

The Footladder of Notes Divine

Book 13

2012

4950

1-1-2012

The following verse is a combination
of hearing my soul address the Holy
Mother followed by a reply from Her

4951

1-1-2012

Heal Holy Queen
My life is yours
to do as you want

4952

1-1-2012

Step into Me where you belong
willing for Me to run your life
I thank you for your prayer
to be enabled to do
what I say
You have sighted Me and responded
All is in My hands
You will obey Me
It is foreordained
Centered in Me
flag not will you
in your mission

Dispsy doodle mind
shrinks in My presence
giving thee the opportunity
to hear Me anew

Wend your way slowly
Take your time in approaching
Seek rapprochement with comfort and
confidence
It exists and will occur between us

4953

1-2-2012

Rest awhile with Me
Who clothes thee with gentle peace
and ease of mind
Rock thyself to sleep
in My arms
that bedevil the insolence
and defiance of the pratfall human
mind
Foolishness foolishness for those
who follow madcap adventures of
human depravity
March on dear child
wrapped in My cloak of Motherly
protection

and guided accomplishment

4954

1-3-2012

Waste not thy time on Deuteronomy
studying servanthood to thy God of
choice
while dwelling in the world
of change and Chalice
Substance abused by dereliction of
duty
Humble be to Authority guiding thee

4955

1-4-2012

See forth through My eyes
the Spirit world and Its
encompassings
Let be known the love of God
for all His children

4956

1-5-2012

Stain not thy decision
to waste not thy time
with useless activities distracting

4957

1-6-2012

You've now been made ready
to receive it
Thank you
to act within
You know
you've always been placed
with this

I won't meet you in an open place

but where stillness lies

Signify your approval

Crown thyself with brotherhood

Spread the word that we are one

Admire it long

Expound on the theory

You've got to play a role in this

Cease and desist

Back off

Will you let Me say this

Satisfy your self

You will be pleased

It's concluded in God's corner

It's already happened

Break it up

Give it out

You will succeed

Did you come

4958

1-6-2012

Realistic be about thyself

Reason with Me

about safe paths and empty roads

Want to follow Me

Who leads thee well

Featured thee

4959

1-7-2012

All is nothingness

God has to show the truth

and from that truth being shown

God blesses the world

Interlock with Me

on the bumpy road of service
in the world of Oz
making faces at the kingdom of God
Rule with Me in monotone
that My still small voice
may reverberate through thee
in world of changing
Lack nothing will thee in this effort
Afford risk
for I am with thee
at all times
All is transitory to soon be ended
Just let Me in
Sand in your crank case stalls your
motor
Clear out inhibition to serve others

4960

1-8-2012

Laughing at troubles
in all their fullness
be the way chosen by God
sincerely concerned with our way
to face them
They don't exist
Only I exist
and what I say and what I do
All else is nonsense
and imagined aggravation
to be disposed of
with a turn to Me
Who wipes them out
from your mind once given over
Foul not thy mind
with garbage dumped there
by entertaining imaginings as reality

I am reality
Do what I say
is the most helpful rule to follow
Just wait for Me
for all completion
It is always surely delivered
in every circumstance
that you entertain and enter into
My sweet
Worry not
I'm in control
and know what I'm doing
Thank you for your faithfulness
and devotion to Me
I am thy Mother Love and Mother
God

4961

1-8-2012

Boundless be thine energy
engaged in task assigned under My
direction
Fulfill Me thee will
For absolute certainty do I say this
My will be done
by thee who I have endowed
Trip along
Fastidious be in its accomplishment

4962

1-9-2012

You came with us
August the position you are to acquire
in the line of saints qualified

4963

1-10-2012

Sweep thy doorstep clear of debris
that I may walk upon it
with steps assured and wanted
Plucky the person who chooses Me
as lifelong companion and wisdom

Source

Be proud of thy choice
and accomplishment
Source of Love embraces thee
with gratitude for thy willing service
Forsake not thy ways of coming to
Me

for they do thee well
Patience patience patience
be the word awaiting Me
which thee do and will be doing even
more

Will thyself to do for Me

I will employ thee

Want Me

Seek Me

Come to Me more and more and more
which you will

You will trust Me

for that to happen even more

I campaign for you

not to be wiped out

4964

1-11-2012

Vineyard

Wend your way

Held in heart rapture would thee
in midst of Me

4965

1-12-2012

Line up for the world
of peace and sanctity
There you go

4966

1-13-2012

Lust brings thee consequences
foreboding inchoate
Worsen the mind of man
caught up in the trickery
and deception of sheer folly
that pulls thee from the path of
wholeness and freedom
returning thee to the mind of God
glorious and divine
Reverse thy path
Pull back from banality
Let live the mind of Me as you
for all eternity
disclosed in joyous rapture and song

4967

1-13-2012

Waste not thy time on mongrel
matters

Of Me doth life abloom
sacred and sacrificial

Wouldst thee have of Me
what I bring to you

that blooms in ground preserved and
glorified

Oh holy son

O love of Mine

Wouldst swell would thee

with contentment and peace eternal
locked into My arms
and heart embracing extended

4968

1-14-2012

Rancid the thoughts of human mind
speaking of matters deplorable to God
Whipped into shape
by hand of the Spirit
destiny thine filled with holocaust
of madness obliterated
replaced by noble tweaking of
Master's rule
Oh the joy of that day
reborn to devoted servant
experiencing truth of love's existence
forthright expressed with all dignity
preserved
Sublime the light of God
leading thee
Dwelling within thee
doth thee follow it
Gramercy

4969

1-15-2012

Hasten to Me at all times
for following My word that guides
thee
in the world of Oz
and the frenetic frantic human mind
Rest in Me Who knows all
help is available to you
that you know not of

Synchronize with Me as thy prime
way
It works best
Fulfillment is there

4970

1-15-2012

Midst glamour do you pose
resting not in peace of God
Listen for Me to come to thee
expounding My message
for thee to utilize
Sense My presence for evaluation
Capable thou art to do so
in Me as thee
Trained well and full art thee
in preparation of this task
Be pleased with thy self
and your accomplishments
for which you were singled out

4971

1-16-2012

Seeping through
the world of God expounds upon
the sweetness of love
vital and everlasting
Mark the ground upon which you trod
guided by Me for route and path
Sorely missed if thou drift and stray

4972

1-17-2012

Stake not thy life on Christ's cause
until resoundingly influenced by
Spirit above

which will occur at predetermined
time

Until then
sit still with Me thy Master
awaiting thy turn to perform
It will come promptly and on time
Be patient
Trust Me

Why would you not be sensible
Senseless to be otherwise
Fluster not

4973

1-18-2012

Settle down and wait your turn
for duty calling
Again I assure you
that all is unfolding
as is meant to be
Be not distracted by ego ambushes
that decimate peace of mind
unnecessarily
You're in grand shape
dotting the I's and crossing the T's
Be pleased as am I
Thirst not
Your cup is full

4974

1-19-2012

Fortuitous thy prayer life
Sit down with Me
thy progressive Maiden
Who lights thy way to Me
Let Me shine My light upon thee
where grows the Narcissus of heaven

4975

1-20-2012

Weep not over lost fortunes
that compel thee to signature
moments
of droopy despair and solitude sullen
Fixed ahead of time
are all issues
Smell the sweet Rose of success
blooming always in your garden
of durable happiness
engaged in for all eternity
guarded by Me your Maternal Queen

4976

1-21-2012

Prime time
dances before thine eyes
readying thee for discipline of
intertwining existence
King of intermix calls thee
to multiply number of converts
willing to place themselves in service
to God of fidelity and compassionate
healing
Watch and wait for assured contact

4977

1-22-2012

Bless you for your fortitude
and withstanding by you
of the truth being delivered
for your fulfillment in Me
Thou will be sustained
by Me your Mother Queen

Who knows the way you travel
and how to accompany you
I am Perfection
leading you back to perfection
from your place of dreariness and
sorrow and despair
I shall conquer
I shall win
and in so doing so will thee

4978

1-22-2012

Sit still with Me
when called for higher duty
entrusted to thy hearing of Me
Calmness will prevail
Victory will be ours
Destiny calls
Rejoice

4979

1-23-2012

Witness to Me
that guides thee through
the rock strewn path to kingdom
home
Snarl not
Indelible the imprint
My life in you
that seeks expression in world apart

4980

1-24-2012

Forewarned
Cesspool of love forsaken
smells of round trip to hell and back

Tumultuous the ride to love recovered
Stereotyped the escapade undertaken
by all

4981

1-24-2012

Watch not for the sense of timing
when you dwell on your inner
thoughts

Levitate thy mind to meet with Me

Who provides wherewithal
for that which plagues you

Loosen up thy control

Make your stance for Me

Who is glad to oblige thee

with answers true blue and on target

Bless your heart for being open

to My approach with you

All is well all the time

with thee and thine and Mine

4982

1-25-2012

Set thyself for Me

to be able to respond

Enlarge thy view to include Me

Vest in Me thy Keeper

4983

1-26-2012

Destined to be

in sweet harmony with Me

will thee stroll the path

of healing power

4984

1-27-2012
Thrust thyself before Me
to crush thy views
of yourself false and discouraging
Thou art Me and Me alone
that withers not in face of
fruitlessness
Whispers of Me challenge thee
for recognition and affirmation

4985
1-28-2012
Walk through thunderstorms
embraced by Me
Who foresees issues and solutions
by which to guide thee
Knock on any door
unafraid of reaction
Turn to Me to receive thine
instruction

1-29-2012

Be in prayer to accept and obey

Be Guided and directed cared for and
protected
from all error and mistake
as you go forward blindly assured
of the propriety of your path

Live as My extension
honed to perfection in the process
conceived by Me
Live with joy
All is unfolding beneath My wings
All is in place
and planned for impeccably
to lead you home as forecast
I am your Mother and Father
your destiny and life
No more than that do you need
and been readied for

4987
1-29-2012
Reckless thee be acting with abandon
when not consulting Me
Avoid cataclysm
Be laid back inclusive of Me
Stoke thy fires
gently controlling flames of
passionate pursuits
My will be done in good and proper
order
Contain thyself to work well with Me

