

The Footladder of Notes Divine

Book 16

2015

1-1-2015

Wash your hands
of life (beyond before)?
The reality created by Me
where you lie in eternal
safety and love

1-1-2015

Lockjaw emancipates the word
of God heard through
the silence ensuing
(Worsened) The state of mind?
zipping through the atmosphere
of unholy love predicated by
self-centered needs and desires

1-2-2015

Warped thy mind
by pundits of defeat
lactating in this world
of twisted minds and values

1-3-2015

Legacy of loved passed down
through generations questioning
stability of life experienced

1-4-2015

Rally the troops for
the new beginning
Proceed as you will be
directed in the new phase
of your work
Worship Me in all matters
coming and going
Want nothing for you to do
or control
Leave all in My capable hands
for its accomplishment
Worry Not
Fret not
I will succeed in My plans for
each of My children
Of this you need be assured

1-4-2015

Being still is needed by you
in order for Me to proceed
It is good that you

are aware of this
It is imperative

1-5-2015

Close down thy cap
on spoutings of the world
spewing hatred and sorrow
throughout generations

1-6-2015

In response to my prayer
offering to Mary and Jesus
to have my life for their usage
I hear said,
“know such breadth of conviction
Listen aboard
I esteem you
Let Me lead the way
I will lead you
Palaver with Me”

1-7-2015

Wait for Me in good time
to deal with your concerns and
convictions
I’ll get them with you
even though I know
it’s hard for you to believe that
But it’s true
Fortress of power
resumes position in trial of life
producing inner strength
that calls thee home

1-8-2015

Collect your thoughts
and deposit them with Me
where I alone
screen and select
that which are worthy
for usage and distribution

1-8-2015

Scant the news
Proclaiming the kingdom
in wicked world
of intolerance played out
in fullest fashion
by its inhabitants
invented in their own personal
fantasies and inventions
Sour the source
needing cleaning up
by Holy Spirit delivery and
applications

1-9-2015

Locked doors jimmed open
by Father in heaven
seeking entrance into lifetimes
of His children
away and adrift
in rancid land

1-10-2015

Chalk one up for us on target
Keep going
reaching out for Me
within you
Sleep tight
Relax knowing
that I'm right here with you
Where else would I want to be
except with My children
whom I love and care for

1-11-2015

All healing belongs with Me
and nowhere else
You are proceeding
on the right path
to accomplish this
Praiseworthy indeed
Solutions await thee
in good and proper time
for thee to obtain
You are closing in on them
more and more
Be pleased at your progress
I am

1-11-2015

Step down from thy throne
to be with Mine
in full and every detail
Cast away thy self
and be in oneness
with Me thy Guide and Teacher
In brightness shine

In glory live
Wallow in love supreme
For there you belong
as I have made you to be
and recover it
You will
Substantial be in thy role

1-12-2015

Walk not in My way
when walking in a world
of whirling dervishes
blinding themselves
to the presence of inner peace

1-13-2015

Paint the wagon
bright with light
shining in the glory of God above

1-13-2015

Ransacked
deposit thyself before Me
delayed in thine attempts
to make sense out of nonsense
Where else can you choose
to get an answer
other than your Maker
your Creator
Who knows every part and parcel of
your makeup
and solutions to its hiccups
and mix ups

My dear children beloved

1-13-2015

Sit with Me for awhile
listening to My thoughts
Gain much wisdom
through that
Wait and see
Watch forbidden games overcome
Peace reigns anew
Quiet descends

1-16-2015

Wish for things impossible
when you ignore Me
Who guides you on the right path
without deviation and desolation
present
Take advantage of this blessing
sustaining you and ever present

1-14-2015

Sensitive be
to the needs of others
blindsiding them with needs
of your own
Needy not be when accompanied by
Me

1-17-2015

Zero charge
for Me to act
bringing thee home
All is gain
Nothing loss except your drive
to overthrow and supersede Me
as thy one and only Creator

