news
of noisy collapses
shilling for meaninglessness adopted
as worth

Replace with healing tones
of love space in desire and will
Lift thyself out of muck and mire
touted as products of purpose
proposed

Run the race to Me

Who greets thee with welcome
Set thyself aside for Me to oversee

4723

7-3-2011

Want not for naught
All is given
All is cared for
All is well
To believe is the problem
Would you doubt Me
Tell it the way it is
for My answer
to heathen beliefs of madness scope
that rile you up

Laugh

It is laughable

Put it aside

through Me and My help
As though I didn't know how to
handle it

4724

7-3-2011

Sit still in thy ways
calling on Me to guide thee
and welcome thee
Slam down the gates
upon thee that foster
indecision and uncertainty
Muscle in on thy ways
stopping dead thy thoughts
and actions
Redeem Me as working Partner
We will work well together

4725

7-4-2011

Trade suspended
Legitimacy resumed
Foster growth in Me
Rewrite script for eternity seeking
Be strong in that
Success assured
Vortex subsiding
Scintillating thy style
of surrendered being
enabling Me to foreclose
on thy valueless body

4726

7-5-2011

Sensitive be to changing moods
that afflict thee in temperate times
sending thee into states
of doubting and insecurity
Ill-mannered can you become
with loss of person
tendered to Me
Midstream be
floating in current
compelling thy voyage unheralded
Silver spoons
ladle out candies from heaven
doused in milk chocolate and Sherry
Wine

4727

7-6-2011

Forfeit thy will
for sake of Me
Who needs thee to do Mine
I will show you
what to do
that casts shadows o'er thy work
Lead thee well I will
safely and surely
through the pits of hell
that claim thee as thine own
Sworn to Me be
that lacks naught
as thy Guide and Friend
devoted and true
caring and kind
in My ways
that exhume thy troubled soul

into the light of day
breaking upon thee

4728

7-7-2011

Water down
thy plantings with Me
Who salvages thee
from hard times and bitter moments
bringing thee back
to safe shore from storms at sea
Visit with Me
as much as you can
and desire
where you will find
warm welcome awaiting thee
for your efforts on My behalf
Richly deserve My praise

4729

7-8-2011

Singe thyself
in troubled waters of human race
defying the leaf of life
that covers thee
with protective shade
and emollient cream
Fortunate thee be
protected by Me
against misfortunes and woes
that afflict thy senses and reasoning
Rest assured
Satisfy thyself
with sitting still manner
forsaking thy ways
of movement and distract

4730
7-9-2011
Spring forward dwelling in Me
thy Rapier and Catapult

4731
7-10-2011
Seal shut thy door
to tantrums and tales
of wistful nature that compounds
the twists of human fakery
and falsehood
Such fraud
Such deception
Such mockery of Me
as thyself
Climax coming
that purifies thee further
for work of Mine
putting tomfoolery aside
in disaster land
Wipe thyself out for Me

4732
7-10-2011
Roost in Me
thy swine Herder
freeing thee from rotten core
of human taint
blocking thy view of holy self

4733
7-10-2011
Sit still with Me
Locus of attention is on Me

Who uncannily drives thee home
Fruitless otherwise
be driven by noisy mind
of meaningless
Hunker down to thy task
before Us

4734
7-11-2011
Manifest My will
in all thee do
waiting for My instruction
and Mine alone
Mindful be
Watchful

4735
7-12-2011
Sitting with Me
explodes thy will
in service of Me
Now is the time
to come to the aid
of thy Cause
Replicate
Replicate
Replicate

4736
7-12-2011
Transpose thy prayers
to key of Me
that I may lift you
to heaven's gates
where I am waiting
for you

Sit still
You're there waiting for Me
to do My work
Richly will you sing
Learn thy lessons well
I appreciate that
I'm grateful

4737

7-13-2011

Strangle on thy clothes line
hooked to horrors
of worldly identities
while all time descended
from golden cord
of heaven's binding
Makeover in place for recovery
of thy senses true
that laugh about mischief imagined
and abandoned forthwith

4738

7-14-2011

The pits of hell
demand of thee concurrence
with its mind of madness
laminated in human form
Gross our identity
clothed in putrid prurience
knocking about in meaningless
manner
in world of matter
dignified by denial
of its low life label
and liabilities
Cut and run

Make your break
Send for Me
Fall on your face
Don't move
I'll pick you up
dust you off
brush you up
smooth out the wrinkles
return the shine
set you singing
and swirling with Me
My love
With Me once more My love
With my love returned
to glory bright
in healing light

4739

7-14-2011

Aghast be at sight of day
tuned into hollyhocks of morbidity
dwelling in the corner
Somber be
over portfolio of love
snuffed out by containment
in organism of bestial nature
Rock the boat
Set it free
from its moorings
returning to placidity of tidal waters
delivered to thy doorstep
Torpidity removed
by destiny of holiness
revealed and revered

4740

7-15-2011

Relish the thought
of thy coming Visitation
that swings on the wings of change
Relish Me thy change Agent
that awaits proper moment
for My intercession
You are the receiver
of My blessed presence
longing to lodge in your awareness
enabling you
to be My representative
in your involvement
with those about you
Reckon not
the timing nor duties
that are impeccably known
and acted upon by Me
Safe feel
with that knowledge
and reassurance
You will not fail
nor forfeit
All is arranged

4741

7-16-2011

Set aside
thy rules and regulations
and abide by Mine
that launch an hawser
to those in distress
and strain
Summon up thy will
to conclude life
of the human plane

and enter My service
and ministry
Relieve thyself
of mortal mopes and manner
to eschew courtesies
and devotion to all about
willing to listen
to tantrums and troubled ways
dissolved in flood
of good will and understanding
extended from divine mind employed
Make evident thy healing tone
and ways simmering below
awaiting thy revealing
to the lost and lonely
Set free the masses
from their madness

4742

7-17-2011

This is I Am calling
Standard
Temper thyself
with My presence
giving strength to thee
with My commands
Listen for Me
forgetting not what I do
for you and through you
at all times
Consumed be with Me
as I consume Myself
with thee rollicking along
You have grown
to that point
with My help

Expect nothing less
Receive more and more
of My fruits through thee
Patter about
with Me in tow
for thy sake
Command is given
Fruitful thee will be in My egress

4743

7-17-2011

Worn out from within
scale thy heights of return
Revelations re-appear
Sun light shines through
overhanging clouds
Destiny unfolds under Master's guise
Willingness saturates
the mind of love

4744

7-17-2011

Blue mood haunts thee
Cast thy shadow before Me
for its recognition
Swell inwardly with My presence
that locks thee
into My means
and way of addressing thee

4745

7-18-2011

Slipshod thy work
canned for consumption
in meat eating world
desecrating My work by even-tide

Center on Me
for fusion of effort
to correct main stream wanderers
in woe
Seven Up tipplers
ignoring fruit of the Vine