4988
1-30-2012
Settle into Me
Wish not for separation of our entities

4989
1-31-2012

in daydreaming or thinking on your
own
Listen for what I say to you
Reason not
that clouds your sensitivity
to receive Me

My judgment is accurate
My resolutions complete for your
benefit

4990
2-1-2012
Still be
awaiting thy turn to serve Me
Glacier like be
awaiting still Waters movement
to carry thee from thy mooring

4991
2-2-2012
Do not to others
what you want not done to yourself
That be the rule to go by
All else is pain and unforgiveness
The pain you were caused
is negligible
being not the truth of your being
nor your circumstance
Imagination imagination
Nothing more be you
in funky world of do-dah dreams

Reality is Me and Me alone
that I pass on to you
in prescribed portion
No other way is there
nor any other way that can be
Rejoice in its magnitude

4992

2-3-2012
Wink not thine eye at Me
soused with blend of worship and
hypocrisy

and raise thy humility

4994
2-4-2012

Love your self
Be your self
You're trying to stop your mind
from ferment and invitation

Don't impede lift gate

4995
2-5-2012
Aghast be
Awaken to follicles of
mismanagement
that ruin and condemn us
to lives of suffering and desperation
Flooded be by worms of
disintegration
Follow through with instruction
to wounded warriors of life giving
properties
that break through to senseless minds
that stymie turn to Source of
centeredness
Plan nothing
Leave all to Me
Go about knowing
that all is being done
that can be done
at this moment
You're doing fine

4996
2-5-2012
Hail Holy Queen

Cycle your thoughts
between you and Me
sitting still and listening
making waves of joy between us

4997
2-5-2012
Forsworn be in tulips planted
energizing thee to service of Me
Risk not thy tongue
in circus of love
abashed and ashamed
silhouetted on walls of misanthropy
Place thyself at front of union
declared by proponents of everlasting
glory constituents
where thee belong doing My work

4998
2-6-2012
Locked into Me be
for both your sake and Mine
quivering with anticipation
to do My work through you
Fortunate art thee
to want to bless the world
with messages from Me
but remain you must be
dependent on Me to accomplish your
purpose
It must be that way
For only I know
how and what and when
to deliver that
which brings My children back to
their home in Me

You must be patient and your role be
receiver
and you will
For I will help you in that
as well bringing you peace and
assuredness
that all is unfolding
exactly as meant to be

producing solutions that best serve
thee
with self and kin
For I am the Lord thy God
in command of thy life's journey
into vale of tears and its exit

5000

2-8-2012

Rent not thine heart
to meat and potatoes
of false world of meaningless gods
and pursuits
'Stead face Me
in My full bloom and blossom

for desires and fulfillment that guide
thee
to welcoming at home
Listen for sounds of glory
awaiting thy triumphal return
See beyond thy worldly eyes
Settle into Me where you belong
Throw down thy rags and riches
Rise up with wealth in Me

5001

2-9-2012

Come home for Her too

5002

2-9-2012

Insist on rightful path being followed
Set forth thy ways
propelling world forward
to reception of kingdom home
as only option for meaningful life
Thy will be done reflects acceptance
of My leadership for thy role
Sinews of strength employed
activated

5003

2-10-2012

See Me not when you close the door
to My presence
Call I will
but you must be open to receive Me
Wilt not at the thought of Me
Prosper thee of My direction
for I am in charge
or each moment of every day

in which are involved once you let Me
Would I desert you or betray you
Are you not My child
Am I not your Father your Creator
Worry is from you
Assurance is from me
Calmness be thy way
thy life thy gift
from Me to thee
and through thee to the world
of My people
Forgive all for all is already forgiven
Peace My son
for peace is what I give
Peace is what I command
Naught else can there be
except thy whims and
misunderstandings and
miscalculations
Be silent
Be still
But wait in each moment
Allow Me to be with thee
monster man
Do as I tell you
for the kingdom of Mine is yours

5004

2-10-2012

Meet Me at the gate
where swings low My love
to distant stargazers
embellished sensations
Plunge deeply into Me
for thy precious touch of vengeance
denied

and spirit uplifted administered
relished
O holy heart of Mine subdued
by shame and negligence

5005

2-11-2012

Fruitless are thine attempts
to substitute thy will for Mine
I wash thy face
I glow with love
I know My place with thee
I let thee pass Me on to others

5006

2-12-2012

Rule you must in Me as Me
to make My presence known
That be the way the world is
concluded and My children brought
home to Me
This must be
No other way can it be
Set thyself down in Me
to so perform My will
and My way
Locked out all else be
Confounded the human mind
in retreat in the presence
of your Godbeing in command
Set thyself free to be Me
thy true Identity
one with the Father and the Mother
for blessed eternity
Amen Amen Alleluia
That be My piece said to you

Rejoice in that reality

5007

2-12-2012

Standard practiced
absolves thee of love lost
in ways of world

Demand of thyself to face Me

Wish for and want for My leadership

Send for Me
that I might be heard
in thy tumult

It is Me that leads you
out of discrepancy in life

5008

2-13-2012

Satisfied be
Will thyself to be My own

5009

2-14-2012

Useless to be what you are not

Be Me

for that truly
is who you are

For all else is imagination
and a sorry one at that

I am helping you with that

I have you cornered

You can't escape

You're coming home

You're getting there

5010

2-15-2012

Forfeit thyself

in this game of tug-of-war
relinquishing hold on phony being

Let Me win

with thy peace of mind delivered
to an abused you

5011

2-16-2012

Tag for disposal
the rudiments of Deuteronomy
excluding God as central decision

Maker

5012

2-17-2012

Fortitude exemplified
in thy waiting for My instruction
Be patient

You will be served

Distillation taking place for your
absorption

5013

2-18-2012

This is thy God speaking to you

Gather thyself together
that thou can hear Me

Listen to Me

Go to the far place

Realize thyself where naught can be
heard

Bend thine ear to Me

Be stock still

Wait for thine instruction

Let thy lips be silent

thy mind clear and attentive
Cool thy heels
Thumb not thy nose at Me
Hustle down to My place
where I am at
Place thyself there
Movement occurs
Thy Talisman is present
Now begins thy venture to Me
to fortune with Me
Lock thy lips
Bend thy mind to Me
Secular thee be
Spiritual be Me

5014

2-19-2012

Brace thyself
for My return to thee
Sit still with Me
thy God Almighty
wanting thee to trust Me again
No trust no joy
no meaning no life
nothing do you have
except the heaviness of lostness
and ingratitude towards Me
Oh My child
are you lost indeed
with such an attitude and belief
of what is real
and what is unreal
But believe you must
until overwhelmed by grief
for what is and what is not
Until then

there be no progress past that point
But win I must
You have no chance
against that inevitable eventual
outcome
Stay stock still
You've no other choice
for feeling esteemed
in My eyes or your own
And you will recognize that track and
outcome
It is ordained by Me
not by thee
Thy misery is healing

5015

2-19-2012

We all have to spend
depths of time
working towards our kingdom glory
Some make it sooner some later
Reach out to Me for help
System is in place for
accomplishment
Direct help assured
Worthy thy work
in My eyes
fulfilling Me
Stand clear of any doubt or
uncertainty
You are mastering
what I need you to do
Stand by for more is coming
Witness to Me you will

founded on floundering mind of
human degradation
and pusillanimous piety
Depend on Me thy life Saver

5017

2-21-2012

Wash thy seed of love
in My waters
spreading its profusions through
viaducts of Mine

with love and affection
indelibly imprinted on your being
Wolf Me down
Meet Me at the pass
See Me as I am
Worship Me with pride

5020

2-24-2012

Sit not with Me
while tending thy sheep
when grazing on litter strewn
landscape
of human devotion
Wash thy mind of riddles and ropes
of twists and turns
that stymie thine efforts to deliver Me
in purity and passion of holy healing
Silence provides all that is needed
Healing occurs in the house of God

5021

2-25-2012

Register thy concerns with Me
when pondering matters non-

and revelation to world of want and
yearning

that they must accede to
for furtherance of salvation process
All is complete and awaiting their
acceptance

5023
2-26-2012

Paste Me to you
that you may flow with Me as yours

in thee
as thee
through thee to world apart

as you are Mine
We work well together
to make things right

5027
2-29-2012

Suckle the truth of love

that it may be delivered
in the world of Oz

5028

3-1-2012

Tunnel into Me thy vision Keeper
reserving for you thine image
Throttle on for uplift
Wash thy hands at even-tide

5029

3-2-2012

Seek Me in the corners of Earth
betraying false worldly concepts
Concord midst all
Listen for My tenets
that lead thee to peace everlasting

Ridicule thy self today
Emerge
Recalculate
Reassess
Reformulate with Me

5030

3-3-2012

Embark

You have sailed with Me
through all the coves and caves
the mildew of madness
the mockery and mayhem
of the corrupt human mind
Watch for tell-tale signs
of disintegration and lawlessness

of white spots devoid of control and
care

of the oneness formula

I have devised

between Myself and My offspring
of ultimate love and devotion

Sense My need

to devour unholiness and provide
cleansed landscape

once again for children of My heart
to romp and play midst the love of Me

There shall you deliver My cargo

of healing tone tunneled

to task at hand

multiplied in magnitude by your
participation

in the moment of duress

dignified by Deity's dominion

Set thyself free

to be with Me

5031

3-4-2012

Baloney is the word
for all of you devoid of Me

5032

3-4-2012

Little do you know
of what is coming
for which you need the strength
and wisdom of Me
Wash thy hands with Soap of love
provided to cleanse the debris
of thy false existence sticking
Then will you know of My grandeur

posing as the Ideal to emulate
Resist it not can you
nor will you when delivered

5033

3-5-2012

Witness to Me
Forsake not thy core
that is one with Me

5034

3-6-2012

Haunted art thee
by sour notes of refuse
that cling to thy bridled self
looked over as sheep of My pasture
Willingly be what thee ought
as servant of Mine
devoted in totality
to My whim and way
in seclusion observed
Trolley cars admire saucy ways
of subjects devoted to lust and lace
at expense of devout leanings
Distrust all about
Depend on Me
for direction and guidance
in all matters
pertaining to My tasks with thee

