1-1-2001

Cantankerous in mood be thy  
life style  
roaming the world in sullen  
pace  
Resolve absorbed in banter  
negative  
seeking resolution of outer fare  
Realize not thy significance  
in life style dispossess

bounds  
of outer court that lead to  
hackneyed days

and bout  
furnished by leadership of Holy  
Spirit

to places unseen  
that castigate life  
amidst lost dreams of

powerlessness

brings hope fulfilled  
in world of measured worth

in room reserved before for  
divine life

cast upon God's children  
by loving Father  
wishing return of holy children

1-1-2001

Intolerant are thee of other's  
shortfalls  
Bruised are thee by slights and  
hurts  
No stance make when comes  
the tide of limitations before  
thee  
Be not chary in judgment posed  
'gainst revelers in deceit  
Wait for Hand of healing to  
touch

points of harm proffered  
Gates to wisdom widen  
offering options to wholeness  
sighted  
Wisps of air freshly cleaned  
seep through to mind opened  
to eternal plan  
Halt to heart of coldness  
professed  
Wend gently through its domain  
doth Heart of understanding  
Rocks set aside  
for forgiveness seen  
in plan of man reformed

441

1-2-2001

Salacious be the minds of man  
cowering in corners of deceit  
Staid in pose  
man jockeys for position prime  
that lusts fulfilled be  
accomplished  
Betterment naught be thy  
approach  
in magnifying schemes  
of seduction raised  
Power eternal charred  
in fires of passion sustained  
Be not bedeviled  
by loose hearts ignominious  
Faithful be thy key in matters  
man  
Soliloquy be fortuitous  
in escaping madcap ways  
when cometh upon dens of  
iniquity  
Loosening values of predator  
composed

when strikes the Heart of faithful  
repose  
O hearts of man made in image  
of Me  
restrict thyself to scenes pacific  
Make of Me thy guide  
in fields of play  
amongst brethren  
tied by eternal knot  
to one and each other

442

1-3-2001

Devastated be thy comfort zone  
by trails amiss in outer lands  
Poignant thy distress  
when fail to consult thy  
Benefactor  
Who awaits thee  
Purposeless thy journey into  
void  
that wends its way in circles  
everlasting  
Want not of Me  
'til focus on wasted days and  
nights  
Then will thee call  
in cadence count for  
deliverance  
Raptured be with sights  
of wisdom made  
deciphering plant of misery  
Welcome not thy fruitless  
journey  
betraying hemlocks of divine  
grace  
seeded into soul of sons

443

1-3-2001  
Healed are thee in withering  
heat  
of torches made light of  
sustenance  
Withheld not from thee  
are Whispers of divine Image  
portraying thee in likes of Me  
Wouldst not thee want  
My ways of love and life  
that succumb not  
to meals of devious choices  
Wouldst not thee yearn  
for hocus-pocus flight  
abandoning thee to mind of  
meticulous Creator  
March not to tones of distant  
drummer  
retreating from Source of  
benevolence  
that wakens thee  
to flight into madness manifest  
Wouldst thee be a drummer  
of thunder rolls of heaven's  
might  
recalling its denizens  
to feasts of holy order

444

1-4-2001

Tread not on designs of Mine  
that bespeak of kingdom come  
washed through with Lamb's  
blood  
Resilient is the King of kings  
marking method  
with those resolved for reform  
Lay not down the mark of love  
that behooves thee to trace

upon others  
the ways of levitation from  
earthly designs  
Let go the trammels conceived  
by Me  
to obfuscate the ways and wares  
of human divide  
Bring peace to those who are  
searching

445

1-4-2001

Seek not for Me in tender places  
Resolve for sake of world  
to bring Me into play  
at times of robust riots  
witnessed  
in games of savagery  
amongst My children  
Let not worldly devices  
demean thy character  
that sifts sands of time  
for truncheons  
of hatred abated  
Let not thy will be embossed  
upon stones of vengeance  
flung at seas of faces  
unrecognized of holy birth  
Flee the scene of wild melees  
scripting abuse of mortal beings  
feared  
from farce of mind imagined  
Let be thy will eschewed  
that Mine replace  
in fracas frenzied  
amongst heavenly sons  
Let be thy will ruling judge  
of right and wrong  
midst parties divided

by rules of human affair  
Place Me as witness  
'pon scene of mending hearts  
apart  
in joint affairs of mockery  
Let peace be gained in time  
enveloped by Source of love  
that embraces all as one  
in richness of holy sight for holy  
ramp to kingdom glory  
that swells in vision proffered  
Renown be thine for peace sake  
compelled by efforts divine of  
Holy Voice  
Let this be thy route and retinue  
to sway others to ransack the  
inner closet  
where peace observed be  
found

446

1-4-2001

Seek thee the kingdom of  
everlasting love  
as the true reward for services  
faithful  
Blessed be the man who seeks  
and finds  
the truth of nature his  
Let loose the binds to ill repute  
that spills wants of wishes foul  
as focus of center life  
Laugh at thoughts of glory  
human found  
amidst garbaged thoughts  
willy-nilly  
Seasoned be the mind of core  
attributes  
holy preserved

that seeks peace amongst  
craving mobs  
sin-seeking  
Walk in sunlit corridors My son  
revealing truths of life lived  
for want of Me  
Let Me lead thee to searcher's  
end  
of truth encased  
preserved for eternal life  
of joy filled days  
See truth spit out amongst thee  
from tongues engrossed  
in holy words  
proposed for use by all

447

1-5-2001

Tensions in thee abound  
filtered through domestic  
quarrel  
Abide in Me for salvation source  
uttered in serene compliance  
Waste not thy time with bilge  
waters  
awash in soporifics  
Regulate in place serene  
contentious hallmarks of ego  
minds  
Savage be thy play  
in holy relationships remiss  
Bestial thy framework  
in succor of twin mind  
secured in dotings  
of frolicking madness  
Sit thee in cauldron  
of seething fires  
dismayed at lack of foresight  
in ego scene

Renege on duties that heal by  
mind of God  
present to scene of dispute  
immemorial  
Winter in no-man's land  
that signifies drafts  
of frigid hatreds turbulent  
Wish thee for sense of logic  
holy  
that brings compassion  
to eruptions of seething senses  
Work at diatribes  
of holy order renounced  
that swells bitterness  
between brothers bemoaning  
fate  
Belittle not thy partner in time  
meant for healing fate  
modified in mode  
midst modified relationship

448

1-5-2001

Seek not for fortunes in  
giddy heights  
of land of make-believe  
Stashed away in floor  
of sound fiber  
be harvest of moonbeam light  
awaiting recovery  
Select right path to happiness  
alight  
midst saplings of new growth  
holy  
Wake to scene of prosperous  
days  
midst path of dreams  
documented  
Bespoken of Me thy identity

secure in harvest of returning  
sons

449

1-6-2001

Waver not in thy resolve to  
serve Me  
Forsake all that wears not the  
coat of love  
Envelop thyself in manner Mine  
that speaks of truth ennobling  
to those about  
Respect thy Core supreme that  
guides thee  
to lands unseen that rhapsodize  
incessantly  
My call to thee  
Wake not to call of Me  
when indulged in matters  
that submit others to will of  
thine  
Realness gained when call of  
Me  
declined not  
in favor of harassment of thy  
incline  
Beware of doting ego mind  
that forswears dignity of  
brothers  
and mocks hardships caused  
Be meek in temper outbursts  
declined as rule of thumb  
Wanton acts denied by mind of  
Mine  
that declares worth of holy  
children Mine  
Abandon thyself to Me Who  
leads you  
to green pastures ripe with

forgiveness  
that seeds new world of  
kingdom come  
for all submitted

450

1-7-2001

Forsake not thy faith in Me  
reverentially yours  
Realize the moment gained  
as basis for heavenly return  
Pounce upon the opportunity  
for disclosure more  
Wet the seed for growth  
into tree of life  
absorbed into thy kingdom  
home  
Welcome Me into thy heart  
for relish of journey's end  
Partake in My sup  
that nourishes heart of  
wholeness  
Wellness felt in pause of  
moment silence  
that shakes roots enmeshed  
in world of fantasy make-  
believe  
Revived are thee to realness of  
thy home  
midst borders of heavenly heart  
Hear the sounds of angels  
rejoicing  
at thy appear at heaven's gates  
welcoming thee to holy  
communion amidst

451

1-8-2001

Reservations abide in mind

fickle

about wherewithal to serve Me  
Meaning found in retinue  
of faithful persons  
devoted to cause of Me  
Welcome Air of Change  
that recycles life habits  
into chain of reverberating  
pilings  
that upholds ideology of  
compassionate God  
that succors healing habits in  
His children  
Realize not the depths of  
healing  
taking place through  
rendezvous  
with My exchange  
Adversarial approach negates  
acceptance  
of holy empire declared  
under tutelage of supreme  
Master

452

1-8-2001

Lordship of dominion sacred  
imposes view of world  
incoherent  
that adheres to minds  
captivated  
by false values  
Look not to source of garbage  
as thy leading light  
immersed in matters  
meaningless  
in divine sphere  
Reckon with forces militant  
absconding with thy peace of

mind  
flowing to you from primal  
ground  
Withstand precious pittance  
of noble energizing  
correcting views of sights  
unseen  
benefiting thy well-being  
Rectify thy reason  
eluding traps of misgivings  
that vituperate against noble  
stance  
of giving nature  
Mortify thyself in greed  
foresworn  
as practice of divine nature  
Blessed be those  
who ameliorate passions  
prurient  
relegating to front lines  
the wealth of Holy Presence  
seen

453

1-9-2001

Woebegone be thy visage in  
storms a' sea  
of lackluster hearts in empty  
land  
Crestfallen thy view of sights  
amiss  
mangling motives of hearts pure  
in nature  
Hearts impure sodomize  
intentions  
for learnings holy  
Rulership of domain petered out  
in light vacuous  
spewing darkness upon seeded

ground  
Mayhem emerges in drifting  
ship  
attuned not to heart of God  
listening to stern  
Reality recovered  
when immigrant returns to base  
camp  
seeking admission to holy site  
bowed down to course of  
design  
deigned for healing  
Make most of My resolve  
to recover lost sons  
sorely missed in transgressions  
mnemonic

454

1-9-2001

Seek not the ways of souls  
amended not  
Worth be measured  
in wisdom saved from haunts of  
ill-repute  
Relish the mind of silence  
delved within for recovery sake  
Reach forth for Guide of Me  
making whole lost memories of  
misguided son  
Willingness to submit  
to My loving hand  
breaches wall of shame  
engulfed midst laws of make-  
believe  
Ameliorate thy condition  
mordant  
to life of stars  
bright in density of recovered  
minds

Worship right of Rulership  
to foreordain passages of sons  
to safe grounds of transit  
Misbegotten past stymied  
whence comes son of man  
to Source supreme  
for well-being reserved  
Make haste to alleviate  
condition waste  
in sea of tranquility  
reserved for surrendered son  
guided by watchful Father

455

1-9-2001

In the evening of twilight  
when cast the light  
'pon scenes of merriment  
all aglow with joy  
seek not for nutrient in paths  
askew  
from central Source  
Wish not for harm to others  
lost 'pon seas of iniquity  
Wait in shallows 'til beached the  
craft  
of lost mariners drained of vital  
Core  
Means met by tender embrace  
encasing hearts wounded  
Wills of man returned to  
intercourse  
with Savior deep

456

1-10-2001

Seek not thy stones of wrath to  
collar  
Witness to love's strain's echo

Let live others in dire straits of  
complaints  
justifying lives of conspicuous  
consumption

Work 'stead at tales of God's  
love

for His children's wanderings  
waiting for call to ameliorate

Hasten not to harm's way  
of solving disputes through  
harassment

Seek dissolution of woes  
through recognition of common  
ties

to God almighty

Who rectifies all matters in  
righteous way

Harken not to 'plaints of  
grievances

denying common ground of life  
amidst the stars

Woe to those in singular pursuit  
of life earthly

wandering in tiers of vacuum

Set well be thy ways in Me  
that compensates lost loves  
seeking return to true source  
of Godly being

457

1-10-2001

Starved are thee for love's  
blight lifted  
to compose a life with meaning  
a' strewn

Lost be thy will encumbered  
embittered by morose mind  
of meager sight

What wouldst you want of Me

My son  
to handle your heart in ways  
serene  
Think now of ways you live  
in torture of thyself and others  
Realize the urge to control  
that others serve you in  
mystifying wants  
that plague your senses impure  
Dally not in ways of man  
that surfaces lie in unholy quest  
for Adam reborn  
Let not thyself be caught up  
in railing injustices upon those  
about you  
Realize My presence that  
swings thee  
to heart unknown  
that purifies dank and dark  
places  
for beloved son ministered by  
Me  
Would you like these things for  
presentation  
Wet My hands with your desires

458

1-10-2001

Fractious thy manner be thy  
way  
when heaven absconded  
Torts obscure thy right of way  
heaven sent for return  
Decline thy sumptuous repast  
midst shadows of reckonings  
disqualifying  
Blessed be thee in kingdom  
made  
for hearts at home

Sanctimonious  
be thee  
in world apart  
protecting injuries imagined  
Hearts adrift fear in scope  
magnified by winds of horror  
believed  
Scarce thy hopes of  
recompense  
for love lost  
in milieu of constant change  
Wait for Me in corridor man-  
made  
for Wind of change that hastens  
thee  
to door of Love's boudoir

459

1-10-2001

Intermittent tones harmonic  
of heavenly harps  
intermingle with worldly sounds  
bringing news of holy life  
Jaded in belief  
man succumbs to hope of heart  
royal  
that lifts him to estate reserved  
Dulcet tones heavenly born  
wax melodious  
in humdrum world of human  
hordes  
Tantalizing the sound of  
heaven's chords  
inviting home lesser of worldly  
born  
Teased by Trojan horse  
man admits within  
presence of Godly voice

crooning song  
of freedom call  
Hear now echoes of holy calls  
pursuing presumptuously  
the will of man captivated  
Resist not can thee thy heart's  
delight  
remonstrating cause of love

460

1-11-2001

Adapt to holy orders 'lest fall  
away in turmoil  
Reign of King required for  
peace in worldly view  
Seek not the hatred within thine  
own heart  
festering on hearth of make-  
believe  
Rulership is thine to call for  
fortunes founded  
Bless others with presence Mine  
handed reins of self ordered for  
instruct  
Care not what you do when  
remonstrate with others  
justifying goal of self  
aggrandize  
Seek not kind words  
for limited others  
knowing not what they do  
Cast aspersions on identity  
when fulfill thy wish  
to attack with relish savored  
Meanness crowds thy mind with  
retribution  
founded in self doubt and  
failure centered  
Revenge sought for medium

byplay  
whence enemies come to mind  
misappropriated  
Seek not to waffle shame and  
guilt  
as caused by outer circle  
Seek instead My listening ear  
to absorb thy miseried mind  
and bring thee peace  
Retribution not Mine to  
dispense  
Readiness to practice Me be My  
cause  
in earthly clime

461

1-11-2001

Saturated with holy water  
Spirit moves to conquer worldly  
domain  
Anathema generated man quails  
at sight of holy deliverance  
destined  
Lead not into temptation  
be rejoinder of Spirit guide  
pressed into role of Savior  
Let live those  
who meander about  
in role of lost sheep  
Bless those lost in migraine  
mind  
attuned to voices of neverland  
Bleating sheep call  
for shepherd not known  
in sight nor sound  
Cruise gently  
in sight of onlookers  
seeking ways of God adapted  
Water lilies feed flock

nurture of kingdom  
so that eyes gaze  
on sight of Savior present  
Risk not seed on land impure  
imparting ways of lonely path to  
oblivion

462

1-12-2001

Witness not to hardship's woes  
that beguile the fate of man  
obsessed  
Await the sign of heaven's gate  
pursuing lusts of leadership  
ignominious  
Lean not to left nor right  
for heights of ventures gained  
fortuitous to man  
Reap the Winds of Change  
a'clear  
dissolved in hearts faithful  
that cling to silence earned  
Web of fate divine cast out  
ensnares children of loving God  
destined for return to fold

463

1-12-2001

Wait upon Me for thy needs  
unfolding  
enmeshed in the world of make-  
believe  
Foresight required obtained of  
Me  
Listen 'round for thy clues  
See not yet with clarity  
My will's intent  
for successful conclusion  
of love's labor

Made whole are thee for My  
intent  
that cascades  
into worlds oblique  
Laced not into lostness are thee  
wishing for recovery of holy  
part  
Becoming are thee of sound  
heart  
and limb that manifests Me  
in high order  
Modeled are thee for future  
good  
reposing in holy heart  
of symphonic sounds

464

1-12-2001

The fount of heaven  
merciful in its flow  
besmeared not  
locked into Heart of love  
Well-heeded its flow in daily  
affairs  
disgorging countless moments  
of forgiveness made  
Harken to its song of love  
nested in holy order  
succumbed to its Creator  
Well-meaning are thee  
in attempts to bring its values  
upon the world  
Sorely tried are thee  
to maintain front of forgiveness  
that wraps about thee  
in essence desired  
Hold to heart of Mine  
siphoning of impediments  
to thy wishes pure

Love lost not  
in tempests of madness  
Seek Me anon where positioned  
within  
awaiting thy call to rupture  
masses of cavalcades past  
imposing views unwelcome  
by son of man bemoaning fate  
of obscured circumstanced  
view

465

1-13-2001

Consigned to heart immobile  
matters obtrusive invade  
unseeing eye  
Hidden behind dense foliage  
man forgoes life of sainted son  
Hear not the call of heaven's  
realms  
enticing return to constant  
peace  
Maudlin moments dominate  
scene of crass mind  
dedicated to unholy life  
Wanton acts conceived  
mortify sense of soundness  
uplifting  
Reeling in disrepute  
dost thee meander  
amongst reeds unsavory  
seeking grasslands  
of pristine pastures  
Locked into mayhem and duress  
by mind agog  
with sentient themes addressing  
morass  
waver not in addressing Me  
for succor of life unbound

Healed in heaven's heart  
be thy journey's end  
assured by My Guiding Eye  
that carries you through  
to destination Mine  
Relinquished be thy fate  
of heart impure  
in scenes of grandeur scope  
brought to bear  
on eyes opened to receive  
Be this meant of Me  
thy true Motivator  
for cause of change  
Who cares for thee  
in ways secure and  
undiminished

466

1-13-2001

Contagious is My call to thee  
resounding through the ages  
near and far  
caught up in the material world  
Bleak the life of children Mine  
acceding to thoughts ignoble  
that signal death of vitality  
Warped the mind that blows hot  
and cold  
over love waxing and waning  
Mediocre the love that thrills not  
the heart of the receiver  
from giver perturbed  
Wrapped in formality of give  
and take  
love meanders  
on timetable  
wishing wants satisfied and  
payments received  
Excluded be the hearts and

minds  
of children pure from Source  
unimpeachable  
Make way for grounds anew  
of star crossed love bent on  
service sake  
Witness not the sharks of  
troughs  
defiling seeds of embalming  
love  
Let enter the wrath of misery  
made  
by wipeout of conjugal mode of  
healing devotion  
Hear Me now O My son of Love  
divine  
that mocks not the heart of you  
but sustains limits of freedom  
unblemished  
offered in moments of blockage  
escaped  
Wish for this as substitute  
for ungracious scene portrayed  
by monitors of madness 'scapes

467

1-14-2001

Beggared day willst thou have  
midst plenty  
when call upon mind of parched  
reserves  
Healed not in heart intelligible  
remanded to wisp of land arid  
forsaken of hope demurely  
accepted  
Lilting melody of savagery  
heard  
pockmarked by storms of  
distress alluded to

Maimed in spirit  
washed upon shore of fatigue  
be thine offering from mindset  
of holiness at bay  
Winds of Change unwelcomed  
in survival mode deterring hope  
Hold out thyself to Me where  
hope abounds  
in minions of supporters  
free of harsh rule of mangled  
state  
Made free art thee of maudlin  
thoughts  
of hope abandoned  
by companions made in light of  
day  
filtered through mind of  
obstruction  
Hold to Me your heart of gold  
awaiting closure sought