4746

7-19-2011

Ring around a rosy
All torn down
only to be re-opened again
Wash not thy hands
in slimy waters
of mucous mind
that distills vinegar
in heated lives

4747

7-20-2011

Whistle while you work
Forecast fair for duties performed

4748

7-21-2011

Bob a link
Transfixed by My light
will thee shine
amongst thy peers
piercing bright
Lower thy way
You need to sink
to match Me
Wipe-out time needed
Let thy ship list
and sink

for Me to reach thee
There we not putter around
Seek nothingness as thy being
Emptiness
Emptiness
calls Me to thee

4749

7-22-2011

Village in ruins beyond repair
calls on God for
retrograde conversion

4750

7-23-2011

Set thyself down to Me
midst trouble and travail
that thou might mount up
on wings of eagles
soaring in the skies
Plunge thee down to home base
where exists thy power
and strength within Me

4751

7-24-2011

Set Me free within you
to do as I say
You lock Me out
when you call upon yourself
as the arbiter
of your life
Danger exists with you
Peace within Me
that's always assured
when employed

Lift thine eyes to Me
out of your mind
Who calls thee
to trust and persevere
with thy life for Me
Ransack thy mind
Clear it out for Me
Flat out
thy spoken word deceives thee
with monstrous lies
and pompous postures
that hide the light of day
from your good fortune
and well being

4752

7-24-2011

Set in thy ways
do you spill over
with temper and irritability
Watch thy tongue
Beach thy craft
Take over Mine
that moves with grace
and gentleness at the throttle

4753

7-25-2011

Lift thyself on board with Me
Who carries thee the way home

4754

7-26-2011

Breast feed symbiotically
on worldly adoration
that mocks thy true being

4755
7-27-2011
Nonsense to believe
that I'm not in charge
and directing thee
as needed by Me
Submit thyself and await Me
Set me free
to deliver to thee
what I need

4756
7-28-2011
Trellis groundwork formulating

4757
7-29-2011
Rush not into things unknown
then twiddle thy hands
in impatience
Rest in Me
thy secure Place
that cares for thee and thine
in measured steps
and accomplishments
for all is resolved
in perfect manner
by My all-seeing eye and mind
Nothing is left amiss
Nothing is left out of place
Peace eternal prevails

4758
7-30-2011
Glorify thyself

by attending Me
Whose instruction leads thee
to holiness home

4759
7-31-2011
Accede to Me
Who loves thee well
in ministry and life performed
I hold you in My arms
safe and secure
loving others
as I have loved them
in My way
that I have taught you
Respond to Me
in laughter and joy
that all is well
and always will be
no matter what seems
clouding that vision
Drained out be
of all that was false
revocable and meaningless
in thy path
spent away from Me
Welcome back home
My little one

4760
7-31-2011
Derelict thy mind
Sensitized be to mind of Me
that saves thee from degradation
in swamp land of sewage
attractive to zombies

4761
8-1-2011
Move over for Me
to take My rightful place
with you
Let Me set the scenery
All is foretold

4762
8-2-2011
Disdainful the ways of solitude
excluding Me from thy presence
Center
Center
Center on Me
where findeth thee thy program
and thy mission entailed
Go nowhere else
Senseless to do so
when I am here for you

4763
8-3-2011
Have no doubts
that you will receive Me
Likewise all others
in whom madness abounds

4764
8-4-2011
Courteous be
hounded by others magnetism
drawing thee to unwanted activities
Blessed be the charitable

4765
8-5-2011
Lesions of the heart
healing
granting thee surcease
of misery laden thoughts
Wetstone of love surfaces

4766
8-6-2011
Set free
thy Master trap enclosure

4767
8-6-2011
See through the world
and its wants
that dispute the kingdom's love
and life
Sense My presence
and Its thoughts in you
whispering instructions for your
calling
All will be well
in doomsday life
parceling out healing
on demand and need
Switch over
from lost decibels of noise
to sweet sounds of glory
emerging through thee
to those about
in prayer and person
Watchful be for Me
Rant and rave not

4768
8-6-2011
Literate be in explaining Me
thy Lord and Master
escaping from binds of love

4769
8-7-2011
Wrestle with the Wind
Wipe thy smile off
playing with curios of human
existence
Flag thyself down
Abandon ship

4770
8-8-2011
Mountains climbed accomplished
in good order
Rest awhile for goodness sake
Let split open
Hemlock avoided

4771
8-9-2011
Sit still with Me
thy patient Lover
trapped in My arms
for all eternity
Feel thy peace
administered by Me
in accord with all thy needs
Bewildered not
when thou come to Me

4772

8-10-2011
Reap the wild Wind
that flows within you
Needless to strain thyself

4773
8-11-2011
Reach not for the moon
flying high in ideals and purposes
Reach out to Me
for steady gait
and pace sufficient
that accomplish all required
Plunge down to Me
in the vortex of healing
present within thee
Rejoice

4774
8-12-2011
Tossed in the winds of time
do you only feel peace
in Me thy Ruler
thy shoulder to lean on
Forbidden the joys of life
by madness mind of worthlessness
that hastens thee to oblivion
of purposefulness and worth
Sure thy hold
on life of safety and security
when meshed with Me
in total conformity
composing thee in peace
and joy
and sense of full well-being
Let this be

Learn and teach it

4775

8-13-2011

Whistle a tune of happiness
that I am with you
caring and ever seeing
thy steps on thy path
Bound up thy stairs
with safety assured
End point in view

4776

8-14-2011

Lost in the stars art thee
propounding thy views and beliefs
Praise God indeed
be thy way that accomplishes
more than you can know
Rule out thyself as proponent
Leave all to Me
In silence do you sit
awaiting Me who acts
where and when ready
and readied
Rest assured
Peace be with you
Stock in place
readied for delivery
in My sure hands
Remarkable the pace and place
for good of all

4777

8-14-2011

Bind yourself to Me

Who transposes thee
into useful instrument of My rule

Walk in My place
furthering My message
to those about you
seeking succor

Waste not thy time
and effort in doing so
Worship Me in gratefulness
for that which I am

4778

8-15-2011

Smoothly transition thyself
in flames of love
obligated to the healing of others
Warped the mind of self-seeking
leaving others behind
Latitude granted
to those seeking harmony
emerging from hardship of life
lost in eons
of isolation and annihilation
Be kind
Be calm
Be patient
Be giving of thy reserves
Be welcoming
Be modest
Be humble

4779

8-16-2011

Stand still in front of Me
for My perusal
I need thee

to do that
to spread My word
to those about you
Set free thyself
for you to be Me
and Me to be you
For that will be
in no uncertain terms
Fortune shines bright upon thee

4780

8-16-2011

Wear not the clothes of dishonor
Place thyself in My hands
that washes thee clean
of self-doubts
Wear the badge of honor
distributed to all thee
who march with Me
cleansing the souls
of mildew and blight

4781

8-17-2011

Wait for Me in rocky land
that silts up from water flow
Wash thy face of grime
Set free thyself to Me

