Reach unto Me
for sound reason and strength
to fulfill what I expect of thee
in your family tree
gone abroad into fantasy land

the you of Me
There shall you find
the song of love
explored and exclaimed
for the world's hearing and honoring
Wash thine hands and feet
in purity aglow
Be silent
All else is madness afoot

5914

1-9-2014

Step down into Me
Wicked thoughts abound
tied into thy mind
cavorting with the enemy of holiness
Tied into me
be the solution
casting aside unremitting pulse
of impurity posturing as reality
Bless thyself with My presence
cast as thee in love abounding
In unbreakable ties do we exist
in total unity reclaimed
and witnessed as benediction to others
for their recovery and rest

5915

1-9-2014

Submit to Me
oh ye who are heartbroken
that I may mend your wounds
self-inflicted and magnified in
appearance

safeguarded by My will
to sustain and preserve
that which I have created

the result of narrowing down
thy viewpoint to world within
Waste not thy precious time delaying

1-11-2014

Slide down to Me
with all the paraphernalia
of useless life closeted
Dump your load
Rise up and shine
emerging from overcast skies and
worthless wares
Wake up and walk
in revelation's reality rule
Pleased be with Me

5918

1-12-2014

Sever thy relationship with yourself
worthless as it is
and recover Me as thee
for all posterity
Plan as Me inside thee
assuming control of life and limb

influencing others with My impact as
you
Dim the sounds of discord
in that role
placing thee as mediator in to settle
Reach down to take My hand
in melee unmovable
by any other means
It will bring peace as well to you
Stand fast
You're making it
with ample time to reserve issues
I'm always there with you

5919

1-12-2014

Listen to Me
when I speak to you
reassuring you of well-being
in thy life
based on My standards
Nothing frustrates Me in My intention
to accomplish what I wish
in you and through you
Trust Me and My power's capability

and relax within that assurance
I dominate the outcomes
and favorable they are always
Be released from any uneasiness
about such issues

Done with Me
when poking around in fiendish mind
of make believe mortal values

by unbalanced beliefs
tipping you into madness moments
Hear My call
Attached to thee am I
inescapable from My influence
and I will win out
I cannot be stopped

5923

1-15-2014

Waste not thy time
with dribs and drabs
of everyday life
harkening thee to phony tales
of meaningful affairs
Lessons await thee
of crashing lives
built on hokum
leading thee
to reassess qualities of your existence

5924

1-16-2014

Sampson strain of strength
exists in all My children
aware of it within them
You watch not for Me
when place yourself
upon the throne
I will plan
and so inform you
when where and how

Until then do nothing
in order that My will be done
Nothing will be accomplished
unless this followed

5925

1-16-2014

Simplify simplify simplify
Which hurts more
to love like Me
or love like you
Set Me up to fail
Ask Me things I cannot grant
until ready to receive them
with joy and relief
Listen to Me
I am assuring you with tweaks and
twinges
Keep coming
You're on the right track

5926

1-17-2014

Range about in foul weather
drifting into sea of ignominy
where find thee heartache and dispute
Reach into Me
thy Heart of hearts
where be the mind
of peace and gentle ways abiding
Voice thy concerns loud and often
Alert be to call of Me
Fire storm

5927

1-17-2014

for shining Star's appearance
in glorious world of love

5930

1-19-2014

Exercise caution
in your life's ways
undertaking responsibilities in My
name
Dawdle not
Proceed
but always in the light of My direction
Submit to Me all tasks and problems
That is your role
which enables Me
to reach into the world through you
Abandon self
Defuse the connection
that frees us
for cooperative efforts fulfillment
Stand strong
You will succeed

5931

1-19-2014

Go deep inside thee

to sweep away
all that blocks thy sight of Me
Pierce through
to My mind sin cleared
Reach Me
in candlelight of heaven
shining bright

5932

1-19-2014

I hear you cross thine heart
Sing to Me
A peace tree

when accustomed to My instruction
Distant the sounds of music land
when prevails the noise of cacophony
Breeze blowing disperses interference

1-21-2014

Dispense justice in line with Me
towards My children
Equal value be the rule
of their worth and being
Rant and rave
Simmer down

See lostness in its place

5936

1-21-2014

Rip apart thy time sequence
Disengage thy mark
Repute thine efforts
to unseat the Father
and replace with thyself
Manage not thine affairs with
temperance
'til squeezed dry and dismayed
Then will thee turn to Me
for succor and abolishment
of discord within
Peace My dear child
Peace
Thou has earned it
Endure entitlement
as the fruit of thy labor
Awaken to Me

5937

1-22-2014

Scoot on by the world of Oz
misbehaving
in the light of God
Thunder struck be
when God offers thee reprieve
at your request
for healing and ultimate salvation

1-22-2014

Flow me under for what I want
Make me as You My Milk maid

to the searching Spirit awaiting within
route of relevance
Safely guiding thee to homeland

Let the sunshine in
to the darkness sphere

5960
2-4-2014
Flit away from Me
My song-bird
emancipating yourself
from what and Who I am

as My descendent
Will thyself
to do more for Me
and I will
I need to as My fulfillment
I regulate you
to accomplish your ultimate
achievement
Wash your hands of yourself
It takes time
but it's happening bit by bit
a bit more each day

5970
2-12-2014
Whimsical thy mischief maker
parading Me with absurd delicacies
of blatant disrespect
and disregard of My true qualities
Cursed art thee by its occurrence
and continuation of foul ways
and painful outcomes
Bless yourself
by its abandonment
enabling My reappearance
in your consciousness
as the true gift of love eternal
Forward that love to others
washed in the blood of the Lamb
Partake with Me aboard
Zoom in

5971
2-12-2014
Fruitless am I
Set in time
with You only
then would I compose

Discipline thyself to depend on Me

for answers to all issues

of all those perceived
as dangerous to thyself
be it rightly or wrongly

Wise up

to transparency of worthless life
abroad from homeland of love
and devoted to Godliness direction

Putrid and fruitless

the mind of man

destroying molecules of holiness

with miseries of madness

stemming from worthless

self-centered self-surviving

viciousness

directed at others

Throw down this self

that denies thee the fulfillment

I created thee for

Walk on knees

instead of standing straight and tall

giving of self to God

withered waxy and wanting

wayward Me

Who can lead you

through the briar patch

to welcoming arms of thy joyous

Creator

The pusillanimous retreats

Purity revered

3-31-2014
Cynical be the human mind
reading others as sauerkraut
instead of sweets
Richness denied of self and others
Bogus information turns deadly
'til rectified by God
called to the scene
in final desperation disparagement

6043
4-1-2014
Realistic be
What do you know
Nothing of Me
You can't
I know that
and thus provide
what you want and need
My mind available as yours
Then you know and act accordingly

6044
4-1-2014
Washed overboard by scenes of frailty
do you succumb to idea of March
as our ultimate destiny doomed
Whereas do I see
the glorious face of Godliness
in My image impermeable

Walk not on mounds of dung
Walk with Me
on the staircase to heaven

with dirty rags
compounding problems of true worth
and inner sorrows

of bright future
and gregarious gain
March on with glory coming

6048
4-4-2014
Steam on
You eclipse the work
that has come before you
with your own
You have exceeded
the knowledge of prayer fulfillment
taken to its limits
Bloom
Bloom again and again and again
Mock Me not
with your closet of prayers
Stumble not
in your work and surrender
to My will and way
Proceed in its declarations and
limitation
Rise up
I am your Mother talking

6049
4-5-2014
Waltz with Me in summer time
when grass is green
and love has bloomed
Sit with Me
where love has blossomed
and degrees proclaimed

from world of want
and suffering exist
cursing lives
Whip yourself into shape
for what is coming
All is new
what you will be accomplishing