468

1-14-2001

Embittered be thy life in grave  
afforded by ways of man  
absconded  
Bleak the memories of position  
lost  
saddled by dreams of hopeless  
moments  
Withstand not thy views of  
paralysis  
wafting through sands of time  
immemorial  
Hosted by hopelessness are  
thee  
when immersed in foolishness  
of time designed  
Listen not for waves of fortune

at seashore of demigods  
devoted to heaven's demise  
Wait 'stead for Me  
at gate to mind of wonder  
enchanted by memories silent  
Wistful will thee be  
in mind demonic  
satiated by morbid moments of  
madness  
longing to return to safe haven  
of peace provided

469

1-15-2001

Heartless be in human form  
that spans time immemorial  
Gloried be in format Mine  
upheld in sanctity  
Make use thy knowledge  
pledged to Me  
bestowed in inner caves  
Let loose the heart courting man  
to inner sanctum that beholds  
the worth of inner core  
Let loose thy self of divine  
origin  
in phase of healing tome  
Be this of Me that congregates  
man's heart  
in central core of being  
Recommend heights of passion  
sought in earthly being  
alleviated be  
in stance of holy walk  
on grounds divine  
Wait for Me in matters all  
that leads thee  
to kingdom halls of nature pure  
Be My secretary of Notes Divine

that chastises human thoughts  
throttling man's search for self  
in quarters Mine  
Wouldst thee do this for Me  
a mendicant for holy powers  
usurped

470

1-15-2001

Blissful will thee be from  
fulfillment of Me  
Tarred with earthly saviors  
coupled to earthly mind  
willful will thee be  
in train of thought neglectful  
Meant not to be this earthly  
strain  
that copulates with fantasy  
forms  
Made for Me  
are thee with noble bearing  
possessed to mine the depths  
of moments miraculous  
Enhanced be thy life in Me  
transfixed with noble glow  
about  
Willing be thee to make over  
mind  
that gains the presence of Me  
in silent state moored

471

1-15-2001

In depths of heart  
made known  
state of harmonious man  
Signaled still  
midst noise of drones  
profound peace present

Hearts of wholeness  
reverberate to holy sounds  
midst oneness all  
Willst thee succumb to heart of  
Mine  
that blocks millipedes of  
vituperation  
spilled about  
Healed not in heart 'til moments  
paused  
Tidings of joy I bring to you  
dissolved in circular mission  
When cometh Me in salvation  
search  
for sons adrift  
then becometh thee harbinger  
of glad times  
Whence calleth to serve Me  
respond thee will  
Reckon well I do  
in servant's needs and follies  
Host well thee will  
My needs of you  
to explain and proceed  
on healing path  
Circular be thy route of return  
to heavens home  
from wasteland of misguided  
dreams  
Crest thee will in trip abroad  
'mongst children searching  
for the greater God  
Have faith in Me Who knows all  
and leads you in recall of  
children Mine  
Specifics given when time is  
right  
by which to know path chosen  
for thy healing work

Circulate as you do  
472  
1-16-2001  
Raucous be thy path in lives  
asunder  
from the call of Me  
Witness not to Love's face  
in time of need and atrocious  
gall  
Mellowed not be thy mood  
slinking in corridors of shame  
and ill-repute  
No cause have thee in  
dungeoned world  
that marks the man  
Dwindling days of joy a' gone  
midst world of hopeless tasks  
performed in matter  
perfunctory  
ruled by greed and salacious  
thought  
applied to all about  
Hereafter sought but not sensed  
in ways of man  
bedeviled by wickedness  
Cast out thine homing nets  
for presence of Me perceived in  
sight  
Let loose thy quails  
that succor sought be manifest  
Whispered be the Voice of  
heaven sent  
that quiets mind adrift  
Realized be thy sense of shame  
admonished by Voice of God  
overlooking world of sorcerers  
of goblets poisoned  
reviling hearts serene

of metered man  
madness capped  
Turn aside  
that thee might hear  
the bells tolling the call of  
return  
to thy precious Love  
Who fails thee not in ways  
meant for joy and contentment  
heaven sent

473

1-16-2001

Defunct be mind adrift  
in starless skies of decadence  
Hear not the mind of man  
marauding in piles of dung  
enmeshed  
Soothing tones of jackals  
squelch hearts  
toying with abandonment  
of loathsome sequence  
Tilled soil awaits  
hearts return to winsome ways  
that guides sons to Father's  
rewards  
Flight from haven to porcupine  
land  
flashes word of warning  
to Spirit poised  
for salvation journey entrusted  
Spoken the sounds of endearing  
Voice  
that calms remorse  
of songs amuck in basin tidal  
Bequeathed of Spirit Holy  
man vacuums mind of matter  
non-belonging  
in realm of kingdom frame

Loose-lipped the mind unkempt  
in matters moral  
swaying man from course of  
return  
to holy home  
Labor of love forbids man's  
lostness lasting  
in eternal sleep

474

1-17-2001

Distraught are thee over  
disarranged lives  
that garner distress at each turn  
Willing are thee  
to suffer mounds of despair  
as mortal beings denounced in  
dreams  
Make way for sights of oblivion  
fostered by loss of identity pure  
waylaid in dreams seclusive  
Ponder not the gains of thoughts  
divisive  
that split thee from happiness  
sought  
Reality moans at loss of thee  
substrate to underworld of  
misnomers  
Wellness in force awaits thy call  
to guide thee to dreams  
disentangled  
Mock not thy Guide to eternal  
light  
awaiting thy decision to return  
Fulfillment of God's children  
tendered to thee  
from Source of love  
that founded thee in grasp of

oneness sound

475

1-17-2001

Heaped upon thee messages  
imploded  
for manifestation of rule of man  
long gone  
Warped in nature thee be  
from suffering  
basking in misinformed notions  
of counter-revolution chastised  
not  
Helpless in light of dignity  
succumbed  
twisted turns emit screeches of  
affect  
proclaiming pain a reality  
Hindrance to insight  
caused by locked mind  
measuring cadavers of  
information  
force-fed from funnels of fantasy  
Misguided are thee by pundits  
of illogic  
featuring twisted goads and  
taunts of ecstasy  
in alliances of man self-seeking  
Weaken not thy ties to Me  
sustainer of man-made-whole  
in fields of nature true  
Upheld thee in heart of heaven  
manifestation of Me true born  
to realm of majesty untouched  
in singular form

476

1-17-2001

You are sitting in abomination

in land of silk and money  
Forswear soils of riches laid  
that casts blight 'pon treasures  
true

Needless be thy heart-sore state  
unbecoming to son of God  
made man  
Let fall the charade  
in mountain dew evaporated  
Wily be thy head in sphere of  
make-believe  
contaminating passages of  
snow-driven cleansing  
deceptive in picturesque  
glamour  
portraying part of positive  
helper  
Be duped not by nothing  
noteworthy  
portraying salvation of  
seedlings adrift  
Delicate tentacles of sails  
moulting  
perceived through gimlet holes  
stagger steps mounting  
staircase of return  
to holy order option  
still reserved in hearts of gold  
cast chaste

477

1-18-2001

Unrequited love rulest thee  
in sound and fury baked  
marked by leavening  
of falsehoods made  
read into life  
Earnest not thy feeling tones  
midst life of hammered dreams

that coincides with ill-mannered  
scape  
Rule not thy tempests of despair  
with calm and even hand  
dispelling craze of wounded  
mind  
Reeling in defeat  
thy hopes of love  
fastened to faithful others  
midst signs of moon-struck  
brothers  
Jubilant not in thy cause  
flawed by disruptions  
of rhetoric fleecings  
of sound minds devoted  
Flawed are thee in mind  
askance  
seeking dalliances  
self-serving of thee  
Look not for love when love  
thee not  
in ways of forked tongue  
dialogue  
Manifest ways of Me that loves  
pure and simple  
serving partner  
in forefront of mind centered  
Wait in delight for service  
requested of devotee of love  
ministered to seeking others  
for healing needed  
in shadows of torches  
extinguished

478

1-19-2001

In autumn's wake flies the seeds  
of upcoming plants of origin  
original

swept aside by deviation of  
moral character  
See not the defect nor harm  
inflicted  
on Paradise call  
Wrested from grip of holy hand  
proceed thee 'pon path of  
mutations  
from holiness person  
Weep not for sustenance denied  
abrogating path of natural  
unfolding  
Heed not the sensing of matters  
amiss  
in desultory fashion  
Catch not the alliance of  
congregants  
devoted to recovery of memory  
pure  
Make of Me thy stature  
midst legions of lost  
that curries favor with  
disenchanted  
sitting aside rocky ridges of  
ebb tide  
Let be thy wings of change  
upheld by drafts of Winds  
emerged  
devoid of deviations  
from central Source of creation  
divine  
Befit thee well the Winds of  
change

479

1-19-2001

Happy are thee in mindless  
manner  
unbefitting thy holy Source

Compelled by dissolute dreams  
resolute are thee in proliferate  
manner  
of producing means of  
mortifying Me  
Make most of Me  
for swan song of debauched  
ways  
that carries thee past  
muddied scenes unmanaged  
Minced steps carefully marked  
down  
pace thy path to dominion Mine  
worthy not of dissolute path  
mocking thy Maker  
Midst mind of Me be harmony  
of children home  
embossed with mark of peace  
assembled

480

1-20-2001

Fraudulent thy wound of temple  
spires  
peering out from dimmed sight  
of lost concourse  
Rectified thy plight with holy  
pliers immersed  
holding tight to tenuous sight of  
real  
Electrified thy frame of divine  
origin  
complete in format  
to rescind that of nature impure  
Holy be thy height of sphere  
emancipated from  
dung hill of earthly delights  
Ramified thy code of life  
pursuits

engaged with holy intent  
complied  
Lost no more in pits of stagnant  
mire  
profound thoughts embedded  
emerge from pools of cooling  
waters  
centralized in children of  
greater God  
No more the trough of gilded  
lilies false  
encapsulating truths divine of  
center core  
Witness to oncoming of divine  
news  
that lost children revived  
re-emerge in light now found  
in sight and sphere of holy  
grace  
delivered and received  
Blessings abound in mind of  
man  
returned to wisdom sought

481

1-20-2001

Rebound from circles lost O son  
of man  
inclined to Me thy true fruit  
Emerge from cocoon of frigid  
past  
denying holy sight of encased  
birth  
Make known thy honor abroad  
to lands of make believe still  
aspired  
that occupants receive  
message of true birth in  
kingdom home

received not by children of  
foreign birth  
lost in transient lands  
searching about for relics of  
time lost  
glued to visions of lost horizons  
Hear not thy call for  
surroundings preferred  
midst glee of trampled visions  
pure  
Emerge not from holocaust of  
ideals unblemished  
Hurts abound in land of  
tranquility  
overturned for hearth of hatred  
Encircled be thee by clamoring  
crowds  
enticed by rewards of  
concubines of calamity  
Vicious be this world of  
frightened hordes  
seeking hope where none exists  
in time's sequence  
Remark thy truth in numbered  
ways  
in call to hosts of burdened  
seeking flights to safe grounds  
of holy discourse

482

1-20-2001

Disrespect-cluttered mind  
disavows tranquil days  
due to mind of Godson  
Seek not rewards  
in golden keepsakes of worldly  
make  
Heavenly sounds sought within  
trail thee with fields a' glitter

Renown-seeking world  
falters in prize delivered  
withholding true value  
possessed not  
Cockatoos parading to martial  
airs  
provide false rhythms  
for life prevailed  
Sought for peace of mind  
found in depths of heart  
confided to son  
seeking Father's inheritance  
Work not at skills  
naught needed for wellness  
return  
Seek 'stead the heights of  
golden encore  
provided seekers of heavenly  
plumage  
in its place  
Relish thee thy treasure trove  
of pastel painted scenes  
of heavenly décor  
moving not from its consecrated  
place  
sought not in waste

483

1-20,21-2001

Roused to inner glory by  
forsaken dreams  
man signals to Spirit desire for  
possession  
Seek dreams no longer  
of fraudulent identity debased  
Wish not for matters false  
to dictate victory over matters  
Mine  
Lassitude settles o'er matters

worldly  
Enhanced thy love of self and  
others  
through kinship Mine  
Proclaimed the time  
of rejuvenation of household  
God  
that sweeps the land of cursed  
claims  
Revolve about Me doth thy life  
a' more  
Withhold not thy love of famine  
caused  
Joy of heart the rule of day  
midst lands repossessed

484

1-21-2001

Harken My son to My  
commands  
that guide thee to rulership  
Mine  
Watch not for waves of filth  
proclaimed as motto inherent  
Seek not chaff as element  
supportive  
of wayward life ground  
Lofty thy view proclaimed as  
thine  
by Me determined to feed thee  
state of grace  
Abolished be thy cantankerous  
ways  
admonishing fortuitous sights  
of healings offered  
Richness declared of spirit state  
that winds through thy basic  
core  
Elements of love pronounced

be thy guiding light shared with  
those about  
Healed in heart's chords  
be thy song of grace espoused  
Welcome news brought to  
sufferers  
denied their right of passage  
by pastiche of sorrows ill-  
conceived  
in jaws of gutter  
Reckon not thy path to salvation  
sure  
without My guide to footsteps  
placed  
Make of Me thy Guide to  
homeward journey  
vouchsafed in destination  
defined

485

1-22-2001

Belligerent thy being  
exposed in ways unkind  
Lost worlds erupt in tempests  
undetected  
spewing molten mayhem  
Misery minded thy stance  
echoing false epithets  
on kindly visages undeserving  
venom  
Mists of moonbeams becloud  
judgment  
sending awry thy stakes in holy  
ground  
Meanness crochets tattoo of  
bitter words  
that mock the meaning of life in  
Me  
Resound the sound of life anew

in patience born  
as script for holy say  
Make do with naught reserved  
astride the field of discourse  
mild  
honoring Me within  
Healed the heart of kindness  
that befits thy way as son of God  
Gentle thy ministrations  
recalling others  
to sight of lone God  
that casts sunbeams 'pon  
imprisoned world  
Make do My way of mediation  
softly spoken  
to kin of worldly origin  
Tempests of meekness be  
beneficent  
in view of others  
Vituperation molds be cast  
aside  
in sight of God within

486

1-23-2001

Rudimentary is thy passage  
natural  
directed by estate divine  
Silenced by equation forthright  
man's mind becomes obsolete  
in usage practical  
Built on stone secure  
man's mind falters in track of  
devilish descent  
accommodated by death wish of  
holy angel  
Hear not the bruits of  
cacophony  
colliding in mayhem

administered in madness quest  
Seek not the fools of  
impediments  
sequestered in rooms of folly  
denying thy truthful state  
Reasoned be thy wisdom in  
essence inner  
directing flow of approbation to  
heavenly core  
Wait not for kingdom demise  
midst madness of manly state  
Know thee within  
thy sentence to core eternal that  
eclipses efforts  
to evade mores of kingdom  
rules  
Henceforth be thy guide My  
rule of thumb  
delineating march to manner  
Mine  
Silence be thy namesake  
protracted  
in land of make believe  
that eschews misery mind of  
hopeless causes  
Built in lock of kingdom gate  
revives revelers  
of madness state to reroute of  
return to holy cause  
of My domain twisted not by  
human high jinks

487

1-23-2001

Restrict thy ways of servitude  
to evil enduring in ways of man  
Laced with sordid thoughts  
speak thee with menace  
accorded

to brothers divine who welcome  
not  
thy views of split  
Meddle not in affairs human  
degrading brothers of common  
holy source  
Wish not for blame cast upon  
others  
that returns rash of wounded  
hearts  
joined with thee  
Beckon not for onslaught grave  
between brothers of common  
cause  
Beseech thee I do for acts  
forgiving  
forsaking ways of condemnation  
midst brouhahas of warring  
children  
Wreak not havoc 'pon scenes of  
dispute  
pondering revenge for hurts  
imagined  
Worthy wonders are thee  
of My creation intact  
imbued with hearts facsimile of  
Me  
Make usage of Me moving to  
grounds austere  
devoid of conflicting aims  
Make sight of Me thy goal  
collecting shekels of healing  
grace  
that wither away  
sandwiches of compressed  
memories  
stored for repast

488

1-24-2001  
Human thy crazed form  
preferred  
midst world of tenuous dreams  
Worsened be thy plight by  
hiccups of hopes  
devastated by rounds of  
madness redundant  
entered into by joint decree of  
participants  
Looseness of thinking midst  
scenes of wild frenzy  
consumes partakers of human  
glob  
fed on trays of sacraments  
unholy  
indigestible for consumption  
worthy  
Lean not towards ways of  
common ground  
that belies state of woe  
besmirched  
ruled by impulse dangerous  
that sodomizes worthy state of  
being  
decreed by God of love  
transparent in essence  
personified  
Unruly thy mind in choice of  
means  
denigrating thy Savior Master's  
call  
which comes in silence selected  
Means of grace dictated to  
fallen man  
by which to emerge  
from cocoon of encapsulated  
mind  
warped by thy ways

emigrating to lands of make  
believe  
from safety of green pastured  
home  
of delights succored  
Intended be thy saving grace  
forthcoming  
by Me Who welcomes back  
to presence of joy unbounded  
midst land of free  
proclaimed for duration eternal

489

1-24-2001

Solitary be thy way enhanced  
by dreams of separation  
Wizened not to false beliefs  
bemoaning characters of  
isolation  
silenced in lives apart  
Intermissions in format practical  
received with grave reservation  
fearful of outcome deleterious  
Reassurance not heeded that all  
is well  
in core of being besmirched  
beneath riot life self-proclaimed  
Lead not a life of sedentary calm  
basking in light of love  
delivered in framework Mine  
Cause of anguish  
indistinguishable  
in muted tones of madness  
evasive  
that calms not thy frenzied  
thoughts  
Wait not for Me that performs  
needed healing  
in ways inevitable for well-

being  
Abandon thy quest for worthless  
life fulfilling  
Languish in seat of heavenly  
love  
absorbing rays of sunlit  
Presence  
Alarms of fright fade into  
nothingness void  
submitted to Me in diligence  
performed  
Make way for landmarks of  
peace on earth proclaimed  
in nature pure revealed  
from shining son of noble birth  
Humbly permit this through My  
sight

490

1-24-2001

Craven postures enlighten  
hearts  
to fear's domain  
Assist not gangrene assailing  
devoted duties  
of indentured servant of God's  
direct  
Bemoan not threats to integrity  
by warped musicians of hymns  
unholy worshipping  
Beknownst to you be My  
Presence protective  
that girds loins of courage  
'midst carnage  
Seek Me thy Savior born Who  
looms in sight  
when cast thy eyes 'pon  
Presence felt within  
Witness Me to those who

disbelieve  
in safety sewn in My garment of  
protection  
Life ensured in My realm of  
faithful forestation  
of lands depleted of holy stock  
Be still My son within  
that I be found thy Comforter

491

1-25-2001

Austere in nature mellowed  
withheld from worldly clime  
of nature savage  
in arms of conflict  
savagery's companion  
Locked in storehouse  
of contempt for companions  
durable  
man withholds holy intercourse  
Linked not in mind memorial  
hasten thee to bombard riches  
interior  
with side glance of nature  
impure  
Seek not fame nor fortune  
in pickings of gutter snipes  
broadcasting poverty of spirit  
Hear not the curtain calls of  
bestly means  
succumbing to mounds of trash  
invoking images of material  
well-being  
Held not close to thee  
the thought of magnanimity  
that swindles laces of  
entrapment's hoe  
to re-furrow grounds of  
disenchantment

Wasted thy time of levity  
with gangrenous sites of  
malformations  
that ensures naught but calamity  
revisited  
Question thee thy rights to  
happiness  
proposed by thy Maker's willing  
Soft to thy touch  
the means of manicuring estate  
of home grounds  
delicately preserved for return  
to common sensing  
Walk not in fields of clay baked  
when fields of lilies call thee to  
trod amongst  
Garden with Me thy maker  
dickering with assaults leveled  
upon grounds tranquil  
by oceans of deceit  
unintelligible