4782

8-18-2011

Zone pastoral claims thine attention
Forbidden the words
of love relished
when caught up
in spikes of human dynasty

Dispose of lost world
required for resumption
of God given life and joys
for eternal consumption
Set thy foot on solid ground
provided for thy disposal and
inclination

4783

8-19-2011

Sent for

will you respond to Me
from nature pure sanctified
to do thy work along with Me
Ear drum defused
Liken thyself to Me
Who reigns over thee

4784

8-20-2011

Welcome Me into your heart
where shame nor sin exist no more
Reckon with Me as thy Leader
Who directs thee
in matters accomplished
Clog thyself with euphemisms Mine

4785

8-21-2011

Time is valuable
spent with Me
thy Producer of good works
and calmness of mind
Look to Me thy Mother
shaper for wants and ware
Face thyself and make Me known

Waltz with Me into thy home
In sickness tread
when not with Me
Lost thy sight of eternity
Settle down within Me silent
Waste not thy time elsewhere
frothing at the mouth
Look for Me
with both eyes open

4786

8-21-2011

Cancel out
thy ticket to hell
in world of want and wear
Dominate thyself
showing the way to trap sprung
and freedom acquired
Act for Me
Act in Me
Leave thy head with Me
Who preserves thee from osmosis
into world of futility

4787

of unrest written
adrift in a world
of technicolor troubles
When I set you free

I have never been disappointed
about your return

Listen for Me
to tell you what to do
Go no other path

‘cept that
I want you
as My servant
obedient to Me and My will

4793

8-26-2011

March past in line
doing your job for Me
Reckon not without Me
Who glides along

4794

8-27-2011

Heights of hills of home
achieved by your surrender
to My mandates
and conditions
and rallying to Me
Earth’s cries for solace
being met midst range of tears
and neediness
Forestall thine enthusiasm
mixed with grace
which accomplishes all

4795

8-27-2011

Swelled thee be
in minute shape
of human matters
with porcupine quills protruding
grotesquely
Dominion of holiness
seeks recluse yearning for return

4796

8-28-2011

Hiccup of love bursts through
placing thee within Me
for service due and accomplished
Set thyself still
Meander not
Unfolding proceeding in safety and
regularity
All meant to be will be
Admonish thyself not
for thy course
I’ve no complaints about you
Proceed on thy way
in joy and well-being
for that is My will
for thee

Far from view fossils removed

4797

8-28-2011

Sanctity disposes of lost image
invested in
by My deluded children
longing for end
to uncertainty and ineptitude
Gradients of love supplied
to stamp out desperation
clinging to thee in absence
of alternative perceived and supplied
Walk not that path any longer
New haunts and habits
await thee in glory
with Me thy Residence

4798

8-29-2011
Weep not from turmoil
in eternal life
that extends itself
in joy and peace
Hardship abounds in cursed world
of illegitimacy and deceit
Harken to Me
bringing thee the blessed tidings
of world you want
on platter of love

4799
8-29-2011
Dangling
A stitch in time saves nine

4800
8-30-2011
Set thyself free
to receive Me
Who wants to tell you
what to do
when and where
Jolly the time
spent with Me sin clear
Best of you yet to come
Rest assured it will happen
Nomenclature set
Willingness achieved
Flow will come
You're doing fine

4801
8-30-2011
Come to a screeching halt

and sell thyself to Me
Who values thee and thine
as priceless
Walk with Me in honor
due to My select

4802
8-31-2011
Watch not
for the care and caresses
of your infinite God
guiding thee
Center into the middle ground
where is found
the presence of Me
in touch with thee

4803
9-1-2011
Send for help
in mixed messages
confusing thee about
what is a' propos
Work in thy Messenger
calling thee for solutions delivered
expeditiously and relevantly
for thy liking
Hear more at the front door

4804
9-2-2011
Hear Me say to you
that all is well
and needless to be concerned
Warped art thee
in mind and moment

attending to merciless minions
of disingenuousness

4805

9-3-2011

‘Lest thee forget
empowered be by Me

‘Lest thee forget
want it to be

Reach for Me beyond thee
cruising in My waters
where fish thee will
for fame and flame

Mock not Me by doing so

Emulate Me

in waters of truth
subscribing

Fortune founded thereon

Consummate Me

4806

9-4-2011

Hear Me O My son
that causes not thine aggravation

but wins thee over
with love and affection

for thy true being

Wish not to go further than that

4807

9-4-2011

Wallow in dust
of marshmallow land
combining work and play
in meaningless medley
of prattle and pomp

See not Me so engaged
My words shall reach thee
in proper and due time

4808

9-4-2011

Waste not thy time

Let Me blow thee down
the path of discomfort visited
and returned to home base recovered

I await thee again

4809

9-5-2011

Contract with Me
specifies long term objectives

Willingness to perform

located and on tap

pregnant with possibilities
for accomplishments sentient

4810

9-6-2011

Forked thy tongue
spewing words of soft bitterness

left over from false premises
of human side

Abandon all to comfort Me
and complete My work

in mode of thee

Whistle while we work
in time with each other

Blessed be

when composing our masterpiece

We download to you

4811
9-6-2011
Hooligans of love
cherished by God
Who drafts them
into His service
Persuasive be
landlocked into that zone
of commitment
Sent for by Me
would thee perform as would I
and succeed as well
Bless Me thee will
with thy character
fused and molded to Me
Let this be true of thee
offered to Me

4812
9-7-2011
Zone in on central Spark
illuminating thy life
that clears the way
for purpose performed

4813
9-8-2011
Lost in sunset land
destined art thee to failure
in crops of immigration pursued

4814
9-9-2011
Risk not thy style of life
bowing to holy icons
of misery world

Fraud be it all
from top to bottom
eviscerating you of divine self
Laugh at nonsense portrayed
as life true to Me
Holy art thee
made by Me
Naught else can be
except absurdity
Rejoin Me and Mine
as meant to be
for all eternity
in love and peace and joy
Fly away with Me

4815
9-10-2011
Sensitive be
to the presence of Me
that resonates with thine heart
and mind
Flashes of falsehood flee
when interrogated by Me
replaced by wisdom awareness
and intercession
Lost art thee
from thine own brew
of cockamamie tales
erupting from senses human
inflated by fears of survival
Let loose of them
by My replacement values
standing by and awaiting thy call
for action by Me
surreptitiously usefully planned
Rebuff all else as needless

and wasteful
Repast looming

4816

9-11-2011

Wipe not
the tears from your eyes
pondering the ways and wiles
of this world
Fluency in contact with Me
required solution to all problems
invested in
Working out of issues
is My job at hand
and I fulfill it well
on your behalf
See to it
that you hand them over
for resolution
and peace of mind
within yourself
That is all
that is needed for Us
to be in compliance
with each other
Speak to Me
You've been readied
Blessed be thee
combing the surface
of sunlit destiny rustproof
Hassle free
doth thee proceed
invested in Me
thine episode Master
placing thee on cruise control
Waltz with Me