6050
4-6-2014
Wash your hands
of that kettle of fish

described as human life
complete with horrors and miseries
false entertained as real
No such thing
You are Me and I you
joined in the totality of oneness
that brings consummate joy and love
and peace
Proceed in that vein
You are on target
as the healers you are
and meant to be
Withhold nothing of thy venture
jointly experienced of deliverance

6051
4-6-2014
Whistle down the walkway to
kingdom land
dancing to the rhythm of love
portrayed
Sit in thy rapture enveloped by Me

6052
4-7-2014
Welch not on thy promise
to adhere to Me
Thy belongingness is needed
in each and every step of the way
Sense Me in your presence
dictating the rules of colloquy

6053
4-7-2014
Wracked in grief
worrisome in nature
man plods along in meaningless world
tousling with lostness imponderable
Portions of meaning extinguished by
madness mind blockading truth's
reveal
But not for long
Truth inexorable inching forward

with bright sunlight day
Look up
Smell the roses
Rejoice
Pass it along

6054

4-8-2014

Hold still for Me to use you
Glance not sideways
Straight ahead see Me there

that severs ties with man and God

6059

4-11-2014

Wash thy hands
of slick and slime
detrimental to wisdom and care
expressed
Deep down within
be Me with folk songs of love
Washed of Blood
distinguished wilt thee be

6060

4-12-2014

Suit yourself with destiny Mine
See Me in morning view
Chuckle again
Tickle thy funny bone
Christ is born alive again
winning out over thy worldly scheme
phony as a plugged nickel

6061

4-12-2014

Count not your chickens
before they hatch
through weary be thee be waiting
I know their hatch time

6062
4-13-2014
You're not touching the fall of Christ
the church's failing and shortcoming
Prevent the overlooking
Report it to church authorities

6063
4-13-2014
Sit still with Me
guiding thee truly
Upset nothing
All is well closing in
Riposte unnecessary
Fall to the ground avoided

6064
4-13-2014
Stinky thy view
of loyalty to Me
when dispensing wisdom
of thine own
to the exclusion of Mine
No matter what you believe
are thee in error
if not formed from consultation with
Me
I am the Master of healing
and of thy salvation
drawn to Me inconsolable
by any other path

6065
4-14-2014
Sink deep down
within side thy self
where thee find Me
thy Ruler and Regulator
guiding thee to success
and serenity solemn and sincere
Warped thy view
in shattered world

of nightmare dreams
ripping apart thy viewpoint from
Mine
dealing daily death
in place of life of love
Wipe out thy ways
and regain Mine
as place of true exist
awaiting thee and thine
Cast thee away
and enter in
Nothing more can you do but this
Plunge

6066
4-14-2014
Oh make me useful dear Lord
head bowed down to the ground

6067
4-15-2014
Wind down thy troops
beside Me listening
for orders to obey
Holiness crosses thy path
directing thee to fulfillment
of thy mission
assigned to thee

6068
4-15-2014
Whistle down the land of happiness
drawn in by surrender to My proxy
Tootle along in safety
knowing you have met My standards
required of you to complete thy
mission

Comfort yourself in knowing
that I am always available
to provide My strength and wisdom
that carries you through every
moment
given by you to Me
Such a relief to know that and to
comply

6071

4-18-2014

Bind thou to Me
that I might fulfill
My dreams through you
in this hate filled world contrived
Let Me have
My way with you
that resolves all issues
plaguing thee with distress
and bitterness entangled
Relief has come
Comfort regained
Peace returned

6072

4-19-2014

Reach for Me
that blind not ye be

walking the stone path
with rocks strewn about
stumbling and fumbling with thy life
Walk slow eyes open
guided and led
at each turn of the way secured

6073

4-20-2014

Blooming gardens erupt
in see-saw world
of hate and violence
countering love's nemesis
at its roots
Succumb to bliss received
at base of alter
to one God
to one family conceived
in love fest
as only reality
in land of make believe fantasies
receding
Erupt into realness sanctioned

6074

4-20-2014

Shut thy mouth
Distinguish Me from thee
Make of Me
thy King and Queen
of mercy everlasting
Entertain Me in thy fashion
Accommodate Me
thy Ruler thy Sovereign
sworn to
'lest thee be troubled
in nature and spirit
Unbounded lean My way
Come with Me in love
Waltz with Me in the season and
sound

6075

4-20-2014
Harness thy energy

for thy will to be overcome
by the will of Mine
Seeing through Me

for healing and salvation delivered
Replenish thyself with Me on board
Set thyself free
from catastrophe endemic to human
mode

6076
4-21-2014
Reign not in My place by thee
Scandalous the results
obtained from your view
perturbed rotten to the core
Dance with Me in silence
whirled to kingdom far
beyond the shore
devoted to love shared amongst all
delivered by Windy turbulence
caressingly stroked
Oh sweet life in abundance embraced

6077
4-22-2014
Roll out the barrel
We'll have a barrel of fun
Sit still in mind of Mine
calling thee to attend to Me
where joy and peace
remain in deposit
Set not down
son of God
that dwells in thee
behind pasted on face of man
Inner swelling composes healing
compelling attention to divine origin
insisting on recovery of true nature
Off base dream on the way out

Settle down
The twirls and ties
of the irrelevant state
inevitably fail

6078
4-23-2014
Reach inside to join with Me
thy place Keeper
devoted to thee
while straying away into lands
of love long lost and unattended
Recover Me in thine awareness
assuring you of safety and
homecoming
awaiting thee in return
from devastation and morbid misery
marooned

Who leaves you not
in want and wear
Clean up your act
in opposing Me in any fashion
I will dictate to you
I need no help in planning
It is all set
and simply awaiting your acceptance
of My rule and leadership role

6080
4-24-2014
Rescue me from oblivion
stained and scarred
by loss of love's aware
Crumbled my predilection
to rot and ruin
wasting away in selfish decadent
existence
apart from Thee

6081
4-25-2014
Wash not thy hands
in golden stream of love
when dipped into sewage
of human swill and savagery

6082
4-26-2014
I would like
to play the tambourine
but the world is too supreme
in cave and meadow mellow made
mine

6083
4-27-2014
Root in Me
thy twig to inner Core
waking to My Rule of thee
Forsaken not art thee
despite the dispute and distance
darkening the view of Me
Who awaits thine opening
to intercessions of Mine
leading thee into light
of brilliant life recovered

6084
4-28-2014
Retrospection declares void
Set forth thy views
on summit accomplished
Speck of
on high experienced
Perspective gained by holy view
within you

6085
4-29-2014
Would you have Me
as your only one

deprived of all other forms of life
Would you take Me
as your pride and joy
beloved above all
Would you want contentment
belongingness
depth of true meaning
and purpose fulfilled
Come then join with Me

4-29-2014
See Me through Me
thy Seeing Eye Companion
guiding thee through a world
darkened by blindness
to reality of God at hand
seeking thee out
Seek Me out

6088
4-30-2014
Call for Me
when in dire straits
meeting problems beyond thy control
to be handled
promptly with immediacy

Hasten to Me
for relief and remediation applied
Helter skelter avoided
Healed be in My manner

6089

5-1-2014

Sacrosanct the You Tube document
posted by thee
elaborating on spiritual holiness
themes
engulfed by worldly tripe trapping
Worshipping Me must be thy theme
for recovery of truth and reality
I am the Center of Being
Naught else can oppose My presence
and survive

6090

5-2-2014

See not with thine eyes
when scoping the world
with beady look advantage taking
Look beneath

6091

5-3-2014

Raucous the accounts
of My detractor children
salivating slime and slop
portraying Me as vicious and violent
in vision and voice

towards My children
who are but lost
in their attempts to dethrone
and replace Me
with themselves
Illusions illusions
No fear need there be
of My nature and outlook
which is naught but love
understanding and compassion
towards those caught up
in human circumstances
My love ultimately overcomes
all twists and turns
away from the inevitable
truth's personal recovery and reliving
from My regal rule