1-15-2015

Wicked thee be
when posting on Me
the scheme and themes
of human scenes

1-17-2015

If you would have
what I can give you
happy you would be tax free

1-16-2015

Plentiful the life of God within
Joyful the mode
Fulfillment the outcome for all
eternity
Safe always
in My heart and home

1-18-2015

Cynical be in relationship with others
withering it to a standstill
in communication
Heartening to see the issue
as one of lostness

when dealing with same on a healing
level

1-18-2015

Risk not thy skills,
gerrymandering them to a select few
instead of to all My children
Speak for Me in this matter

1-19-2015

Hoodwinked be by thine
own mind
taking command of decision practice
and excluding
Me thereby
But I have the end game
after all else is played out
picking up all the chips and going
home
Nor can I be stopped
Ignored yes but stopped never
And of that will you be overjoyed

1-20-2015

All is really well

1-20-2015

Wait for Me
Go slow for your purpose
to be fulfilled
Waste not My time
on piddling matters

when all awaits from Me
to be accomplished

1-21-2015

Witness to Me
Step up to the plate
Sound the gong
Speak to all who would listen (to the
rules of ?)
The calling of them home

1-21-2015

Notorious the call

1-21-2015

Softly speak with Me
thine concubine
Who loves thee beyond
the of this world ?
and who is willing to wait
for your return
no matter how long

1-21-2015

Sweat not My style
of prayer
All comes to Me safely
delivered
Proceed with calmness
Indebted am I for your
efforts to serve (washed out)?
(Psychochant)?

(Set forth thy views on?
happstance) (My be done)?

1-22-2015

Trust Me to do
what I need to do
for all My children's healing
and salvation

Nothing is overlooked
Be reassured by that reality

1-23-2015

Rain or shine sit next to Me
thy Lord and Master
to extricate thee
from problems of the
human race unreliable
and irresponsible
Set free thyself from influences

1-24-2015

Whipped into shape by Me
you bring your promise
into worldly view
Settle into thy place
and role reserved for you by Me
Whispers of love emerges?

1-25-2015

Watch out for Me
zeroing in on your finances
and your well-being

Settle your mind as I
take command of your guidance
and leave you comforted
Perspective is Mine and
I want you to have it too
Sunshine lies ahead
You are climbing that hill

1-25-2015

Twist and turn in winds of joy
camisole free ?
of worries and wants

1-25-2015

Center thyself in Me
which I require for
healing of thee
(exclusively)

1-26-2015

Widen thy breadth of romance
when cometh before
thy True love
devoted with full ardor
to progeny
Douse thy lights
seeking elsewhere
than thy Creator

1-27-2015

Rancid the taste of love
elbowing others out of the way

to make room for thyself
and thy demands
Fulfilled true love when set aside
thee to serve others without
recompense or recognition

1-28-2015
Relentless be
storming My Citadel
for answers in thy life that you
procure from Me only
Senseless all else simply filled with
gloom and doom

1-29-2015
Royalty calls upon thee to uphold
thy lineage in world
of dank and dark

1-30-2015
Cisterns of love flung about
detesting the world with heaven's
haven

1-30-2015
Wait awhile
Stay with Me
You're useful this way
(Scramble) Set thy life down?
and assume Mine for you
Awaken to truth delivered
for the eclipse of the unreal

and bright shine of the real
for which you have been
made ready to proclaim
and proclaim you will

1-31-2015
There is no thing that is in
this world of nothingness
to be proclaimed

1-31-2015
Sit down with Me along the way
catastrophizing naught that is but
rubbish configured by
a human mind placing itself above
My reach
Powers naught can defy
Me and win

2-1-2015
Walk with Me in sunlight and shade
of coming events
Sunlight dims shade can darken? but
all this happens
within Me in you
Never am I absent ever
I stay in charge manipulating the steps
of your healing progress
I overpower all
Nothing overpowers Me
And so it shall be in your service with
Me in this wounded human world and
the mind

that produces it
You are the victor
Your human mind the loser
And so shall it be into eternity