492

1-25-2001

I watch over you that all goes  
well  
Proceed in midst of task  
requiring  
full attention  
Hanker not for doting ties  
to magnify thy stilled libido  
Prosper in silent ways  
bringing core of you to My  
domain  
Steal not thy solace away from  
Me  
that rocks thy cradle in depths  
untouched  
Hatched plans unfolding

for fulfillment of resident drives  
Leave no leaf unturned  
in search for vehicle  
absorbed in master plan  
Wait for Me that succeeds  
in ventures formed  
for sky light adrift in sleeping  
world  
Match made for task at hand  
that fulfills remnant closure

493

1-26-2001

Adhered to insolence be thy  
ego born  
wasting away in climes defiant  
Sarcasm juts from holes  
sprinkled about with precision  
casting aspersions on rock-holy  
beings  
Clouded over with scintillating  
sallies  
of misinformation  
doth thee emasculate  
landscapes of heavenly intent  
Ruined thy visage  
of peace eternal  
by war hoops of misguided  
denizens  
Chase after scenes of dismay  
doth thee  
portrayed by lackeys of eternal  
strife  
Listless are thee in care of  
brothers Mine  
that seek illusion's end and  
peace restored  
Harken to heart of silence  
that pertains to wishes yours for

service of Me  
Let not goats bleating on rocky  
hill  
distract thee from pastures of  
green growth  
where holiness sown  
Hearts lie in firmaments  
disposed to healing marvels  
that occlude miseried mind  
advances  
into fields of holy worth  
Seek naught but Me in silence-  
told ministry  
of hearts assigned to thee

494

1-26-2001

Testify to faithfulness  
servant of Mine  
that brims cup to overflowing  
Seek not hiatus in field of  
dreams unbecoming  
Washed of soil contaminated  
are thee  
in stream of love poured upon  
thy person  
Mouthing of blasphemies  
correlate with tinges of guilt  
suffered  
in wayward life of son of Mine  
Distinguished not thy petty  
concerns  
that mock the essence of thy  
true core  
Wish not for matters tart to taste  
that embellish love's strokes  
Naught but Me needed to sway  
others  
of time elapsed for fulfilling

goals  
Look not about for rivers of holy  
waters  
designated for thy travel  
Distance within metered for  
work of thy core

495

1-27-2001

Attracted to love by divine  
being  
hasten thee to concubines of  
mystical realm  
Haughty is thy face in love  
absorbed  
pronounced in plight of defect  
Hear not the sounds of love  
adoring  
in symphony of cohabitation  
blended  
Healed not in heart of distress  
mooning about missed  
moorings  
Let not light into heart of  
concupiscence  
grounded in noble heritage  
Swill of hearts amiss  
fill mind with lascivious  
thoughts  
mocking mind eternal-made  
Rulership derived of mortal  
source  
plunging thee into morass of  
lost souls  
Waken thee to Me thy silent  
partner  
that wants not of love-lost  
fantasies  
Doomed to eternal drift are thee

in dreams of make-believe loss  
Heed not thy soliloquies of  
murderous intent  
of love cast aside in dewdrop  
domain  
Hear Me in whispered ear  
cooing heart song  
of love ensured  
invested in children of light  
manifest of My being

496

1-27-2001

All is madness grown  
apart from Me  
Sequestered in limelight  
of madness stored  
reek not of stench  
lassitude caused  
willing thy way  
to bounds unknown  
of sleep endorsed  
Let be known My will for thee  
emancipating soul from  
shackles thine  
Move to might stored in thee  
for usage Mine  
in world of demigods moored  
Waste not  
thy time  
on holistic thoughts  
that propound worth of man

Let loose thy furrowed brow  
beknownst not to realm holy  
Welcome thee

the fresh of morn dewdrops  
on plate supplicating  
Leave not thy stance on grounds  
rocky  
with rills of spider grass  
Bring forth thy route  
to plateaus of silken seas  
of saw grass  
Make known thy route  
to others looking askance at  
path  
to holy matrimony eschewed  
Fondle hearts of treasure troves  
designated to lead mankind  
to gist of holy order  
dismayed not by hurts  
recalled enroute  
Lift not thine eyes  
from sores and scabs  
of cruel blows administered  
in fates deemed by minds of  
man  
Holocaust of human desires  
required for fulfillment of holy  
writ  
that wastes not  
holy sepulcher of riches  
entombed  
beknownst to thee in time  
expired

Hideous warts of wealth bloom  
in vacuous mind  
poised for overtake senile  
Lost in clouds of obfuscation  
man's mind models hope built  
on charity denied

Reams of wealth poured  
through moldy fingers  
dismember attachment to holy  
self  
Meet Me in mind of moment  
present  
where locutions of love  
circumvent madness of  
monetary matters  
Be modest in thy approach to  
mangled minds  
in tatters of disrepute  
that forsake truth of identity real  
Senseless be thy ways of  
mortgaging minds  
to truths unclear in bowels of  
deviltry economics  
Share Godly concerns of well-  
being  
as force enacted in tirades of  
dissonance  
from grieving brothers  
Healed in hearts be thy true  
accord  
in realm of dizziness mandated  
by vision short-sighted inherent  
in man  
Holiness in membrane covered  
mind  
brings uncouth manner to bay  
in secular world of desperate  
straits

Extrapolate thine essence  
from kindness felt in affairs  
modern  
Percolate identity through

intrusions of lust  
made real in wearying ways of  
acrimony  
Peace of mind mandates folly  
set aside  
in sight acclaimed as mount of  
wisdom  
Incessant be the world of God  
to sons abbreviated in world  
man-made  
Loosen thy bonds to reality  
irregular  
that casts aside mention of  
Mentor  
In place be fallacious tones of  
voice monotonous  
parading decline of values  
unholy  
Loyalty loquacious in mind set  
to dimming values  
parades pygmies of miasma  
means  
worthy not of God incarnate  
in mortal land  
denoting mentality of lower  
stock  
Worsted by Shepherd's crook  
man-made mentality demoted  
to minus-mode  
Place of substance real restored  
to mental processes  
beknighted by God of infinite  
surfeit

Destined are thee to fulfill thy  
function  
willing to perform

Wait for My instruction  
that wills thee to counter  
manifestations  
of madness mind, sanctified not  
'lest ill winds blow of beastly ilk  
Tortured the mind of madness  
made  
that vows eternal vengeance  
for its unjust cause  
Forsaken by thee need be  
that vows of eternal truth  
surface revive  
Hurt not thy healing power  
by wails of unjust causes  
meting out dogmas of untruths  
Possessed by thee of domicile  
untouched by winds of violent  
scenarios  
sworn to by man adrift  
in sea of waves

1-31-2001

Strongly I advise you  
that rapture be your goal  
Let no thoughts of amalgam  
be presented that  
twists the horrors of man  
undone in corporal sense  
Lead not thyself in manner  
brusque  
that persuades others of  
nominal traits  
Let each one breach their tonal  
sound  
that makes believers confirmed  
Warped be the ways of  
condemnation  
seeking others to approve their

etiquette  
Style of life not conducive  
to well-being of love professed  
Sensation obscures fiction of  
lattice work  
as support of weary world  
held up in ties of wampum  
Secluded from grasp of  
strangers  
man teases each other  
with strains of immoral choruses  
blaspheming ongoing creation  
Absorbed not in folly persisting  
leave lecherous lesions  
of degradation untouched  
in unity of oneness decreed by  
Father of all  
Lessened life inhabited  
pursuing purses of coins  
jingling  
with wrath emitted  
Loosen thy lip  
that steamed language partake  
not  
in frettings of parched land  
devoid of harvest fulfilling  
Let filter down thy kingdom  
home  
immersed in kettles  
of cleansing waters douching

502

2-1-2001

I am always with you incarnate  
Look not for Me in showers of  
sound  
worldly founded  
Make shift thy view to tangible  
grounds

that forsake not the clues of My  
presence  
Meet Me in love of man  
discussed  
and disabused of fortuitous  
incomes  
Let lay thy thoughts to means  
mobile  
that cast away blight of worldly  
mannerisms  
decrepit to sight  
Loaded with interest to fulfill My  
wishes  
are thee  
transformed to emulate Me  
Magnified thy holy light to  
succumb not  
to worldly blandishments and  
temptations  
Ruled are thee by means Mine  
to escort Me through life's  
melees  
distributing sound advice  
for wholesome hearts  
Dictate for Me  
messages of clear conscience  
collated with thee  
that rules signs of rebirth  
to kingdom come  
Welcome Me in thy transition  
to dutiful servant  
glazed with patina Mine

503

2-1-2001

Enamored of Me are thee  
in truth divine  
broadcast in sounds of delight  
relapsed not in turns of road

that travel to kingdom Mine  
Glorious be the making of thee  
that resonates to thoughts  
of Me imbued  
Make of Me thy siphon  
drawing heart of tender impulse  
applied to landless man  
of disorder claimed  
Minions of holiness abide  
truncating formless boundaries  
of millennium of self rule  
desecrating lands of holiness  
served  
Willed not are thee  
to service of holy minds gone  
astray  
Partake in meals of true succor  
served  
that blends the mind to  
ministership  
of unruly mob castigating the  
thought of Me  
Realness returns from  
saviorship  
of those devoted to cause reliant  
Make of Me thy ship of state  
manifest in bloom multiflora

504

2-2-2001

Healed art thee of things  
ignoble  
detestable to My sight  
Marked the line of decency  
that upholds manners of My  
devise  
Plead not for access to My  
estate  
that duns thee for service Mine

Millstones of reserve  
accompany thee  
in correspondence with central  
vault  
of manna divine  
Let not enthusiasm of service  
focus  
distract thee from clime of  
repair  
Focus on Me Who directs thee  
in proper approach to  
resolution  
of affairs human  
Neglect not thy servitude to Me  
in matters requiring My  
approach  
to salvation's ends

505

2-2-2001

Grope not in lives  
unmanageable  
that course through debris  
derelict  
Seek not the fount of things  
unseen  
midst wayward miles of  
planetary divide  
Touch not the hearthstone  
of unitary partake  
in dreams of minions of Lucifer's  
domain  
Hurt the heart of man in solitary  
wanderings  
through lands ministered by  
Devil's greed  
Harken to sounds of minstrels  
calling  
that search for man

embalmed in heaven's skin  
Wait for birds chirping airs  
of rudimentary salvation  
that loosens bonds to  
landlocked drift  
Lift thy heart to matters high  
above scenes of eternal drift  
to scenes preternatural  
where hosts of angels  
congregate  
with chants of welcome  
to long lost brethren of eternal  
days

506

2-3-2001

Miscarriage be thy name in land  
of make-believe  
justifying life absurd in title  
Forecast failure of attempt made  
to blossom anew in scheme  
melancholic  
Rewrite script for attainment of  
life desire  
revolving about renaissance of  
Holy Grail  
that one might succumb  
to eternal scheme of  
munificence  
Let not be thy course fornicating  
bewitching selves into ecstasy  
empty  
Mush of madness thy product  
rendered  
in dreams of false desires  
Make Me thy source of medium  
engaged  
made to enlighten thee to  
delights heaven sent

Meals of matter dry concocted  
in fantasies awry  
substance not for fulfillment  
of appetites heavenly  
Mists of showers nutrient laden  
bless thee with feasts of angel  
food  
made for moments dance and  
song  
that satisfy soul's longing  
for love of God's glory  
shared with offspring Mine

507

2-3-2001

Hasten to Me my precious loves  
that filled thee be  
with My sanctity  
Wander not in brush  
oblivious to paths of  
wonderment  
forsaken by thee  
Riches stored in alabaster jars  
decreed for My beloved  
Thoughts amiss in stained cups  
betray searchers of lost  
memories  
Sling not savage barbs  
'pon scenes of wry conciliations  
Readiness to coddle taunts  
demeans thy presence needed  
Leak heart of holiness  
midst negotiations  
of worlds apart colliding  
that unseen elements  
surface in rules of law  
Listen not to tongues of tartness  
vibrating in songs of conquest  
stultifying

Ameliorate the furies of love  
long lost  
with tongues of tender  
treatment  
tried and true  
in times of anomalies fractious  
Be this My way of recuperation  
from mayhem's minions

508

2-3-2001

Handle not thy temper in times  
of tauntings  
Quick thy rule to answer slight  
with slight returned  
Lessened not thy vigor in  
faulting others  
for wrongs perceived in daily  
dramas  
Muffled tongue salubrious  
in paths crossed by warring  
parties  
Wish not for hands upraised  
in times precarious  
Prevarications signs of  
misguided sight  
in world of threatening fears  
Judge not limits of others  
daunted by world unfriendly  
to positions prevailing  
Locked in combat frenzied be  
they  
who perceive thee as enemy to  
personal survival  
Be precise in terms of  
endearment  
flowing from heart  
magnanimous  
that seeks suffering's end

from sequester in foreign lands

509

2-4-2001

Songs of restoration designated  
for sons of Love  
withheld not by heavenly  
chorus

Beneath the stars of heaven  
born

man meanders in maze of ducts  
loosening hold to heavenly sites  
traversed

Needed the sounds of echoes  
of worlds lost  
in hindsight

that procures the tastes of man  
qualified

Eager the soul  
dispatched for rondelets  
of harps aspersing dew of dawn

'pon relinquished flock

Hearing of heart's domain  
euthanases soul's wayward

journey

to lands of muck and mire drift

Restoration complete

'pon lawns of heaven

founded with will of God

one with soul of man

eclipsed in light of eternal

journey

proclaimed as son's inheritance

510

2-5-2001

Forsake not thy colleagues of  
anchored service  
that grows within bounds of

obstreperous  
Seek not the light of sight in dim  
hallways  
of time immersed  
Let not the sounds of discord  
dally thee from remonstrance  
Place thyself amidst conflict of  
warring sides  
that places Me outside the pale  
Let no one abide in rancor  
consolidated  
omitting My source of solution  
Keep heads above water of  
retribution  
that stays love of man  
dabbling in raucous rioting of  
personal complaints  
Realize fulfillment of means  
vouchsafed by Me Who  
feeds fire of frenzy  
calm passage to ways of  
peaceful solution  
Erected by My grave  
be resolute the sign of noble  
intent  
dominating the scene  
of wicked ways of dissolute man  
destroying collegial air of  
kingdom ways  
Let fly thy kite in realm that  
rouses man  
to ways of Godly seeking  
Let consume thy passion  
the hearts devious of man  
risking recovery of lawful ways  
of kingdom home  
Let loose thy flames  
compassionate  
that regulate air of domain of

man chosen  
obsequious to Devil's dalliance  
Make mention of Me to resolute  
ones  
determined to follow path of  
domain's demise  
Reel in thy comrades of devoted  
duties  
that circumvent character of  
devious demons  
Lead not in fashion demise  
in face of obstinate opposition  
to commands of divine order  
Welcome truth flowing from thy  
pores  
emanating from source of divine  
compelling movement in  
spheres horrific  
discharging deluge of dirt on  
holy tracts  
Recognize thee will thy mark  
on lands lent to swill swirling  
in eddies of consternation  
Provide sequence of healing  
thought  
that coalesce grounds of dispute  
in harmonious resolution of  
needs of all

511

2-5-2001

Hear not the sounds of  
merriment  
worshipping false gods  
Seek within that finds Me  
adhered to thee  
Locate Me where senses end  
defining  
Locked within unscathed sits My

presence  
absorbed in thee  
Wakened not from thy sleep  
listless be thee in state pungent  
from worn wares  
Access to holy self denied  
by treaties with sardonic agents  
of Mephistopheles  
Hasten to rebuke ties with  
underworld  
sensed by lesion laden mind  
Ballast of rock laden stability  
manifests in mind  
centered in streams of running  
water Mine  
cleansing of soul pacified  
Make waves of joyful sounds  
in bottomless sea of epiphany  
transfiguring

512

2-6-2001

Hurt not thy core of love  
in world of tarnished image  
Reality scorns thy fantasy  
made of linchpins tied to motion  
immobile  
Essence of love unclear in world  
of schematic human  
Lost in nature arid  
love shrivels to core seed  
awaiting planting in humid  
habitat  
See not thy dryness of spirit  
weeping remorse  
Close not thy loop of return to  
home grounds of virtue  
Feel not the sensing of value  
indigenous to hope of holy life

recaptured  
Rescued are thee from despair  
of life  
enraptured with toys of children  
Rescind thy privy to life  
appealing  
in taunts and treasures of base  
metal  
Make known surrender to  
higher God  
diminished not  
by tumbleweed deterrents of  
human mind  
Peace reigns within mind of  
eternal children  
engaged in fire dance of love  
enraptured with Godly pursuits

2-6-2001

Enter thy crevice of eternity  
born  
witness to life of regal heritage  
trodden upon while dining in  
worlds apart  
Raise thine eyes to heavenly  
sights  
absconded not in thy demise  
Hear sounds of heavenly zithers  
crocheting notes of delirious joy  
Rounds of rhythms portray  
heartbeats of holy habitants  
engaged in dance of matrimony  
Lulled asleep  
man beckons not to receipt of  
eternal home  
that revives camaraderie of all  
comers  
Healed not in thy attempts at

corners of unholy light

grounded in firmaments  
true to Godly role of thy assume  
Cast thy being upon Me  
to perform tasks assigned

of thy presence proclaimed

Rascals personified when  
counting coins  
doubting well-being of My care  
Homage paid in salubrious  
manner  
minting currency shared 'midst

Seek not gels  
of values crushed  
in maelstrom of defeat  
Kindly tender offer of love  
signifying oneness of kingdom

Make haste to dutifully preserve  
halting dialogue  
that swells presence of kingdom

Let loose thy skill of recall  
that foreordains success of

of hosts gathered in terminal  
Mine  
Recaptured the memory of  
Jerusalem  
shining in light of stars glittered  
accosted not by footsteps trod  
on golden arches

What holds thee in mortal lands

apart from Me thy Father pure  
Arranged in silent tribute  
stars of heaven accompany thee  
in travels abroad  
beckoning thy return to  
kingdom home  
Look not for pastimes futile

portraying love lost  
Harken to sounds of music Mine  
that expires not in land of Nod  
Make known My presence  
that circumvents  
tones of macabre minds  
indulged in grime petulant  
Hear thee tunes of glory played  
emerged on planes of discourse  
human  
that ransack minds of mortal  
wares  
worthless to immortal son of  
God  
Faint of heart in turmoil driven  
cast aside doubts of eternal  
glory delivered  
Waste not thy time on matters  
asunder  
speaking of foolish prattle  
devoid of meaning  
Listen not to thy themes  
of monstrous blaring hearsays  
of falseness

Insatiable thy mind for approval  
of others  
that mars relationships beyond

Harken to Me alone where  
approval comes  
for matters beyond thy control  
Lessen thy grief at betrayal felt  
by placing matters in My hands  
where hardship ruled  
Liken thee to ship at sea  
in rolling waves that forfeit  
safety felt  
Loosen thy hand on rudder  
made for Me to guide thee to  
calm waters  
Whence cometh calm  
made thee to see  
My aptitude in easing hurts of  
servants Mine  
coping with abridged

Who rafts waters of distress  
with outlook assured  
Warmed the air of human

of vilifying remorse  
casting aspersions uncalled for  
in healing world  
Posturings of holiness

of distraught relations  
awaiting tones of conciliation  
to clear air of vapors villainous  
Hear not thy angel wings a'

in world of harsh habits  
Loosen soil of distress  
by aplomb  
of heart driven chores of

Reality consumed by grace

neglected  
in spates of self-centered  
oblations  
Hearts of stone centered in  
healing light  
perform anew in ring of eternal  
dance  
Humble thyself to ways of Me  
that transpose trash into  
treasures  
ordained for son of God's  
manifest destiny

2-13-2001

Traditions mime laconic style  
embraced  
Kneel not in vestments  
suited for obedience to God  
unlimited  
Prescription of service  
laced with duties  
dependent on milestone  
reached  
in path of submission  
Leave not thy family untended  
for drift to Me  
Make seasons of service  
intermixed with  
secular numbers of days  
intertwined  
Find hardness of holy work in  
days coming  
that demand of thee thy  
attention  
Calling to holy order  
traversed by thy expose  
to brothers rampant with  
healing needs

Flushed with success are thee  
succumbed to My direct  
of process administered  
Willingness to comply  
braces tracts delivered to thy  
hands  
sequestered in Me