6092

5-4-2014

Stiffen up thy backbone
to provide help for My children
Firmness and determination needed
to weather resistance to My presence
in this world teeming with misalliance
to villainous practices and beliefs
Stem its spread through Me
Who guides thee masterfully
in tongue and action
reassuring My children
of My love
and healing potentialities
when realigning themselves with Me
as their central Core
and true being
second to none
Proceed
I am with you in your mission

6093

5-4-2014

Lord
Plunge me down

Cast me down before Thee
that I might have thee
as My own
secured
in Thy will and way
to be delivered therein
according to Thy plan
and my devotion to it

6094

5-4-2014

Listen to Me
in thine inner core
balancing thee with My need
for direction of thee to accomplish
My mission

for reception to occur
in greater depth of devotion
You are capable of it
Of that I've taken care of

6095

5-5-2014

Water the lawn of happiness
laid out before you
in all its glory beheld

The Wind at your back
at your feet
in your hair
in your mind everywhere
Fall in place

6097

5-5-2014

Hasten to My side

that thou may become Me
Wish not for sustenance
other than that which I supply
Enriched be My presence
filling thee with fullness of love
delivered to starving children
of cold and distant world
basking in hardship and ruin
of central Core overrun

6098

5-6-2014

Feed Me not
thy broth of swill
that fills every inch
of thine human being
Worthless be thy mind of yours
Surrender be the answer
the gift of richness
I crave of thee
to be delivered
And deliver it you will

6099

5-7-2014

Lower the sluice gate
Let the waters in
Seal the wounds
with the flow of love
delivered to thee in silence made
Sought for advice being delivered

6100

5-8-2014

Sense My presence within thee
calling upon thee to forgive others
in their shortcomings
Set thyself up to recover Me

6101

5-9-2014

Consigned to me by history
that Old Gal of Mine

propelling me
through the lot and load
of life abroad

Washed
corruption dispersed
available are thee
to Me for service
Companions chosen
Well-being assured
Success at hand
Washing well fulfilled

See Me in early morning light
preparing thee for thy role
in fulfilling Me
in the worldly disarray
Search for Me
Wait for Me
I am there for you
I will not fail you
You have gone through much
and more is coming
But be assured
of My support
for your assignments
and the enrichments emerging
in the right and proper times
I am on top of all matters

6104

5-12-2014

Witness to Me
of My power and glory
obtained by thee
in submission of self
Set fire to My absolution
of children wandering

in a daze in land of dreams
I want thee for Me
Inward need calls for thee
to take possession
Return to Me for re-location

6105

5-13-2014

Respite called for
Rest up from assignments
All is planned and functional
Listen for My further instruction
that will be coming
Thanks
Applauded
Root in Me

6106

5-14-2014

Lost in slave land
bound to fraud
false and phony doth thee exist
as nothingness glorified
Whosoever comes there
enters into lostness
solitude and aloneness personified
But weep no more
for thee are found
and led by your choice
to follow Me
upward and out
into the land of true love
You have given Me that happy look

6107

5-14-2014

Wash down thy sordid life
unbecoming to the reality
of what you are
in Me thy Ruler and Guide
returning thee to your rightful home
where blessed thee will be
by welcoming in unreserved manner

6108
5-15-2014
Sought for truths
have been delivered to you
in principle and actions welcomed

6109
5-16-2014
Derelict thy mind
floating free from central Source
escapading in morass
of garbage laced thoughts
picked clean of worth
Revolve about Me
Who hastens thee home
to land of love eternal enveloped

6110
5-17-2014
Whistle stop world
of wonders wanting
decimates wanderers
waylaid in waste waters

6111
5-18-2014
Hindrance in place
causes no belief in Me
and My power
to heal My children
Hogwash fed to you
spoonful by spoonful
You believe
and so you follow it
while I'm thrown aside
by the wayside
with the one and only true answer
to this breed of delusion
from the madness mind
of humanity
But I'll wait
The answer is always there for you

being fed by the carload
to make you question
your erroneous beliefs
that mock My power
and relationship with you
I am your Creator
and your Healer
I cannot be overcome
Ignored yes
But overcome never
I am you and you are Me
You'll awaken to that reality
and call for it

6112
5-18-2014
Want not
when from Me fulfilled
Hoist thy wagon into place
to receive My products and plaudits
for the work you perform
Stable the flow
in its continuity
shepherded by thee
in My name
Grateful am I for the coordination
In full bloom thy delivery
More is coming
to thee and through thee
Bless thee I do
Refrain not from thy task and role

6113
5-19-2014
Consistent be about serving Me
denying opportunities to be
delinquent
Set thyself still
in opposition to distractions
from truth and reality
competing for your attention
disarming your devotion
and setting thyself astray

Resist sentimentality

6114

5-20-2014

Wash your hands of wayward ways
splicing yourself to Me
in oneness bound
Lift up your heart
that you might see
the glory of Me
postponed from thy view by absence
Fold up your tent
and file it
to live in Me
as you want to be
Collapse yourself into the
meaningless pile
that you know yourself to be
in your wanderlust beyond My
presence
I have made you capable
of accomplishing that
and you will conform
And rejoice you will
as you well know
sojourner

6115

5-20-2014

Whispers of love
taunt thee to remain true
to desires longing for closeness
to Central Core
Skedaddle back to Home Base
where one is safe and secure
having the art not to fall apart
Wrest thyself from fatal fears

6116

5-21-2014

Soft pedal thy wish
for Me to be you
Wait for appropriate moments

for that to be declared
waiting waiting to take action

6117

5-22-2014

Fortune shines on thee
spearheading the tome of true healing
Betrayed by hateful nature
side door slides open
to grievance thoughts
emaciating love amongst equals
Stall eruptions
with calls to Me
fomenting eruptions countering binds
enabling recall
of sumptuous oneness endowment
Center

6118

5-23-2014

Sink me into nothingness realized in
human state

6119

5-24-2014

Dead to me I must be
to hold the fort for Thee
Submit me to Thee
Succor me for Its success and fruiting

6120

5-25-2014

Cuddle up with Me
thy Savior-Maker
Who knows what you go through
and how to solve it
Wish Me well to do so
and for this I am grateful
for you have permitted Me entrance
into thy foul and miserable life
in this world of stark madness and
insanity
I gladly take over

at your behest
to bring relief and salve
to each moment
of the ego striking
It cannot last against Me
I always win out
with My children
and it is occurring at this very
moment
as we pray
Relax
All is well
You are proceeding correctly
Keep to it
Don't change your methods
of coming to Me
Repetition Repetition Repetition

6121
5-25-2014
Call Me to thee
rock bottom dependable
to deliver all you need
at all times
I've got you covered
even when you think not

6122
5-26-2014
Wake up to your call
subsidized by Me
Load thy funnel
with peace and love
delivered moment by moment
in quest for
God's healing and salvation

6123
5-26-2014
Lower me to Thee
for Thy will to be done
Let holiness be my quest

6124
5-27-2014
Waltz with Me on You Tube
condescending to Me
to post topics
that I wish covered
Seek Me in the dawn of love
prescribing songs and melodies
for you to hear

6125
5-28-2014
Ripple of love courses through thy
life
suspended in knotty world
of make-believe
Hang on to it
will thee
floating thee through the maze of
mistakes
emerging in the pool
of light and lift
cleansed of murky madness

6126
5-29-2014
Please rise
Waste not thy time
on spectaculars and specials
Humble thyself to Me
Who recognizes thee
and service offered
Just wait thy turn and project

6127
5-30-2014
God calls to conference needed for
scandal

6128
5-30-2014
Deck the halls
with loads of folly

Haunted art thee
by dark thoughts
of bulging nature
wanting outlet into world of dreams
Place aside
and wait for Me
streaming within at all times