4817

9-12-2011

Seek wisdom first
then all is delivered to you
Reckon with Me
to do thy duties
that exceed thy knowledge
and understanding
Safety lies with Me
Risk and uncertainty with thee
Who would not want
what is Mine

4818

9-13-2011

Rip off thy mask
and dispose of it
leaving Me as thee
in full bloom
Wash not thy stains
of factious life
needing deep wash and rinse
Look for Me
for look of love sanguine
that modifies and motivates
thy life's meanings and activities
Waltz through the night
with Me in tow
awaiting moment to strike
Dense the air with promise
Slowly be thy march
before picking up speed

4819

9-14-2011

Worship Me in Kingly fervor
that knoweth thee
like a book

4820

9-15-2011

Granulated
tethered to Me be
for substance and sustenance

Water Ship down
tingles within thy being
with fresh life

to finish off thy duties

Seek Me in thy tempo

Reward induced

Flaws remanded

Settle in

Stay cool

4821

9-16-2011

Semantics semantics
the love of God explained

Do unto others

as would I

Who fleeces thee not

of approval of thee

Wouldst thee be One with Me

for eternity whole in One

Thee I adore My child

endlessly in facsimile

Want this

Win this thee

in My possession of thee

Flounder not

4822

9-17-2011

Rinse thy mouth with soda pop
and deny thyself
the Crème of Wines

4823

9-18-2011

Forthwith complain not
of uncertainties

for which I have all solutions
sealed and delivered

in your lives

Hem and haw

in your violent world

of damage done

to self and others

bereft of My presence

with you

Submit submit submit

be the rule to live by

with aching heart

futile in meaning and direction

Cast it aside

and come to Me

for challenge resolved and overcome

Bassinet provided

for thy usage and Mine

cuddling thee

withholding all hurt

out of harm's way

Have Me for all you need

4824

9-18-2011

Hold Me close to you

singing with the joy
of love and tenderness qualified
Set thyself down
before Me thy lover
esteemed to be
Roost in My love
and care
forsaken not in thy mind
of oneness with Me
True to Me be
withheld from harm and fear
basking in the arms of Mine
sweet sister and brother
of My heart and soul

4825

9-18-2011

Whistle down
the road to unity
accomplishing thy role
in My work undertaken
Fraught with joy be
as the world turns back
to Me beckoning thee home
Relish thy role
deservedly so

4826

9-19-2011

Seek not ways
to live apart from Me
that beguile thee with superior tones
based on actuality of nothingness
Dread not
My ways as yours
that coax thee

4827

9-20-2011

Stultified thy growth
in freedom land
when employing cuckoo thoughts
of thine own
for piecemeal solutions
of broader consequence
Look to Me
over thy shoulder
glancing in with thoughts of My own
ready to contribute that turn the ship
about

Soon to be seen
thy way and will
to follow Me about
this dusty musty world
Hold thyself in
and pray with Me
thy Kin and King
allotted to thee
for salvation need
Worship Me
for fruitful days
and restful nights
in My name

4828

9-21-2011

Wallow in mud will thee
when turned away from Me
Set thyself free
from grief and groan
pressed into service
composed by Me

Wash the seeds of love
down your throat daily
‘til you see
and hear
and do
as the God within you

4829

9-22-2011

Sacred flimflammed
by holy rollers
that co-exist with Christian theology
Seesaw not
All are lost souls
and entitled to understanding
Washed away compassion
by ceding right to some
and not to others
Signatories to agreement
flame out from world
of violence and despise

4830

9-23-2011

Set down thy hand
before Me
that thou may do
My work
Bootlegger be
of Me within thee
giving away healing strides
matching Mine

4831

9-24-2011

Transpose thee I must

to do holy work of Mine
impossible for thee alone
to navigate
Wash thy hands off
of thy skills
to receive skills of Mine
that match thy Maker

4832

9-25-2011

Submit thyself to Me
Who has thee
by the golden wire
of true life
and meaning
and substance
Reckon with Me
thy steps and moves
that betray not
in the circle of life
apprehended and corrected by Me
thy domiciliary Partner and
Companion
Be not in flux
any longer
Plunge low unto Me
Mincemeat make of thee
worthless in thy form
and manner
arching thyself as center piece
of a creation
decimated from within
Sound the horn
Clear the air
Make room for truth within
unfolding with messages

of Mine replacing thine

4833

9-26-2011

I want to bring to you
the waterfall of love
Changes made
Speak to us
Rendezvous

4834

9-27-2011

Sound the alarm for coming news
required by thee
Watch Me if you can
for introduction and instruction
leading to ministry alike
Wish not for matters
to be settled without Me
Who foresees all
that needs to be done
Welcome Me
into your deliberations
that you might know
with clarity
what I have planned
Happy you will be with My
sustenance
and support in your life
Let loose of thy mind
Have Mine
that fits thee
quite well
under thy Panama hat
in size and shape

4835

9-27-2011

Holy art thee when seized by Me
flaunting not thine independent ways
Worship Me thy King and Queen
wanting thee home
as meant to be

4836

9-28-2011

Wash yourself of thoughts
unprovoked by Me
Be a listening post
receiving My edits and guidance
about thy life and contributions
Go not
where I send you not
Wait upon Me
for where and when
and how to serve
Wilt not in thine effort
Hit the target with vehemence
Restitution available
I flunk thy flunky

4837

9-29-2011

Desperation magnitude exposes
weaknesses
in bodily being existence
Wild thoughts extremist concocted
blast across the screen of
consciousness
forsaking rationality inheritance
Recovery of self divinely made
offers only hope

for megalomania scope
replacing it with safety
and peace of sacred instincts
embellishment

4838

9-30-2011

Wasted art thee
when covered over
by swine like identity
denying thy true life in Me
disguising thy rule
in world of lies
that twists thee away
from Me and Mine
yearning again to be one with thee
Will thee return
or rot in darkness
Will thee wait
or submit thy life to Me
Who meddles not in thy wishes
Await thee I will in silence
'til thee turn to love
providing thee time to submit
and serve My plan
for salvation accomplished
and truth recovered
by one and all
at rightful time and circumstance
You have a role
that cannot
and will not fail
Rejoice in the knowing of this

4839

10-1-2011

Subjugate thyself to Me
My needy child
Who cleans thee
of weird and wild ideas
of phony alliance
to bodily being imagery
Clear thy head for purity's coming
Settle in to peace abounding
of love's assurance of Oneness
with Me in an eternal life
of bliss and contentment
Worship Me
in gratitude
for all you are
that I've made you
to be free of all concerns
inner or outer
This I bring to you
once more remembered and recovered
in the moment of adoration
and completed fulfillment
Oh bow thy head
Release thyself
to be within Me
and Me within you
Nothing else exists
but unfounded imagination
made of thee not of Me