526

2-13-2001

Come to Me for advice needed  
that trails prescribed  
avail to thee  
Make not plans of own device  
that worship postulants of  
migratory world  
Let live thyself within means  
provided  
to sustain thee  
in company of well-intended  
grace  
Mark My word for  
companionship  
in path of service  
through world divided from  
kingdom home  
Hasten not to overthrow  
course of travel  
dictated by Me  
for fulfillment of My intent  
Listen not to hearts  
postulating abandonment  
of service Mine intertwined with  
thee  
Hold not onto life of dreams  
that casts aside the life of Me  
Mortified thee be  
at sights of holy communion  
whence cometh thee

with mind of human dress  
Rectify thy vision blind  
that sees not of sights divine  
Lest not thy precious views  
to predators of myopic miasmas  
Seek Me that vests thee  
with sight Mine  
Wish not for scalded scenes  
when cool waters lap thee about  
in rivers of gentle currents  
Bless thee will others sighted  
blind  
with revived hope of reality  
seen  
in nature pure of love centered

527

2-14-2001

Turn about thy life entire  
casting you into depths of  
shame degraded  
Look not to wholeness for share  
in divine nature  
yours for eternity  
Seek swill of dreams depraved  
that balances not thy diet  
needed  
Cast nets for fish secured  
that upgrades thy presence in  
world amiss  
Wake not to psalms of praise to  
devoted God  
overlooking thee  
'Stead thee mix thoughts of  
anguish goaded  
in songs of worship  
of malevolent world  
Seek thee not the love of man  
cascading about from divine

Distributor

Thoughtless thee in harsh view  
of brothers cast in true creation  
Blatant thy manner impure  
in rescuing false dogmas from  
disuse  
Holy thy stature cast  
in fire of true creation  
that implants virgin spirit of  
truth  
in spirit form  
Monogamous thee in devotion  
to Me and Mine  
formed in oneness universal  
that calls thee from splits and  
warps  
of man-made madness  
Rejoice in Spirit that  
amalgamates anew  
awareness of soul state unity  
crowned

528

2-14-2001

Lost in bowels of earthly dreams  
do thee sit hunched over in  
mortal fear  
Gone the faith of the vested  
incensed in plight of earthly  
despair  
Look not to heights of renown  
where found the key to  
unlocked door  
dispensing healing frame for  
return of love  
Sadly thee sit in mope and mire  
warped in mind set morose  
Will not thee sit in Me Who  
transforms seat

to heavenly scene  
Risk not the truth unsettling  
that blemishes make monster  
not of thee  
Oblivious thee be to proof of  
purpose  
maintained by Me  
of heaven's await of thy recall  
Think not otherwise lest delay of  
flight  
forestall thy wish  
for kingdom home once more

529

2-15-2001

Quivering humanity locked into  
sequence  
of disparate thoughts  
Seek not the tremors of heart  
wrung adversity  
that politics as needed in world  
of horrors  
Pain of heart stemming from  
belief  
in cold music of love lost in style  
of life  
Nothing gained whence cometh  
thee  
to channel of misery accorded  
Empty minds of heartaches  
believed  
wrenching thee from fount of  
cooling waters  
engulfing thee in wretched  
sounds  
of condemn and misbehave  
Listen not to accusatory tones of  
inner voice  
that basks in hate of those

around

Whence cometh thee to Me to  
seek correct  
plummets the voice of incorrect  
replaced by seasoned seeds of  
forgiveness  
Then will calm demeanor of  
holy son arise  
bringing favor to outcasts  
from beliefs in heaven's ascent

530

2-15-2001

Promiscuous thee be in  
thoughts amuck  
dallying in delights savored  
Pretend not in separation true  
that proclaims guilt of  
acrimonious fall  
Hasten to Me of clean mind  
disrobing lies egregious  
that mock thy nature true  
Listen not to lonely heart  
falsely braying mind of  
madness  
Wait for Me attending thee  
bringing solace of truth  
personified  
Warmed by everlasting  
Presence  
doth thee stride through life  
with gait uplifted  
Sense not loneliness a' more  
when seen thy heart  
true of love inured proliferate

531

2-15-2001

Horrendous the news of thy

nightmare's end  
of separation and distance  
untrue  
Glorify thee this villainous state  
of man beholden to unclean  
ends  
Make of Me a censor denying  
you  
sights of happiness fields  
Make of Me a judge  
condemning  
that moves thee to end of  
peninsula  
ostracized from love required  
Fraudulent these monstrous  
claims  
of minds possessed of madness  
state  
Retreat from hills of disrepute  
to plains of common meeting  
Contact of mind with Divine  
presence  
sloughs off covering of truth  
revealed  
Healed be thee in light of life  
bestowed by Creator loving  
of heavenly sons belonged to  
Him

532

2-16-2001

Make of you a vortex born  
unencumbered by days of  
earthly delights  
Healed not thy contents human  
that fly in face of holy intent  
Lost are thee in thoughts amiss  
tempted by dross of  
meaningless state

Listen not to changeless  
thoughts  
of empire holy engrossed with  
thee  
Speak not of heartless matters  
that cause thee drift  
from service rendered  
Matters Mine await thy glance  
that fulfillment metered be thine  
Hasten to Me O lover Mine  
that chastises thee not from drift  
aloft  
Be thyself embraced with Me  
awaiting direct for tasks  
assigned

533

2-16-2001

You enter where I am not  
Your heart explores what it  
needs not  
Hear thee not the call of Me  
aware of your digression  
Hold not out thy hand to receive  
Mine  
given to you in support  
with ways to counter madness  
mind  
leading thee in streets of  
nowheres  
Willst thee come to Me My loves  
beckoning surrender to My  
intent  
Wish thee well in cause of  
healing  
forsaken not in ways of lost  
wander  
Hope abides assured for thee in  
calm

inner laid within  
Naught but peace be thy guide  
in trip through land of Nod  
Wistful be thee for peace of  
Mine  
awaiting thy recall

534

2-17-2001

Undaunted am I by human trials  
that mix fodder with holy truth  
Leave not thy ways behind  
in thy search blind for ecstasy  
unopposed  
Meaningless thy wanderings  
in trails up mountain slopes  
of ignorance abide  
Unscathed thy true self  
awaiting for thy return  
destined by Creator's will  
Heartless thee be in land adrift  
ruminating on ruinous  
adventures  
obliged not for thee  
Scant the hope for healing  
when thrust thee into  
mindlessness  
akin not to Me in manner sought  
Waylaid are thee by bones of  
derelicts  
revisited for sustenance  
unavailed  
Hold on to Me Who provides  
milk and manna  
to slack thy thirst for truth  
renewed  
In Me alone willst thee find  
abundance  
that calms thy mind of woeful

tidings  
Bow thee now thy head  
that you may receive joyous  
tidings  
of My presence reserved for My  
beloved  
Entranced thee be with mind of  
Me  
bestowing gifts of tender love  
and joyful days

535

2-17-2001

Salvage thy criteria for  
purposeful life  
gleaned from Nimrod  
Listen not for false ideals  
wheeling about in circles of  
drivel  
Pen thee sacred scripts  
duly processed by thy mind  
that prevails  
over order of mock creation  
Hasten to thy mind's place  
that receives Me  
'mongst the harried thoughts  
ignominious  
Place thyself in My hands  
to receive instruct of ways  
to serve salvation process  
Meanness of spirit dissolved  
in waters of clear rapture  
designed to relegate  
falsehoods into recession  
Here published the word of God  
that flows to thee  
who searches for criteria  
to absolve self of ruinous ways  
Reach down within to heart of

matter  
preserved for sons  
kneeling in dust of dryness  
awaiting salvation's course  
sure to come  
Harken O My sons  
to privileged materials  
devoted to thy well-being  
that fosters love of kingdom  
made

536  
2-18-2001  
Speak not of falsehoods  
designed by fantasy mind  
of no worth  
Harken to Me  
the tower of truth  
awaiting thine upward glance  
from sinkholes of lies  
promulgated by madness  
sought  
Whistles of Wind circulation  
freshness brings  
to cataracts of deceit  
Chunks of armor invented by  
man  
dislodged from source of  
disdain  
inveigling search for prophets  
false  
tantamount to dreams disguised  
Hasten to Me of swift Winds  
chasing curls of foliage from  
eyesight hindered  
Enriched be thee in recovery  
mode  
of scenes fostered by love  
enduring

processed for glances anew at  
thy kingdom home

537  
2-19-2001  
Blessed be thee overcoming  
mind of Satan  
tempting thee with fumes of  
noxious content

538  
2-20-2001  
Thou art the link of messages  
received  
from sources holy  
Episodic be their nature in  
transmission  
exculpating pains of worldly  
domain  
Thou art the source of  
remaining influence  
through which I speak to  
brothers Mine  
Receive Me well in mode of  
devotion  
to declaration of freedom  
pending  
for those who seek Holy Grail  
Recognize Me as one Who saves  
the world  
from progress into pits of  
damnation  
curtailing recovery of kingdom  
sought  
Condemning of brother  
fugitives  
from holy source  
places thee in denial of role  
assumed

Flee not My presence in grave  
self dug  
that appeals to thy mind of  
misery sated  
Look not back into mission  
aborted  
of ill will to others  
caught in net of sanctimony  
denied  
Place thyself as other's scribe of  
loyalty  
to source of Creator  
that banishes warts of rebellion  
from body politic  
Wrested are thee from  
immobile life  
secured by talons of wrath  
invented to deny origin  
Vested be thee in presence  
Mine  
that rewards beholders of  
salvation ways  
immersed in eternal joys  
Destiny awaiting that fulfills thy  
every dream  
Mind of holy triumph  
dictates serenity coming  
for followers of Holy Grail  
Least of those chosen  
to mark the course of human  
way  
to God's recovery ascent  
Lurking behind seeds of  
malformation  
bent on reconstruction of  
holiness plane  
gambits of Holy Corrector  
traipse about  
Foreseen the errors of human

ways that trouble  
unlocking doors magnifying  
glimpse of holiness sought  
Lost not the track to holiness  
secured by man abandoned of  
road to ruin  
Healed in glorious second  
of sight immersed in kingdom  
fashioned of light divine

539

2-21-2001

Searing the flame of love  
unbeknownst to you  
that follows path of deception  
Uncalled for thy nest of vipers  
planting kiss of death venomous  
Look to Me thy succorance  
planting nurture  
for souls wandering  
in grounds of make believe  
cultivated  
Lands of destitution  
mar crops with pygmy growth  
Shallow the soil of rocky terrain  
hunted for sights of hope  
abandoned  
Rule of love predicated  
in hosts sharing fount of living  
waters  
clear of earthly germs  
Administer thy task of Godly  
love  
in lands desecrated  
by stalks of homogenous hatred  
Willing be to stake thy life  
in fertile grounds of love  
inured to children of thy God

awaiting roots reaching  
for food of divine origin

540

2-21-2001

Gain not by thy will's intentions  
rowing downstream in tidal  
waters  
Breakthrough conceived in  
waters calm  
administered by Holy Source  
pronouncements  
Let loose thy drift in steering  
that waves lapping  
bring thee to crest of waterfall  
whereupon thy will fulfilled  
in service of Me  
Want not of doubts  
propelled by subterranean  
voices  
calling thee away  
from declarations of Source  
divine  
Ask of Me  
thy true being  
of goals assigned to son of man  
proclaimed Savior's servant  
Relish thy role  
in proclaiming healing delivered  
to sons of man  
enmeshed in swaddling  
of defective demeanor  
Host not debilitating forces  
corrupting  
that sweeps thee away from  
pathway of heavenly intent  
Rulership declared thine of  
healing powers

conceived of Me digested for  
usage in holy plan

541

2-22-2001

Trained by Me are thee  
to auction not to others  
thy will for Me  
Hasten do thee to distraction  
unabated  
that befuddles cause of thy  
purpose  
in this world  
Settle in Me thy direction astute  
that wills salvation's conversion  
of the masses enthroned  
Look neither left nor right  
with sight unblemished  
that receives instruction  
awaiting delivery  
from Source intangible  
to senses thine  
Hear Me will thee do  
in effort concentrated  
removed from seductions of  
worldly tenor  
Brash thy mode of transgression  
realizing not of achievements  
planned by My direct  
unknown to thy aware  
Seek not fulfillment of thy goals  
assessed  
'Stead await Me thy lover  
imponderable  
that masks not duties assigned  
to devoted followers  
Speak not of other ways  
to fulfill thy intent  
for service devoted to Me

542  
2-23-2001  
Seek not favor with monied  
interests  
that decline to relegate place  
with Me  
Fortune hunters die of paltry  
interests  
immune to status of holiness  
resurrected  
Beneath the waves of unsettled  
waters  
decline of My salvation source be  
manifested  
Registration with prophet's voice  
be meal ticket with holy order  
personified  
Speak not of memories  
that gain repulse of efforts made  
Harken to sound of Me within  
that fortifies goals of Windswept  
services  
to meandering man bereft of  
nuclear source  
Hope in heart's delight signifies  
roundabout  
pathos' dimension numbing  
heretofore  
Sorry sight of declension of  
Master's voice  
portrays image of wrestling with  
shadows deep  
of unknown origin  
Portrait of Me lost  
amongst winds of shame  
pervading locked room sine die  
Reprehensible format splintered  
withstands Shylock fortunes

founded on reefs of recluse  
Here set the rules of savage  
conduct  
ameliorated not by Winds of  
fortune  
heaven made  
Reverberate to sounds of glory  
withheld not by Maker of all  
worth esteemed  
Holiness abounding dispatches  
reinvigorating  
strewn about in portions copious  
relegated to seeds of Creator  
born

543  
2-23-2001  
Thoughtless the sounds of  
merriment  
in sacred matters denied  
Heliotropes sensing sun dally not  
in shade infested spot  
Man languishes not in destiny  
intended spheres  
suffocating in drift to skylines  
nefarious  
nettled by brimstone  
Hellish hearts desecrate tombs of  
founders  
castigating seasons of harmony  
Lassitude leaves not  
man of dreams ensconced  
in hellhole of dripping virulence  
Leave not tentacles of torpidity  
engrossed in lies of netherworld  
Lessen the value of behavior  
obsequious  
caught in dregs of sloth  
Be prepared for tunes of glory

dazzling mind somnolent  
engrossed in wicked ways  
defining  
Loss of Christ subsumes  
expenditure  
of energy devitalized  
Hounds of heaven tranced  
bestow tidings of joy  
upon lassitude usurped merger  
with son of glory  
state conceived

544

2-24-2001

Mordant thy nature be in world of  
captivity  
Blossomed not thy soul  
rotting in land of noteworthy  
nothing  
Reeling in horror be thy stance  
when view thy state  
in abyss stench filled  
of royal mind rotting  
Realize not thy plight  
engaged walking on sands of  
stubble  
filled with blight of raucous mind  
Hear not the sounds of heaven  
calling thee  
to patrimony of paternity  
gilded with crest of love  
enduring  
Satisfied be thee with state  
of mourning love's loss  
to insatiable need for replace  
Follow Me in emerging from  
morass stultifying  
eking out existence on plain of  
despair

Hear angel songs entrancing  
riveting thee to hopes anew  
of life amongst the stars  
whence cometh Me to endow  
thee  
with sacred rites of passage  
to morning aglow with hearts  
secured  
Enhanced be thy vision true  
in world absolved of guilt and  
fear  
Loquacious be thy thoughts  
a' more  
distilled from lands of freedom  
born  
watched o'er thy house in wind  
and shade  
transfigured by Mind adept in  
squalor  
Thoughts loosened from material  
state  
agog at scenes visceral  
Senses akin to joy reverberate  
at memories of soul's long lost  
habitat  
Bequeathed be thee of times long  
ago  
when stature royal ruled  
midst lodgings of holy order  
Long since reserved route to  
return  
emitted shoulder high for grasp  
of willing hands despaired of  
scenes awry  
Henceforth be thy form involved  
in lands of milk and honey  
sworn to by God of love  
encased within His children  
born of rapture sensed

545  
2-25-2001  
Come from within  
Malnourished be thy antiquity  
floating on seas of disrepair  
Haunted are thee  
by sounds of lunacy caterwauling  
Bright stars of nebula  
cascading 'pon scenes of  
madness  
castigating contumacious beliefs  
of Neanderthal mind  
heard on Wings of change  
Willed are thee to listen  
to minor key of mordant soul  
trespassing in lands of glory  
made  
Tunes of glockenspiels  
trammeling insidious mindset  
unheard in bowels  
beautifying spindles of asps  
misshapen  
Taunts of tyrants  
tear seams of fabric noble  
wasting  
Motley garments superimposed  
o'er shining armor of man of truth  
employed in Creation's ends  
Drapings of dispositions  
uncordial  
menace scenes of recompense  
reserved for dedicated man's  
return  
Decadence of tutors somnolent  
mystifies path of no return  
Holy arms of glory seed  
magnanimous

recall memories of macabre  
dissipated  
Tones of silence  
return to mystic man  
attuned in peace of semblance  
to Maker's mien

546  
2-26-2001  
Reckon thee not thy course for I  
am in thy command  
Holy truths oblige following lead  
of Stalwart One  
Who concludes all activities in  
ways known  
only to higher order  
Recognize thy lack that forbids  
actions  
to bolster My cause  
and rest in ease of My arms  
that carry you through turmoiled  
life  
Be assured of My protect that  
sees all required  
to forbid neglect of thy fears  
Reasoned be roads of travel  
accomplishing goals  
assigned to you fulfilling  
Lattice work in place  
for interconnect of assignments  
shared  
that preclude failure of holy  
intent  
You are part of scheme for  
salvation mode  
taking place in world of  
humdrum exist  
Rejoice beloved that all fulfilled  
through you

as meant to be  
Your Father in heaven needs but

in path defined  
for load carried in thy command  
Be pleased at attaining success  
delegated to thee in Fatherly  
love  
to son dedicated to stance of

and palliation of woes earthly

2-26-2001

Plant thy foot  
on firm ground  
required of thee to succumb to  
My intent  
Let not novel ways advance thy  
cause  
when heaven awaits with surety  
Hear not the chants of monsoons  
swirling  
debiting thee with taxation  
substantial  
Winds of doubt overcome thee  
with fears of failure ordained  
Lessened thy will for change of  
habit  
clinging to hopes abused  
by fanciful living  
Healed must thee be thyself  
O healer Mine  
to fulfill My function in world of  
fancy free  
O My healer of treasures stored  
willest thee not acclaim Me  
as thy tried and true companion

gaining thee peace of mind  
incurred at thy request  
Is it not true  
thy brow furrowed  
eased by consequence of My  
allay  
Wouldst thee not possess of Me  
thy cure for life halted  
incubated in world of sabotage  
of heavenly course  
With calm maintained and true  
aim  
willest I save thee from duress  
of life steered amiss  
by chance maneuvers  
of mind adrift  
from mainstream prerogative

2-26-2001

Paltry are thy views of sunflowers  
living in garbage drenched lands  
Misery-minded thy tormented  
sight  
seeded in glass blighted prisms  
of docile cadavers  
Languished thee be in lands of  
nevermore  
celebrating shades of darkness  
delivered  
Worship the golden calves of  
usury  
fixed on backs of  
impotence producing slaves of  
fertile masters  
Lassitude-induced longing for  
glory seed  
precedes change of tactics  
declined

Let loose thy hold on penurious  
practices  
defending beliefs in starvation  
soliloquies  
fending off generous spirit of  
holy man  
Locked into mourning be thee  
in summit awash with poverty  
stricken souls  
declining plentitude's avail of  
spirit led life  
Holiness indeed be thy way of  
life  
that lifts thee to heights vernal  
proclivity  
as endgame of return  
to God in silence subsumed

549

2-27-2001

Lotus filled lands defile seeds of  
glory birth  
lacking lustre of Maker  
Hearts opened to titillation of  
fantasy fumes  
decline life of Master's direct  
Warmed be the seeds of derelict  
duties  
by flames of musings deceitfully  
showered  
Longed for proliferation of  
gangrenous gardens  
feeds lustful side of lostness  
personified  
Wheelhouse of evil churns coats  
of disguise  
covering lacerated lesions of  
souls upbraided  
Lasting significance

marred by mud coverings  
of triumphant messengers of  
mercurial madness  
Fill not thy soul with dotage  
of minds entwined with maniacal  
core  
Let loose of flotsam remains  
of long lost days in deception  
anchored  
Filtered through be beams of  
light  
signifying hope reemerged  
for slender strands of revival  
sighted  
Lost not thy cushion of comfort  
awaiting thy return to restful  
sleep  
in arms of Savior's softness