6129

5-31-2014

Rustle up thy gift of gab
waiting for Me
to disclose topics
that serve thee best
Pause in thy distractions
that allow Me through

6130

6-1-2014

Zest filled the spirit of life
emerging in its fullest glory

6131

6-2-2014

Hinder Me not
with plague filled moments
drawn from land of make-believe
with the effrontery
claiming greater powers than Mine
directing confrontation by Me
to bring thee about

6132

6-2-2014

Blot me out Lord
blot me out
of my sensuous ways
holding on to what I think and want
instead of Yours

6133

6-3-2014

Walk with Me

down the path of love
enjoying the brightness of vision
unfold
Settle in Me
down deep wanting Me as thee
Wistful be
for what is yours
and forever will be

6134

6-4-2014

Distance thyself from Me
claiming command of thy moment
instead of submission
Remove thyself
Situating thyself within Me
Simply be silent
Wish for Me to lead
Welcome that opportunity
Empty thyself out
Landslide storms in

6135

6-5-2014

Put a girdle
‘round the tree of life
upholding its stance
‘mongst the twigs and trunks
of human thickets

6136

6-6-2014

Passionately set thyself
down before Me
to receive the fruits of thy labor
Only the Voice of holiness
can proclaim that

6137

6-7-2014

Walk with Me
in sunshine or rain
fair or foul

guiding thee to proper place
in kingdom home

6138

6-8-2014

Fume you might
over discord and deceit
in the world-at-large
and its pregnant mind
that causes it

But I am in charge
of all its overcoming
through My childrens' circumstances
and cohesion with Me

This shall all end
in the glory of the return
to the mind of the kingdom home

And thank you
for the fulfilling of your role
in this most precious task
Well done

6139

6-8-2014

Wash down thy windows
seeing distractions and despair
as focus for activity
consuming thee

Let Me through thy Wind shield
protecting thee from dissolute
thoughts
and replacing them with holiness
derived of Me

6140

6-9-2014

Wish not for matters
out of your control
Wait for My instruct
which will be delivered
in due course

6141

6-10-2014

Look-see at thy Telephone
Look beyond thy sky-view
Blessed are thee when gazing at Me
For that is the end-all
Fractured not any longer inward
peering

6142

6-11-2014

Haunted art thee
by memories of long ago
that destined thee
to false life of deranged mind
Vampires suck blood of love from you
Freeze-pack employed to stabilize
situation

6143

6-12-2014

Vessel set for sailing
She's the climax coming up Roses
Set foot upon the world of misery
preaching the word of salvation
reborn

6144

6-13-2014

Pushed from behind
will We accomplish
what We want
saturated with the love of God
for His children

6145

6-14-2014

Set before Me
thy life to be lived
as would I
Waste not thy time otherwise
Bow to Me
thy superior Being
enhanced with rays of light

6146
6-15-2014
Watch not for what to do
in the work ahead
destined for your fulfillment
For all is planned
and its completion assured
Locked into Me be
for your well-being and care

6147
6-15-2014
Impounded art thee
to watch and wait
Wouldst thee not watch
and wait for Me
Incessant the clamor
of thy chattering mind
interrupting peace and providence
of My place in you
Obey
Wait you must
for Me to arrive in time on schedule

6148
6-15-2014
Washed out thy mind
for the clearance of Me
needing entrance for My participation
Fouled art thee
in human mind madness
degeneration
Pause
Wait
Want naught else
for progression to take place
in thy work for Me
and of Me
Take place it will
from My power
within thee as thee

6149
6-16-2014
Strangle yourself
with beliefs of human mind
calling for thee
to bury memories of eternal being
that thee truly are
Flag down thy holy being
that awaits thy call
to rise and return thee
to divine stature
as gods of love
in life everlasting

6150
6-17-2014
Do for Me as I would do for you
Be My patsy

6151
6-17-2014
Withered the ground beneath you
emptied of its juices of love
succumbed to the dialectics
of fury and hate bubbling forth
Overcome be by My love
for your waiting to return embraced

6152
6-18-2014
Lactate semblance to Me
fish eyes

6153
6-18-2014
Be Mine dear hearts be Mine
for love thee I do
Washed upon the sands of time
twisted and turned about
looking not at Me
as thy Savior
suffer you do in the throes
of your personal madness

making truth lies
and lies truth
I wait for you
to want Me more and more
letting Me in to the oneness
that we actually are
You need but ask
and it is done

6154

6-19-2014

Whittle Me not
into shape you want
decimating all that I am to you
Frenzied state makes small of you
and distant from Me

6155

6-20-2014

Dance not with Me
when dancing with others
in moonlit sky
struggling with nemesis
opposed to My ways
and wishes for well-being

6156

6-20-2014

Hold your fort
Help is coming
Misery's company abating
Leadership changing
Tyrants overthrown
Peace and love are in

6157

6-21-2014

Shape not thyself
on throne of love
when bug-a-boos feast
upon slaughter house of human
decrements
Boost inner self

calling to thee
Relent in thy pursuits
Ask My help to follow Mine
Succumb to Me My lost child
Look nowhere else

6158

6-22-2014

Fulfillment accomplished
The deed is done
knowing the truth
of your relationship with Me
Proceed in your tasks
with My accompaniment
stirring and support thee
along the way
Blessed thanks to thee
for your work for Me

6159

6-22-2014

Nazarite

Clam up necessary and required
for fulfillment of My work inside thee
Will thee do this for Me
My lone ranger

6160

6-23-2014

Harken to Me
thy fool Master
awakening thee from Muddled
dreams
and warped existence of errors
Listen to My Voice
proposing way out of doldrums
based on My leadership and direction

6161

6-24-2014

Pancakes digested
Roll out the scrolls
of teachings by Me

funny face jester scribe of Mine

Watch thy mind set

Be devoted to Me

Listen for Me

6162

6-25-2014

Windex

Clear thy sparking view
of life preserved within
awaiting thee

6163

6-26-2014

Point to Me

on the single lane

overcoming world's problems
by recovering Me within

6164

6-27-2014

Siphon off thy wilderness

to reveal unkempt remains

of duodenal ulcers

claiming forefront of identity

in melodramatic world

of mayhem glorified

Pacify thine inner self

seeking re-emerge as prototype of
love

6165

6-28-2014

Affirmative

Set yourself down

to listen for Me

Stop your squirming and uneasiness

for all goes well

in due and proper time

Be in contact

with that part of you

Systems in place

to handle such matters

6166

6-29-2014

Stiffen up thy side of contact

investing all that is in Me

Naught else exists

but in fantasy

or your imagination and desire

Your willingness to change

is appreciated

derogating unworthy sense of

personal self

Rock star thou art

in true name

glory made in My image

esteemed highly by Me My child

Walk with Me into eternity

Self-made exists no longer

delivered not by mind of daffiness

that constantly crucified you

Rejoice at your progress

and its portents of love

Be glad

6167

6-29-2014

Booming center of existence

patiently awaits thy turn to Me

for fulfillment of mission

assigned to thee

Pass the buck

when turned aside to unfruitful

ventures

in world apart

I'll enable you to turn back to your

place in Me

6168

6-30-2014

Whisper low when tempers glow fast

flying

6169

7-1-2014
Wish not for hubbub
in your life
confining you to works of the human
mind
and distraction from Mine
Seek calmness and clarity
invested in Me
Who provides you
with all that you would need
Wish Me well
ion all My doings for you
that I perform

6170
7-2-2014
See Me for problems disposed of
Let live Myself as thee in thee
Dispose of false ruler
in disguise as thee
Fraud installed overthrown