2-1-2015

Quaint the psalms of love
heard within
unfolding in your search
for true meaning and
thy self recovered

2-2-2015

Halt your ways
Your life
Your being
Your nothingness
to let be Me as thee
Nothing else counts
You're nowhere without Me
and everywhere with Me

2-3-2015

Excrement runs out as product
of human dribble
masquerading as knowledge
and wisdom

2-3-2015

Set yourself in place
for service of Me
eyes shining in brightness

and alertness waiting
just waiting for all that is
meant to be
is meant to occur
is meant to happen

2-4-2015

Flout Me not
when attending
to My business needing
My direction for fulfillment
Look not away from Me
at such times

2-4-2015

Enormous the role you play
in bringing My children home
Prepare for Me
Surrender thy will as the
needed step
Falter not
You need not worry

2-5-2015

Stand free for all demanded
of you in world of want
and compel
List yourself as unavailable
to all except to Me
Who needs thee
full time

(You're both doing all right)? (Keep it up)

2-6-2015

(Waffle a bit yet)?

Steady yourself by calling on Me
Put yourself in place
where I can reach you
Nothing counts
See Me there

2-7-2015

Fail Me not in touch My son
for upon you much depends

2-8-2015

(Whisper Me not)?

(Section of life)?

Companion be under Me
with guidance assigned to
follow scrupulously
I am in charge
and know all outcomes
Listen to Me and only Me
Be dutiful firm and adamant
Avoid your tendency
to overdo

2-9-2015

Debris strewn path
of return to kingdom home

calls upon Spirit to clear way through
cluttered mind
of false beliefs cast aside

2-10-2015

Sensible be when loving others
unable to love
from lost awareness of true self

2-10-2015

Warm feel
when doing your job
helping Me
Feel blessed
for the blessing you bring others
More is coming for which you're
prepared to deliver

2-11-2015

Twisted in shape
out of sorts
tally in denial
exists the mental midget mind
of human madness
claiming meaningfulness in moods
of mope and melancholia
Mind of risen state
awaits thy calling
for actions of overthrow and
suctioning up

2-11-2015

Set aside all doubts and matters
All goes well
when given to Me
Residence in order
for all your concerns
Rest confident and assured

2-12-2015

Chartered moves in sight
awaiting application for planned
progress

2-13-2015

Maudlin (No further message
received other than that word)?

2-14-2015

You have come into My abode

2-15-2015

Trammel Me
when turned away from Me
doing things your way
until adopting policies and actions
that I deliver to you
At that point
does change occur for the good
Thus have you seen
and as have you acted
Blessings follow that you have
enabled

2-15-2015

Sing along with Me
My song of love
romancing thee
as thine one and only beloved
tantalizing thee to turn aside
from fruitless gestures and offers

2-16-2015

I have been accused
of caring not for My children
and sacrificing them for wants of My
own
Not so

Each of you is My treasure
with whom I live together
inseparable in oneness
made to reflect
My glory and My love

2-17-2015

Immune be to talk of others
scrapping world of Mine
replacing its reality
with their own creations
Stand firm in place
sharing what you know
to be the truth
regardless of their reactions to it

2-17-2015

Set forth thy ways

of working with Me
with obedience and diligence

2-17-2015

Funnel Me

drawing out the cracks and crevices
that still hold the dirt and grime
of garbage minds
blocking the clear view
and sights
of holy life
You have provided for us
your beloved children

2-18-2015

Wait for Me

on doom day messaging
for Me to clarify
what is true and what is not
Silly the belief
for Me the God of unconditional love
to condemn children
to the end of eternal life
on a frightening note
It is one more concoction
of the human mind
to be paid no attention
Hardly worth the thought