550

2-27-2001

Hallowed be thy name in  
kingdom halls  
awaiting thy return  
Cisterns galactic filled tilt to  
center core  
transfixed upon thine approach  
heedless of thy somnambulant  
descent  
Heroic nature reacquired  
dooms tales of demise  
celebrated  
Hearts of wholeness reattached  
dignify destiny of surcease  
of flaunting titles untrue  
Longing for pads restful delayed  
no longer  
in wisdom of ages delivered  
Devoted sons of Father reunited

in pastiche of souls  
conglomerated

551

2-28-2001

Tools of science negate belief in  
spirit world  
whence comes truth unassailable  
Spirit life completes salvation of  
man  
that expires not in process  
renewal  
Taint of organism exponential  
beclouds awareness of holy truth  
available  
to minds cached in human affairs  
Lessen not thy touch on  
programs eschewed  
that flies souls to hidden state of  
holiness  
prepared for reception  
Thy will be done in inner place  
accessing holy order  
required for reformation of  
principles divine  
Inner code directed by Spirit  
voice

All saved from doom of man's

Holy hearts weep not at pain of  
distress  
present in beliefs of human ways  
Wild the mind in frantic attempts  
to mollify state of anguish felt

in dreams of mishaps  
accentuated

Held to dour fate inevitable  
be thee in mishmosh of  
cacophony enveloped  
Real world of hard fact  
undiminished  
awaits thy recognition  
at times of seeking  
Loll not in self misery taught  
betraying holy interests  
Land of Nod little recompense  
for loss of spheres honoring holy  
origin  
Succumb to death of self made  
identity  
that eternity moved into  
awareness joyful  
Witness peace of medium  
manifest  
in Winds of Change delegated  
for recovery of truth personified  
within  
Listen for laughter about  
signifying end of dreams  
mortifying  
that twists away soul from  
bearings true

### **Commissioning**

Listen not to voice of doubt  
that succumbs to distrust of holy  
order  
Light of leadership pierces  
darkness  
of unkempt and ill equipped  
mind

of mortal world  
Manifest will be source of  
publishing  
psalms of ministry unfolding  
that casts light into world needed  
Revise and reinvigorate source  
of malady  
occluding vision of holy sight  
retained  
in maelstrom of self defunct  
Lead thee will in battle royal  
for salvation of mankind  
eternally damned in ways  
of pursuit of paths perilous  
in world of make believe  
Royal hiatus instructs thee to  
place faith  
in process unfolding for well-  
being of all  
Succulent the path of faithful  
travel  
immersed to will of Me  
absolved of inner doubt

554

3-1-2001

Deemeth thou Procreator in My  
stead  
Haunting melodies proclaim  
needles of puncture  
that deflate dreams of grandeur  
falsely conceived  
Lilacs bloom in place of  
goldenrod deftly tweaked  
midst ruins of castles built of  
cobwebs  
Hackles rise at declamation of  
rising virtues

required to overcome state of  
debauchery  
subsisting in key of melancholy  
Rule out not the laws of jungle  
parading as valid in twisted life  
of super-gnomes  
on forest floor  
Reckon not the cost of murderous  
intent  
that intrigue thee in traffic of  
worldly plights  
Lost the cause of salvation  
healing  
that presumes love of brother  
midst mayhem magnified  
Roost in tree of life where call  
angel sounds  
whirring about messaging thee  
with tulips bloomed  
trimmed from Garden of good  
and evil deciphered a' right

555

3-2-2001

Heckled thou be from those  
about  
who understand not the kingdom  
road  
Unkempt in truth  
patrons forsake the path of love  
devoid of nature pure  
Pacified not by terms of  
bewilderment entered  
passersby eke out existence  
paltry  
in marsh lands of meager hope  
Eagerness to satisfy other's  
requests  
fosters dependence unwise

besotted with ranklings of  
unworth  
Holy matrimony  
unknown in condition rancid  
breaks apart bequests shared by  
sonship of  
a loving God  
Harshness rises from soils of  
degradation  
entered into by ignorance of  
grace abounding  
Lost children of God sheepishly  
call  
for sight of Holy Father  
retracting wish for wandering  
abroad  
Relieved of inner tensions  
motions regained to partake  
anew  
in return to heavenly home

556

3-3-2001

Distance thyself from thoughts  
obtrusive  
disturbing thy neonate mind  
Want not of egg cream served  
in place of wines of vintage rare  
Set thyself a course of  
contemplative silence  
that rarifies air of reception  
that you may know of plan's  
contents  
for furthering thy work  
Listen not to worldly ways  
of divining intent and celebration  
Hold to heart song  
that beguiles thy attention  
to matters Mine deceiving not

Thou will be My servant joyous  
performing nil but My desire  
Supplant thou will mind of man  
with thoughts eternal derived of  
Me  
Pleasure received in humble  
pose  
jousting thoughts of man with  
eternal plan

557

3-3-2001

Relegate to Me thy rule  
that masterful be  
Realize within thee the song of  
songs  
echoed in discord fuming  
disenchanted  
Relics of mind posthumous  
relay thoughts of meaningless  
chatter  
disinclined to holy state  
Mince not words with thee  
about waste of woebegone state  
infused by mindless man  
Lost are thee in caverns of  
corruption  
enmeshed in sand and silt of  
immoral manner  
Lift thine eyes  
to cauldron of stars  
spread about for heart's delight  
distracted not from impulse  
determined  
by holy hand  
Lifted state engaged in salvation  
plan  
needing thy participation  
for inception on worldly plain

by demure servants enrolled

558

3-3-2001

Hosts of angels gathered about  
in songs of welcome  
cadence enrapturing  
Thoughtful be thy ways  
engaged in dallying with angel  
chorus  
Make light of  
troubled mind that foils not angel  
hearts  
attuned to Source of truth within  
Empty not thy mind of fallacious  
thoughts  
bargaining away rights to  
Godhead unlimited  
Sought for desires of malevolent  
themes  
distract thee from hearts  
of golden themes  
awaiting thy attend  
Mortal not thou be in mind nor  
temper pose  
Disinclined are thee to ramparts  
of seduction  
raveling thee in dialogues  
of bituminous produce  
Diamond minds of holy glitter  
chasten thee to remain  
in glow of thoughts endearing  
that weaken links to absurd  
concoctions  
of swill laced thoughts of mortal  
man  
Be thou knownst of Me thy King  
eternal

559

3-3-2001

Holiness exhumes thy soul  
from chilled blasts of  
netherworld  
Sought for life in land of  
Neverwas  
brings man's return to starting  
gate  
once again  
Light of lark in shadow decreases  
as depth of tomb explored  
for Pollyanna gain transpire  
Locket of love displaced from  
sight  
by dancing feet of world's trip  
to sinkholes of oblivion  
Waste not thy time in timorous  
efforts  
to effect change in world apart  
from holy course  
Change thyself in views of wants  
needed not  
by son of God made whole in  
attribute and style  
Least made most and most made  
least  
in transform of mode of model  
man  
Look not to stars above  
blinking away false image  
of man devastated by blindness  
inured in luckless search  
for heart of man gone astray  
Heart of man endowed with  
kingdom home  
open to those transfixed on Me  
Who guides thee arrow straight

to recovery zone of heavenly  
abode

560

3-4-2001

You have reached the land of  
Great Rays  
Hungered you have for ease of  
rapport  
with skeletons of holy framework  
locked into style of  
communicating  
Siphon will you contents of  
healing process  
from Godhead of creation eternal  
delivered to beloved members  
of His holy family  
Tendered to thee on platter  
notes divine  
will extend by process Mine  
to those intended for reception  
Sealed in lips be hopes of  
generations  
to recover framework  
of monument to eternal bliss  
concluded by act of love  
from Creator being  
Look not askance from central  
Source  
for divine inspiration  
skewered in body of knowledge  
available to those prepared  
Listen to divine words  
tumbling from fountain bubbling  
expressing direction of healing  
tones  
Enhanced art thou in mammoth  
movement  
returning sons of God

to heavenly home deigned

561

3-4-2001

Hear thee these words of reproof  
to ways deviant by thee in daily  
life  
Sins of omission rankle deep  
in hearts of man denying  
heritage  
Stricken are thou in silent ways  
from proclaiming the gist  
of holy order  
See thyself as forerunner of life  
exemplified by messenger on  
Earth  
to faithful sons clamoring for  
relief  
Bend thee to ways of prudence  
divine  
leading thee in trails  
of recovered healing  
amiss not in focus  
Doubt thou do My aim and direct  
in handiwork of salvation process  
eschewed  
Reckon thee powers of attain  
that reflect not true base of  
efforts holy  
Succumb to Voice of holy order  
that brings thee sure product of  
healing tome  
Seek not self direct from  
prophets of doom  
that blister thee with hopes adrift  
from center Core  
Bend thy knee to Me thy Creator  
pure

Who wills thy return to heart of  
golden scene  
reserved for thee in heavenly  
seat  
free of rancor demolished

562

3-5-2001

Torrents of rain eclipse Earthly  
matters  
deemed unsuitable for holy  
matrimony  
Zest for living on Earthly plane  
diminishes  
when sounds of joy Earth-bound  
resound in human ear  
Thoughts of jubilation  
condemn hearts of coldness  
aspired  
Seek not the medium of  
distressed minds  
that calleth thou to temper  
tantrums  
Speak not in anger to soothe  
gods of war  
harassing thee to action ignoble  
Sweet breath of serenity  
obfuscates lewd thoughts  
dismantled  
Healing of heart center  
hurdled on grounds of mercy  
instilled  
leads thee to innocence  
uncovered  
of basic core

563

3-5-2001

Feel not thy sting of regret  
enhanced  
in style gentle  
Here let lie thy focus of guilt  
atrophied  
whence cometh to Me for succor  
Place thyself in My hands  
that thou might bleed not  
from wounds self-inflicted  
by mind unforgiving of lostness  
plight  
Let live thy rock of ground solid  
cast upon waterways of divine  
origin  
that bring thee to throne of God  
unblemished in sight of thy  
Creator  
Worship Me alone that brings  
you kindness  
devoid of mask's illusions  
that settles thee in crucible of  
love adorned  
Place not thyself in peril of lost  
image  
peppered by illusions of evil  
personified  
Progress in style of holy way  
propelled by visions of others  
seen as occupants of heavenly  
home  
Holy juncture found in mind of  
forgiveness  
stemming from Source of glory  
seed  
embedded in man  
contaminated not by actions  
oblivious of Source endowed  
Hear not Me condemn as source  
of disapprove

564

3-6-2001

Healed not are thee in  
temperament  
that loses grip  
signifying belief in wounds and  
woe  
Caustic nature aroused  
at threat seen in aim of adversary  
armed in barbs cruel  
Scene of battle emerges  
from flight of safety felt  
exposed to dangers primeval at  
base of gorge  
Lift not thy rocks shoulder high  
to ward off enemy seen  
harmless to thy true self in mesa  
of eternity  
Monuments of mortality lock into  
fray  
of survival subsumed  
isolating selves from foundation  
of trust  
in immortal plan  
Wander not in battlefields of  
goliaths  
belching foul fumes of futility  
in arena of mock sounds  
Listen to sounds of serenity  
serenading hearts of inner halls  
recalling all to tranquil retreat  
Let flow grace chords  
of harmonic suture  
binding participants in dance of  
holy embrace

565

3-7-2001

Assess not thy situation cold in  
heart of stone  
Lukewarm not art thou in love of  
family tree  
Hasten by misery  
manifested in global scene  
unpromising  
in guise of human stead  
Make known thy outlook in  
camps of warring factions  
facing ruination of ties to greater  
clan  
Lackluster thy performance on  
scene of dispute  
that mocks foundation of  
Creation purpose  
Moved not to impulse noble that  
sways bandits  
to abandon need for swag  
Let loose thy ties to usury that  
spills waste waters  
on parched lands of cosmic ties  
debunking relationships of  
higher order  
Useless thy flight from plight  
Intent of harnessing Great rays  
for noble cause  
negated by interest in scenes  
economic  
that sap thy vision true  
of need revamped in cosmic  
fashion  
Relent in thy attack 'pon  
consumers of ersatz life  
in world of make believe  
Reprieve those lost in  
magnitudes of madness  
akin to behemoths grazing in  
lands of sand

Harken to Me calling thee to  
    assess and deliver  
    needed spark of Rays to  
    situations internal  
bringing change needed for  
    resolution  
of lost world aglow with madness  
    satiated  
Winds of change await thy  
    comply

566

3-7-2001

Link thyself to chain of healers  
    entranced with glow of love  
    embalmed  
    Hasten thou to Source of  
    meditation  
that combines thee with bastions  
    of servants  
dedicated to salvation of world  
Care not for contents of heart's  
    desire  
to achieve fulfillment of holy  
    orders  
Engaged are thee in heartless  
    manner  
    with stems of fruits  
    copious in doubts  
and demeaning of sacred  
    brothers  
Lessen thine interest in stakes  
    financial  
of giants of trash littering  
    boulevards  
    of shame enmeshed  
Stake thyself in My glory  
acceded to by mind focused on  
    will of God

decimated not by wanderings in  
    futile lands  
    of senescence  
Grandeur conceived by My  
    grace  
    accessed by son's  
    acknowledgement  
    of failed life  
in ego land of madness  
    unrestricted  
with loss of collateral

567

3-8-2001

Pounce thou on others of staid  
    nature  
akin to style of vulture circling  
Hear not songs of harmony lying  
    beneath  
    that nurtures truth in hands  
    assured  
awaiting gesture of recognition  
Soothe not aching heart with  
    voice of disapproval  
lacking tone of reassurance of  
    well-being personified  
Hosts of angels pursuing haunts  
    of hiding  
await thy signature as helper of  
    holy way  
Beam out light of gentle soul  
    magnifying meaningful  
exchange on masks enduring  
that mock truth's presence in  
    mind of man  
Let live unfolding drama of  
    salvation's turn  
to rescue man from nooks of lost  
    bewilderment

In thee lie salvation principles  
assigned work through thy  
rapport  
Bless others with silence golden  
in presence of lost mind of  
despair  
Harken to Me that provides thee  
with way

568

3-8-2001

Flawed in style lascivious  
that predominates thy thinking  
mind  
excuses prevail justifying  
unclean state  
written upon by sordid thoughts  
of hegemony  
Lead not in fashion kindly  
tendering bouquets of  
pleasantries  
in mixed mode of supine support  
Blend not well with others when  
cast thy words  
with vehemence upon  
unsolicitous brows  
Be not My servant true  
when volumes of contempt  
slathered in film thick  
Due process omitted in tenacious  
grasp  
of power driven mandates  
Healed not in attitude 'til march  
home ensues  
in light of lost assets  
Demonic aspects abandoned  
in proper life of humble submit  
to God of manifold mercies

569

3-9-2001

Shanghaied in eclipsed fashion  
doth man maneuver in straits of  
barren seas  
Leased not the soul to erratic  
passage  
dominated by rule of ego mind  
Heroic embryo of dutiful mind  
remains aboard ship  
listing in waters of mayhem  
Think not of palaver seducing  
thee  
to measures of greed anointed  
in world of shade  
Meet not with grim mind labored  
condemned to eternity in  
tomfoolery floated  
Holiness cast aside from  
anchored source  
when boarding ship of séance  
excluded from routes of richness  
true  
Wring out thy sails of air  
polluted in voyage of concocted  
dreams  
Redirect thy course to charted  
waters  
mapped by Winds of change  
carrying thee  
to destination assured of safe and  
happy landing

570

3-10-2001

Flushed with success are thee  
emerged from Hades  
enlightened  
Failure not thy long trek

in silence recovered  
Healed not thy wounds of  
arrogance  
dismayed by thoughts of Me  
Holiness endowed are thee  
unlimited in scope  
from desire of Me to fulfill My  
children dear  
Worthless thy scum of refuse  
partaking not of My repast  
that fulfills thy soul with glory  
view  
Broken amidst the litter  
will you receive of Me thy  
salvation seed  
emerged from hands trolling  
waters of recovery base  
Habituated are thee to fondling  
untruths  
uncalled for in destiny preserved  
for posterity  
Relinquish grasp on fallow seed  
fallen on lands impure devoid of  
sacred truths  
Loll in lands of rich soils  
acclimated to produce of soul's  
creativity  
tilling soil with mind of Creator  
one  
Untrammeled thy waterway to  
salvation

571

3-10-2001

Hear not thy call from Me to  
sequester thyself  
In coils of madness unbecoming  
release thy hold to Me

Ruled are thee in grasp of  
serpents  
scapegoating personages as  
source of thy discomfort  
Holiness abounds in tides of  
watered servants  
living in sands of defeat  
recognized not by minds  
oblivious to all but  
remonstrations partake  
Let loose thy grip on madness  
toil  
leading you to caverns dead-  
ended  
in darkness of light unshared  
Be thou My servant true that  
unlimbers truth  
for golden arrows of disperse  
from bow shouldered in My  
cause  
Lanyards of steel mesh  
encumber thee  
trussing truth's preserve  
Willing be thee to slice cords of  
enclosure  
that let unravel to parched minds  
liquids of holy waters flowing in  
channels preserved  
for eternal use of discourse Mine

572

3-10-2001

Holiness seeds deciphered anew  
by mind freed of heartbreak's  
harangues  
Invested in Me be thy mind  
renewed in streams of living  
waters  
Collapse of goals

intended for isolation from holy  
sites  
become tributaries of channels  
cleansing  
Lowered to thy knees before Me  
doth thee bask in sunlight  
streams  
Beaten down thy moniker of false  
identity  
by My calling name of thee  
Robust in reality are thee  
in shame subdued  
from frivolous flights of fancy  
free  
Lost not in heartlands of  
tribulations  
overcome by seeds of truth  
implanted  
Rise thee from shallow graves of  
remorse  
imbedded with vision true  
of core regaled by angels  
trumpeting sounds of rejoice  
at reappear of son once lost

573

3-11-2001

Dispatch thy golden wings  
in voyage eternal consummated  
Healed in heart are thee  
from frivolous times  
laconically spent at empty  
borders  
Rock mounds distant from holy  
sight  
purveying scenes of gardens rich  
in hues  
Glory seed anointed with base of  
humble worship

Ludicrous the mind of ego land  
swamped with tides of refuse  
signifying retreat from haunts of  
parlor games  
played on tables of imagined  
disrepute  
Lease on life of lessened worth  
cancelled  
in light of bright Star  
illuminating world of divine  
origin  
Flowered crops deigned for thee  
flourish on borders of inner  
sanctity  
releasing fumes exotic  
Milk of Master poured upon lives  
nourished in gardens of heaven  
co-created  
by schemes of fertile minds  
bloomed in harmony of love  
enmeshed

574

3-11-2001

Blessed are you with heart alive  
in cadence with holy order  
Sought not the sounds of heart  
remiss  
in woes of wounded mind  
Clear the valley of haunted  
sounds  
leaking distress from minds  
monitoring madness  
of nemesis envisioned  
Peaks and crags echo lightning  
strikes  
resumed from minds electric  
Peace alive from Source of love  
conquers chaos

born of misfit dreams  
claiming allegiance  
Holy alliance renewed  
with sonship royal fostered

575

3-12-2001

Fragrant thy consecration to  
needs Mine  
to overcome stipulations of ego  
mind  
Foreordained truth's arrival for  
salvation of family  
and return to heaven's site  
Let loose thy wandering ways  
called for not  
by repose in foreign lands  
Safety assured in commerce with  
Regulatory Agent  
bringing bounds of prescriptions  
Listen well to thoughts of Mine  
adrift within thy mire  
calling upon thy mind's attention  
to denizens of holy matrimony  
Warped not thy namesake  
awaiting recall from hinterlands  
of sanctimonious repose  
Clear in thought conceived in  
holy lands  
bright eyes perceive lost state  
Ameliorated transgressions fade  
in dusk of no return that casts not  
shadows longer  
on state of sanctity pure  
Lessened thy grief in walk  
on lost lands of shame and  
corrosion twitterings  
Clarion call of hearts arisen  
bring concert of clarification

of holy state imbued  
heard in land of eternal sun

576

3-12-2001

Exiled from good fortune in  
cavern deep  
man reposes  
Seek not answers in dark places  
bereft of planes of light begotten  
Thoughts amiss contaminate  
sight of heaven's charts  
routing son's regain of celestial  
sphere  
Earth's light dims from progress  
made  
in celestial discoveries aligned  
with Spirit  
Watch My steps in golden arc  
escorting thee  
to kingdom home  
Emerge will thee to halls of  
grandeur  
embraced in arms of Beloved  
hailed as holy son recovered  
Dance not in dimly lit stations  
of downward drift  
Enhanced be thy life  
Delight awaits thy turn to Me