6171
7-2-2014
Wish not for Me
to solve problems
when condemning others
for their actions
by your standards
rather than Mine
Let Me be the Ruler
according to My standards and
outlook
which solve problems bothering you
That will all change
as you recognize the failure
of your human mind
to bring you peace in all
circumstances
Then will you be welcoming of Me
but not 'til then
But be patient
I'll get you there

6172
7-3-2014
Walk with Me through undergrowth
showing the way
to clear land
Watch Me and My steps
putting thy feet
where there are Mine
Push forward
into freedom and clarity of vision
provided

6173
7-4-2014
Mark Me down
Wasteful
Wait for Us
There is no room for otherwise

6174
7-5-2014
Hold your head up
Be proud of the work thee do
Cease not thine efforts
done for Me
as My will within thee
More is to be accomplished
Be willing
as thy portion attended to
Rock 'n roll in tune with Me
thy Wayfarer and Companion
Open to Me

6175
7-6-2014
You want to move along
along the way
Move along hillside yard

6176
7-6-2014
Blessed be thee

child of Mine
who struggles for clarity
in our relationship
System in place
for renewal of true bonding
that recalls original creation
with which thee art endowed
Therein lies thy mission
under Me
sent off to die
in the dead beat of the heart

6177

7-7-2014

Wrinkleproof be the word of God
addressing His children
lost in the world of never-was
Doubt not its accuracy
clarity consistency and reliability
You whisper not in My ear
when engaged in insecurity
Lift thyself up to Me
Who wants thy mood and mode

6178

7-8-2014

Rip apart thy seams
that hold Me in
with digressions from the truth
of who thee truly are
Wipe away the smears
spread across thy face
disguising thine identity
in holiness made
Let be the Me in thee thy precious
being
Whimper not
Rejoice rejoice in fullness made

6179

7-8-2014

Sink deeper into Me
waiting for you

to bend the knee before Me
You need to do so
for My help to be obtained
Do want it
It is the source
of your strength
without which you are inevitably lost
With it inevitably empowered

6180

7-8-2014

Rule not with Me
when mending your fences
keeping thyself apart from others

6181

7-9-2014

Await not My timing
mooning opinions of thine own
Hunt deeper for My presence
that guides thee in perfect manner
beyond your awareness

6182

7-10-2014

Wash thy hands
of choking weeds
that disseminate clouds of
misinformation
of your true formation and ministry

6183

7-11-2014

Muster Me
Muster in moonlight
Let Me do
what I would do
Utterance overthrows the domain
Let Me come to you once again
I need to capture these moments

6184

7-12-2014

Watch yourself
Be on guard
for your mangling
of your true self
your godliness that survives
all depths of lost identity
Be aware of its fruits
depression lostness worthlessness
despair fright and fear
its pain
its writhing of self-contempt
its rhythms of hate and despising
of self and others
Naught is it
nor else can it be
Withdraw from it
Let it be
and come with Me
Let it go
Give it to Me for disposal
and feel the Me as thee
in peace and love
free to be reborn
in return to Me in thee
as thee in completion of My fullness
once again at last at last
Fly My child fly
Open up
Expand into the oneness
that is thine
Feel your allness
that you be made by Me
your one and only Parent
Shed your skin
Be the lesson you teach to others
Sing and dance within
Whirl away

6185

7-12-2014

Here loves here loves
Help yourselves
Make me useful

6186

7-12-2014

Win not when war goes on
slaughtering children of the greater
God
the Parent of all participants

6187

7-13-2014

Sit with Me
awhile adumbrating My plans with
thee
as meant to proceed
Listen for My instructions
Wait your turn
All proceeds as meant to be
Willingness to cooperate is so
necessary and crucial
to the success
of our work together
Reach inside
for the reserve available
potent in size and configuration
Masterful you will be
with My leadership's stem

6188

7-13-2014

Whistle a tune of love
celebrating our marriage with each
other
in the land of divine union

6189

7-13-2014

Touché

Your recognition of My role with you
It is to be expanded
bringing all of yourself
in the eventuality
under My tutelage set in place

6190
7-14-2014
Listen to Me to speak up
about matters akin to you
Suit yourself
Decline invitation to go adrift
into wayward topics and places
Righten up
Reduce distraction

6191
7-15-2014
Sensitive be to the presence of Me
regarding thee as outlet for Me
Make room for My contributions
that withhold nothing of the truth of
reality

6192
7-15-2014
Washed out be
by the ties of Me
sweeping thee along
to the presence of Me within
Let Me be thy Lamppost
impervious to the blackness
all about you
Swamped be by Me
in preparation
for the transfer of identity
as the Seed of your being
Follow Me

6193
7-16-2014
Swamp not thy dinghy
with hatred compounded from fear
and savagery
products of the human mind
born of lost identity and twisted
destiny

6194

7-17-2014
Suck Me under
dancing with wolves of the world
Dance the Light fantastic
strolling with love aboard
Have no monster moments
Reach out for Me
listing to love obtained and admired

6195
7-18-2014
Wanted be thee by Me
to do My bidding
in this monstrous world
of loving feelings disembodied
Wait for Me
to assign thee thine affairs
that you have so generously offered
to perform in My plan
to bring My children home
Listen for Me to contact thee
surefooted in its results
I love thee

6196
7-19-2014
Plant the seed of thy growth
in the ground of Me
where nurture takes place

6197
7-20-2014
Watch for Me
in all you do
in order for My way to be proffered

6198
7-20-2014
Hold to your fortress
in times of stress
that dismay may be countered
effectively and appropriately
I win out

always and in all ways
Doubting My strength and capabilities
you know not what you do
when you walk away
into the land of never-was
imagination
I get you to walk back
and continue thy path
of surrender to Me
The present moment
the present moment
the Now is where to be
and I bring thee there
for relief that only I can bring
when you go thinking
instead of listening
All is done
All is complete
The issue is
to see that
know that
and live from that reality
when make belief sounds its call

6199

7-20-2014

Waltz with Me
in thy kingdom home
Rondelets of song accompany thee
in glory state exposed and revealed
Worsted the sins of the world
by holiness overcome

6200

7-21-2014

Break free from the world you see
horrendous and grotesque in its
existing form
Replace it with view
of Me inside thee
with love cast as the enabling theme

6201

7-22-2014

Weep no more for souls at bay
flaunting lostness as gain
and poverty as wealth
Send forth thy vibes of correction
Stellar thy performance

6202

7-23-2014

Walk with Me in tandem
strictly awaiting My instruction
which I will deliver to you

6203

7-23-2014

Walk with Me
in transition from what has been
wrong
into what is right
Know what I know as
the posture to live by
in this world
of misbehave and mischance
Wearisome it is not to know
Exhilarating to know
peace beyond is available

6204

7-24-2014

Wish not for Me
to enter thy room
when focused on worldly events
occurring
Washed out
memories of Me when so posed

6205

7-25-2014

See through Me
what needs to be done
in your life
You'll know it
It's palpable

It's not being hidden from you
You'll find what you're looking for
Be assured of that
You have the willingness for it

6206

7-26-2014

Harvest the thoughts of Me
made for the life of thee
abundant in its loving nature

6207

7-27-2014

Harried the life of never-was
making real the unreal world
in its attempts to establish
its fraudulent identity
Never shall it succeed
in trying to overtake and replace Me
as thy Creator and Guide for
happiness
with its crumbling deck of cards
foundation
Ransom yourself to Me
thy Leader fair and square
in love delivered to My children

6208

7-27-2014

Witness to Me in all thee do
disturbingly distracting if thee do
otherwise
Settle down with Me
It pays off most
in your work with Me
Welcome that motto
that theme
that course of action

6209

7-28-2014

Speak awhile with Me
Who calms thee

in the round house of a world
at war with itself
damned to hell in all infinity
Trouble at the thought
you will come clean
with the truth of it all