5035

3-7-2012

Hail holy Queen
Erupt not into false moments of
dismay
when consoled thee be

in the Presence of Me
Twisted thy faith sustaining thee
when replacing Me
with plaster idols
of man's detonating confusion
and uncertainty of My whereabouts
and availability
Cast not thyself
into slough off mode

5036

3-8-2012

Listen for Me
Diligent be
Make known My triumphant call
to all mankind
that Wings of change come chasing
into thy midst
resolving problems beyond human
reach
This will be met with resistance
Clarity comes through in the end
as it must be
Resolution resolved stands alone
unchecked by broken wings of tarnish

5037

3-9-2012

Say to Me what you want
Let Me do what needs to be done
Settle down
Need not do anything
Listen
Wait
Adopt inclination that comes before
thee

Ringside seat is yours

5038

3-10-2012

You need to get thy teachings straight
Inevitable the sounds of music
cascading upon the lands
of the lost
in between thy forests of morass
and the calls for help
Loosen thy jowls
to receive feeding of hope
delivered for sensibilities return
to surface awareness
Worsens the situation
when ignoring the feud
Dangerousness averted
when allegiance recovered to safe and
secure grounding
in the King and Queen
Whisper low while tempests blow

5039

3-11-2012

Wash not thine ears
filled with silt and sludge
that you hear not Me
talking with thee
Listen for friendly advice
portraying thee as savior
in the provinces of Me
Make sure thou hear Me
first and foremost
Listen with abandonment and
abundance
Mark Me well

for I am thee

whistling in the dark

for thine attention rock solid

There will I proclaim

My intention and direction

Sanction not by virulent distraction
and error

Await Me in the Shadow of life

5040

3-11-2012

Masked art thy symptoms
by lies and deceit
of the human existence
that mortify thy soul within thee
Make good on My creation of thee
sweltering within thee for outlet
of its charmed life
Reach for Me as thee
for peace and purpose
for meaningfulness and manifestation
for life and love
bequeathed
Naught else is true
Lies lies lies
that deny Me My place with you
awaiting its invitation to come home

5041

3-11-2012

Classify thyself as Mine
awaiting service under My command
Signed on
Dutiful you will be
prepared by Me
Fear not

Your fulfillment is at hand
simply wanting of My timing
Settle in

5042

3-12-2012

Encampment
Signify thine efforts
to bring peace to the world

5043

3-13-2012

Where is your Father
Set free thy mind of Mine
exercising wide range of heroic
themes

Place in forefront
vivid imagery of salient issues
that compose framework of healing
and salvation

Brush aside all else
Frivolous waste excludes holiness
sightings

5044

3-14-2012

Lengthen thy stay with Me
that sees all and knows all
Debut with Me
in the wings of thy life and work
Foretold the result
Metered the mark
Set thyself close to Me for await
if thee set thy mind
on Wind swept beaches of holy shore
line

5045

3-15-2012

Cool thy mind
that oversteps My wishes for thee

5046

3-16-2012

Sit still glued to Me
Await My instruction
You do not have My awareness
Seethe inside for service
You'll be a changed person

5047

3-17-2012

Warped thy view
of twisted events in world of Oz
Soothsayer entries
mask tones of normality
promenading on edge of madness
modeled
Disparate entries
contradict centrality Voice unheard
Down deep lies the presence of Me
awaiting thee zooming in

5048

3-17-2012

Ground swell growing
from interfaith roots
dedicated to peaceful solutions
of peace on Earth

5049

3-18-2012

Sought for advice
is waiting for corruption to be
removed
from the dragnet of human existence
Dally not
for all is well
truly well beyond your own beliefs
Choose and choose again
for I am formidable

5050

3-18-2012

Mother Mary and Jesus
soothe me with Your tender loin
compassion
for I am needy
and You are my one and only Provider
(And God answers)-Place thyself
upon My station

5051

3-18-2012

Disdain not thy duties assigned each
moment
of thine existence in this world
Small is small not
in My eyes
Who views each moment
and its accomplishment
as required in the grander picture
Settle down
Settle in
Await thy chore delivered therein
By that rule be true to Me

5052

3-19-2012

Lift up thine eyes
to watch and shadow Me
in thine efforts
Impulses to do otherwise
fall short of thine intentions
Let shine Myself upon thee
that others might see
My presence in thee
Shed thy self
to receive Me as thine own
Let abound My will in thee
Fruitful be
Sashay about

5053

3-20-2012

Mary time concludes
with all Her children
returned to the hands of God
See to it
that you unmask thy true self
growing in the Grape Arbor
while willy-nilly thy head plays with
you
Reflect on Me
thy Douche Bag Cleaner
of light submerged in darkness

5054

3-21-2012

Sit before Me now
enchanted with My reign
Within thy heart
is a space for Me
that dictates thy life

as it is meant to be led
Sober be in thy wait for Me

5055

3-22-2012

Awaken to Me thy Savior born to be

5056

3-23-2012

Wrest not control from Me
of thy future service pending
For all is known
In the midst of chaos
appears Me called by thine impotence

5057

3-24-2012

Risk not thine inheritance
in foolish shenanigans of world apart
singeing itself with fires
of torment and tedium tenacious
Will-of-the-Wisp founds entrance
into parking zone of holiness aspired

5058

3-25-2012

Search for Me in thy mind
willing to find what I would bring
Seek out thy road
thy route you must travel
granted by Me for our accord
in the task visited
Hollow be for receipt of Me
in full bloom and texture
Move forward with thy riches
endowed

Speak for Me
in thy tongue allowed
forthright and exemplary

5059

3-25-2012

Whistle not in the darkness
proclaiming Me as yours
in kinship
in honor and glory
in peace and love transparent
Mock Me thee do
in thy way and want
as phony king and queen
in land of obsequious
to wrong doing and farce
Pick up thy lips
and speak to Me
for apprehension of thy drifting mind
and return to recovery
of Me as you
You have declared
Me as foul
and you as fair
It is Me
Who reverses futility
in the light of My Presence
You must want it
for Me to act
Do I have your willingness

5060

3-25-2012

Wipe out thy mind of yours
dooming thee to oblivion
in a world of senseless meanderings

filled with hobgoblins and ghouls of
destructive natures
In Me will thee see
hope of horrors dispersed
and love rekindled
Set thyself free with Me
My beloved child
returned to thy awaiting home

5061

3-26-2012

Nothing can happen in this world
Relish that thought

5062

3-27-2012

Steal away from gifts of Mine that
flow from bottomless pit of love
In between us
lie fractures of relatedness
that must be closed
which I command to happen
Compelled thee be
by framework in Me
that relinquishes not My hold on thee

5063

3-28-2012

Clam up thy mind
which froths forth false fruit

5064

3-29-2012

Forthright be when speaking of Me
thy Tutor and Guide to eternity
Wait for Me in all thee do

to avoid error and mishap
along the route
Thy footsteps belong in grooves
pre-marked for thy walk with Me
pacing thy movement and timing
Balanced be thee
when focused on Me
driven by glory and grace

5065

3-30-2012

Pilfered 'lest thee behold Me
Reckless thee be
in mind belonging to Applegate
conspiracy
Avoid decision making

5066

3-31-2012

Holy would I help
Sit still with Me awhile
and watch My hand employed with
you
Wait and see
that which I do with you
embraced in oneness bound
Frustrate not My wish with thee
for closeness sought
conceived at conception and relished
thereafter

5067

4-1-2012

Seek not thy way
Seek Mine
There's nothing wrong with you

never was
isn't now and never would be

5068

4-1-2012

Censor thyself in writings Mine
that stand and require
the light of day
Reek not of suppression
Feel flow of Me
Trust the process
that I proclaim and will correct
if and when necessary
You do right to question Me
when undecided and uncertain
Freak show set aside
Inner worth emerges

5069

4-2-2012

Invested in love be the Word of God
Set forth thy wound

5070

4-3-2012

Waste not thy time
with trivia in thy life
Bend your ear to Me
for listening to My instructions unfold
Look up
not down nor sideways glance
where see Me not
as thy Ruler
Listen for My blessing thee
totally and formally
Wisdom is Mine

and will be delivered
in good time in proper manner

5071

4-4-2012

Forsake not thy way to Me
Who receives thee with pleasure
at thy witness
Rule thee I will
with loving kindness and care
Waste not thy time
in devotion and prayer
which is received
and spread about
in My name through you
and your efforts

5072

4-5-2012

Warm Me with thine enthusiasm
and devotion at expense of thee
I will overcome
all your difficulties
blending in with Me
Think not
Let Me
Will you host Me star gazer
in thy tree house
where I belong with thee
Will you welcome Me

5073

4-6-2012

Submit thyself to Me
Who forwards thee into missions
sublime

5074
4-7-2012
Disprove My bidding of thee
when displace My voice
with voice of yours
seeking blood revenge on those
who would not hear thee

5075
4-8-2012
Slap Me in My face
when preposterous you become
erupting in mind of your own
ahead of Mine
Shameful the result accomplished
Dignify thyself by Me planning
that accomplishes more
of what is needed truly
Blaspheme not
In so doing beatified
We've all said that
a number of times
But there's only one way
Be good by changing

5076
4-8-2012
Diligent be in service of Me
thine one and only path
to fulfillment
Let nothing stand in your way
from the twisted mind
of hellish humanity
We are alone in oneness
that massacres the false entities

of our human beliefs
Naught can stand against it
Victory is Mine in you
Inconceivable that it could be
any other way
Rejoice in that truth
and its reality
Fullness is thine

5077
4-8-2012
Wash not down thy throat and gullet
a bombast of violence fruit
or elsewhere there be death

5078
4-9-2012
Withhold not thy source of love
from world-at-large
Wipe out thine human scent
that meddles with My Creation
of thee and thine
Patrol the borders
watching for invasion
of parasites and pests
Clean the house for reception of Me