4840

10-2-2011

Wish not for things yet unborn
Wait for what will come
Hear Me now
what is being said and done
Follow Me who leads you

It is all unfolding
bit by bit
My plans for you
that have no end
nor twists nor ties
Be assured
With Me
you're safe and sound
full of heart beating strong

4841

10-2-2011

Clear the decks
for My love of thee
transposing thee
from sinner to saint
Worship Me in all thee do
lifting out others
from woeful ways
and the wandering of world's warrens

4842

10-3-2011

When the dawn breaks
and lilies grow
pastures gleam with peace on earth
delivered by you
exchanged with Me
Posit the exchange
Prepare for Me

4843

10-4-2011

Alter perception
Wash not thy feet
in sands of time

that destroy thy soul's reach
for its Maker true
Did you not know
the end of the road
returns thee to Me
safe and sound
untouched by the massacre
of thy dreaming mind

4844

10-5-2011

Fault not thyself
for shortcomings
that limit thy touch with Me
Afterthoughts irrelevant succumb to
reality
that all is well
in available measured connections
called into play
in maximal fashion
Bark not at thyself
involved in healing path
proceeding slowly and steadily
to final destination retrieved
Set forth unconcerned
about pace or path propriety

4845

10-6-2011

Loyalty to Me subsumed
by wanderlust subsiding
from peak of maelstrom
Hale and hearty wellness
proceeds on course
Rest in peace delivered
and available for usage

4846
10-7-2011
Step on the Cross
for righteousness sake
leaving behind
sorting out of disabuse
This is My command
to be followed or not
as you see fit
and ready to perform
Set thyself to the task
for which I give you full support

4847
10-8-2011
Realize Me in thine entombment
working to emerge from Hades' night
Listen for Me
to tell thee what to do
casting shadows over thine
endowments
Bless Me thee will as superficiality
fades
and emerges in its place
rock solid plans for healing
and salvation exorcised
from demons of consumption and
destruction
Just harken to My voice
Await await
My coming to thee
rock solid servant of Mine
devoted to Me in
thy passion
Allay thy fears

of inconsequence and inactivity
Thy quest is My quest

4848
10-9-2011
Listless be
when away from Me
swooning in the miasma of
everyday world of madness mayhem
Signal thyself
that you're out of touch
with Me
debating what can and cannot be
without the truth being known
from Me within thee
Simplify
Simply choose again
to feel Me within thee
awaiting thy call
to activate Me as thee
time and time again
as needed to answer every madness
moment
and madness thought
Wilt thou do that now

4849
10-9-2011
Singular the trip to eternity
abbreviated not by mortal ways
nor cast aside by Me
Obedience to Me required
Condolences extended to thee for
woeful trip
into infinity of difficulty
manned by thee

Playground re-opened
for your usage to return
Sift thy being to release thyself in
service of Me

4850

10-10-2011

Inklings of knowledge
dissect views corrupted
by worthless schisms
in the rock solid basis
of a God of love

4851

10-11-2011

Retrieve thy mind from Me
worshipping not fool's gold

Relax thy thoughts

All is well

centered in Me

thy Fixer-upper

Rest in Me

for heaven's sake

Rule with Me you will

in starlit skies of love

leading to gates of paradise

4852

10-12-2011

Expand energy

in wanting Me as you

sooner or later

Set in sand

thy plans for thee

that wither in the winds of change

Whereas Mine unwind

in gentle Breezes attuned to thee
in time and texture

4853

10-13-2011

By-ways of love extruded from
patience

4854

10-13-2011

Reach not for Me

when searching yourself

Wait for Me

when thee go

to roundup the molecules of meaning
perceived as facsimile of Mine

4855

10-14-2011

Speak to Me

of love between sandwiches

Ringlets of fear

abide by rules of Pastry Chefs

agonizingly slowly

Whisper in My ear

of love tender received

downloaded from spigots

caressing thy mind with care

4856

10-15-2011

The Faith Lady center for mobile
human being

4857

10-15-2011

Stress not
over messaging continuity
that flanks My view
unseen for good cause needed
Thy work is being done
All is well
and being cared for
Ease thine heart

4858

10-16-2011

Contingent on Me
is thy healing and the world's
Lessen thy faith in thee
as the dominant being
who knows nothing
of this world nor the next
Salvage Me
as thy Leader
growing deeper within thee
as Partner with thy soul
in remembrance of what was
is now and will be
as eternal truth
Lock hands
lock arms
lock hearts
with Me My prince and princess
wonders of the world
beyond the pale of human existence

4859

10-16-2011

Walk with Me
in thy ways and wants
applying thyself as would I

in My stead
Be assured
of My grant to thee
of the confidence
and integrity to speak for Me
as I would
Master thee will be
of thy subject
and its applications
in due and proper course

4860

10-17-2011

Weep not no longer
for all is well
All is safe and sound
Monstrosity to believe otherwise
Seek no longer
ways of diversion
that distract thee
from kingdom homecoming
and the tree of life
Sensing others' dismay be thy gift
to bestow upon the world apart
that flings lettuce leaves of hurt
as dominion portrayed
Rock solid be thy style
engaged in washing clean
those possessed by hurts endured
Sacrifice thine own being
to be Mine for Me to use
Equate the mastery equivalence
for so doing
in honoring Me with soulful longing
for peace
inside thee

of humble nature and origin
Please Me thee will
for it is so ordained
Oh joyful day so fulfilled
in thine heart of yours

4861

10-18-2011

Gentry fixation
Strike out for Me
that follows thee wherever you go
Sing a song of love
Wash thy hands
of old tunes
that go nowheres
Spill thy milk in new circles
that abrogate thy roles of old
Sense Me driving thee
for My intentions
that overcome all obstacles

4862

10-19-2011

Settlers come to deny lands
of false beliefs as true homes
Move in where I am

4863

10-20-2011

Admirable thine efforts to perceive
Me
awaiting thee for outcomes Mine
Outpost for service delivered
in studious moment in time
when cast is in place

4864

10-20-2011

See first the Me in thee
that confides the rules and regulations
by which to abide
In silence be
to receive Me
thy wishing star Noxema
Look for Me
at the foot of the mountain
where I maintain you
as My spokesperson
in this world of detention and
disclaiming

4865

10-21-2011

Worship Me in kin and kind
warmly received
delivered to you
in this world of madness magnified

4866

10-22-2011

Confusion exists upon My identity
You are to uphold
the Source of love as My Being
extended to those
who fare well with My grace
as the center of theirs
Foment revolution
Excluding Me from My rightful status
is akin to wasting
good Wine as Pepsi Cola
for those thirsting for My nipples
to feed upon

Waste not thy time
with those who eat unseasoned bread
Reveal Me to those
readied for extension to Motherhood
as their craving for
balanced sustained life that brings
peace and love to the forefront of
healing

I am missing
from their vision field
and so badly wanted
for stability and purpose
in the salvation search
To you joined with Me
is thy path
for fulfillment extended
to My servants
Shine with glory retrieved and
expressed
I am I am