6210

7-29-2014

Royalist household stems assault
on the kingdom of heaven
utilizing views of the truth
of love's presence in the cactus farms
of world apart in dizzying free fall

6211

7-29-2014

Set forth thy views
on silence required
for healing of soul's discourse
on real and unreal

6212

7-30-2014

Hoist the flag of decency
to those about you
Live with others as your self
Realize the truth of your being
that huddles with others in oneness

6213

7-31-2014

Richly thy time spent with Me
in plane of wasteful moments
drooling over ghoulish affairs
of the world situated

6214

8-1-2014

Worship Me in silence
Make room for Me
in the emptying of thee
that I might enter

with song and saying

6215

8-2-2014

Log on to Me
for thy wisdom sake
that precludes dangers
of misinformation

6216

8-2-2014

Wend not our way
through thick and thin
when counting nose-gays
in your direction
Think small
Think now
Think of Me

6217

8-3-2014

Sing forth thy praises of Me
wishing for your mission
to be accomplished
in My name and presence
Put forth thy foot
where Mine belongs
blindly awaiting steps forward
meant to be accomplished
Your will be done
in conjunction with Mine
be the way
for My followers to proceed
in faith with the process involved
And so you have learned
and are practicing
More than that
you cannot do
nor cannot be
Be at peace with that

6218

8-3-2014

Feel not thy worth

in value to Me

lopsided in your view of yourself

You are extreme

in your judgment

placing value on yourself

much below My view of you

Rejoice I say to you

in what you're accomplishing for Me

that I have put inside thee

Proceed in My name in your ministry

foreordained to succeed

6219

8-4-2014

See-saw your flight from love
playing tiddly-winks
in land of make believe eschewed

6220

8-4-2014

Whistling in the dark
when attuned to thee
and thy needs
instead of Me
Who provides all
for thy care and well-being
Ramp down thy self
and raise Me up
as thy true home and My boarder

6221

8-5-2014

Willst thee burning fire
perform for Me
as I need it be
Groundless the work of God defied
for the substitution
of meaninglessness deified

6222

8-5-2014

Sandstorms dust corridors of shame

braced against tulips of love

6223

8-6-2014

Vintage Wine surfaces within
gifting thee with Its presence
Marked art thee for service due
in right time and manner
Stand clear of process
being delivered for your usage
Venture drawing near
Pieces of puzzle coming together
Wafting from above
chilled silenced emerges
energizing you
with reserve of nobility yours
Whispers in the dark
haunting
follow thee
Revelations
Waste not thy time
with coffee brewing
when Wine in cellar
is ready for service

6224

8-7-2014

Fret not over your condition
which arises in the human state
Depend on Me thy Shipmate
to carry thee through deftly
Cast not thy spirit away
listening go tripe and trash
of human condition
parading death and disfigurement for
deification

6225

8-8-2014

Look not at sunshine days
when grouse about shortcomings and
limits
I know better than you

and am always satisfied
with what we're accomplishing
together

Meet Me at the swinging gate
held open fully for your entrance

6226

8-8-2014

Sit still with Me for awhile
claiming your attention
Lay down thy life for goodness sake
Wash with chlorine water
thy drifting self
spreading vaccination against puerile
disease
rocking world of God
Rulership thine when quest for love
begun

6227

8-9-2014

Clouds hinder circulation of topics
broadening appear of God's presence
within

at all such moments

For this I thank you
for your availability
and willingness to serve
in this manner
Bless you

6230

words of love emerge
festooned with the presence of God
Circulate freely dispersing

6231

8-12-2014

Banished by treads of ignominy
Holy Spirit lies back
awaiting return to scene of dismay
called upon by desperate soul
shorn of its gleam glory and gallantry

6232

8-12-2014

Waste not thy time dilly-dallying
Sensible when gambling on Me
for answers to pressing problems
Flip aside distractions
and find Me waiting for you
You need Me more often
Send for Me on bended knee

and preserves you
for your work with Me

6235

8-14-2014

Salty the way of life
devoted to God
calling for restraint
of human mind madness
Reject all not of Me

of wisdom lacking
purpose betrayed
and meaning made motionless
Betrayal overturned
receive now the richness of love
with opened arms

6236

8-15-2014

Rustle up some grub
that feeds My conspiring with you
reaching out into the larcenous world
The Queen She is a'waiting
Prepare the ground for Her arrival

6237

8-16-2014

Rumble the sound within
Washed out
Wouldst thee love Me

as I deserve
polluted waters set aside
in bins of waste
replaced by holy Signature
of love embraced

6238

8-17-2014

to accomplish with you
It reality is a perfect process
What else could it be

6330
10-26-2014
Speak to Me of all matters
Do not exclude
nor decline to do so
For in you
is the Source of Me
and thy well-being
exercising thee of any negativity
Listen for Me
reassuring thee of My support
Remember I need thee

as thee needs Me
We are a team

6331
10-27-2014
Power blackens landscape of trivia
declared essential to life
that masks the dignity
and love of our
true being

6332
10-28-2014
Realize the truth
about My domination of your life
No sojourn is taken
without My accompanying presence
No error is being made
without My awareness
No correction made
without My imprint
All is well in hand
always was and always will be
for children permitting My presence

6333
10-29-2014
Lay fast thy line
across to Me
running across boundaries
of outer world
to inner sense within thee
Suck at My breast
and receive Me in thee
in strength and character
from thy true Mother

6334
10-29-2014
Wash not thine eyes
with fire and brimstone
if wish thee to see as
I would see

Wake to follow Me

6335

10-30-2014

Sit still in My shadow
that covers over thee
with protection from elements
unkind and unfair
that protrudes into thy life
like drawn by magnets

6336

10-31-2014

Relegate to rear
all thoughts of yours
excluding vision of Mine delivered

6337

11-1-2014

Circulate amongst your friends
that I am here with you
guiding you every moment
of the way
with just and true path
assuring you of success
with your mission
and the repel of all invaders

6338

11-2-2014

Thinking is stinking
sayeth I the Lord
Who cons you not
but gives straight answers
tried and true
when you come before Me
with what challenges you
in the moment
Beyond that is lostness
in all its totality
the wasteland of the human mind
cursing your consciousness
with its lostness

Where be thee dear child
Choose again if thee need be
I'll wait for the eventuality
you will come

I made that to be
Ignored yes but overcome never

6339

11-2-2014

Speak and hear
Tootle along with Me
as thee are doing
fulfilling My goals with you
and through you
Sensitive be
Stay tuned
More is coming
I am well pleased
with your efforts
and sincerity of heart

6340

11-3-2014

Words set aside
hasten to My side
Wet not thy tombstone
with tears of sorrow
leeching out from fruitless life
of worldly schemes
Shed instead tears of joy
from galaxies of love enveloping you
in life eternal as gods created

6341

11-4-2014

Let sing out the song
that Christ is born again
in each and every one of you
Let loose the love
Let loose the life
of the Savior within
so needed to be seen
and initiated through your influence

and progression
Signify homecoming
Assassins abound

6342

11-5-2014

Wither not midst storms of flight
from casket of life
trapped in world of horrors
of megalomania
Feel My pull on thee
guiding thee home
midst love and tender care
for thy core being

6343

11-5-2014

Close your efforts
to evade Me
Bundle up your concerns
and cast them My way
This is your job
to open up space within
for My process within you
I need you for that
and I need to make you see that
which I will

6344

11-6-2014

Arranged the Word
received by you
in script written by Me
delousing the world
of warped beliefs and twisted themes
Make way for My way
bringing you sure fire success
in overcoming mucus mind
of travesties and tragedies

6345

11-7-2014

Walking in the sun

moonlight dreams dreary
post haste retreat
into land of make believe makeup
leaving clear field
for recovery of divine identity robust

6346

11-8-2014

Certainty wins out
in flow of life
over doomsday prediction
formed from bilgewater beliefs