577

3-13-2001

Bliss filled be thy days of  
wonderment  
assumed beneath the stars of  
deviltry destroyed  
Lacklustre be thy lives of  
demonic possession

instilled by mind sallies into land  
of odd  
Administration of love  
maneuvered by Holy Spirit  
key to implantation of world  
beyond mind human  
Level of discourse medium  
raised to heights of holy  
encounter  
designed to enmesh spirit  
with recall of home beyond  
Lost in clouds of recall concealed  
man wanders astutely not  
in realm of miasma discordant  
Lock stepped in limbo juncture  
stalled souls castigate brothers  
condemned for mindset of  
misfortune  
Alleviate mode of thinking  
embellished by ludicrous lunacy  
sensationalized  
Let live thy mind of holy order  
misfed not by strands of  
wasteland demonized  
Loquacious circumvention of  
minds at peace  
distilled from holy Presence  
rendered inoperable  
Silence reigns in mind of God  
conflicted not with children  
sheltered  
in land of coercion dismissed

## **Commissioning II**

Asunder placed Christian  
elements

despite efforts of sons to  
reconcile  
Masked the elements of domicile  
pacific  
midst factions warring amongst  
each other  
Trumped the site of inner peace  
when no man's land expels  
invaders  
of causes opposite  
Fulfillment of goal negated by  
service rendered  
by quest of hearts for enemies  
without  
that quench flames of light of  
truth  
Inner cause depicted not  
for surcease of elements  
denying opportunity for rights of  
passage  
Healers squandered in revenues  
gathered  
from faithful flock that meets not  
needs  
of Christ's followers  
sacrificed to service of His word  
Proceed to main line churches  
flagellating truth's emerge  
with exercises moribund  
stultifying growth of harmony  
required  
to carry out My word  
Lean upon standard practiced by  
Me  
in healing children of wayward  
paths  
Make known My knowledge that  
heals disease  
and lacks thereof

Minister well willest thou in  
fashion true  
of My intent that propels world  
forward  
to kingdom home

579

3-14-2001

Attend to Me thy Patron true  
that endows thee with tidings  
joyful  
Follow Me in thy footsteps  
to kingdom come in traveled  
lands divine  
Seek not firestorms of hell on  
Earth  
that eat thee in progressive diet  
Look not askance from My face  
delivered to you as Guide  
through the ages  
Seek heaven's heart within thee  
in tune with glory seed evolved  
invoking call to angels high  
for surcease of worldly domain  
sate  
Hold to honored path of heaven's  
jewels  
welcoming thee to returned state  
of angel being  
in kingdom of God proclaimed  
for thy joy immeasurable

580

3-14-2001

Engrossed in litter of storms  
emasculating sons of divine  
heritage  
sought not refuge in heavenly  
harbors

beseeching thy presence in calm  
waters  
cleansing

Healing of designs negative  
formulated in madness stance  
awaits thy intercessions

for salvation pronounced

Listen not to hymns of praise  
to pristine lands engulfing thee  
unseen

Morose thy mood in land flooded  
with heathen delights  
stricken with guilt importuning  
thee

to put in box thine holy visage  
unperceived

Make way for new allow  
that golden nuggets of holy food  
feed thee with recall  
of era past of harmony preserved

Wakened not from dreams of  
weakness personified  
to realness of holy son magnified

Solace signifies  
abuse seen as reality factors  
in world of dreams festered  
Magnum of being desecrated  
    by beliefs in outrageous  
    conceptions

Look not to Savior soliciting thee  
to forefront of dream nocturnal  
    Sense of season change

for holy store  
Elaborate on scene of holy  
juncture  
to brothers of like mind  
desiring eternal peace in bowels  
of being  
Preoccupation with central core  
musters strength for magnifying  
cause  
of eternal bliss

3-16-2001

Seen by eyes of God  
worldly traits dissipate  
into ashcan of memories  
unworthy  
Worsted not by experience  
man returns to holy haven  
assigned by will of God for  
eternal keep  
Locked into guidance assured

Washed of sands shifting  
beneath feet of integrity

3-17-2001

Succumb to Me O son of Mine  
who lampoons Christ with actions  
adrift  
Willst not thee see thy caricature  
of Me  
ridiculing holy address of thy  
true state  
Mock Me thee do with silver  
piled on plate  
that scourges deep My true  
identity  
Lost in shuffle constant  
apply message Mine  
dictating way to healed state  
of heavenly stance  
Lewd thy thongs of practice  
denying My children just cause  
in search for Holy Grail  
Honor Me with suppliant pose  
that brings thee My word in form  
of practice  
to recover essence of Me in thy  
life aborted

Make trails to kingdom High  
elucidating script to sacred  
others  
wanting of kingdom home return  
Vows of penitents contrite  
wash away sands of time  
unhealed  
meandering in opposition  
to recovery of identity Mine  
in depths of thy soul  
Regale in laughter  
children of Mine  
at sight of thy true heart  
enmeshed in concord  
with sacraments of thy heavenly  
home

586

3-18-2001

Here lies the truth of being  
Ascertain the heartbeat of  
holiness within  
In hurt lies the defamation of  
wisdom stored  
that alleviates symptoms of lost  
cause  
Break ground of being that heals  
alliteration  
of cacophony senseless  
menacing thee  
with threats empty  
Add to quagmire longing for  
spirit presence  
hastening to resolve lost sense of  
identity pure  
Lusting for sands of shiftless state  
denies richness of soil of creation  
being

Wear not the clothes of  
tomfoolery  
embroidered with colors flagrant  
of repast immoral  
Replace with cloth of pristine  
beauty  
shimmering with stardust of  
glory conceived  
Eloquent the style of blazer  
masked not  
by tawdry elements of hope  
abandoned  
Mock not the scenes of heaven  
with paints of brimstone  
conceived of madness mind in  
earthly voyage  
Return My loves to sights of Me  
endowed with gems of sparkling  
color  
reflecting essence of thy mind  
true-born of Mine  
Wilt thou return O My son to true  
ground

587

3-19-2001

Held in heart deep in sorrow  
lies man's mind aggrieved at loss  
of way  
Punctured the sight of hope  
steering man to cliffs of reward  
from valley of derision  
Hold not thy views of temples  
fallen  
to lusts of life adrift in no-man's  
land  
Settle thy mind in Me who brings  
thee  
to cool waters of relief

from burning coals of life in  
midst of horror  
Consumed are thee with nettles  
of life ingratiating thee  
Wracked with indecision cast  
upon land of no-return  
doth thee wander with no answer  
in plight elastic with falsehood  
adhered  
Sooner be thee in no-man's land  
than fly with angels high in  
stream of life  
honoring thy true create  
Wish not thee for peace of mind  
of glory seed  
pregnant with love awash in  
minds of brothers one  
Cast thy nets in foul waters  
accosting others  
with false views of kingdom  
made  
Relish thy life with Me  
Who blesses thee with endeavor  
in blazing sun of warmth secure  
for man who trods on holy  
ground in company Mine  
See this as answer true for thy  
plighted state  
In honor were thee born of loving  
Father true

588

3-19-2001

Healed in heart are thee whence  
comes the Rose  
in full glory  
Speak not of trussed state  
bound to ignominious ends of  
halter

in hands of unprincipled guide  
Grounds of heaven beneath thy  
feet  
accompanied by Guide divine  
lost not in world of servitude  
sacrilegious  
Doomed art thee to world of  
wandering  
with gait unsteady  
guided by Mephistophelian mind  
Wilted in heat of passion wasted  
doth thee succumb  
to blandishments of false gods  
worldly founded  
promising thee succor non-  
existent  
Drift in darkness in corridors  
dank do thee  
following lead of deities false  
Listen to Me thy Rescuer from  
sands of time  
linking thee to heart of holy  
Source foreboding not  
Welcome Me Who prevails over  
darkness state  
embracing thee with heart of  
kindness  
lovingly endowed upon son of  
vintage Mine

589

3-19-2001

Heed not sounds of silence astray  
from main course  
Assumed the truth of worldly life  
remote from heaven's scenes  
Biological sphere ornate  
forecloses nuptial of heavenly  
mates

Lessened the source of true  
aware  
in distractions of concepts human  
tied to tree of life falsely divined  
Apex of heart's recall precluded  
by belief in substance false  
as elixir of life profane  
Thoughts of glory immersed  
in swill of liquids gargoyle's  
spilling from minds discontent  
with inner creations  
Longing for peace emerged  
in boundless miseries of  
madness mind  
besmirched by gutters of foul  
products  
permeated throughout  
Relapse assured by dint of effort  
invested  
in sustaining beliefs of grotesque  
products inundating  
Silence stills the mind of truths  
avoided  
Deciphered true madness scene  
by glory seeds of Holy Spirit  
deposited  
in yearn for wholeness regained  
Last thee will in healing hunt  
for torches of direct  
returning thee to corridors of  
homeward journey  
midst whirr of angels about  
propelling thee

590

3-20-2001

Fullness of Spirit echoes in time  
sommnambulant  
Hold thy tongue of anger

scripted by schemes of  
loneliness embraced  
Hearts impure seek redress that  
covers tracks  
into lands invented by absent  
owners  
Tell-tale signs of carnage  
displayed  
by bric-a-brac hurled at kindred  
souls unrecognized  
Loose-lipped survivors exult  
at victories empty  
on playing fields  
of derelict hulks in sordid waters  
Hype of victory decays  
on platforms undermined  
dedicated to triumph of human  
vicissitudes  
Locked in monsters exposed to  
light piercing  
disintegrate into nothingness  
grounds  
of madman creations  
Wash thy hands of tempests  
totaled by elixirs of spirits  
calming  
Let loose thy spirit in scenes  
rejoicing  
of recovery anew of kingdom  
home sightings

591

3-21-2001

Curry not thy tart tongue  
flailing others in staccato style  
Healed not in moments base  
with hearts awash in tirades  
true of rage submerged

Distant thy mind from golden  
shores  
distilling savagery as molten  
base  
Lost thy line of thought  
arrow straight from sites of  
compassion coupled  
List not from side to side  
in debauchery drained  
hell-bent in desperation  
to abandon mode of love  
immersed  
Seek not cruel gibes fostering  
hate  
'mongst brothers lost in gruel of  
mind's madness  
Hear not the tirades  
cycling from machines of wrath  
denying presence of truth  
personified  
Healed in time eternal be thy  
goal unwavering  
mastered by man abandoned to  
ways of world  
Submission to My dictates  
resolves lost states of minds  
stalled in lands mud drenched  
Healed in heart are thee in turn  
to inner Me  
raising tides of cleansing waters  
exculpating minds of drift from  
source nocturnal  
Revealed  
highlights of gems eternal  
shining forth glitter of love  
encased spirits  
in heavenly mode

592

3-21-2001

Whereth go thee My love  
of life subsumed in My name  
Painstaking thy path  
delivered to Me for guidance  
in world mastery  
Prosper thee will in tasks  
for salvation adherence assigned  
to thee  
Lost not are thee in wanderings  
'mongst rubble of beliefs  
adhered to madness mind  
stumbings  
Ruled art thee by My intent  
to deliver Holy Grail to children  
Mine  
seeking salvation path  
Mastered the route of return  
that guides thee to kingdom  
home  
re-established in sight and mind  
Look to Me unerringly for path of  
wisdom  
superceding dribbles of  
misinformed mind  
Disappointed not will thee be  
in choice of homecoming  
preserved

593

3-22-2001

Seek not heaven's gates in heart  
of gold  
Distressed are thee  
in pandemonium of paternity  
falsely imbued  
locked into heart of stone  
that corrals thoughts of bliss  
midst sea of infamy

Loosen thy bonds to matrimony  
false  
inveighing thee to worldly ties  
encased in fears  
Profound thy love of man  
in dew-dropped sight  
perceiving holy image of truth  
within  
Falter thee do in gumdrops  
recognized not for poisonous  
taste  
of life immune to love  
Sweet nectar of heaven's create  
wills ties of Creator  
that binds man to Self in arduous  
embrace  
Seek not thy life in hell  
obscured from heaven's chants of  
love declared  
Wash thyself  
in gentle torrents of deliverance  
from scenes impure to heights of  
magnificence  
diluted not by straying life  
Hope of heaven's heart regained  
in life of glory in holiness  
submerged

594

3-23-2001

Salubrious thy person when held  
in arms of Me  
rotated to grasp of glory seed  
Abundant thy life anew  
whisked away from dark corners  
of nowhere  
deposited in land of sunlit  
'scapes

Rewrite thy script of torment  
posted  
regaling scenes of heartbreak  
wished  
Further thine advance to  
kingdom home  
awake with cries of jubilation  
Lost not thy hold on kingdom site  
awaiting thy emancipation  
Tenacious God's grip on children  
His  
guiding recovery of natural life  
Bound for glory are thee in time  
consumed  
by edicts displaying entity of  
true worth  
Beknownst well thy title and  
fortune  
to Creator everlasting  
investing thee with Self assured  
Miseried not be thy fate in lands  
aborted  
of waste seed and rampant  
virulence  
Return to holiness procured  
by sons alive in proximity  
to virgin lands of Creator's fervor

595

3-23-2001

Waste not thy life in torment  
tedious  
devoted to madness schemes of  
magnitude broad  
Seek not harm in time insidious  
in traps and deviltries procured  
Meet thy Maker in dungeons  
drowning  
that casts nets of salvation

for cling of hands abiding with  
holy call  
Restrained are thee in tides of  
abuse  
formulated by wayward mind  
Try not with sincere heart  
to overcome blight implanted  
by fumes of noxious elements  
Corruption by heart invidious  
malforms peace of mind with  
hackles raised  
Place hand with Mine  
that corruption ends  
in fountain of pure waters  
emulsifying contaminants in  
sweep of currents  
Emerge thee will in embrace of  
stars  
shining thy way to kingdom  
home

596

3-24-2001

Salacious thy mind  
uncommon to Me  
that marks thy path to kingdom  
home  
Rectify thy thinking planted in  
thee  
by mind adrift in sea of  
loneliness  
apart from Me  
Loose-lipped in thought  
malicious in content  
spread thee evil in minds of man  
retrograde to Holy Spirit inspired  
Ceaseless be thy efforts to  
eradicate

distant elements from lands  
inferior  
drawing thee away from spirit  
intended  
Lose not thy focus on immune  
mind  
that trails thee for onslaughts  
upon perverse nature  
Rock of image holy preserved  
within  
escapading upon thy call  
to alleviate dictates of saddened  
mind  
engrossed in deviltry espoused  
Link thyself to Me for correction  
factor  
mollifying false image of thyself  
by reeling mind in to holy waters  
sagacious in healing powers  
Lost not thee be in arms of  
Angler  
guiding thee through swift  
currents  
of minds adrift  
to safe shore of redemption  
recovered

597

3-25-2001

Hands of deception pilfer lost  
minds  
from reality aware  
Seek not influence of damaged  
goods  
making bygone days ruler of  
hosts divided  
Lassitude of love creeps in to  
nest of vipers

demeaning others as soul mates  
not  
Tools of deception exclude  
brothers  
from grounds of certitude  
affirming love's base  
Lack of love ingrained  
in search for mesas plentiful  
sustained not by soul's gratitude  
Listen not to wails of hearts  
grieving  
over false premise of love's  
delight lost  
Looseness of minds debauched  
creates images of hope  
flagellating ties to reality born  
Sensations of desire  
grounded in meaningless  
meanders  
into lands of salvation fantasized  
in bodies copulating unity aware  
Seek no further in land of dreams  
nauseating  
for style of life demeaning  
to soul's sustenance in heavenly  
spheres  
Will not the denial of heart at  
home  
in secure grasp  
of bottomless well of love  
embracing  
demolishing falsehoods of  
separation  
from divine inspire  
Wouldst thou come to Me O heart  
of Mine  
for soul felt satisfaction of love  
entwined

598  
3-26-2001  
Triumphant thy will in following  
Mine  
in decadence abandoned  
Fortified in spirit being  
dost thee graze in pastures  
celestial  
on manna moonbeams  
Tranquil in heart's silence  
be thy mode of moment  
indulged in fantasies  
of Creation's power  
Lost the need for loneliness  
succumb  
in company of hearts attuned to  
thine  
Melodic the sounds of raptures  
remembered  
dispensed by harp strings of  
golden tones  
Healed in wholeness  
recovered be thy menu of  
delights  
succumbed in minds of oneness  
devoted to love  
Listen well to chiming of chords  
mercurial  
breathing from heart's interior  
beckoning thee on to kingdom's  
throne  
Wish thee well I do in  
compliance Mine  
with children's wishes to conform  
no longer  
to idolatry satiated  
Lord of heavens are thee in  
concord with Me

extending Creation's bounds in  
joint symmetry  
made of thee My companion  
whole  
receptive to love's embrace  
on mountain tops of glory  
manifested

599

3-26-2001

Salients of fire engrossed  
in qualms of tremored hearts'  
misgivings  
of nature violated  
seek redress of wrongs  
concocted  
in maelstrom of moments  
misappropriated  
by denizens of low life designed  
Thoughts of thee squandered  
in reprehensible compartments  
of life apart  
from golden spheres  
Lowered into pits of squamous  
tissues  
be thy stature in mind of  
madness manifested  
Fostered indignities lower self-  
esteem  
of sons accustomed to higher  
state  
Mellowed be thy mood in arms of  
Spirit  
singing melodies of soul  
departed  
from celestial home  
purified  
Listen not to voices of disrepute

hounding thee with lies of minds  
alive  
in land of make-believe  
Welcome sounds of truth  
unlimbered  
by chorus of well-wishers  
serenading thee with chimes of  
welcome  
to heavenly climes abrogated no  
more

600

3-27-2001

Squalid thy life adrift from home  
in land of make-believe  
Source of love acclimatized  
dispensed not in woeful ways of  
dour days  
Think not of Me  
thy guiding Light  
in mind of man bedeviled  
Succor saccharine douses thy  
yearn  
for unkempt straits of substance  
inedible  
Belied are thee in identity whole  
by masked marvel of thy create  
distilled from seas of infamy  
Lackluster thy holy sheen in dim  
light  
of garish streets  
enunciated as word of truth  
betrayed  
Make amends for loose life  
garnished by frivolities  
in sacred halls of heaven's create  
Abandon moments of madness  
milled by unforgiving stones

of mind hardened by wayward  
    plight  
Seek Me for succor recovered  
that blends thee anew in holy life  
    Lost not thy yearn for days  
    holiness filled  
that declines adventures beyond  
    their scope  
    Fulfilled art thee  
    in treasure troves of life  
    acknowledged as source of  
    being  
from Creator fruitful in nurture  
    care

601

3-28-2001

Suppliant be thy mode for task  
    application  
Logjam ensues from draperies  
    cast before thine eyes  
by self serving propositions to  
    satisfy  
    Lean not towards teetering  
    center  
administering brook's direction  
for flow of materials to wayward  
    world  
Humble thyself to ordination as  
    My servant  
    as recompense for time adrift  
    in frivolous life  
Beam sight upon My presence as  
    holy keeper  
    of syncope sons emerged  
from blighted landscape of false  
    dreams  
Holy is thy task assigned to thee  
    in conjunction with My direct

fulfilled by cohesion to Central  
    Source

Bend not to temptation's sight  
supplanting alignment with My  
    intent

    Accomplish thee will  
    through My perambulation  
    in scenes devastated  
by personal triumphs devoid of  
    Me