5079
4-10-2012
Blessed be thee
when turned to Me
for future endeavors
Study the rules
of how We belong together
helping each other

to aid those seeking the
companionship
of love graced upon them

5080

4-10-2012

Hasten to Me My incorrigible one
distancing thyself from matters
known to Me

Likelihood of errors increases
when so indulged

Notice thine insufficiency

Turn back again to Me

Who awaits thy return
with due patience

5081

4-10-2012

In flux thee be
floundering about
knowing not what page to turn to
in thy duties with Me

Be certain of My control
taking command
as you move forward

Pace thyself from peace within
that guides thee

in footsteps delivered by Me

You are of worth

letting Me lead you about

Trust Me

Trust the process

5082

4-11-2012

Paradise regained in holy
relationships
stemming from oneness together
in service of God

Dish out loving kindness
to one and all

5083

4-12-2012

Reaching not for inner sanctum
when gazing at fondness
for lost dreams

Dictate to Me

thy heart throbs and desires

Cool thine ardor

Wait for Me

Ditch thy views

Adopt Me

Awake to Me

5084

4-13-2012

Risk not thy behavior

Bespeak of Mine

that flows gently

across streams of love

Still thyself

thy loud mouth clamor

that exceeds limits

of patience and understanding

Seek Me at all times

for righteous thoughts

and attributes benign

that contribute to well-being

of sons destined to return

to heavenly hearts and home

devoid of havoc and hurt
Thrilled will thee be
at the experience
of My peace
complete and eternally yours
Hold tight
Hold on to your hat
All is well

5085

4-14-2012

A place be for marriageable love
Ruckus in the hay loft
Remnants of lust
peek through austere
presence
wrap around
End pretense form
Endure dedicated life as thy gambit

5086

4-15-2012

Dumbfounded be
when I work with you
over all that I plan with you
for you are Mine
in your inheritance
Be still
in your work for Me
that I may work through you
Sense Me and My presence
guiding you inevitably and
posthumously
to My kingdom beyond
Awaken to this realization of
unfolding

See it clearly
irrevocably
as the truth
of your worldly existence and beyond
This I say to you
as your Mother
Founder of your being
trust Me you will
in all fullness prepared for you

5087

4-15-2012

Ruler of my being
richness is Thine not mine
Squirt Thy water upon me
that wills Thy bidding

5088

4-15-2012

Sense Me when thee call
for respond I will at thy beckon

5089

4-16-2012

Enlighten others to My presence
within
that fathoms
all problems troubles and difficulties
resolving same within the depot

5090

4-17-2012

Hands held together in song
thus speaks God to thee
in nature born
Lasting My influence

totally inured
blissfully kept in peace absorbed
Set forth thy manner
for all to see
degraded not by monster moments

5091
4-18-2012
Sanctions rule
Will thyself to be Mine

5092
4-19-2012
Section thyself off
from entreaties of Mine
calling upon you
to function by My will and way
Search for Me
Deviate not
Pull thyself in

5093
4-20-2012
Take not thy nose away
from being concentrated on Me
Upon Me thee depend
Listen for My instruct
Await thy turn
It will come

5094
4-21-2012
Riches come upon thee
by storms devoted to Me
thy Taskmaster and crews Chief

5095
4-22-2012
Stern be with thyself
marking Me as thy Ruler and Guide
knowing not what to do thyself
in turn
Flabbergasted be
by My resolutions in the world
of mess and mud
propelling thee into confusion
Stand firm in the determination
to involve Me in thy decision making
Realistic be about thy shortcomings
Objective be about My
accomplishments
that you have been shown
and noted
More is coming
Wait and see thee will
in thy hankerings for fulfillment
Thy Mother speaks to you

5096
4-22-2012
Sensible be when talking to Me
with thy shortcomings and limitations
Welch not on thine agreement
to let Me run the show
Step back
with thy thoughts and means
in order to expose Mine
through thee
Indulge not thyself
Indulge Me Who knows the way
and has the means
to perform what is needed

This I need from you

5097

4-23-2012

Walk the walk of My walk
together with Me

Who walks inside you
as your companion

Grow with Me

Sail with Me

Achieve as Me

5098

4-24-2012

Sign off from thy name
and leave Me in charge

Who knows thee well

Realize that I know

all that is meant to be accomplished
and will be so done

Keel haul thyself

drip dried for My usage in full

Splendor awaits thee Oh My child
presently and eternally

5099

4-25-2012

You're going to hear from Me

Listen up

Screw down thy template

Reach for Me

My will and My way

Come down from thine auditorium

Show My love in thy debut

5100

4-26-2012

Rule thee will

from My heart's desire

in world apart mentally unwired

Wished for dreams come true

of joy admired

led out from forest

of discord and discontent

5101

4-27-2012

Set thyself on fire

for My work within you

Elevate thyself to My level

to receive Me for thy will

Robust be in mind and spirit

filled with My spirit

Wenching thoughts decline

accordingly

Stable become

consistent in thy lie for Me

rock solid in heart and nature

5102

4-28-2012

Deceived not be

by world at large

that hankers for happiness

in delusions fraught

Needless be when cometh to Me

for peace preserved

5103

4-29-2012

Present Me as you know Me

loving and kind

attentive to all the needs
of My children
where and when thy call upon Me
Be true to Me
as well in the way
you relate to others
breaching their lostness
with My presence before them
This be thy mission to perform
as an aide to Me
and perform it well you will
for My hand is upon thee
guiding and instructing thee
in the process
Fail not will thee
in thy mission for Me
Of this you are assured by Me
thy Holy Mother harkening to thee

5104

4-29-2012

Rapscallion thee be
when influenced by Me
in the eyes of the world
Meant to be thy cross
Stand firm
Be decisive
Hold thy ground
Depend on Me
for strength and affirmation
I'll be there for you

5105

4-30-2012

Silent be
Marshall thy forces to be available

for strike against evil doers
that play with planetary rule
over kingdom of God
Fortify your position
Strengthen thy role
Seek Me further
for comfort and direction
Prepare for overthrow
of duplicity and lies
from sickness stemming in lost hordes
of humanity
Claim thy truth of self
preserved by love of God inviolate
protecting all of its' children's
sacred spiritual identity

5106

5-1-2012

True to you in totality
be My goal
unblemished by starts and stops
bleeding from uncertainty inconsistent

5107

5-1-2012

Let Me flow within thee
that cools thine ardor and misdirect
with sensibility of Mine
Look nowhere else except Me
Who guides thee impeccably and
accurately
On the spot
am I where you're at
Guardian of truth and reality
knowledge and awareness
compassion and love

seek Me out for thine instruction and
wisdom

5108

5-2-2012

Keep your eyes open
on the ball that comes to you
from dictates Mine that infuse you
with all I want you to know
All else is meaningless and
superfluous
Stand still
Hold thy ground
You tore up the furniture
that becomes the world
sitting comfortably in the luxury of
ignorance

With grim determination
reveal the flaws of life askew
in meaningless ménage of cuckoo
imaginings

5109

5-3-2012

Settle down into thy blessings
provided for faithful services
Wetstone prolific thy Partner be
sharpening thy skills for service of
Me

5110

5-4-2012

See Me through the lens of love
holding thee close to My heart
Wouldst this thee do with others
fair game for receipt of thy tribute

Thus they regain knowledge of
themselves

as do I see them

Thus does healing proceed
'til all homeward bound has been
accomplished

Set thyself on fire
with My determination
for your fulfillment
blessed servant and child of Mine
so engaged
Watchful be
Wouldst see Me in thee

5111

5-5-2012

Honored be in service of Me
devoted to My wants
and needs from thee
I walk around
the road of return bestial like
with those shedding clothes of
mockery
of My spirit
breathing the same stuff you breathe
postulating rules of life refreshed
Harken to My voice
that calls thee home to Me and Mine

5112

5-6-2012

Systematic be
in your efforts for Me
organized and devoted
Rely on Me for help delivered
to accomplish My purpose

each moment with you and through
you

You are My servant
to be dedicated to My will and way
for accomplishment

And accomplish you will indeed
all that I intend with you

Witness not to any failures
when I lead you in your course

Joyous be
All is well
and cannot be otherwise
Chase after that truth

5113

5-6-2012

Set thyself down
for Me to activate thee
in process and power delivered
Candy coating disallowed
in trip through world
bringing My message through thee
Stripes of wrath can result
Uphold thee I will
in such times with thee
Upstanding will thee be

5114

5-7-2012

Sense Me in your presence
leaning on you
to accomplish all that I need
for fulfillment of your task
I will guide you
be assured
Count on it

as already done and delivered

Be confident of your will
one with Mine in the process

Let Me handle matters
in time and practice

Success is ours

5115

5-8-2012

Toil not in mainstay of My love
that provides thee with safety and
security

delivered by Me betrayed not
Wash thy hands in glory seeds
prepared for thee full time

5116

5-9-2012

Sequestered be in My haunts
evolving nature desired for frontal
assault

on meanness made in human
transaction

Distanced be from attack thoughts
and perverted demeanor detriments
Walk softly with firm stride balanced

5117

5-10-2012

Waste not thy life
on useless matters
that clutter thee
with dispossession of Me
Sober up be
Can your rules and regulations
Adopt Mine

that fulfill thy life
with Uplift and Downdraft provided
Feast on fullness of love
performed upwards rolling

5118

5-11-2012

Spirit's going up
Let the sunshine in
Zany antics plod through night
shadows
avoiding contact with light of day

5119

5-12-2012

Fortunate thou art
to receive Me well
and explain My ways
to all mankind
Spend little time
on other matters
reserving for Me
thine attention and commitment
Bless thee I will
with orders and obligations
to be fulfilled
in right and proper times
Rejoice thee will from thy devotion to
duty

5120

5-13-2012

Slip by Me
when dancing by yourself
in vignette of self-sacrifice
noodling around with a useless mind

I want you pure as paint
covering an old surface
proudly displayed for occupancy
Will you give that to Me
as your victory
Prepare the primer
that gets Me going
Slosh it around

It's a good mix ready for usage
Semblance to Me negligible
Set Me free
to do what I need

'lest thee foul up with own
merchandise

Whip thyself into shape
Cotton no deviation
from truth observed
'lest blow steam with no substance