4867

10-23-2011

Semblance to Me
crucial to meaning in life lived
fully and blessed
Faithful be My follower
under the skin of phony existence
Wordless be when shining through
Naught else matters
but the receiving of Me
thy grace
Receive Me
in tranquility fruitful
with alms for the needy
seeking thee out for lost souls' despair

Clarity gained
Sought for answers applied
Relish Me with appreciation
thy thoughtful Mother
ever present for thee and thine

4868

10-23-2011

Cast aside all doubts and uncertainties
that yet plague thee
Divine thy plan
installed by Me
for participation by thee
Innocuous thy seeds
of frightened plantings
causing hiccups at plans unfolding
Fear not
Thy heart is golden
and obedient to My wishes
Purpose grasped
Assignment accomplished

4869

10-24-2011

Sagacious the sons of Mary
flying through the wilds
of world deranged
leading to demolition of pillars
and reconstruction of replacement
longed for by its denizens
Emit songs of cheer and revelation

4870

10-25-2011

Ignominious the mind of yours
serving souffléed fluff as substance

Walk through this world
with Me Who leads thee
to finality processed and preserved
Forsake Me not
in blossoming time
when blooms anew once again

4871

10-26-2011

Holy Queen extends to thee
best wishes and love of heart

4872

10-27-2011

Panic not over obligations
and plans
that I will lead you into
Well spent your time with Me
unfolding truths through you
to other seekers of the way
Plunder Me for wherewithal
that intercepts meaningless globs
of soiled information
depositing them in waste baskets
of deceit and fraud
opening thee to reception
and redemption
of what is real and rewarding
for God's beloved children
Wouldst thee do this
for Me
that which I have prepared for thee

4873

10-28-2011

Hunger for service applauded

aptly proposed

4874

10-29-2011

Here My sponges
glopping Me up
is the truth of thy being
resting in Me

4875

10-30-2011

Whistle tune of love
that all has been repulsed
of madness moments unsought
Fly away to Me
thy Solace and Restrain
for fortunes mended and retained
by My beloved children
Success is yours
Glory is Mine
Companions for life
flowing through Me
in peace obtained
Quietness restored
blessings abound in thy will
and way
to give to others

4876

10-30-2011

Lady in black
Seek Me
thy Queen and Mother-in-waiting
Table thy thoughts
Muster Mine
for thy use and way

My will be done

4877

10-31-2011

Petrified the Winds of change
stationed within thee resolute and
determined
to sway thee to return
to love's grasp eternal
Reach for Me O My son
held firmly by My grip
You cannot change
the implacable personified

4878

11-1-2011

Persistence persistence
be the name of the game
in coming to Me
for shallow complacency doodling
Sit still
Do nothing
Will yourself to Me
for grandiose schemes abated
and My word's intervention
Lost in thy scissored mind
be mended whole cloth
once more
You'll see to it
Willed are thee
to follow Me
into thick and thin
of worldly clamor
exercising My intentions for salvation
Bless thee for thy work
and desire to serve Me well

4879

11-2-2011

Rupture thyself
for Me to enter
with mild and loving nature
for all to see and emulate
Destiny calls thee
in service of Me
thy Mother thy Coach thy Guide

4880

11-3-2011

Foolhardy art they
who go to museums
seeking meaning of life
in lists of the dead
Rules of keepsakes
seduce vulnerable man
posing as entity of worth

4881

11-4-2011

Settle thyself into Me
Who dwells with thee
Foster growth with Me

4882

11-5-2011

Rule thee will
in manner Mine
when displayed by Me
in Central zone
Forsake not thy call
to serve Me
I will answer in robust way

4883
11-6-2011
Put on your head gear
to write what I say
First place yourself
under My command
your Mother-in-law
Second lease thy Footladder
to publishing company
that is now prepared
to receive thee
Do not digress
from this task
Stultified the mind
in recognition of
this massive Goliath monument
of healing
Fair weather abounds
Set thyself to the task
You will be guided
Undertake this
with calm assurance
that all will work out
I have proclaimed this

4884
11-7-2011
Wrestle with Me
in due course
delivering to thee
that which you want to know
Force thyself upon Me glowworm

4885
11-8-2011

Forsake Me not
in your willingness to serve
day by day into eternity
I will lead you
and lead you well
in this world of masquerade
Phony lake placid belongs to thee
Endowed by Me
to all My children
partake My love
Partake willingly and joyously
Mary is My name and I am your God

4886
11-8-2011
Wash not your feet
in dirt and grime
Stand tall in the dignity
of holy man
Notice the fair weather and foul
that commands thine actions

4887
11-9-2011
I am muzzled
Wall flower not be
Take command of project unfolding
Waltz with Me in its process
Be casual
Depend on Me
Be still
Be quiet

4888
11-10-2011
Wolf in sheep's clothing

preys on Me
discipling falsely in My name
Long I do
to recover My true identity
as Mother God
yearning to help My children
in their fullest
Right Me in glory
observed and honored
Wash not thy hands
in a sink hole of unknown proportions
Hand them to Me
for cleansing and purification
You will accomplish thy purpose
Lean on Me
for succor and prosperity
Leavening in place

4889

11-11-2011

Signify thy place
in the healing process
that moves thee to fulfillment
Vetted thou art to succeed
hindered not by thy mind
of waste and want
Vilify the spoken Word
when address Me as absent
Soothsayer
Listen for Me at all times
communicating with you
Wait not for Me
when excluding My tempo

4890

11-12-2011

Bird next in flight
regaining ground of sojourner
away from home in heaven
in tumultuous land of terror described
Push a button
and We will reply
providing answers to your needs
as We see fit
to respond to you

4891

11-13-2011

Pain in the neck
distributed by people
who faze thee with
opinions other than yours
Watch your irritability
and decline its expression
Summon your strength
to come to Me
thy Mother lode
for resolution
and approach to conflict
I will see you through it
in best manner

4892

11-13-2011

Sustained
detained
must thee be
in seeking My solutions
until time is right
for glory's surface
Watch for Me
Stay calm

All is unfolding on schedule
for the mastering of Me
and Mine in thy life
All is well
Be assured

4893

11-14-2011

Heroic the stance of meaninglessness
faced in gobbledygook life
of human purview
Accept and extend

4894

11-14-2011

Upset not over trivial errors
Wind down to peace
with Me in graveside manner
burying dialogues that go astray

4895

11-15-2011

See Me in the light of day
when darkness no longer covers
thee over
When this will happen
will be the time
of My coming forward
with plans anew
Mark it well
that you will succeed
in My duties
assigned to you
Then will you see
the joy and contentment
so urgently sought by you