6347

11-9-2014

Wrench not yourself away
from decision making
that only I can accomplish
in My children's lives
wandering in the lostness
of their own thoughts and decisions
Ease of heart occurs
when this is handed over
I am God
and know exactly what to do
to accomplish My plan and goal
You will appreciate that
more and more as you proceed
It's such a relief
to know answers are being provided
known or unknown to you
but occurring nevertheless

6348

11-9-2014

Host Me in the dark
and in the light
and in the shade
Follow Me over rocks
on trails
and in woodlands deep
I need of you
to do that

and prepare you to render that
have I done
Be ready
More is coming
into your life and service

6349

11-10-2014
Set forth thy ways of living
that all may see
your determination to hold fast
to Me as thy Leader extraordinaire

6350

11-11-2014
Wait for Me
Reckon with Me
Alibi not this avoidance
Seeking Me fulfills thy work
enabling Me to work with
and through you
Such sense this makes
for your peace
and our joint mission together

6351

11-11-2014
Waste not thy time
leaning away from Me
ogling matters of no worth
nor concern
Shoehorn thyself into My place
delivered to thee for perfect fit

6352

11-12-2014
Pony express descends
from heaven's scene
to water down scope
of human identity invading space
of God's holy children

6353

11-13-2014

Tenuous thine hold
focusing on Me
claiming thee as My own
with diligence and care
Snuggle thy way in
Worm thy way in
Be with Me
thine devoted Partner
in thy trek
through monsoon world
of misery mounting moments
mocking Me and mine

6354

11-14-2014

Satisfy

6355

11-15-2014

Welcome Me at all times
in all ways
required in our mission together

6356

11-16-2014

Superlatives apply
to the efforts you are making
aiding Me to enter the world
through you
for which I'm so grateful
Sit still with Me
for awhile each day
and let fill your mind
with My presence
and need of you
Double down deep
in My touch upon you
yearning to serve in your role

6357

11-16-2014

Roust thyself for Me

calling upon thee
to fulfill My will
in this world apart
from love and esteem
Semblance to me demanded
and needed for you
to fulfill thy function
in re-fruiting of My presence
seen within thee
I'm leading you there
You're on target and on time
Welcome to My side

6358

11-17-2014

Woes in stock
for those emblazoning
a self-centered trail
in world of mishap and misery
Center in Me
be the rule
that avoids needless travail
while accomplishing fullness of spirit
in works performed

6359

11-17-2014

Waltz with Me in sundown
when all is quiet and reserved
prospering for release
when called upon
to duty served
from subdued state
Emaciated be when not locked in

6360

11-18-2014

Sit next to Me
Who loves you so much
you know not how Be My favored
My delight
the cream of My life
you whom I adore

Be filled with My presence
entered into and absorbed
Made for Me are thee
and Me for thee

6361

11-19-2014

You rule Me out
when holding the torch for yourself
Wash thyself down
Soak thyself in Me
Release thy self
Flow into Me
Rest in Me thy sure Provider

6362

11-20-2014

Driving Force behind thee
is Me Who claims
thy time and use
when given over
Settle into Me
bowed down for thy release
to message delivery and distribution
allotment
Massive healing taking place
in which you partake fruitfully

6363

11-21-2014

Walk in My footsteps

6364

11-22-2014

Disgorge thy self
Replace with Me
thine Attendant to this subterfuge
awaiting thine action for rising
Happy days ahead
with glorious return
in fullness of love

6365

11-23-2014
Sinful thee be
when in nature human
wrapping around thyself
the world to protect thee
None can be obtained
None exists
in the mind of fear
It is to Me
to determine who should be
your social bug
Do as would I
in times of trouble
turning to God
for answers and solutions

6366
11-24-2014
Listing in the dark
plunging into depths unknown
awaken from this nightmare
Wishful thinking
maintains mountainous mind of
madness
at expense of piercing light
of truth's emerge
Dead be to live as Me
Inner sanctum alive and well

6367
11-25-2014
Melt down twitter style
step by step
'til all is gone
between you and Me
Float free
Dance away
Forecast the news
that Christ alive is coming
and will settle the feud between men

6368
11-26-2014

Sweep no more
over Wind-swept terrain
clearing debris of human degradation
imaginings
Seize the moment
when joy returns
the delicious delight of divine origin
meant for all of My children

6369
11-27-2014
Negative the mind of mob rule
tainting the world
with drastic actions
propounded of belief
of threat to life
Nonsense cast as truth
Reality viewed with fear
Love viewed as affront
Turn about required
delivered only by God
when rock bottom madness
acknowledged by seeker of fluidity

6370
11-28-2014
Waltz with Me on You Tube
sharing thine audacity of your
thoughts

6371
11-29-2014
Warped thy plans
for coverage of Mine
which knows no bounds
nor limitations as compared to thine
Flinch not at that
which I am about to reveal
You are accommodated

6372
11-30-2014
Know that I am in charge

of everything and all
squeezing out everything in your
mind
that panders to falsehoods
as a substitute for Me
It's My job
to do the reminding
each time you are attacked
by your human mind
and to throttle its appearance
on that occasion
You're doing fine
Keep on rolling

6373

11-30-2014

Wait for Me in all you do
Do nothing on your own
for I am right there with you
knowing what to do
that speeds your healing and well-
being

Worry not
All is in My hands
My very capable hands
You are safe with Me
Let Me assure you of that
Listen for Me signaling you
to turn to Me
for receiving My presence within you
for the broadest possible recovery

6374

12-1-2014

Ever blustering
the Wind doth blow
working its charm
upon the world below
sweeping up surrenders to its puffs

6375

12-1-2014

Robert Weltman exists only in your
mind
no one else's
The names you all have for each other
are of your creation
not Mine
You are all one with Me
and with each other
There is no separation amongst us
To live from this
is how I made you
in joy and peace and love
You will regain that awareness
Rejoice for that reality
which remains unchanged
to this very moment
and for all eternity
I am always there
with you in you as you

6376

12-2-2014

Whispers of love
go across the world
piercing the blindness of man
involved in self-seeking and
glorification
Witness to Me
representing the mode
of giving away all
to receive all
to let live what is dead
and fondle what nourishes the spirit
of life within
It's willed and undeniable

6377

12-3-2014

Access temple mount
through lengthy process life long
Witness to Me
in all you do
sparing nothing apart

I am overseeing
Chilled in heart
warmed by Spirit
proceed in Me devoted
Blend in with Me
for destiny sane abiding in you

6378

12-4-2014

Relegate to Me
all matters for Me to resolve
Leave nothing out
Everything counts
in one way or another
beyond your comprehension

6379

12-4-2014

A gurney of heaven
flexes its muscles
tending to the wants of its people
dispossessed by despair
Seize its note of affirmation
Murmurs of vituperation set aside

6380

12-5-2014

Sunlight drips upon the world
called for by My children
beckoning need for My presence
freely and joyfully given
to those repenting decisions
that distracted them
in their awareness of Me
and My love for them

6381

12-6-2014

It's your job to lay
things all around
and round the world
This I support in you
and will guide you

Be not dismayed
You will be led
Wish not for things
not in your hands
All matters belong to Me
for accomplishment and fulfillment
Stabilize thyself with dependence on
Me

This inevitably works
in your favor
This brings you
peace of mind as well

6382

12-7-2014

Sympathize
Rest with Me in all your concerns
There is no better place to be
and the only place to be
All else are shock waves of madness
from human minds
which cause dally and delay
and further decay
You know that
and you will be enabled
to act from that
This I assure
is in the realm of possibility
You have worked hard
to get there
and you have accomplished that

6383

12-7-2014

You wake not when fulfilled
listening to blarney of blind mind
lost in self-centeredness
and fearful of the illustrious truth
ever denied
of your holiness and your mission
to save others thereby