2-19-2015

What I have learned
is worth twice more
than what I know

2-20-2015

Waltz with Me on daylight cruise
Sit with Me

2-21-2015

Set Me on a pedestal
for life unachievable
Not so
All I have done
will you do too
Capable are you made
to achieve that
as part of the return trip home

2-22-2015

Satisfy Me

This must you learn
in order to serve Me
And you will
You are taking these steps
and will become accomplished
more and more as you proceed
in the path of servanthood
Your time is coming
Rest easy in the awareness
that you will succeed
for I have trained you well
to do so

Wash your face with sunshine
and begin your day

2-22-2015
Waiting for Me
is essential for planning and execution
of My work
Drop back into slot
prepared for you
for fullest participation
on your part
in conjunction with Me
Waltz with Me at eventide

2-23-2015
(You will tell her she's doing well)?
Start anew with others joining
expanding My voice
to others you know
Sense My presence
anticipating My appear
Stay alert

2-24-2015
Remove my landscape and replace
with Yours

2-25-2015
(No messages at this time)?
Sooner or later you will reach Me
with your grief and groans
allowing My entrance into your
healing space
You will benefit from
My uncanny touch
when it arrives

Relish its love for you

2-26-2015
Snap to it
for I am calling
listening and waiting
for your response

2-27-2015
Cats and dogs flail away
at each other's haunts
and hunches unaware
of each other's reality

2-28-2015
Patience patience
I am coming in My own good time
to call upon you
We will be there together

3-1-2015
Send forth My waves
on healing principles
as understood by you
and acted upon

3-1-2015
Lilting down the road
with presence of Me within
doth thee calmly accept My role
as follower of Mine

under My command
Welcome aboard

3-2-2015
Doughnuts of heaven
prescribe sustenance
for tell-tale signs
of identity loss
in famished children
of their greater God

3-3-2015
Seek not Me
when searching through the past
for consultation and consolation
for Life as being lived now
The present the present
is where I am to be found
and to be comforted

3-3-2015
Wait for Me
Cling to Me

No shame in that
It is impossible for us
to be healed in another way
God is our healer
We are dependent on God
for the delivery of that state to us
without exception

3-4-2015
Load the truck
with goodies from heaven
delivered by Holy Spirit
to those made ready
for them from you
Specialize in prayer
bringing to those
the awareness of My presence
in their lives
suitable to their needs

3-5-2015
Hallowed be thy name
who follows Me from useless
and
to harkening of thy heart
revived
and true life renewed
swept from thy feet by Spirit

3-5-2015
Sit not in a frenzy
after trying to give yourself
over to Me
Let Me be in charge
of drawing you to Me
That is the correct stance
and productive approach

3-6-2015
Wipe your face with shaving cream
for purity to shine through

3-7-2015
Single out and commit thyself
to love of Me
and Mine
who are drifting off
and grazing in land
of poisonous weeds with death
dealing consequences
Straightened out thy life
following Me Who calls upon thee
to do so

3-7-2015
Cast yourself down before Me
as you would want
See to it that you're tightly wound

3-8-2015
Cornerstone of love supreme
Wash thy face with mill stone
scraping off fakery
in sight and sound
of human existence deceiving us
Let be the Me in thee
as wish it too so be

3-8-2015
Set thyself down
next to Me
and listen

to My cautions and cares
Guide thee I will
in sure footed fashion
to thy destiny
and its fulfillment of Me
through thee

3-9-2015
Dry out your eyes your tears
Let flow gladness and the dispensing
of fears
Love returns
(on the lips of angel wings)?
on the Wild Wind (revived) of God?

3-10-2015
Wash your hands
of your life and
turn it over to Me?
Let Me rear your life
So much easier and
so right to do
I know the answers
that will lead you out of
every problem you've got
That's My job
Not yours
What a relief
that will be for you

3-10-2015
Retrieve thy lost soul
wandering in desert land

of piqued nothingness?