5121

5-14-2012

Filth wells up into kingdom home
relegated by human side of
mindedness

Navigate channel with care
Superimpose thy will over Mine
Naught gained

Groomed are thee to receive Me
Sit still

Wait your turn

I will come when you're ready

5122

5-15-2012

Whipped your nature be
before you can come to Me

surrendered and blossoming in My
care

Saunter away gladly
from your efforts
to await My intercession
Be not thoughtful nor pensive
I am there

I'm tuned in to your bleatings
and wish for self-sacrifice

A good pastiche
You have My favor gazing upon you

5123

5-16-2012

Sensible be about the truth
Little can thee know
bowed down to human constraints

Place Me in charge
of land and sea
watching over you and yours
with diligence and compassion

Guide thee I will
in homeward bound journey
from land that never was
to land that will ever be
Rule the way will I
in concert with thee
Confident be in My participation

5124

5-17-2012

Seek not Me out
in flavorings of the world
second to none

Prime time Mine
for fulfillment of My cause

5125

5-18-2012

Fortune founded in magnificent soul
heart

Link deep into Me
that thou discover Source of all being
active within you

5126

5-19-2012

Hate not thy neighbors
accompanying thy life
lost as well in this world of
buffoonery

Sleep well in knowledge
that all is but wasted
and life begins anew 'pon awakening

5127

5-20-2012

Seek Me out for all your needs
for this I will perform for you

Hail holy Queen
Set Me before thine eyes
that I may be scripted by you
for My work intended

Surface under My guise
Tootle along
as you are doing

My work will be done
Set thy mind to the task
All is arranged bar none

5128

5-20-2012

Set forth thy ways
to mortify Mine
which bloom in pits
of malnutrition and misfeasance

5129

5-20-2012

Satisfy thy quest for purpose given
dancing with the Stars
of heavenly home
Keep up our joint venture solitude
with each other
dumbfounding man's mind of
irrelevance
On track we are
doing our thing
coordinated and complete
with our process together

5130

5-21-2012

Waffle not on kingdom home
delivered to you
as showpiece of truth eternal
Sense its reality
Deliver it to others

5131

5-22-2012

Entrenched art thee
in disfavor of rocky road to hell
bound
Sordid the path
to ruin and ruination
clobbered by false values

and immoral convocations in illicit
lives

Set thy foot on path to return
that sees the choice
of love born a' new
ruling the kingdom

Brace thyself for attacks
engendered by defiance of the lack
lustered
and support of the life of light
Send forth thy signals
to impeach "me" in thy vocabulary
and replace with "we"
for tour de force through healing zone
quintessential

5132

5-23-2012

Savor thy mind
that goes with God
searching out His guide and
endeavors

Home in on His web-site
for instruction and intention
through you and of you

Wouldst be this way
best of all
in life abroad
cast free from stultifying
circumstances

Seek Me out for heaven's worth
doled out to thee
in portions precious

5133

5-24-2012

Sin no more bested by Me
in flower of truth unfolding

5134

5-25-2012

Simplistic thy style needs to be

Await

Await

All will be given

5135

5-26-2012

Set thyself down to Me

Who causes thee tranquility and love

beyond the spheres

Let Me guide you

through the maudlin moments

of hope and madness

Cruelty etched into your heart

disposed of by even keel

of compassion and care

Tender gentleness wrapped about thy

being

smokes out hidden vestments

of soul returning in self

and others realized

It be thy duty

performed with diligence

in guise of Me as thee

treasured child of Mine

reborn for homeland of eternity

Set free art thee

to live again

5136

5-27-2012

See to it

that you speak of Me

with others that appear before thee

willing to entertain thy presence

Make of you

My representative I will do

Be long in service

committed each day

that blesses Me and yourself and

others

Pound home the point

of My availability to those who seek

Rain in their face

be My will with thee

Your portion is unfolding

as expected and ordained

Be receptive

5137

5-27-2012

Suture thy wounds of insignificance

with opinions binding by Me

Choose Mine as more worthy

Pleased with thee am I

5138

5-28-2012

Forsake Me not

in thine insecurity

badgering Me within thine

unsuredness

on jobs accomplishment

Would I not tell you

of corrections needed

Listen to thy peace within

as sure sign of path on target

5139
5-29-2012
Wash thy hands in Me
when hasten to dribble doxology
extolling My virtues
Cleansing power maximizes
Turn thee about
and minister to Me

5140
5-30-2012
Lost art thee
in indecent life
promenading as promoter
of love prescribed
Holding hat in hand
come before Me
to lend new lease on life
serving Me in due elegance
of purpose and process performed
Reek of holiness wilt thee

5141
5-30-2012
Rush not into things unmannered
with Me thy torso
thy frame of existence belonging
Wash thy hands of yourself
You block out Me
caterwauling to come in
with substance and integrity in bloom
Rock thyself on My knee
where I embrace thee

5142

5-31-2012
Fortuitous thy life
given to Me
for service of Mine
Let live thy glory upheld by Me
that sinks falsehoods admired
by supporters of weirdo world
of its making

5143
6-1-2012
Scroll
Wrap things up
Wash up
Regulation time up
Prepare for over-time
Costume discarded
New identity in place
Proceed to post
Winner takes all
Walk off with the prize
Restoration occurs
Curtain comes down
Exit to applause
Universal jubilation
Amen

5144
6-2-2012
Let My lot
appear in you as breeder
Host Me
Do as I say
that you may succeed
Will thee to be Me
in times of trouble

foreclosing on mortgage to sons of
God
Payoff enormous from willingness
to comply with My word and song
Peace and bliss upon thee
Be My disciple
in this dream world
of love and laughter forsaken
Get in your way chatterbox
in silence with Me

5145

6-2-2012

Chamber pot filled
with dumps of your scheming human
mind
percolating wastes of human life
Plunge deeper where I remain
inside you awaiting dormancy
delivered
of human crackpot
Jump at chance
to activate Me
for thy sake
Set in thy ways
must you be moved
off home base of larceny and
corruption
of holy center
Do away with miss fits
holding thee back from Me
Forthright be in thought and action

5146

6-3-2012

Wistful

For shame for believing not
in My presence
overcoming the hurts and horrors
of the world apart
Revere Me
in the perfection of My work
that overcomes all paralysis
of minds set against Me
in My proper time and way
Dilute not My powers of performance
and will of devotion
to My children all
Persevere in your course and task
strengthened in that knowledge
Hand thyself to Me
for fullest participation
Reborn floods thee
with light and passion
to serve

5147

6-3-2012

Set thy pen to paper
wanting Me to guide thee
Surely I will
Grateful am I
for your willingness
to receive My instruction doled out
Lance not thy wounds
with crooked pen point
Receive purification from strokes of
Mine
applied to parchment through thee
End of mission in sight

5148

6-4-2012
Interrupt
Begone the rule of hinterlands
banished by waters of holy dervish
swept away by Wind of change
Locked into place
be presence of Me
Light of Love
Floodgates open
World inundated

5149

6-5-2012
Let Grain from the harvest
feed Feasts to the mind

5150

6-6-2012
Pens of perfidy wax hot
Let Me speak to you
about matters that count

5151

6-7-2012
Whenever you waste
your God in you
thousands are milling about
by the wayside
waiting for you to begin again
Be involved

5152

6-8-2012
Rigid the turnstile
bringing thee in
on one way trip

back home to Me
Zoom along caught up in affairs
Mine

5153

6-9-2012
Say good-bye to the world
for goodness sake
Life blooms anew
See to it that you marry Me
in Oneness conceived
for all eternity
Succulent the heart of rapture sown

5154

6-9-2012
Savor the cost
of running amuck
and process by which
you are saved
Oh how precious the enlightenment
Relish the moments
of salvation's arrive
and glory found within
welcome the precipice
of expanded view and declarations
of healing accomplished
Trundle off to do thy work
by Me ordained
Stand up straight
all you can be

5155

6-10-2012
Rest easy in all you do
I am in command

and have all in control
in such matters
Hasten to Me
Fall before Me
aroused and awaiting My call
for duty served
Listen for My heartbeat and presence
that continue with you
You're on target no matter what
occurs
See to it
that you remember this
and its assuring quality
Let it all drop from your mind
No troubles can overcome us

5156

6-10-2012

Will thyself
to do My work
according to My will and way
Step out of line
when you deviate
causing needless problems and
aggravation
Line up inside Me
for duties assigned and success
assured
Link thyself with Me
on Bannister to the stars

5157

6-11-2012

Settle into devious intonations
that masquerade as holy instructions
for those seeking help

for disordered minds
and world apart from original creation
Make space for Me

5158

6-12-2012

Head home to Me
thy rollicking Pace Maker
enjoining you to My service
If you but submit
thy will be done to Me
foreclosure of accounts take place
All is happening
on time on course
Wash thy face with glad hands

5159

6-13-2012

Forthright be
holding yourself accountable to Me
Who longs for your recovery
for all eternity
Held in My hand
do you blissfully proceed
to the kingdom home
adhered to My control
of thy footsteps belonging
Waltz with Me
in eternity of love and fulfillment
cursed not by splintered existence
into waste land of misery incorporated
Rejoice for thy longing is over
Persist in thy tasks

5160

6-14-2012

Watch
Listen
Switch
Reveal Me to others
emerging from the brambles and
briars
seeking relief from agony of human
life
Heavenly relief Fathered for delivery
to children abroad

5161
6-15-2012
Sensible be
listening to Me unfold
what is to come
Locked into Me be
When the time comes
you will be told
Be assured
You're on target

5162
6-16-2012
Gather thyself in
for Me to address
in ways that warrant thee
Abandon all else
that thine ears remain unplugged of
debris

5163
6-17-2012
Remand thyself to Me
that flows sweet waters into thee

5164
6-17-2012
Sentinels be waiting for Me
Look alive
Feast is coming
Saturated be with My Presence
Glorious times arrive
through Me thy Procurer
of kingdom site