602

3-28-2001

Immersed in diatribe of unholy  
    writ  
man succumbs to blemished life  
    Ruled not by golden heart  
sequence of failure immobilizes  
    posterity of joyful return  
Reality erodes in mind of man  
    devoted to winds of mayhem  
    magnified  
Restless souls dignify loutish  
    temperaments  
    mealy-mouthed as mode of  
    express  
Tongues of vipers made  
    sing co-conspirators  
in earthly compact of devil dance  
Rancid hearts bleed foul venom  
    of hatred dispersed  
Let loose in orgies of misnomers  
    man castigates fellow beings  
    as source of misery within  
Seek not help for soul adrift  
    in climes surrounding  
Source of sorrows called upon in  
    silent reflect  
    baring twisted mindset

Healing flows from yield of  
thought's progression  
abdicated to holy Source within

### **Epilogue**

You have been chosen  
to subvert the ways of the world  
clandestine  
that mock My kingdom in  
frightful fashion  
To you belongs the skills that  
reach out  
to loyalty undermined by  
surreptitious thoughts  
inveighing defiance of Creation  
proper  
Make known the devotion of God  
the Father  
to children Mine regaling in false  
premises  
that seed not the forwarding of  
Creation principles  
Let be known the right of return  
to safety assured  
in lands that caress the hearts of  
devoted subjects  
wiling away in swill of  
consciousness corrupt  
Take heart in knowledge that  
success be yours  
in woebegone world of  
undertakings valueless  
Seek shelter beneath My wings  
of tidings comforting  
resilient to resistance of man  
cowered in fear of My  
declarations

Look not askance from path of  
glory  
that provides all answers to  
wayward sons  
rewarding them for steps  
recovering site  
removing stains of worship of  
idols of own making  
Resilient thee be in epilogue of  
life  
containing fluids of reunion  
interspersed with Mine  
awaiting transfer to life  
transfigured in heavenly sphere  
Mark My ways of appeal to  
children Mine  
that they might see wondrous  
world  
awaiting salvation of hearts  
denied remuneration  
in land of living hell  
Proceed My love to tell tale of  
healing yours  
relaying message of salvation  
principles  
available to all who submit  
Locked into Me be thee in  
ventures Mine  
safely bestowed upon thy brow  
for fulfillment of kingdom seeds  
Be thee so assured beloved  
be thee so assured  
thy will be done in concert with  
Mine  
No end be there to love of ours  
extended to holy family of My  
making

604

3-29-2001

Keep thine eyes upon Me  
that fosters growth in hearts  
devoted to central core  
Pleased be thee not  
with trophies of worthless value  
that descend thee to pits of hell  
malnourished in soul and heart  
divine  
Portrayed are thee in costumes  
false  
lamponing origins of noble  
design  
Seek thee thy pleasures  
in will of Mine  
that chastises not thy creative  
soul  
Besmirch not thy holy core  
with drippings of self  
righteousness  
unseemly gained  
Spirit lifted by humble means  
seeking naught but service  
to creator God  
Wounds of healing dovetail with  
peace regained  
in minds drained of worldly  
thoughts demonized  
Healed in heart are thee  
'pon sense of kingdom home  
returned to honored Host  
Bless thee others will thee do  
with sight of golden heart  
revealed

3-30-2001

Distinctive in His impression  
Holy Spirit bares truth to sons

aghast in dismay  
locked into moments provincial  
Heed not the sounds of memories  
garbled  
rancid with taste of foul mouth  
excretions  
Menace appears in forms

Energizing the sounds of  
heaven's beat emerging  
in psalms of praise to God's  
beloved  
Recalled the words of love  
describing God's attention  
to children's needs made clear  
Laid low in wait  
Holy Spirit resonates with truth  
abiding  
to lay waste the cries of the  
abused's sufferings  
Listen not for sounds of tempests  
swirling about from sons lost  
in caves of destiny detoured  
Listen stead to hounds of heaven

in shows of triumph deleterious  
Make way for hearts of love

engaging conflicted minds  
a' thrall'd to fear impenetrable  
Realize thee will  
companions of heart lost  
from base camp of hospitable

in spheres of loneliness retraced  
Harken to their needs for

4-9-2001

Sacrilegious thy attempt  
to desecrate thy Godly being  
handed down from Father to son  
Held in heart inviolate Christ's  
image  
shines through in tempests  
forsworn  
Lain beneath awaiting transfer to  
human scene  
body of Christ raised anew  
in followers of pacifism

Shackled not thine heart of gold  
preserved in acts of living

Trace thy possession of inner  
Christ  
to heart of stone demolished  
in searchers for sanctity sealed  
within  
Let be thy truth of holy order

that castigate dominions of  
heartless demons  
portrayed in human life gone

Defiant thy way of self-abuse  
that mocks the making of thee by

Draconic the life of man lived  
altered in state from heavenly  
made  
Whispered misgivings alleviated  
not  
in mindset of rules punitive in  
nature  
Hear not the heart of true value  
beating beneath fog of  
meandering mind  
Scope of life absurd  
perturbs dominion of soul  
breached sanctity  
Wallow in mud doth thee  
malingering as scholar of man's  
ways  
draped about bust of eternal  
pride  
Hunger for lost domain  
decapitates Satanic quest  
Heed not noble nature  
that calls thee to succumb  
that true riches regal be  
gathered  
amidst belongings of soul  
ventures  
in kingdom home  
Wouldst will this true for you  
O My son of eternal days

4-13-2001

Hardened thine heart illumed not  
astray in territories with unclear  
pathways  
Moist the ground with heaven's  
dew  
awaiting thy footsteps of return  
Scintillating thy cause

of servitude to Christ's wishes  
immersed in world of make  
believe  
Latitude granted for fulfillment of  
intent  
that wills the way of holiness'  
return  
to children of another god  
Well-being assured to sons  
ill-equipped to visit  
dark pathways of underworld  
designed for denial of regal  
stature inured  
Cast aside thy concerns  
for allotment of days bequested  
to thee  
for service of thy goal  
accomplished  
Eligibility for term allowed  
determined by services  
rendered  
for salvation of children  
assigned to thee  
Closet not with the underworld

to callings of beloved Father  
Closet 'stead with Me  
that wills thy journey's safekeep  
to land of noble heritage  
thine for eternity of blessed days

Belabored thy point that ossifies  
thermal updraft of values  
polluted  
Recognize not the thought of

Relinquish thy grasp on specie  
human  
that diverts flow of Me within  
Loss of self control haunts thy  
actions  
in spheres of healings relegated  
to Me  
Let loose thy manner of  
betraying Me  
calling upon human comforts  
as source of healing center  
Occlude thy vision through  
source immaterial  
irrelevant to focus on healing  
tone  
See thy healing in hands of Me  
that relishes recovery of son's  
well-being  
as vessel of Mine  
Waste not thy time in sources  
exterior to want of Me  
for revelation of knowledge  
conducive to recovery of thy  
natural state

4-15-2001

Enmeshed in discord disquieting  
caused by malevolent thoughts  
see thee not  
through haze of violence  
coveted in mien and temper  
Lost are thee in willingness  
to discourse negative  
saluting madness adherence

See not with eyes open  
that masks delay  
with fruits sour disembarking  
Lost in image of time  
doth thee retrieve not  
the ethics of holy circumstance

Mocking of Me  
the worldly theme of display  
that quiets not the heart of  
innocence  
secure in dock of inner sanctum  
Lead not from sanctimonious  
primping

justifying righteousness of own  
position  
Tattle tale of theatrics  
makes known licensure of  
insecure ground  
that impels worthless stature of  
ego mind  
Mark thy traits of ignoble  
heritage  
roustabouting as Savior pure  
Hear not the call of Me  
through false images  
that wills thee return  
from brackish waters descended  
to hosts of heaven derisive not of  
schemes awry  
Latitude extended for lost  
dreams  
of fruitless voyages embarked  
by sons experimenting with that  
which never was  
Land of dreams carnal made  
evaporates in lap of heaven  
returned to son immigrating  
to homeland restored anew

4-17-2001

Valid thy thought of  
communication  
with helpers of divine plan that  
esteem thee well  
Surfeit of information locked into  
exchange  
with heavenly voices poised  
to guide thee in séance  
explicable  
Hear not voices of mundane  
world

preaching subservience to outer

Course declared within  
that molds recovery of holy  
empire  
foreclosed not from thy possess

Seek not landscapes devoted to  
drudge and toil  
Acclimate thyself to warm  
breezes  
soliciting thee to seasons proper  
adulterated not by sludge and  
slime  
Baths of cool waters sensitize  
thee  
to love of eternal Father  
devoted to son's comfort  
in arms of Almighty  
Let be thy shield lowered  
in welcome of Father  
providing thee with nurture  
Washed of sin and guilt  
expressed by mind possessed  
wilt thee cower no longer  
Let loose thy dreams  
of falseness endowed  
disconcerting thy holy visage  
contorted  
Meet not dreams of terror  
in holy ark of life diffused  
Seek thee 'stead My lofty love  
of hearts imbued with soul of Me

Pernicious thy view of life

a' stream  
relegated to lands of make  
believe absorbed  
Lopsided credence paid to meals  
malnutritious  
offered by demons morose  
Quest for holiness sidetracked  
sought for in pools of quicksand  
deleterious to sons amiss  
Wrapped in gold leaf  
posture sedulous not  
for man of God ordained  
Silence quickens thy spirit  
recovered  
in caves of wisdom vaults

Seek not thy spirit  
in acts atrocious  
to mercy loving God  
guiding thee in ways of love

heaven's fount  
cascading 'pon children remorse  
filled  
from sallies into love lost  
dimensions  
casting gloom in time spent

4-19-2001

Heresy reflects ignorance of Me  
Who assures safe journey to  
home port  
Palm to palm are thee led  
with misgivings none  
to sally no more from path of  
righteousness

Heresy speaks of anger  
unfounded  
towards presentation of My role  
as Savior of thee  
Masks aglow with fear within  
contaminates sight of natural Me  
availed to all for salvation  
purpose  
Mark not the means by which  
mission accomplished  
Detours arise from beliefs in My  
upbraid  
of children adrift in seas of  
infamy  
Little known of My sight that  
upbraids not  
but sees hearts in distress of  
lonely climes  
Work not at synthesizing God of  
love  
that meets need of guilt-ridden  
children  
Truth beholds undeterred God  
healing children of His loins  
wandering in deserts of deceit  
framing pictures of misery non-  
existent  
in world of salvation pure

633

4-20-2001

Held in arms embraced  
by angels upholding thee  
wouldst thee see  
the sights of heaven abound  
Lacklustre not the scenes of glory  
whence unfold to thee with  
sacred eyes  
Hearts of mellow ardor

reverberate to holy grounds  
recovered  
Round about thee  
hear music moonbeam soft  
that melts minds profligate  
morose to sight and mind  
Ecstatic be thine heart  
unbound from verbiage  
akin not to inner core  
Taste rosebuds sweet with dew  
Memories enhanced of kingdom  
home  
from long absconded  
that wills thy return  
to savor holiness of thee  
bred in eons of exist  
Fancy free be thee in heartsongs  
of delight

634

4-21-2001

Ape not the ancestors of primal  
days  
that flood thy mind with grievous  
taunts  
Holy art thee in obscene world  
willful to chants of evil performed  
Sought not the produce of My  
aware  
ranging in scene deleterious  
Want not My wish and want  
in parley with sons obsequious  
to rant and rave  
Harbinger of evil performed  
be signs of harsh mouthings  
that cascade from raging human  
froth  
Entrance to kingdom home  
predicated on revived sense

of sons one with thee in kind and  
content  
from source of Me thy core of  
love  
Relocate thy center being  
manifest in ways patient  
with others descended into pits  
of odoriferous omens  
founded in fears of mutual  
destruct  
Benign be O healer of Mine  
to molting of fea in chasm Mine

Hear Me in thine heart where I  
encounter thee  
Spread Me not about  
when search for Me within thee  
I am  
Ruled by heavenly hosts are thee  
in close encounter drawn  
in holy symphony  
Ladle out love in style generous  
that portrays essence of  
unflagging devotion  
Led not into temptation thee  
by fear's incursion  
when calleth Me upon the scene  
Redolent odors of sanctity  
immerse thee  
configured in image of divine  
Creator  
Lost not in world of tumult when  
sight cleared  
by Hand of healing swept across  
thy blinded visage  
Trust in Me O man of God

that witnesses not to human  
vapors  
but places upon thy brow  
the mark of eternal healing  
broadcast about

636

4-23-2001

Holiness of heaven haunts thee  
in life apart bewildered  
Heart of love belabored  
in cavern enticing thee with  
greenery thorny  
Hold not to cavern walls moldy  
that trickle hollow triumphs  
Look not to fiends of fury  
that escalate discontents  
to milestones of harvests cynical  
Marshlands putrid with fetid  
waters  
bleed disharmony  
in rows with companions  
of Easter world  
Holiness encountered  
in Winds of change engulfed  
when calls for tarnish removal  
breach lips of appeal

Cadaverous blossoms blight thy  
sight  
of heaven's yards tranquil  
in scenes of Glory  
Here lie buds of nature own  
galvanized by heart of Creator  
sensing  
Leave not thine heart in hands of  
lesser source  
castigating elements of primal  
scene  
Look not to demons dancing  
on hills of infamy  
wiling away source of Creator  
power  
Lands of dreams ignoble  
chastise thy vent of holy powers  
exculpating  
Ridges of fear decimated by  
flocks of angels  
gathered to soothe thy mind of  
endless chatter  
Docile be thee to Me lending  
hand to grasp

raising thee from pits of insomnia  
that thee may rest in hearts  
tranquil  
obsessed not with wrongs of  
creations past  
Seek thee My heart of ardor  
relegating thee to thrones of  
glory  
inimical to wasteland of sorrow

5-21-2001

Here in your heart am I unfolded  
Curtains of silence raised  
permitting thee to observe My  
presence  
Rush not into fields of glory  
pertaining to worldly matters  
Stay inside where I cast shadows  
upon thy life  
midst values of useless toils  
Single out welfare of thee I do  
pertaining to life of Me  
Succulent My fruits of vintage  
rich  
employed to regain chattel of My  
son  
Warped the mind of son adrift  
in dreamland of torrents of abuse  
Made mellow are thee  
ensconced in Me  
made treasured  
as royal son of My loins  
Enjoy thee will resting place  
in golden satins of My heart  
reading thine heartbeat as My  
own  
Make of Me thy love beloved  
treasure trove of all eternity

locked in embrace sweet  
of love ordained

674

5-21-2001

Lost are thee in dismal straits  
alleging life amidst corridors of  
time

Tuneful thy soul cast upon Me  
Alter thy tastes in starving meals  
astride plenty in paradise lodge

675

5-22-2001

Watched over with care thy life  
in high dudgeon

Make claim on holy heart for  
aspired goals

Tilt left nor right in proactive  
stance

claiming heart of wholeness as  
thy own

Be quick to Me in times of flight  
from scenes of mayhem  
discerned by thy cause

Be stolid in mayhem mixed  
inviting counter to other's ploys  
Be My guest in journey through  
life unabridged

at waterholes of quicken  
that thou might see with  
unblemished vision  
sights of holy matrimony abound

Be likened to angels  
in holy cast of heaven's habitants  
forsaking myths of glory  
unseemly founded adrift

Thy ways not Mine in mixed  
madness attended

wolfing lollipops of venom  
Bend thy knee to holy ground  
that fulfillment Mine be thy  
course and way in salvation path

676

5-22-2001

Ingrained the heart of Love  
adored

that excises trumpets of misery  
manifested

Seek not the kingdom of God  
alone

Entrusted to thee be minions  
Mine

that guide thee through thickets  
drained of dross

Miasmas of foreplay scanned  
diluting heat of passion

disowned as secular journey  
Roots of holy trysts uncovered

entwined with will of Father  
Make haste to kingdom home  
embraced

in life of son donating heart  
to Source of love entrusted

677

5-23-2001

Cast salt on sand in wayward  
world

lamprooning heaven's Creation  
Doll houses dressed in kinky  
town clothes

mutated as sons of God  
dwellings

Forsaken not thy clothier  
bombarding thee

sallying 'gainst heaven's stores  
of riches royal  
entrusted to sons of God  
safekeeping  
Benign thy life in heavenly care  
bestowed  
'pon sons adrift in madness  
malcontent  
Waft scents of lilac blooms  
odoriferous  
'pon sons malnourished  
in dingy dungeons deprived  
Hear songs of glory sung  
on winds of accompaniment  
Haunting images of holy design  
emerge in gallery recompose  
soothing son's longings  
for redress of wayward life adrift  
Stinted souls enamored of holy  
life recovered  
in fullness of Creation conceived

678

5-24-2001

Pause and mend  
Destined are thee to tribulations  
of spirit pursued  
wanting worldly matter as source  
of thy life  
Recourse to spirit world  
embodies thee  
with solace claimed  
Recompense thy name as spirit  
son of God  
whence dwell thee in hall of  
honor  
bestowed by olympian God of  
love  
Treasured thy view of holy order

in hallowed place of inward life  
Hear thee My call to thee  
of succor sweet abundant  
dispensed to My children  
gathered in shade of forgiveness  
administered in My name  
Recoup thy loss of peace  
in alabaster dwellings  
forsaking worldly means  
deciphering not the intent  
of resurrection planes of cosmic  
dimension  
Inward bound be thee for life  
eternal  
with God of munificence

679

5-25-2001

Etched in view  
symphony of sound  
located in center of madness  
core  
elaborating mystical retreat  
to heaven's home  
Held in heart of God  
man defuses realm of madness  
court  
absconding from bewitching  
melodies transfigured  
Let loose in field of lilacs  
doth man renege on scenes  
perpetrated  
attacking haven of kingdom  
home  
Reeled in from compost heap  
of rotting themes  
man effuses on heart regained  
in land of awoken dreams  
Castigate not thine showings

of nature true absorbed  
Willing be thee to absorb  
word of covenant made Mine  
Make way for presence Mine  
that clears the air

5-26-2001

Come inside where I am  
ministering to thee  
in sandy nook and cool shade  
Decipher Me thee do in Winds of  
blast  
corralling sheep in sheepfold  
Dusty roads stay clear of  
in midst of holy concourse  
filled with entourage of angels  
guiding thy every step  
Flight of hearts sincere  
embraced on scaffold interior  
entwined with dollops of love  
secured  
Cast of millions upraise thee  
to heights impoverished not  
of sunbeams gazed upon in  
echoes of delight  
Murmurs of heaven sent  
mermaids  
cast flowers of starlight pastured  
Sought not no more  
dreams of make believe lands  
abscessed in throes  
of prickly death administered  
Warm shake of vibrant chords  
sets gel of ministry at lead of Me  
thy Ruler and King of days of  
yore

681

5-27-2001

Yield to Me thy stone of sour  
mash  
Meadows of golden rod exceed  
thy grasp  
locked into maze of twisted  
minds  
Ruler of realm interior  
masterminds of life abroad  
dovetailing with signs of distress  
Relics of bygone years  
reel in disorder  
swept away  
Lease on life renewed in call  
to Higher Power  
signifying distaff concerns  
of human life  
Hollow sounds of victory  
conceal matted gore of triumphs  
marred  
midst whirlwinds of self-deceit  
Heroes of conflict's sinews  
betray heavenly trusts signifying  
locus  
of heart's recall  
Bring rule of Me to bear  
on scenes melodious  
conceived of dreams disruptive  
Royalty awaits thy recall of hearts  
entwined in kiss of love mastered

682

Heart's stirred by God's delights  
intone prayers of thanks to triune  
God  
held in capture by loving Hands  
renouncing portions of unholy  
writ

soon to be glory scene captivates  
    hearts  
held amiss by misguided sons  
    healed not in stride adrift  
Hearts of love eternal made  
    boisterous not  
    succumb to chants  
    of Deity's submission call  
Hold not to thy breast willful  
    ways  
meted out by gods of chance and  
    misdirect  
Tooled are thee for holiness  
    served  
    constrained not by Godly  
    dictates  
Leave behind thine earthly vows  
    relished not in mind of Me  
Gardens of delight sacred  
    encrusted  
    foretells joys of sons  
    in Bible of truth  
    ordained by eternal call