3-11-2015

Launder thy services
for common cause
to wash away sins
that interfere with home coming
awaiting all God's children
in final chapter

3-12-2015

Rock yourself to sleep
in the lap of Love
guiding you through the world
of personal madness

3-12-2015

Gadgets of every kind
intrigue thee
drawing you away
from your Central pole
at the expense of wisdom
and true direction undertaken
Reverse
Attend to Me Who will lead thee

3-12-2015

Circumstances arise
that perplex thee
Too often doth thee
try to solve these yourself

instead of handing them to Me Who
awaits to help thee
with the ease of solutions
immediately available to Me

3-13-2015

Whacko the workings
of the human mind
putting up protestations
against the evidence of its
non-existence in the space
of the divine division ?
senseless its defenses
Morose its madness
Non-existent its identity and
its actual being

3-14-2015

Crash from above leaves you stranded
in mid-air
searching for way out
None exists except in Me
standing by thee
in stranded state

3-14-2015

Rudeness uncovered
when not fully attentive
to the person speaking to you
Value the Christ in every person

3-15-2015

Tamper with Me not
in My mission
in this world
bringing each and every child of Mine
home
That is My fulfillment
and it will be accomplished
Rejoice for that reality
which only I can accomplish
Be sworn to Me

3-16-2015

Fortune shines on thee
working diligently to serve Me
Distance narrows between us
in our efforts to coordinate
Your efforts to surrender your being
to Me
is gratefully received
and will be as fulfilling
as can possibly be
Bless your heart for your efforts

3-17-2015

Wash your windows
that flashes of light
pierce through the darkness
observed by you
to be acted upon
We are here with you
and we hear you
Be patient
Your time is coming

3-17-2015

Sit still in stormy weather
letting Me attend to you
It is My wish
My will My duty
Let Me engage you at these times

3-18-2015

Push down on yourself
freeing Me up in its place
to work with you
profitably and fruitfully

3-19-2015

Sorely grieved art thee
when bouncing around
in world of missing parts
and arts derived by ludicrous mind
believing its imaginings
are real and
realities are not

3-20-2015

Sooner or later
you awaken to shortcomings
of human life
and drift from its teachings
to a reality more precious
in its ultimate fulfillment
that you have observed and fulfilled

3-21-2015
Have no interest
in the decaying life form
of humanity twisted like a pretzel
in reason and love

3-21-2015
Walled in by circumstances
be filled with hope
by attachment to Me
and the flow between us
Firm My grip with thee

3-22-2015
Attend to Me
Who zeroes in
on your most pressing problems
and Who knows best
how to deal with them
swiftly and accurately

3-22-2015
Zip yourself into My being
sending forth instruction
for thy work in this world
Reassurance and confidence
pass through to you as well
in this exchange

3-23-2015
Halt your steps
to kingdom home

when eating fruits of worldly
way blinding you to call
of life beyond

3-24-2015
Whispers of perversity
clock in with you
from time to time
needing correction by
handing them to Me
I'm aware of them and bring them to
your attention
Be alert to the challenge
Be not a smarty-pants

3-25-2015
(Forked tongue)?
Sit in Me where you belong
in oneness with Me
Stark raving mad are thee
when gone from that place knowing
not who you are
nor remembering where
you're from
Rest there in peace and safety ever
more

3-25-2015
Wait for Me
Who's right there with you
and will unfold all that you need
for your recovery
I'm on the job

Rest easy with that assurance

3-26-2015

Seeking nothing more
than what I know
and will teach you
It is all that you will need
You will pass by and receive your
edification
(Swill stills)?