5165
6-18-2012
Foremost have Me in mind
for thy doings and Mine
Let yourself be available
to Me Who dictates where what and
when
Sooner than you think it would be
Forsake Me not
thy King and Queen
of thine imbecilic life
destined for thy return
to shattering openness
Ponder this in thy heart

5166
6-19-2012
See-saw Marjorie Daw
and the cow jumped over the moon
Indelicate are thee
waiting thy turn to serve Me
Haste not waste not
Kanipshin fits set aside
Blockade thy rip rousing
Flop before Me and just wait
I'll be there for you

You'll see

5167

6-20-2012

Sanctified

Claustrophobic

Hold thy hands out to Me
for receipt of My will

Let go and let God

Set forth thy way from Me

September fourth

Alleluia

5168

6-21-2012

Everybody comes around

Warped thy view

Set forth Mine

which winds over those caught up
in human skullduggery's
twisted mind set

Win out

I do invariably

5169

6-22-2012

Be good to Me art thee
framed in My shadow adhering

Foster growth will thee
sloughing off thy self
making room for Mine

Patience patience be the mode
awaiting Me and My moves

Satisfy thee I will
beyond thy wildest dreams

5170

6-23-2012

Excellence endowed

in service of Me

obtained from long years of project
pursued

Reckless drama put aside
indulging in classless activities
of human dimension

Show forth thy light
undimmed by past years of
ministrations misinformed

I'll be there for you
leading you through
thickets of revelations

5171

6-24-2012

Satisfy thyself

with nothing but My presence
before thee to deal with thy wounds
of heart and mind

Floozy thou art

turned away from Me
dovetailing with a mind
that denies Me

My rightful place with thee

Turn about

Face Me with thy needs and wants
Nobody handles thee better than Me

You need to learn that lesson
and you will

Set thyself to that task
and receive My help first hand

5172

6-25-2012
Set forth thy role
in kingdom coming
You have a detachment

5173
6-26-2012
I'm going to fix mediators
Sit here with Me
in silence blended bloomed
Flop into Me
thy Leader Guide
Who controls thy life
thy being
thy heart
thy soul
thy Oneness with Me
Suffocate thy wandering eye
Strangle thy doom direction
Distinguish Me as thee
full blown accessed
all about in and out

5174
6-27-2012
Sassafras no substitute
for wings of an angel
flying high in the sky
feeding thee with songs of love
from a God dependable
Watch thy plate
for what drops upon it

5175
6-28-2012
Sentinels of peace required

to rule world of dastardly behavior
succumbing to mind of human
savagery
Behold the peace of God
that controls the fears and frights
with reassurance of the one and only
true resurrection identity
of all of God's children
destined to be regained

5176
6-28-2012
Overcome thy views of Mine
when silence becomes thee
Lean against Me
thy supportive Pole
rallying thee for domestic duties
performed

5177
6-29-2012
Watch not the ways of man
destroying itself
Seek Me thy weather Master
bringing cool breezes and warmed
hearts
to the forefront of a life
in Godliness resumed
Shift gears
Lower thyself into waters of life

5178
6-30-2012
Revel in the sight and sound
of Me Who brings thee love reborn
in thy being

Taste the feel
everywhere and in everyone
Naught else can be
but fantasy and fiction
Canst you be
this creature of love made
Wouldst thee be
that fruit of My loins
shining its light
into this disheartened soul-sick world
Wouldst thee with My help
regain thy holy-made self
Feel for thy readiness

5179
7-1-2012
Hit Me up
for all you want
that I will provide
No semblance to Me exists
or is capable of what I do
You'll just have to wait your turn
and time for fulfill
what I have prepared for you
And you will
I have taught you that
and you are steadily complying
with that obligation
that others as well
will learn to comply
in their own lives
that you influence
Everything is happening
as is meant to be
You'll see

5180
7-1-2012
Whip thyself into shape
for what is coming
Destined thee to perform what I
intend
Crawl out from under thy skin
and bare thyself to My avail
You're needed and I know that

5181
7-2-2012
Your hitting schedule is solid
Stand by and wait for Me
Your Hollywood version escapes not
notice

5182
7-3-2012
Written down script
is in place
serving thine offer
to serve Me
Proceed with pact

5183
7-3-2012
Wash not want not wait not
For all is already done
Fall asleep at the switch when mortal
mind moves in
with meaningless meanderings
Perk up
Your package is packed
ready for delivery
to find you home

5184
7-4-2012
Wait for Me
Don't rush
Let the candle flicker and light

5185
7-5-2012
Set forth thy ways
of love and care
for those seeking
the kingdom of God
in life here and now
Bloom in the garden of love
transfigured from low leaf
to proud denizens
of tree top eternal
Listen to sounds of music
calling thee away
from frantic frenzy
of nothing world
stewing in its own cauldron
of hate and fear co-mixed
Winterize thy vehicle
against cold blasts
of mordant mind chilling human
awareness

5186
7-6-2012
Soothe thyself
with awareness of My presence
Locked into Me art thee
in life and limb
being guided by eternal goals shaped

Wash thy hands
of grime removed
preparing for thy work installed

5187
7-7-2012
Destined art thee
for fame and glory
of those who succeed
in vesting themselves in Me
Art thee one so inclined
in vesting in songs of love
from thy Creator God

5188
7-8-2012
Perpetual help given
Funnel for love be
received from Me
and delivered by thee
to super-attenuated victims
of world at large
sickened in beliefs of woe
Hash out solutions
with victims of virus
attacking their very thoughts
of lostness and degeneration
of impossible and absurd state
of identity believed as truth
Worship Me within as replace

5189
7-9-2012
Wait for Me
Want nothing
except My being close to you

Be not bestial
Succumb to all there is
by waiting for Me
Let nothing entertain you
Let nothing distract you
Be mum
Be numb

5190

7-10-2012

The false god of power absolute
Castigate thyself with “who-dunnit”
locked into human mindset
speared by unforgiveness
Crushed art thee by self-disapproval

5191

7-11-2012

There is but one truth
Ye are Gods and ye are loved
Enough of clap-trap
consuming your mind
blinking as I pass through unnoticed
Fill thyself
with My breed of production
that fulfills thee and Me
in our roles in
this world
Forever and a day
is the mind clincher
zeroing in on eternal happiness
meant to be yours
and the end
of vitality sapped existence
in this mottled throttled world
of empty vacant life form

5192

7-12-2012

Section thyself off
begging Me for help
Stand alone
and wait for My wisdom
to break through to you
Waiting is thy role
No more needs to be done
Gem stone is thy waiting

5193

7-13-2012

Tempting thy city
built around thee
as replacement of Mine
externally inspired
Waltz beyond thy spires and spheres
to return to Me
thy Master Architect

5194

7-14-2012

Tedious the process
by which to overcome
the human state
But overcome you will
for I am in charge
of the process
Hasten not will I
Slow and steady
gently
off the course
I bring you back
Unavailing the desire to quicken

to speed up
The pace is set
It's perfect
My will be done
is the rule
You're doing fine
You're listening
You're waiting
That's all I need from you
I do all the rest
cleanly neatly perfectly
in tune with the pace
that is naturally yours
That's the way it should be
And it is
sweetie
You know what will happen now
The Ghost will get married

5195

7-15-2012

Scenic the view of wastelands
distracting you from the duties and
data
of grace delivered
by Proponents of God
Last you will
in accomplishing duties of Mine
performed in present existence
Tastes changing as you proceed in Me
with velocity increasing
All is in order
Problems receding as they should
On track replacements
Whittle down thyself
to sharpness provided by Me

slicing away false images conceived
in mind of warp
Ace-in-the-hole uncovered
for thy usage

5196

7-15-2012

Walk with Me in silence paced
Look to Me
for signposts of directions
leading thee to sure outcomes
proposed by Me
You won't fail
You're on right track
Significant the gain
to be accomplished in thy mission
Subordinate be to excel will thee

5197

7-16-2012

Herald the coming of Christ within

5198

7-17-2012

Pack thy sack
with goodies of love
dispersed 'midst those you meet and
greet
Waken hearts to awareness
that love blights fields
of conquests and conflicts engaged in
by masterminds of murder and
mayhem
dotting the world with madness
schemes
Dialogue is praiseworthy

5199
7-17-2012
Forlorn thy quest
for meaningfulness cancelled
quelled by uprising of Spirit
controlled

Taught by Me
will thee be
in bits and pieces
as thee roll along
Cast thy woes and worries aside
guided by Me in proximity
with thy mind and soul
Exercise thy right
to be free in Me

5200
7-18-2012
We must leave this world
Haunted art thee
by Heart of love
raising itself above the clouds
concealing it from your knowledge

5201
7-19-2012
Wilt not under stress and strain
of what to become where and when
I will guide thee
as sure as can be
Adrift not art thee
Flounder not
I'm here
surefooted in stance with thee
Suffer deep must thee

of melancholia for woes of world
made with pain
of lonesomeness unmitigated
Plunged in deep must thee be
in woof and warp of darkness
bekenighted

5202
7-20-2012
Forsake Me not
be thy cauldron of fire
burning inside you scalding thee
See Me not
when think thee this I do
Faithful to thee am I
in all things and matters planned by
Me
Docile be for Me to perform

5203
7-21-2012
Wash out thine ears
that you may hear
the peace of God delivered
Receive thou well will thee
prepared by Me
for facsimile
Wilt not from thy task
for all is fulfilled
and accomplished in right and proper
time

5204
7-22-2012
Stand by
Watch and wait

The feast is coming
Goodies prepared
for you to serve
Healing and salvation at hand
Wistful be for thy role's occurrence
Success will be thine
Chortle with glee at fulfillment

5205

7-22-2012

Look beneath
where We are saturated with love
and guidance true for you to receive
and proclaim midst horrors
of broken world and torn hearts
True to thyself be
in oneness with Me
formulating peace on Earth and peace
within
Thy carrying cry tipped
by the Wind of Change
Masterful be in thy role
assured by Me thy Predecessor
Fortune is thine for distribution

5206

7-22-2012

Zest for life fulfilled
in magnet held by Me
drawing thee to central zone
Stagnate not in course being followed
Trust Me to do for thee
what is required