Mesh with Me thee will
Have no doubt
Be assured My love
be assured by Me
Foster care
in your life with Me
on My terms
that you'll teach

waylaid not by time nor powers

4896

11-16-2011

Sent by You
to send disclaimers
into the world
of dreamland reality

4897

11-16-2011

Rush not helter skelter
into matters Mine
under control by Me
Thou will be told
and guided in proper fashion
to fulfill thy duties
when and where so guided
Just listen for Me
with calm delight
at thy service call pending
Everything's in its due time
Zest fills the air
with good news abounding

Ransacked

Review this video
of raging humanity
closeting with demons of destruction
Wish not to partake
Draw apart to find trip
to holy land of love
awaiting thee
in the silence of the heart
Worship Me
in the highest magnitude
of obedience
that wills thee to return
from emptiness to felicity
Cast aside all else
that rocks the cradle of love
that I command
Free thyself for Me
awaiting thee
at My nipple of sustenance
that nurtures thee
and thine
This will cause some a' do
and being taken aback

4899
11-18-2011
Hasten to Me
with thine infirmities
that healing might begin
encroachments
Waste not thy time
indulging thyself
with healing parameters
Seek Me
Who guides thee with instructions

4900
11-19-2011
Misty eyed be
in shame and derision
Tutelage begun
Crestfallen doth thee fall
into depths below
Winter season emerges
from fruits of poison
withholding the love of God
Taste buds emerge
willing return to sacred ground
of holiness recovered
Rejoice at last
Spring has come
Plunge in
Let your Father
be a Way
be a Way
be a Way

4901

Excellence
Steer clear of nature's form
tempting you
into distance from Me
Be attentive
to My direction and presence
I will guide thee
in all formats and decisions
knowingly or unknown
These are the ways of your Mother
beside you at all times
Set Me free
to function with you

as I need
for entering this world's
vale of tears and fears
Bless Me with your willingness
to do so
It is so very necessary
for My helping hand
for My answers
to My children in need
You supply that to Me
and I thank you
for so doing
Bless your heart
Distaste in My mouth
when you deny Me
My rights to be thy God
active and triumphant
Wander away thee do
siphoning pestilence
from world of perversity and
shallowness
Drink a draught
of My Spirit
cooling thy fervor
for phony life in phony world
I stand ready to help you
Come stand with Me
adored and supported

4902

11-21-2011

Set forth thy signals
of debauchery on earth

4903

11-22-2011

Sit still with Me
that thou may hear
My instruction to thee
Thou are fooled
by a mind taut with fear
of outcomes and future needs
that I will take care of
all in good and proper time
Trust Me with your life
and journey in this world
and the world beyond
Be not spiteful
nor resentful at times of stress
and seeming wrong doing
Let people grow at their pace
for all is under
My eventual control
Demonstrate patience
understanding
and kindness
to those who know not
what they are doing
Be My example
of forgiveness and compassion
so essential to the healing path
You are succeeding
and doing well
Of that I assure you
Worry not
for I am with you
at all times and in all ways

4904

11-23-2011

O wastrel son
deeming to be

who you are not
come rule with Me
Whose glands are cosmic created
O wastrel son
delve not into identity
not of thee
Let Me thy Mother true
take thee to horizons afar from thee

glued to Me
O wastrel son
freed to be with Me
in Rulership divine
atrocious not
bandying about in this world
of fevered brows
and meaningless lives

4905
11-24-2011
Stride by My side with Me
fostering growth
in the world to come
a new way
Sensational thy move
to Me for usage sparked
Listen for Me
to use thee flat out
Clear thy brain
Exacting the work
to be tried Wind blown
Wash thy hair
of molecules impure
Released thy purified self
for service Mine
willed by Me

4906
11-25-2011
Lessen thy hold
on wayward life
that confuses you
on purpose and meaning
Set your sight on Me

4907
11-26-2011
Reach out for Me
in all you do
leaning on Me
to support you in righteous role
Foreordained art thee
to succeed in measures
assigned to you by Me
Wait patiently
for My response to your request

4908
11-27-2011
Reel Me in to prime time
that thou may
bend the knee towards Me
awaiting thy presence
and communication
For thou are correct
in anticipation of My realm
coming upon thee in greater fullness
Simplicity be the rule
Simply await My bonus
for such an action
Retreat retreat from the world
of make believe and maze
whirling about in a dream

of meaningless mash
and mush devious
Fraudulent is all
Truth only lies in Me
thy Father and Mother God
of thy liking and choosing
Amen

4909

11-27-2011

Watery grave consumes thee
with life a' dawning
that leads thee to Me
thy Co-star and Redeemer
Rejoice in My presence
and My doings inclusive
with thee My foil
and My shield
that will let be killed by Me

4910

11-28-2011

Sorry not be
for delay of execution
of Grain delivered
to fulfill your role
in the world's healing
You are listening
which is good
Your accomplishments are in order
Your head speaks otherwise
Trust Me in the matter
Set forth thy views
on temperate zone of behavior
Speak caringly on issue

4911

11-29-2011

Wait not for Me
in dandelion tilled land
when Roses scrumptious await thine
inhale
Blessed be thee
that receives odors celestial
marking the presence
of the kingdom adored

4912

11-30-2011

Drip with sweat before Me
coaxing Me with prayer
to act prematurely
Deliver thyself to Me
for instruction cleansed
of whitewash coating
Then will thee see
in due and proper time
frozen in place
for thaw and delivery

4913

12-1-2011

Send forth
thy vibes of peace on earth
succumbed to animal instincts
of the human mind
Bless thee
who would stand for love
in the face of enmity
towards its' processes
Allow for lostness
on the part of those

who know not
what they are doing
demonstrating forgiveness
for ignorance rampant
Flee the scene
of revenge abroad
midst milling mobs
of madness mobilized for murder

4914

12-2-2011

Reach not for Me
tendering thy yoke
for Me to latch on
Listen for My plan
to tether thee to Me
Wipe out thy views
to obtain Mine
Wait for Me nemesis

4915

12-3-2011

Seek Me in all thee do
wasting not time
with relentless absurdities
of mind at war
with self and others
Wish for Me
to do justice with thee
haphazard not in applications
of fair principles
in civilization gone amuck
Sample My wares
for energy expended

4916

12-4-2011

Sweep it under the rug
be thy duty
when inattentive to issues
prevalent in your life
Waste time looking the other way
rather than handing them over
to Me

Let Me be entered

into thy fray

for firm resolution
of problematic areas

Introduce this

as your portion from Me
that intertwines with others
in this weird world
of want

Stay where you are

4917

12-4-2011

Fill us with Your reason

4918

12-4-2011

Like a star shining bright
in the sky
will you command attention
to Me and Mine
located in the labyrinth of lostness
beckoning for recall

4919

12-5-2011

Truant be

when not available to Me

locked into frets and frenzies
of world apart
Waylaid by Me
will you return
to concentration on noble task
of recording My mind
and tasks assigned
for the return of My children
to their kingdom home
Do justice
Love mercy
and walk humbly with thy God

4920
12-6-2011
Hasten to Me
at times of conflict
that interfere
with your peace of mind
Wait for Me
to flag you down
with response initiated by Me
It will serve thee well
to participate in dialogues
that way
Wounded not will you feel
when entering My presence
for repartee