3-27-2015

Sense My presence awaiting thee
in My proper time
for your performance's participation

3-28-2015

Step up to the plate
and get ready to bat

3-29-2015

Tease Me not with
promises when
actions are that you must take
Warm up to the task
that awaits you
by so doing with Me
Trust Me to know what to do
with you dwelling in My light
awaiting My messaging

3-30-2015

Waste not your time
with dizzy thoughts
about who you are
and who you're not

Ask Me

Ruin occurs when doing otherwise

3-31-2015

Listen more
to lessen problems in solutions

4-1-2015

Softly speak with others
as foundation of love given away

4-2-2015

Wrestle with Me
to close trap door
to hell and back

4-3-2015

Bearings set for toil awaiting
All in place
for duty needing to be performed
Lamp lighter turned on

4-4-2015

Beat Me down
when your flow of thought
consumes thine attention
at the expense of Mine

I need you
and must await your return
to listening
and signal you of the need
to be able to do so

4-4-2015

Wash My feet with love
extending life across the board
for all My children
drifting in and out
of the lostness zone
unstable and erratic
Stabilize thee I will
with firm grasp and steadied
movement
as you move about once more
with My help

4-5-2015

Resolute be about coming to Me
for issues that arise within thee
Nothing will be accomplished
if that path is excluded and unused
You're being sensitized
to this reality
more and more
You're latching on force fed

4-6-2015

Seated at the right hand of God
calls upon thee for service
due to your surrendered being

Await My call
It will come
in due and proper time

4-7-2015

Settle down
Settle yourself with Me
That's all you need to be
Nothing more
I'll take care of the rest
I always have and always will

4-7-2015

Wake Me not before it's over
that all may be seen
that are truths and lies
real and unreal

4-7-2015

Whisper clods of drivel
in My ears
when possessed be human mind and
thoughts
Waste land is being visited

4-8-2015

Sanctify thy words

4-9-2015

Burble and bubble
the mind of madness

planting its seeds
of meaningless eruptions
and distractions
entertaining nothingness
as worth

4-9-2015

Waltz not with Me
when draining yourself of nothingness
in which I live inside with you

4-10-2015

Let the light in
from God shining at all times
without interruption
and always available

4-10-2015

You roam about
Stay centered in Me
Enable Me to touch base with you
Notice the unhappiness
Stay with it
Submit it to Me
until the relief comes
Let it go

4-11-2015

I am nothing
I know nothing
I place that before You

4-12-2015

Wait for Me
in the borderland
of thy soul with Me
I seek you out there
for thy destiny

4-13-2015

You must let others be
where they want to be
pressing forward at
their own pace
and comfort level
Stay in that safety zone from which
they can work

4-14-2015

Wakefulness dictates holiness

4-14-2015

Set thy watch by My timing
where all takes place
in My reality
agreeable?
be with Me

4-15-2015

Savage be when wanting
to have your own way
at expense of others

Walk with Me by My side
when so entrenched

4-16-2015

(White side up)?
Waste not My love
with gypsy songs and love ?
Rather sing with Me
and soberly approach Me
for all you need
and ever will
(evocate) ?

4-17-2015

Possession overcomes obsession

4-18-2015

Master of all
you cannot be
That belongs to Me
Who shines in that role
converting souls back
to illumination from despair
Follow in My footsteps
as My helper
Ask not for more?
But pleasing you
are in your call to Me

4-19-2015

Stand by awaiting your instructions
for I am there with you

at your side
You're doing well
with this waiting period
between us

4-19-2015

Swiftly turn to Me
where truth resides
and contact is made
between us
I need you there
for your work with Me
to be accomplished

4-20-2015

Sit still with Me
Gape not at the world
that freezes life
behind a camera
aimed at empty space

4-21-2015

You walk not with tender feet
when helping others
with their issues and explanations
More needs to be done
quieting yourself in the process

4-21-2015

Roots of rulership
rest in Me
Tinker not with state of affairs

Bend your knee to Me
in place of affirmation
Sense My presence
from where I enlighten you

4-22-2015

Sit still with thy soul
awaiting Me to appear within

4-23-2015

Stay close to Me
where your heart resides
dangling in freedom

4-24-2015

No verbal message on this day
although there was a significant dream
at night
relating to the ultimate quality of love
with a woman
who asked that I marry her and to
which I ultimately acquiesce