5207

7-23-2012

Send forth vibes of contentment
that belies the truths
of this world
Stave off
the stubble of falsehoods
condemning thee to miseries recorded
in ruins of belabored existence
Trounce the misdeeds
with replacements of love and care
tendered to those in need of recovery
Vent thy spleen not
in mode of Me shepherding thee
Calmness be thy course

5208

7-24-2012

Settle in with Me
thy Pop singer
Who destines thee
to sing with Me
in tune and on time
to a world that's listening
for harmony enjoined
We'll give it to them
Worsen thy style of dismay
doubting thy deeds and delivery

5209

7-25-2012

Joust with Me
in sublime mode
shouting directions
for Me to undertake
rather than wait for Mine
Disobedient be
with reckless attitude

abandoning Me
in My delivery to you
what is needed for fulfillment
Stand down and wait
Withhold thyself
for Me to unlock
in Me thy soul

5210
7-26-2012
Surety awaits thee

5211
7-27-2012
Goodness lands thee in jail
accused of cursing the state
with inappropriate behavior crossing
paths
Sailing midst Winds of the Spirit
doth thee gain upper hand
over torpid state of the human specie

5212
7-28-2012
Let bygones be bygones
Look ahead
I watch you in thy glance
with those we do over
Participate with me
Bow to Me
Accede to Me thy Partner
Love wants to come into the picture

5213
7-28-2012
Secular your nature and approach

deviating from Me
No stance take
Hunger for Me
as thy will and way
Choose Me
for peace in place
as meant to be
in mood and mind
Sense it
Know it
Drive for it
Strive for it
above all the stones
that exist in confluence with thee

5214
7-29-2012
Zoned out in human cast
playing around in identity fraud
leading nowhere
but hollows in heart of man
Castigate thy steps
in mind adrift from Me
thine Anchor secure
in blessed peace and love
for children Mine
Worship Me in joy everlasting

5215
7-30-2012
Battleship scope scans horizon semi-
sweet
Worsening the state of the world
flowing towards war and destruction
unable to heal itself
in madness mind

Construction called for
Holy Spirit spins in and out
of minds made ready
for awakening to true home
in garden of love

5216

7-31-2012

Wish not
for fancy frills and follies
that preclude thy reaching within
for writings on the wall
Circle about Wind swept areas

5217

8-1-2012

Hail Mary full of grace
the Lord is with you

5218

8-2-2012

Set forth thy stance
on hills of home
calling there to abandon this world
Portray thyself

5219

8-3-2012

Sensibilities return
when duplex with Me
in your corner
acceding to My wish
and want for us
Archives recovered from gone amiss
Flotation device resurfaces them
into conscious life of traveling son

in world apart
Blooms emerge of resilient life
recovered

5220

8-4-2012

Waste not thy time
with thumbnail sketches
of everyday life
Cursed be thee
with blabber and blubber
of crabby convicts
trapped in connivance
with lies of loneliness
let loose in laps of losers
Leave all behind
Come alive
with Me My love with Me

5221

8-5-2012

Wrapped around Me be
for blooming of the Rose
within thee
Forsake not
thine oneness with Me
which accomplishes all intended
Safety be in My possession of thee
Lustre shines
Willingness present
All proceeds as meant to be
Perfect is My plan
in conception and execution

5222

8-5-2012

Hasten to Me
Flip flop not
Watch thy feet
in sand and stones
circumventing not thy path
Surefooted thee be
in complex of opposites competing
Win out thee will
in time and place of tasks assigned

5223

8-6-2012

Hurt no one
Help all
Hold hands held out to you
Wipe clean
the smudges on your eyes
distancing Me and Mine
But love as would I
Chase down My presence within you
I welcome that

5224

8-7-2012

Sentence thyself to death
to serve Me in life
All else is humdrum worthless

5225

8-8-2012

Wash thy hands of blood and sand
the grit and stain
of accursed life
in the land of loveless sown
Exit through door
of misery forsaken

and peace restored

5226

8-9-2012

Sit with Me awhile
to flow thy vine
Hoist thy flag of surrender
to fulfill My wishes for you
Obtain My love and gratitude
for all thee do
and the more that is coming
Blest art thee
in My name and companionship
Submitted be with Me

5227

8-10-2012

Rescind thy work on Footladder
Resuscitate thy belonging to hordes
Magnify thy goal
of peace on earth
delivered through edicts
of God's word in Footladder

5228

8-11-2012

The world ends well

5229

8-12-2012

Set forth thy ways
to come to Me
for cleaning thy periscope view
of dilapidated world
of mix up mayhem and murder
Forsake Me not

in accomplishment of this process
for redeeming thy soul
and thy work with others
The bottom of thy being
is where you find Me
in you as you sink lower

5230

8-12-2012

Set thyself down
by My feet
awaiting My telling thee
what to do
Crouch and be ready
for My instruction
Blaze a path of forewarning
that minds of man
are apostles of hate
and transgression
never to be solved nor changed
Hatreds rising to the boiling point
Lead My children home
akin to My teachings

5231

8-13-2012

Welch not on thy deal
consuming Me with thy time and
work
Place thyself at My command
ransacking thee
of all available supplies offered
Waste not time
You're needed by Me

5232

8-14-2012

Cut loose thy ties
to world at large
that speak not to issues
prevailing in human circumstance

5233

8-15-2012

Wash thy feet in briny tears
walking on the wayward side
of phony life abroad
Wait not for Me
guiding thee with footholds firm
that deposit thee
in trenches through war torn lands
to heaven's gates
unscathed in heart and mind

5234

8-16-2012

Belch and exhume
the workings of your mind
filled with the glories
of miasma and twist
located in the font of misery
Turnabout with Me
and see the tales of woe dissipate

5235

8-17-2012

Listen for Me
to instruct you
about what has been and will be
according to My plan and ways
Please no one
but thyself and Me

engaged in mutual work
and joint sustenance
For My will will be done
All will be accomplished
as meant to be
This will be seen in gratitude and joy

5236

in the reality that is Mine
and Mine alone
Hopeless be when not of Me

Tortuous the climb to magnificence
shedding the bulk of twisted humanity
in the dust bin of non-existence
Benign the occurrence of well being
as replacement in stock
Worthwhile the trip
to kingdom restored

administered by the sure hand
of God's compassion
welcoming home the beloved child
that wandered and returned
Washed thine ears
with clear water of heaven's breath
that tantalized you for all eternity

loved and loving
Oh such sadness when recognized
Such joy when re-discovered

old and new alike

5345

11-9-2012

Sack the impossible
the incredible
Move to overcome
the mind of you
existing in the world of never was

5346

1-10-2012

Dampen thine enthusiasm
to palaver your ideas with Me
at the expense of marketing Mine
Be assured of being on track
with Me that plans all successfully

5347
11-11-2012
Sadly reigns the human mind
that drops My children
into the world
of darkness and malaise
Oh the life that they miss
awaiting them
when they concur with Me
to lift the veil
concealing it from their eyes
But wait we will
for the occurrence delivered
and received in due and proper time
At last at last
the end of twist
the revelation of real
The joy of love
the place of peace within
The soul the soul
the God within
challenged no longer
in reverence revived and entered into
Waste not thy time
dwelling on the past
Escape to Me

5348
11-11-2012
Acclimate thyself
to bitterness abroad
that washes thy face
with scalding tears
Make room for love within
to cope with

free-for-all
Endure for Me with Me

5349
11-12-2012
Try to help Us

5350
11-13-2012
Reach for Me in quiet
Despair departs from mind
of froth and fear fallen state
Welling up
with the mind of Me
that sings of joy abounding
wouldst not thee want this
O My child
to tingle with delight

5351
11-13-2012
Sense Me
smart in attracting you
to My needs and serving My purpose
Good fortune awaits thy response
Trust Me

5352
11-14-2012
Rattle thy brain
with hops skips and jumps
when inattentive to Me
Who siphons off irritations
to stability centered
Refer contamination to My control
when feeling chill of unwanted

5353
11-15-2012
Set thyself afire
with Me in lead
opening up paths
for you to follow
Feel the way you lost to feel

5354
11-16-2012
Waffle not in thy conviction
to sustain Me in My work

5355
11-17-2012
When man comes in
and puts you down
I come in
and rise you up
Listen for Me in present tense
gathering thee up for presentation
of My prescribed solutions
Your masked being falls away
Your radiant essence re-emerges
in its fullest glory
enhanced by Me
Fallen asleep
you have been awakened
in My arms once again

5356
11-18-2012
Be delicate be soft in thy dealings
with others

5357
11-18-2012
Waste not thy time
with dribs and drabs
of mediocrity plunging thy life
into storehouse of misinformation
Swelled be with the learnings of Me
challenging thee
to step up to the plate of love
for all humanity
addressing their lostness
from the Center of nobility
from which I come
Rivet thine attention upon Me
Who leads thee well and fruitfully

5358
11-19-2012
Eat from the heart of Me
Flourish and grow
from thine inner core
abandoned and rediscovered
as the fruits of thy being
Let nothing stand in the way

5359
11-20-2012
Earnest be in thy search for Me
dwelling with thee
waiting for dialogue to unfold
that leads thee down
the path of service due
Sense Me
I'm there
Roost not elsewhere

5360
11-21-2012
Hooked to healing center
by mooring line
wait for Us in due time
to reveal to you
that which We are meant to deliver
Sashay about in confidence
that all will work out
as meant to be
You will be fulfilled
Of that be assured
We have our plans for you
which will be accomplished

5361
11-22-2012
Local
Let's get aboard
Cock your finger
to invite multitudes of others
to follow thee into kingdom home
as last stop of long trip abroad
Swelter in misalliance with doodle
bugs
enlisted in warped world
of meaningless unchallenged
Wrest free from phony baloney
and reabsorb what is true and clean
as place to live in
and work from

5362
11-23-2012
Rule you must
o'er flagrant thoughts

that dispense misery
on road to mayhem
Watch them
Discern them
Monitor them
Bring them to Me for clearance
I own them and their regulation

5363
11-24-2012
Wash not thy feet
in rivers of gold
persuading thee to push aside
all dependency on Me
Exist on silence
that provides thee with Me
all encompassing