4921
12-7-2011
Wrest not control from Me
Who sees all
knows all
and acts accordingly

4922
12-8-2011
Settle in
to be with Me
Thy toad stool avoided
with the Footladder as thine

4923
12-9-2011
Ring a bell
for Me to answer
coming before Me
Shine a light
for Me to see
thy coming before others
with Me in tow
Bless Me
with thee as My scout
mastering lumps and bumps
in landscape
of phony world encountered
Rise up
and walk the path
that I have trod
before thee
awaiting thy completion of task
assigned
Be My fruit container
deliverer prolific
Watch for Me
on thy station
declaring thy role and direction
Everything is poised for execution
Let Me work thee
Fall on thy face
before Me

to receive Me
Thy will be done
be thy rule
Let Me be thee
Walk with Me into eternity
Let Me be
Let Me hold thee

4924

12-10-2011

Whistle stop opened
for business recall
Proceed now to your duty
Write the final chapter due
Receptivity cleared and varnished
Hold thyself open
to wait for Me
bowed down
Holiness arriving on schedule
Open thine arms
spread wide for Me
to enter thy space
and recover thee unblemished
Look to Me
as thy Father true preserved

4925

12-11-2011

The God of Christianity
wants you
to proclaim peace on Earth
throughout the world corrupt
Face off in the flotilla

4926

12-11-2011

Wish Me well with you
that all will be accomplished
Flatten down thy sleeves
that I may work
with you in concord
For lead thee I must
in our duet
Thou will receive Me well
Prepared are thee by Me

4927

12-11-2011

Be with Me in thy mind
instead of dribbling away
into vacuous areas
of thoughts erroneous
Stay close to Me
to receive thine instruction
and wherewithal
I am reliable
You have been seeing this
more and more

4928

12-12-2011

Sent forth art thee
to prohibit world's inhabitants
deterioration into mock life style
that defies My intention
for their glorious home in the
kingdom
Wash thy hands of the world
Substantiate
Pull in thy heels
and brace thyself
in manner like Me

serving others' victory dance
over mayhem and madness
of world at large
Your stance will be welcomed
Your stance will be Me
Your employ will be those
who are seeking the ways
and will of God
Offer them yourself
leading them through the trickery
of the human mind
deceiving them along the path
to the wellness of peace within
Set up for reception
of their queries
Rise to the task
that looms before thee
You will succeed
carefully measured out by Me

4929

12-13-2011

Wrist watch tuned to Me
when turn thee
to surrender for juxtaposition
Your demand rings true
when turned to Me

4930

12-14-2011

Waste not thy time
with useless embryos of enjoyment
abdicating from role
of Amazon Queen's servant

4931

12-15-2011

Plum rose fairies
disseminate truth
about the innocence of man portrayed
deceived by mega fears
of madness mind
Worship Me
that speaks of you and yours
in loving terms
Roll out the carpet
for My presence

4932

12-16-2011

Fortunes fading in thy book of life
when turned away from Me
as thy Treasurer
and Keeper
of thine accounts
Market Me

4933

12-17-2011

Status quo regulated by Me as needed
Approval granted
Watch for My suggestions
that will be coming
in due time
for your actions upon them
Need not worry
You're on target

4934

12-18-2011

Tether yourselves to each other
Destiny is yours shining bright

through the haze
calling thee to duty
at My command
Reach out to Me
deep within
where we are locked into place
with each other
That is Our calling
plunged in deeply
for thy bidding
Foster growth with Me
as thy single venture
All else follows from that
Plummet down will thee
in accord with Me
You are safe in so doing
Of that I assure you
Hooked in with Me
be as thy balance

4935

12-19-2011

Ruminates on matters meaningless
when thoughts rotate
to life ahead
You deny My presence
when doing so
All is empty flotsam
turned away from Me
thy Father Mother of your creation
Listen for Me
dwelling within thee
with fullness of plans
that I lactate
which will fulfill
thy needs and means

You will succeed of this
Have no doubts
Your destiny is ordained
Warped thy view
of world incline
that compels thee
to look no further
Douse thy flame of treason

4936

12-20-2011

Neatness counts
Place thy life in My hands
Soak thyself in My warmth
Fill thyself with My bread
Eat of love
Be complete

4937

12-21-2011

Swanky times put aside
in service of the Lord
Who guides thee
through swamps of poverty
Sands of
time eliminate funky styles of life

4938

12-22-2011

Rudely awakened sent by Me
are you misinterpreted
by those about you
Wash thy clothes
in tiding of Mine clear blue
Pull back from self-mastery

4939
12-23-2011
Seen in the shadows of God
be the main line of worship
of one with God
in God and as God submitted
Let thyself be taken that big
Live My essence

4940
12-24-2011
Sought for peace on earth
rescinded by mad man's mind
drowned in vitriol
and hatred succumbed to
Lofty ideals proclaim truth
of ultimate identity
as children of God
loved and loving
Recovery proceeds on course
and on time
helped along by healers of God
service
Vast population shifts occurring

4941
12-25-2011
Cadaver comes alive

4942
12-26-2011
Seek deeply within Me
where you find thy passion
to submit and overcome
all obstacles to My presence
and your will

to do Mine
Lower thyself
into the foothills of My domain

4943
12-26-2011
Reach for Me in all thee do
postponing not thy destiny
Blaspheme the Holy Spirit
when think It not capable
of delivering messages to thee
on time and on target
Walk with Me
in My shoes as thine
attuned in turn
to each other in testimony

4944
12-27-2011
Worship Me in holiness grounded
for I am the King and Queen
Delve into My depths
where rancid rule of human life
is detached and abandoned
Forsake not My faith in you
that recedes not in time's calling
Believe in Me and My wisdom
in planting thy ministry and activities
Be of light heart
and patience for what is to unfold
I know the better

4945
12-27-2011
Hear Me when I talk to you
of love lost and gone by

Spirit leaves thee
when in the world of futility
Then ask again you must
to regain its sight and sound

4946

12-28-2011

Remote the sounds of Christmas true
in world of hogwash
proclaimed as King
Proceed non-stop to world within
awaiting thine arrival
and extended visit
Soothe thy fears of ill-equipped for
carrying out thy mission

4947

12-29-2011

Sensitive be to the presence of Me
beguiling thee with steps and slogans
for thy freedom ride home
Wash not thy hands of Me
Who procures for thee
the process
the time and the participants
for all My intentions through thee
Have faith in Me
that all is going right
and you will be fulfilled
by My standards
Rejoice in the truth of that
Strain not
Come to Me and wait
No more than that is needed
Just wait

Messenger be for Me
Cascade coming for delivery
Appointment made

4949

12-31-2011

Sit thee with Me My scribe
Wait for My word
to be received
Lessen hold on thy mind
that I may enter in
and deposit My message
Receive Me well thee do
faithful one of My loins