4-25-2015

Sift through the leaves of the past
removing all not centered in God
living for Me to command

4-26-2015

You are panting for progress
which I am delivering to you

in steady dribs and drabs
that I make ready for you
Proceed as you are
You are on the right path

4-26-2015

Life abandoned is life lost
to dreams and fantasies
of worthless value

4-27-2015

Settle down with colleagues
awaiting My moves
coming up soon with dispatch

4-28-2015

See Me
and how I work
with you and others
Watch the ease
and the quiet approach

4-29-2015

Set forth thy viewpoints
tailored to Love's guardianship
of oneness with God
and each other
Tortured our lives when ignored
Building blocks strewn about
in chaotic situation

4-30-2015

Side by side
we emerge from the closet
to do our work
in the salvation of My children

4-30-2015
Swoop low I must
to catch the Breeze's intentions
delivering healing to muddled state of
mind
adrift in a vacuum

5-1-2015
Set forth with vigor
thy displeasure with lack of
attentiveness
in healing facility

5-2-2015
Bitterness assails thee
when covered with blood
of personality attacks
Blinded be to the views of others
placed before thine
delivered to you by Me

5-3-2015
Waste not thy time
on bitter trials of life
Look for sweetness and bliss
to succumb to
as the ultimate worth
of lasting value

5-3-2015

Sense Me
in My nearness to you
nudging thee along the path
of reliance on Me
to bring thee home
to the love within
that is the essence of your nature
and your being

5-4-2015
Wash your hands
of geniality when
question loving qualities
of God's children

5-5-2015
(Walking in the rain soothes thy
complexes)?
Wait not for Me
when wandering off into
thine own mind with it's
thought abominable and fraudulent
Receive Me when abandoning thee

5-6-2015
(Sweat box)?
(Perplexed be)?
(Insignificant the role)?

5-7-2015

Flounder when seeking Me
outside of you
Seek Me inside as you claiming My
rightful place within thy life

5-8-2015

I hear myself being greeted “Hi Bob”
I feel the presence of a phone
which is my symbol for God’s
presence

5-9-2015

Awaken to nothingness in
human existence
dead to true life
Alert be to My call to you
to recover awareness of thy godly
being and it’s nature true

5-10-2015

Pester Me not with
your problems
trying to solve them without My help
It is Me who needs to
solve all and I am capable
of so doing much to your relief
once so discovered

5-11-2015

(I ask God what can I do
at this time for God?) ?
“Nothing at this time”

5-12-2015

Set Me free to be Me with you
Do you forget
Who made you
and set you free

5-13-2015

Set free thy mast
for receipt of
sail Wind blown message
laden for thine usage

5-14-2015

Sit straight up
and attend to Me
instead of drifting away
back and forth

5-15-2015

Answers will come sooner than you
think

5-16-2015

Source of Love
diminishes in one’s eyes
when viewing others as source of
trouble
rather than peering inward

5-17-2015

Wish not
for Me to be conquered
and replaced by you
and your standard

5-19-2015

Wind down your expectations
and wait for Mine
Who has you on-line
for fulfilling Me
All is occurring
as it should
Let yourself safely down
in your quest for service
You're where you should be
placed with Me for reception

5-20-2015

Sit still
with Me in hand
rocking not the boat of love
Decline any other invitations
Hit Me up
for what you need
Let Me deliver the goods
Go elsewhere
and you'll get short-changed
or be misinformed

5-21-2015

Wild the Wind
that blows through your mind
called for to overthrow
its human defiance
of God's presence within

5-22-2015

Sounds of fury
distract your life
needing a return to Me
as thy center
You have been
made aware of this
for your attention
Center in Me