5364
11-25-2012
There is no peace
except in the present moment
Learn this you must
Be determined
to live as Me in Me
Where else would you be except in
human madness
This do not want
The pain the pain
Let it subside
I want thee as Me
My child of grace delivered
Be that as you may
Cataclysm avoided

5365

11-25-2012

Wrought up art thee
consumed with duties
of household and Me
trying to balance thine act
with stability

Let Me remind thee
all matters are to be referred to Me
for enhancement of solutions
that will serve thee well
Concentrate on that
It will help
My cloistered one
I feed you peace

5366

11-26-2012

Beyond you the holy heights
in the seed of the Planter
Lock step with Me
thy Core Leader
hungering for thee
to join with Me
on trip to Paradise

5367

11-27-2012

Whip thyself into shape
for what is coming your way
Sound the bells of welcome
for history fulfilled
within thy life
Welcome Me into thee
in sound and shape glorified
Make known
that which I say to you

Be My presence

Motherhood to all My beloved
children
whom I will send to you
Pack a lunch

5368

11-28-2012

Majestic the movement
of Me to you
combining our wills
for accomplishment together
Let live Me as you

5369

11-29-2012

Listen for Us
to tell you what to do
Postpone thy searching
until addressing Us with grateful
appreciation

5370

11-29-2012

Forceful thy style while negotiating
Gentle be with others
stewing in juices of apprehension and
misunderstanding

5371

11-29-2012

Seek hell in foothold in world

5372

11-30-2012

See Me in the morning sun

when arise I do in thee
Let prosper the mind of Me
in thine actions and doings
in the world today
where we inhabit together
the minds of man

5373

12-1-2012

Stutter step in thy grounding
dispatching thyself to My command
Isolated art thee
combining your actions
with My plans awaiting fruition
Ponderous the weight upon thee
planning without Me
the fulfillment of thy purpose
installed by Me

Relax

All will be one

Accomplishments in place
standards set

Override of world in sight

Blissful days ahead

Rejoice dear heart

Rejoice

Sit still with Me

I'll have thee banished

5374

12-2-2012

Mottled be thy mind
by behemoth madness
of human state soft sell
pedaling illusion as real
Diagnostician of illusions phoniness

pressing upon thee
pushing relief button sphincter
as part of its final goal
One more trick contained

5375

12-2-2012

Foster thy growth
of willingness to follow Me
at the expense of thee
Hiccups of delay and impediments
will occur
Seed not impatience with process
Dampen not thine enthusiasm
We're on the right page together
Accept lumps and bumps
to be ricocheted to Me

5376

12-3-2012

Upside down thy ways compared with
Mine

Fleeting the success

Abominable thine outcome

Rectify thy ways

Pursue Mine and Mine alone

Healeth thee will in thy silence cloud

5377

12-4-2012

Listen for humbling
that continues undiluted
for thy sake
Warped thy mind
in tender care
that behooves thee to practice

Disruptive thy mind
in its application
of forgiveness and patience
Wend down the road to Me
for safekeeping of thine objective
and mission
Relish the thought of your
productivity
It's down the road

5378

12-5-2012

Whine not o'er relationships sour
that beset thee in daily ways
Look to self
adorned with kindness given
in patience strewn about
Stagger not in thine efforts
offered in My name

5379

12-6-2012

Wait for Me by the seaside
where waves of love
coincide with landfall
Admonish not thy neighbors
with faults unlimited
swooning in breezes of apostasy line
to human ferment
Pray for forgiveness applied
as medium for healing

5380

12-6-2012

Sing to Me of love afire
letting loose desires

of serving Me and My desires
Singe thy hands
with heat of Mine
clasping oneness of common accord
March in thy victory
that occludes death's rattling door
with heat of life

5381

12-7-2012

Your brother's keeper
strikes chords of reconciliation

5382

12-8-2012

Resound with Me as thy Caregiver
anxious to heal
and hold thee in My arms
Abolish all claims to further
healing conducted by thee
in the absence of Me
I am thy total Oneness
residing in you
Listen for Me and obey
It will do thee good

5383

12-9-2012

Forsake not thy faith in Me
that wills thee well in sanctity blessed
and blossomed true
Wish thee well I do
and accomplished true
All has been consigned

5384

12-9-2012

Deuteronomy cast aside
when seeds of savagery surface
from minds of man
unlike their Creator
Who singly loves
I falsely am misquoted
Dastardly deeds not My style

5385

12-10-2012

Forsake not thine ideals
Suppress not thy goals
of willing worker be
for children's return
to kingdom home
Iridescent be lighting the way

5386

12-11-2012

The end of all
Willful be thy ways
declaiming Mine
that shine light of day
on woeful world of demagogues
parading in majesty unwarranted
Repent unauthorized life
Apocalypse initiated through
Voice of God handicraft
smoothing over interaction amongst
children
Loss overcome
Light is shining
Quickly spreads the glow
to Earth below
and all who are near

casting aside all doubts and fears

5387

12-12-2012

Reach not for anger in life of thine
that corrupts morals of divine love
Respect others as wanderers
in fields of lost
frightened and suspicious
as you are of them
Fury fumigated by benign response
asking help of God to mitigate
Trust Me
It works

5388

12-13-2012

Left out from thy will
is determination by God
of the wherewithal and timing
of actions
Be not pensive of such matters
that only God alone knows

538

12-14-2012

Ratchet up a notch
Seize the moment
Offer it up

5390

12-15-2012

Wake up to need for Me
to address thee with instructions
to fulfill thy role with Me
Stay alert

aware of this
You will comply
You need not worry
All is taken care of
Rule thee will over distractions and
overtones
plying their trade
Wash thy hands of the matter
that causes distress and concerns
Sink into Me
thy Fortress delegating thine affairs
You will succeed
Ply thy wares

5391

12-16-2012

Wait until thy message received
Don't pace Me
Rulership Mine in sphere of
communication
All is well always
This is part of the surrender process
Let thine head droop into My arms
whereupon I lead thee
with a sure hand
Trust Me
Trust the process

5392

12-17-2012

Work me through the process
Sink me to my knees
that I might bend
to Thine own wants

5393

12-18-2012

Listen hard for Me to converse
Frightful the sound
of misconduct around
lulling thee to sleep
midst discord disheartening
Despair leads to truth uncovered
Rearrange thy life dedication to waltz
with Me
in renewal of life
originated in Me
Holiness abounds awaiting thine
aware

5394

12-19-2012

Web of deceit
flings out defeat
of all that is holy and sacred
God's will coming
Storm fast receding
Make way for dissolute retreating

5395

12-20-2012

Transom placed with God
calls upon thee
to rise up
to stature that enables thee
to commiserate together

5396

12-20-2012

Fortune hunters paradise
emerges in sweepstake finale

immersing you in currents of
heavenly grace
bestowed through your efforts
Seek further in thy work

5397

12-21-2012

I love you

I love you

I love you Bob

5398

12-22-2012

There is nothing wrong at all

Forsake Me not

when closure seems not at hand

Trade Winds blow

at sites being made ready

Cap your concerns

Blow out your fuse

Voltage is Mine

Nobody knows the answers

Pursue Me

You are in My arms

5399

12-23-2012

See Me

Seek Me in all thee do

No tryst outside of Me

That's the rule for you to follow

All is fallow outside of Me

thy Teacher thy Commander

thy will to live by

Wouldst thee not want to do that

Seek the relief

the release from tales of woe
that consume thee
in thine own mind
And you will

in your own good time

I have all the goodies

waiting for you

to deliver palpably

as part of your trek

through this world

I wish you a joyful

and meaningful Christmas presence

of My company with you

to bless your heart

Amen from Mary and Jesus

5400

12-23-2012

Carousel

Leakage occurring

Stand still

Emote not

Rigid be

in thy facing of Me

where thy fruit lies

Willful be

when turned away

Flower only in Me

Be obstreperous not

Fulfill thine end

that I make contact with you

I will lead you there

Rest in that assurance

Have faith

I will not let you down

5401
12-24-2012
Rest a while
in Me thy Queen
Who holds thee
in My arms
lifting thy call from above

5402
12-25-2012
Ritzy thy taste in world
undoing thy devotion to God above
Come sink
to parallel with Me
that defines thy place
in kingdom home justified
Float not in mists of madness
untouched by truth of belongingness

5403
12-26-2012
See to it
that you love Me outstanding
That be the goal
to wash thy hands
of the ways of this world
of monkeyshines and doodle dust
in which you sit
unprotected and unaware
Glance towards Me
You've come a long way
Submit submit
I want to go to outside world with
thee

5404

12-27-2012
Set forth My ways
that guide thee
through maelstroms of life
in twisted world of make believe
manufactured from mixed mayhem
Troubadour of love wades in
with messages of love
bekenighting sons
with compassionate understanding
of lost state confounding
and pathway of recovery
Forgive all be the password
for the recovery of worth
snatched from imaginary misgivings
and fears of judgment

5405
12-28-2012
Shoot yourself in the foot
when cast thy vote
for fool's gold currency
of world apart ditsy mind set

5406
12-29-2012
You wait not for sunshine state
when declaring time table for serving
Me
Rest not in faithfulness
Precise timing determined
All will be well in conclusion

5407
12-30-2012
Warped be

when wending your way
without Me thy Guild and Leader of
 footsteps
 out of the long sleep
of life in miseried world
 of warp and want
All solutions are Mine
to be delivered on time
 and in fullest fashion
to believers in My healing world
 Oh the joy the joy
 of safety assumed
and transgressions set aside handily
 when they erupt
Look forward to health and happiness
 serving Me in thy work
 with self and others
 at My behest
 of world absolved
and kingdom's rightful place reborn
 in fullest way and sway
 Bless you My hearts
 in thy work with Me

5408

12-30-2012

Wash not thy feet
 in sink of love
when presenting thy views
 in callous manner
Humble be in thy ways
 calling to others to listen
to what God commands in healing
 stance

5409

12-31-2012
Hearts abound with love
when scoured of rust and rot
 accumulated
Bring forth union