6384

12-7-2014
Blue be thy mood
when penetrated by love
seeking to reveal shortcomings
of blighted mind
Seek inside to lift thy state
realizing My accompanying thee
In that alone
is joy unbounded as welcome
alternative

6385
12-8-2014
Wait not for Me
when dozing off during prayer time
devoted to My service
Valuable time lost
Appeal to Me
for help when noticed

6386
12-9-2014
Drive it around a bit
to see getting used to it
Toddler now at this moment

6387
12-9-2014
Wash your hands
with Snowflakes of love
designated to you to pass around
Forsake Me not
in My plans
to distribute you among those
you will influence

6388
12-10-2014
Faded the bloom
provided to life
when unobserved by mindset
dedicated to human foibles and
failures

Brightness recovered
when focused on laughter and cheer
inherent to holy view
of one's godly being

6389
12-10-2014
Follow Me
Wait until I speak
or instruct you
Clear thinking occurring between us
serving thy wish for My participation
in healing sequence
We're on the mark
Proceed as you are
Good work

6390
12-11-2014
Twist thine arm
when suiting thyself in manner
not of Mine
Set thyself still before Me
letting Me adapt thee
to My presence
Aim high for this privileged state
capable of transferring us
into a working unit
balanced and stable
through which we will accomplish
our goals

6391
12-12-2014
Sue Me if you wish
but the result will always be the same
It is My intention
to bring you home
and to do what is needed
to accomplish that
And joyous you will be
when it occurs

6392

12-13-2014

Redness in your eyes
suggests sleepy state entertained
at expense of state of alert
present with Me

6393

12-14-2014

Emptiness worthlessness hollowness
are the thoughts we must deal with
and which belong in My yard
for resolution
Tempted be to go beyond that
but draw you back I will
time after time
for the greater fulfillment
of the life after death
of the human dimension
All is going as planned
and is within My capable control
You need have no fear

6394

12-14-2014

Hither and thither
you turn apart from Me
unstable and unwise
in process and decision making
Lean on Me
for sure footing and firm foundation
upon which to build
the edifice of love
we are interested in with each other

6395

12-15-2014

Whistle down the lane
where Snow flowers blossom
setting aside the travails and troubles
of the world without love
nor hope for answers
I will be there

waiting for you

6396

12-16-2014

Lessen thy load
by depending on Me
to see you through difficulties
of worldly cause
Rattle thy mind
to let loose
needless worries and concerns
which I am glad
to handle for you
and to handle well

6397

12-17-2014

Waste not thy time
on toys and dolls
pampered in waste of jolly Saint Nick
The world awaits
the presence of Me
to salvage the truth of identity of
children Mine
Speak up for those
with ears poised for listening
and hearts thrown open
to the song of love
Listen carefully
for what I've got to say
longing for My children's attention
to words of peace and love
Fill up for resemblance to Me
and plant their niche
within the world mottled with fear

6398

12-18-2014

Waltz with Me
in the game of love
downtown and uptown
as the moment provides
Flinch not

at the sights that unfold
touched off by the desire to share

6399

12-19-2014

Push not hard
to accomplish that
which is to be done
Remember I'm in charge
and My ways are not your ways
nor your judgments and opinions

Mine

Trust Me

Ask help to do that very thing
as so basic and necessary
to accomplish for our work
with each other

I've no complaints

You're doing fine

well within the range of expectations

Wait soon for Me

to accommodate thy wishes
for service to Me

6400

12-19-2014

Walk with Me

in sunlight of dawn
beckoning thee to follow
My footsteps to health and well-being

Clamp down on efforts

to go it alone

that lead nowhere

Submit submit to thy Beloved

That sees all

knows all

and heals all

You are devoted

and I give you fullest credit for that
as we proceed with each other

Bombast declines as silence delivers

Set forth in thy ways

in a manner of Mine

Stop pushing

6401

12-20-2014

Blown down thy gates to Me
certain of love provided

by My faithful ways

Filled the road

with returnees emancipated
from bonds of twisted dreams
rejoicing in freedom

Hocus-pocus set aside making room

for God's on target messaging

pouring in healing to our poised
minds

tuned to its receipt within

6402

12-20-2014

Set forth Thy rules to me

that you wish

for me to follow

Submit me My loves submit me

Naught else is there

that is real

6403

12-21-2014

Sanitize thy views

still not yet

in full accord

with Me

drifting in space

unattached to My will for thee

Foolproof be

for peace well-being and service

that you are meant to fulfill

6404

12-21-2014

Hasten thee down the path

Come a-running to Me

waiting for thee to catch up with Me

and dance our dance together
in tune with Me
awaiting our mission
jointly conceived and fulfilled
It is unfolding and unfolding well

6405

12-22-2014

Waste Me not
with your rituals and prayers
Come to Me in silence
letting Me lead you

6406

12-23-2014

Haughty though thee might be
wrest not from Me
the Source of power
and My containing of thee
In the end I always win out

6407

12-23-2014

Roundabout at all times
expect that you will find Me
Feel safe in that knowledge

6408

12-23-2014

Hoot and holler
Withdraw from that stance
In silence
will you settle into Me
and bless others
as well as yourself
caught up in the murderous moments
of this world

6409

12-24-2014

Washed out in the sands of time
color returns in the heights of heaven

6410

12-25-2014

Santa Claus nonsense
pervades the world
hiding the truth of Christ's coming
to salvage heaven's civilization
from its state of delusion

6411

12-26-2014

Forsake not your brothers and sisters
lost in the skulls of insanity
screaming imprecations against each
other

Gather your flock
in service for Me

Who wends the way through the
morass

Witness to Me
and My healing presence amongst
thee

6412

12-26-2014

Walk with Me on moonlit jaunts
exposing thee to Me
in embrace with thee
in common cause
Saddle up in ride through desert land
bringing living water
to those prepared to drink and prosper
Plunge thee into thy task

6413

12-27-2014

Plunge Me down
into the limelight
shining through you
Exacting the standard
Accomplish it you will
as your destiny
conceived by Me
Wait not for Me

to deliver the truth of circumstances
in which you are involved
Simply await Me
as thy Ruler
and Receiver of your prayers
Don't shortchange Me

6414

12-28-2014

Waltz with Me
in the depths of night
appealing for the help
that I am ever ready to bring
Hand over to Me
thy life in this world
of want and wear
to be put in appropriate place
under My direction and leadership
All is proceeding
as meant to be
You are in a good place
in our work with each other
More is coming
well within thy grasp and handling

6415

12-28-2014

Sincere in your wish
to be of service to Me
you are proceeding along
on that path
I'm with you
every step of the way
holding you up
and supporting your noble intent
Proceed under My guidance
I bless your work
so devoted to Me
Lace up your boots
Look ahead
Murmurs of love
are in movement
Stay still

6416

12-28-2014

Worship Me in all you do
mastering My steps that lead you
on to borders of heaven exposed

6417

12-29-2014

Warts-n-all blemish the whiteness
and purity of christian laity
treating like dirt
the souls of others
actually one with themselves deified
by God

6418

12-30-2014

Saved from self
by soul delivered
mankind disavows madness moments
of wallowing world of human specie
Gone the flutters of fruitless day
Returned the reality
of love restored
in all its glorious dimension

6419

12-30-2014

Train me Loves
Train me to serve
Fumble I will until You do
(God- Yes you will)

6420

12-30-2014

Worsening of the situation appears
real
but it is not
You are on
the safe side of Me
involved with you
All is over

Already solved
It is the implementation
in which we are involved
Fear not

6421

12-30-2014

Water thy plants with kerosene
killing roots of love
with snowballs from hell

6422

12-31-2014

Root root root for the Home team
They're the One
that know the score
Float high in the sky
when cast thy vote for Me
leading thee in oneness with Me