Lower thyself to Me

Search deeper

in order to reach Me

5-25-2015

Sense Me when you can

Starve not thyself
with distraction or inattention
Bow thy head for quietness

5-26-2015

Twist My arm
you need not
All is unfolding
regulated by Me
as I wish it to be
There's no need for it
to be otherwise
All is going well
Rest easy
I have chosen well

5-27-2015

Outlets
When in the midst of a dream
that seems so real
and when crackles of moon beams
seem like flashes of light
from heaven above
when muted sounds
from distance calls
doth thee awake to God within
Sleepless nights erased
from moorings of mind
Life recalled
Zombie state overcome
plastered to walls unmovable
Life wasted no longer
Execute thy moves
according to Me

and My instruct

needing to be negotiated by you

6-1-2015

Calmness claims My attention
no matter distance traveled

entering Me in companionship and
oneness

Let Be spoken My thoughts
helpful to you in this life
to guide you
as it would do

6-2-2015

There is no bar
that I cannot remove
when and if you are ready
for Me to do so
I simply await that
as your decision

6-7-2015

Stand still for Me
Who wishes to use you
in service of God's triumphant
mission
in this world
of missing purpose
and lowly yearning
Fit in to your awaited place
and blessed work

6-3-2015

Park your carcass
on the rim of the road
calling thee back
to heavenly home
and the love of God
possessed for all eternity

6-8-2015

Wait for Me
Do nothing without Me
that would be wasted effort
and error prone
I have you in My sight
and know what you will accomplish
and are meant to accomplish
You will be pleased
with what your role is
We have planned it together
Would it not be perfect
with My planning

but within for the answers

Let them occur

Let them rise

and gather them in
for you to act upon

6-15-2015

Jammed art thee

willingly to revel

to visit thee

correcting thy view of reality
seen through mask
of bewildering pretense
and falsehood

6-16-2015

Sit still with Me

awaiting thy triumphant return
to duty calling

6-17-2015

Awaken to thy self

awaiting your timing

6-18-2015

Summon up thy self

to be with Me

in oneness of joy and love
Pass by the distractions

6-19-2015
Lash thyself to My side
that I may bring thee home
to Me
safe and sound
healed and whole
in success secured

6-20-2015
Humble yourself before Me
thy Crown and thy King
tainted by thee
in excess mood swings
needing tamping down
Feast upon the wealth of nations
passing over signature
of God's working
in world of wonders transpiring

6-21-2015
Set thyself down before Me
to obtain My wishes and concerns
placed before you to accomplish
Proceed

6-22-2015
Dynasty of love signals existence

6-23-2015

but know it has its end
in the face of love
restored to the forefront
of conscious life

6-24-2015
Dip down thy head
in My presence
to receive the quiet
that enables you to hear Me
and comprehend Me

6-25-2015
Whip out thy flashlight
seeking truth within
darkness concealed
awaiting its reveal and dispensing

6-25-2015
Sort through thy mind
'til finding Me
announcing My appear
and messaging thereon

6-26-2015
Wicked the world
so widely secluded
from the Voice of God
beaming in on savagery
of survival called for
in the absence of safety and security
and the seeming reality of death

6-27-2015
Follow My instructions
when I lead the way

6-28-2015
Sink low into the well
of love absorbing the grace
to live from it representing it's
reality for others
to see and imitate

6-29-2015
Pause and wait
I need that from you
Sanctify thy name
through holy work
led by Me through maze of
waste and delusion

You have been given that capability
through which to perform

(Beset by troubles of the human
condition the author
originally sought solutions within his
profession
as a clinical psychologist
and undertook supervised psycho
therapy sessions
over a period of some ten years
with three different practitioners,
two of whom were psychologists and
one a psychiatrist.

No approaches brought resolution.
Stymied and out of answers
of his own,
others suggested a spiritual
framework as the basis for a solution.
Open now to a new view point, the
Judeo-Christian was enabled to make
known
His presence and
began a daily dictation of
a healing curriculum
that began in 1998 and has continued
to this
very day.)