683

5-28-2001

Haughty though thee may be  
    hated not are you to Me  
Hindered in step whole  
    magnitude of fulfillment  
    hastened to arouse thee  
Hold not thyself in pose human  
decriing state of stress observed  
    Hold to heights of holiness  
    true to son of Godly nature  
    Healed in heart are thee  
    when absconded from world  
immersed in brimstone of self-  
    deceit

Stay thy will of illness born  
    wracked in grief of unholy  
    thought  
    Moved are thee within  
    to sound stage of adrift  
mortified by Winds of change  
    decline  
    to advance of nebulous  
    personified  
    Holiness abounds  
    in heart of wholeness averred  
Found thee in hell transformed

Platitudes ornate screen empty  
    hearts  
    roiling deceptions in earthly  
    scenes  
    Hearts adrift in seas of mud  
recompensed naught caged in

    Lift up thy spirit high  
    to blooms of grasslands  
processed for return of lost souls  
    Hear voices of laughter call  
    ensconced in realm heaven sent  
    dew-dripped  
    to mutated sons  
asphyxiated in gloom of death  
    Hurt hearts abandoned  
    in holy trough of living waters  
washed of seeds of destruction  
    gleaned  
    Healed in holy waters  
    doth thee protrude truth  
    in world of cacophony  
    endearing not to sons of God  
    made man

squelched in human form  
Transcend equilibrium flawed  
    postulated in manner Mine  
    Seek not vistas  
    desecrated by tombs of  
    marching madness  
eviscerated by effects martial  
    Keep to path of Namesake  
    foregoing plans of joy  
    demolished  
    in scenes of travesty  
    Relent in tasks horrific  
spilling genocide of holy origins  
    Bursting bags of sunlight  
    dispersed 'pon grounds  
    sodden with grief  
Beasts of burden emulated  
    by sons of God  
prostrated by weight of guilts

    Heed telltale signs of  
    intervention  
signified by movement of Spirit

    that markets not the produce  
    of souls malformed  
    Righteousness of Wind  
    backtracks man  
to path of glory made by Father  
seeking recovery of errant son  
    surefooted  
Hear Voice calling in darkness  
    heavy  
    routing thee  
    to transformation of sights  
    blinding bright  
    in heaven's scenes

685  
5-30-2001  
Prostrate thyself before My  
    presence  
Make of Me thy enemy in world  
    of concupiscence  
Hear not My Voice that calleth  
    thee  
to gains in world of My making  
that transforms role to My servant  
    in make of Me  
Healed not in thy ways of  
    blooming garbage  
that transacts relationships  
in world of vacant dreams  
Held in bondage be thee  
transfixed on sights and sounds  
    of media  
    bellowing caustic remarks  
of sons at war with inner self  
Make of Me thy legs carrying out  
    commands  
of raucous voices ignored  
to forgo cliffs of mutual  
    annihilation  
perceived as saviors of life  
    avowed  
    as realness made  
Lost be thee in dreams of rot  
that cast companions as enemies  
    perceived  
    dangerous to self-exist  
Hear Me call  
    thy Voice of union  
whittling away at voice of  
    progressive destruct  
to regain kingdom preserved for  
    awakened sons

at peace with inner life declared  
by Me

Harken My son to My Voice  
Fulfill Me thee will in wants of  
Mine  
carried out through thy ministry  
divine  
Heaped 'mongst garbage of  
worldly travail  
be summons to work of matter  
Mine  
Buttress not walls of strain  
from decomposing will of human  
forfeiture  
Seek not holes in wall of divine  
will that  
encapsulates thy being with  
masonry settled  
Link thy soul with essence Mine  
that declares thee fulfilled  
of current's flow  
in harbor of safe receive  
Refuse upstream dislodged  
by sweet waters of My breath  
cooling thy brow of fevered  
stress  
Work not at tasks counter Mine  
that flatter soul of divine

Keep thee on path of ministry  
that righteousness protects  
in swamps of misery human

Abide by Me thy Savior true  
in life of service sustained by Me

Malformed thy view of eternal

leading thee to paradise home  
Wouldst not thee want from Me  
thy raptured days  
of hearts a' glow with celestial  
fire  
Wouldst not the prance of angels  
aloft  
ignite the heart entire  
Wouldst sounds of hearts in  
metered songs  
engage thy mind's delight  
Hurts of hearts of stone a' gone

in metered trance of glory seen  
Angels dust thy view on high  
with glittered scenes of royal

Hear bells tolling thy wakened

to hallelujah life in glory seat  
Recall thee will thy place

Let loose thy message true

Knock not without answer true  
that welcomes thee to home's

from travels abroad  
Dementia mind left at doorsteps  
of waning world  
replaced by lofty mind of  
Messiah King  
present to thy will  
Hold fast to Me thee will

in bronzed image of holiness

Will thyself to support of Me

Ruled by disorder

signifying flight to home grounds

Ruled by barking dogs

Sense scenes of heavenly bliss

Hearts of wholeness wrapped in  
vistas critical  
persuade minds to curtail  
support  
for sacrilegious activities  
Meet 'morrow in freshened Word  
appealing to minds adrift  
in pain of paltry view  
Hold out hope for minds askew

Festivals of dreamworks

persons  
aping long lost vision of holy

Reel in concupiscence

of minds fashioned in ways of

Antediluvian heritage speaks of  
Me

Walk into history illiterate  
to sense thy stone of Builder's

Descent into world oblivious  
coincides with amorphous fears  
of retribution  
from punitive god of unrelenting  
hate  
Conceded not history of love  
languished in arms of thy Maker

Wait for love abandoned  
as thy fruitful path  
Seek within thy cross

Mood swings galore

Let loose thy wand of persecution  
portraying hiccapping world  
of ill winds and mortification  
Bolster mannerisms of mad dog  
at bay

whence cometh with pounding  
voice  
and tart tongue of retribution  
Seek peace on holy grounds of

seducing thee to world of

Naught but thee remands thy

possessed in subterranean  
waters of subterfuge

Hidden in foils of tempter

Tenacious thy hold on eardrums

sour

that master not the sounds of  
heaven born

Raucous the life of timbre false  
that facades the gloom of eternity  
lost

Elastic the Muse of heart felt song  
mystifying

that rings in chapel halls of  
divine providence

Lucid the thought of humdrum  
exist

parading in silent sanctimony  
knocking on doors of lost souls  
dreaming of worlds apart from  
central Core

Noble the thought of co-exist  
sanctifying the heart of  
wholeness medium  
of souls in oneness  
congregated in heart of God  
almighty

Lassitude turned towards Light  
redeemed in gloss of heavenly  
sphere

coating over anthems of defeat  
demolished

Rectified the gait of heaven  
made realities

stirring sounds of freedom  
embossed

in capsules of time  
decimated at oceanside of  
eternal rule

Lewd choices corrupt thy  
signature true

exclaiming miniscule views  
Mountains of dung  
picturesque to eyes  
of squalor herded  
Least of nothing groomed  
as replacement scintilla  
for peaks of glory  
savaged in no man's land  
Tutelage sounded from crow's  
cawings  
bleating boastful corruption  
of truth's domain  
Seek no answers in battered  
lands  
of truth corroded  
Honeysuckle squired by  
adherents of love  
released to crowds of onlookers  
portraying lost souls  
at racetrack to oblivion  
Perdition obscured by haunts of  
holy hearts  
restored to view of home seekers  
retracted from sordid sense of  
self defined

Heartfelt symptoms of noblesse

Willingness to blend with others'

Human element declares

Harken to Me that sounds the call  
of revolution retreat  
from throes of inner sanctum  
netting thee in porcupine land  
Hasten thee to Me with footsteps  
glide  
on sands of time  
subsiding into dust of paltry  
place  
Dignify thyself in Master's  
clothes  
regulating part that you must  
play  
in scenes of conflict exposed  
and nettled in shoots of despair  
Largesse sustained in woods of  
holy comfort  
feeding thee nutrients of will

that overpower sense of failure  
ensuing from direction of thy life  
Held in heart of Me  
doth thee proceed  
in abandonment of ways of world  
defiled  
Mocking masks exhumed from  
base of fervor  
relegating thee  
to thoughts of naught entreated  
Conform thee will to My  
ascension  
accusing thee of dereliction of  
duty  
indulged in taking pot shots  
at plan Mine  
focused on return to heavenly

Blind faith be thy guide

Docile thy fashion be thy way  
to evergreens polluting thy path  
to Wisdom incarnated  
Poured upon thee be fake

pursuing thee in trips  
through maze of time  
squandered  
Lighthouse beckons thee  
to wharf of love  
kindled in piers of flame  
Toxicity mounts in seas of  
endeavor  
castigating love's lost journey  
in metronomes of conceit  
Brackish tide of cacophony

rattles receptors tuned to defeat  
decimating calls of longevity  
appearance  
on screens of scan  
Healed in heart art thee  
when calls transposed  
to seat of Power  
moored in glades of tranquility  
Metamorphosis of sealed infinity  
inoculates organism  
with mystic path  
to hallelujah chorus  
in hills of holiness  
cleaved to eternal life

Immorality increased  
in lexicon of worldly closure  
Infamy consumes thy daily bread  
outliving worth of holy writ

Consumed art thee  
with commands of unholy writ  
compelling thee to acts of  
disfavor  
placed in arms of giants of  
anarchy  
Rulership denied principles  
leading self to assessment  
of holy instance accommodating  
Let loose thy ways of succor  
drawing nectar sweet  
from plants infirm with death  
knell  
of world without worth  
Hold to healing of heart made

blended with liquors

poured from temple of

Hear Me O My love that speaks  
truth to thee  
of miles apart from kingdom  
home  
Tauntings tedious barred in  
framework of nest  
exercising rights of God's son to  
freedom  
from colloquial expressions of  
hate mongered  
Do little to explore tenants  
residing in halls of silken curtains  
that will exodus from home of  
horrors  
seducing thee to mirrored life of  
self-deceit  
Exhale haunts of loneliness from  
cavities  
that surrender not to eclipse of  
beauty  
satisfying soul of errant ways  
Wistful be you be from refrains of  
glory sounded  
that emerge from space defined  
by son of man  
made holy in God's eyes  
supreme  
Douse flames of discovery of  
false images  
that hinder thee from exclaiming  
truth of God  
made known by Savior son

locked into heritage thine by  
holy edict  
Fulfilled will thee be by homage  
paid  
to illustrious Son  
of reverence inspired by rooms  
of chagrin  
immolated in course of healing  
path  
Who would thee be O My son  
ruler of rags  
guttled in sequence  
of unholy fires  
Realtor of space magnified  
calls thee to rooms of repose  
residing in heart of heaven  
chastised not by weather of calm  
Spirit  
Wouldst not this be thy wish My  
son  
to rule with Me in heaven's  
climes  
where ghosts of horror be no  
more  
on thoroughfares of sheer delight  
emulating Me

Intemperance casts its shadow  
on thy search for peace  
Risk not sedulous ways  
conformed to holy activity  
lest seasons of change  
awaken to false prophets  
Hearts aroused by Holy Grail  
retain instincts of Creator born  
flouncing about in world of  
whirlybirds

Seek not elsewhere thy peace

but in Me thy home eternal  
Look not in drifting seas of  
despair  
culminating in lockjaw of defeat  
Essence of love drives thy  
bargain  
in affair of state sequestered in  
My loins  
Seeketh thee strain when out  
look from Me  
dumbfounded in crevices of  
roiling world  
cast not in scope by hands of  
Maker  
Warrant not thy suffering mien  
escapading in world of rot and  
ruin  
Claim thy sufferance from tedium  
enmeshed  
in hands of devil stew locked  
Frigate of freedom awaits thy  
consent  
to board thee  
in sea of serenity tranquil waters

Wreak not damage upon kin of  
Love  
that satisfies soul bent on lust  
Waken to Love's call that hears  
all said  
denying rumor of drift from  
center core  
Spells of coercion loose lipped  
negate sight of central Being  
washed out by corrosion of  
history denied  
Bland be thy manner true

escapading in dungeons of hurt  
and havoc  
Licentious manner manifest  
militates 'gainst identity imbued  
by Creator of love endowed  
Reach not for fortune in despair  
centered  
that migrates into hands of  
evildoers  
Seek not locus of faith  
in willingness to abhor  
insensitivities  
of lower breed  
Waltz in kingdom jocular  
when accede to command  
to love another as your self  
History of calumny dissipates  
when touched by angel  
spreading good news of heart's  
return  
to kingdom home incarnate in  
worldly view

Seek not a settled mind  
when cramped with disputes in  
inner life  
Lofty goals unattainable  
when consumed with grief  
over appendages' wayward walk  
in world of woe  
Suitable be turn to Me  
that sustains thy life  
in wickedness caused by mean  
minds  
protruding into conscious aware  
Let be thy wisdom encased in Me  
that guides thee to somnolence

overcome  
in mind of Me focused on real  
and bountiful  
Cause of pain dissipates  
when leveled by sight of oneness  
all  
in heart of Me fluid  
Restitution recovered in life of  
son  
denied by human mind adverse

Heed not stones cast upon thy  
face  
arousing thee to anger sought  
Lift thine eyes to holy Word  
melting hearts fixed in rage  
proclaimed  
See through testimony of  
madness minds  
deceiving thee with nonsense  
thoughts  
conceived in fear of perimeters  
overcome  
Rouse benedictions of Holy Grail  
diffusing minds with heaven's  
warrants  
easing fears of encapsulation  
by minds foreign to peace of

God  
Healed art thee by soothing  
thoughts  
of minds turned inward to holy  
ground  
abstained from madness carnage

884  
10-26-2001  
Horrid thy view of eternal life  
excluding peace and shade of  
golden wings  
Beaten down  
recovery of sameness through  
diadem  
coursing in waves of heavenly  
ringlets  
Looseness of fitting  
streak golden hues  
with darkness curves of Diaspora  
Welling of coolness  
dissipates longing  
for heavenly union  
imagined as ruination of self

Healing of interior being

by fusion of soul with Holy Spirit

Grandeur scape delimited  
by eyes cast down in stolid stare  
of miniscule miasma  
Cruise obscene denies repast

to worldly cast of malformed  
souls  
elucidating minds of misery  
formed in dungeons of  
desecration

Labyrinths of hell

led into furnace of misbelief  
charring misadventures into  
ruination

Solace born of midstream  
soaks wayfarers with  
disinclination  
erasing march to oblivion from

Pristine pure thy soul  
ever glad in nature born  
Rule thee do in omniscience state

Lead not thy soul to frontier

lost in succumb to earthly motifs  
leased from vulgar source  
Raiments of night becloud thy  
jewel

shimmering in glory of Easter  
land

Raise thy setting true  
to sights of abysmal  
cooling waters of Frankenstein

Lord of flies navigated safely

by mind submerged in kingdom

Loosely held thy grip on Me  
that forecloses drift awry  
Sense of station amidst bucolic

maintained by gerrymandering  
of territory

enhanced by My government  
Tools of trade lead thee to  
callused hands

providing ecstatic vision  
of heart held in hands of Maker  
who so ever charms thee  
with protestations of love

Minister before madness  
of world of broken dreams

Endeavoring My scion listening  
to thoughts

Willed to be one with Master

doth thee proceed in path  
of righteousness ordained  
Wrought with fear be thee  
when caught in chastisement of  
brother's soul  
lusting not for weathering of guilt

Equalize thy saintliness  
with tongues of tribute  
to higher Power vested  
Lollygagging secured by divine

sensing surfeit of disrespect  
for holy orders of nation eternal

Held not in heart of love

Concupiscence delays footsteps  
approaching the throne of God

as man delves into realm  
of mind posterior  
Wreckage of mind allied with

896

11-7-2001

Tentacles of asphyxiation  
engulf thy brow  
in world of make believe  
Hear Me O My son speak to thee  
about causes remade in image of  
Me

Lackluster be thy soul of Mine  
engrossed in detail menial  
duped by world of sacrilegious  
images  
betraying loyalty to thy King of  
kings

Locutions of instincts holy  
devour tattle tale signs  
of meager life pronounced  
slithering through mud of creeks  
run dry

Liberate My scions of dusty roads

welcoming news of kingdom

in right and proper fashion  
Bestow thee My kisses 'pon  
consciousness of man  
lurking in shadows of dreams

Latent thy call for return  
to citizen of world beyond

Healed in heart be thee on native  
soil  
of land beyond broken dreams

898

11-9-2001

Perspective alleviated whence  
comes Spirit being  
that cools passions of nonsense  
world into vat of jelly  
Let see thine eyes vapors of  
cohesion  
that rock world of make believe  
with spasms of wholeness  
Loyalty diminished when  
speaketh thee  
from corruption of soul doused in  
liquid mayhem  
of muddled mind abandoned not  
Looseness of tongue expounding  
virtue of noble cause  
brings surcease of malevolent

invested in dung heaps of  
civilization  
Hearts held open to Me signify  
devotion to final cause

899

11-10-2001

Derelect art thee in manner  
austere

contaminated with worldly ways  
Cloth of contempt wipes spittle  
on visage of children Mine  
relaying response of germ plasm  
human

Deciduous spores of calamity  
congregate  
soliciting licentious mores  
of ill tempered constituents of  
worldly engrossed  
Punctual be My response to  
seasons of dismay  
calibrating cessation of tumult

Causal angels pop into sight  
of disciples distributing  
ways of God facsimiles

900

11-11-2001

Disquieting the truth of Gospels  
seen  
that magnify the errors of worldly  
source  
Magnanimous the God of love  
Who oversees the cabal of  
twisted sons  
astray in unrighteous paradigm  
Lessons of law administered  
debunk Christ's purpose  
of peace on earth soliloquized  
Healing of hearts ignoble  
demands acquiescence  
to forthright surrender of mind  
human

to subjection of mind filling  
by King of kings willing to wait

901

11-12-2001

Reach not for golden crown  
when compensated by earthly  
desires  
Closets of opportunity availed  
when sessions of searching  
glean bare bones of wasteland  
visited  
Tolerance for pain immovable  
declines  
when compensation degenerates  
from listless forage  
Seek thee kingdom Mine  
where forestation ceases not  
unencumbered by vistas  
narrowed

902

11-13-2001

Moments of madness usurp  
kingdom home  
centered in soul  
Taste of heaven disabuses  
mind of mortal worth personified  
Technology of change  
clamors for introduction  
Superceding harmony  
obliterates  
call for disunion  
focused on wasteland  
Herculean sunrise  
disclaimer of darkness endured  
by ingénue protector of eternal  
scene

903

11-14-2001

Lose not thy vigor portraying  
mortal  
in world of make believe theater  
Trusted art thee  
to recover axis of mortal mind  
debunked by rivers of truth  
absorbed  
Let My willingness to heal thee  
be touchstone of route  
to heavenly return ministered  
Shallowness of porous soul  
relegates thee  
to presumption of groundedness  
in world of trickery condoned  
Be thou servant to Me  
thy Master true  
Who beguiles thee to return  
to nature true  
under flag of truce  
with wayward sons obscene  
nettled by call to duty traitorous  
Lurking beneath be Me  
submitting Myself to thy  
contempt  
Grounded in mercy be My frame  
seeking central core of thy revolt  
Locked into goosetep art thee  
when beholden to mired place of  
wrath  
Golden throne of kingdom come  
sought not in consuming fire  
of meltdown propitious

904

11-15-2001

Malingering in servitude

doth thee dwell on corrupt  
Wellings of dignity  
denied by castoffs of nuclear  
world  
Seal thy covenant with kiss of  
death  
to mainstream world of make

Harbor thoughts of Me  
thy Proclaimer of nobility  
twice born in ways of Mine

905

11-16-2001

Joust about with kingdom home  
silencing call from everglades  
eternal  
Hear thee My call  
for return to mellow lands  
subsiding wickedness in plane  
human  
Effortless be thy way  
in tangents to world at large  
echoing call of God to children  
beyond  
Seashore of delight transposes  
man's ways  
from curtains of silence  
to awareness of holy Presence  
sashaying within bodily walls  
Delve into interior  
where soul meets Mate of  
heavenly eclipse

906

11-17-2001

Restricted art thee in clothes of  
man  
pilfering diamonds from mother

lode

Sequential thy fall into utter ruin  
basking in light of moon mad  
dreams  
Toil thee will at harvests feeble  
masking bankruptcy of human  
cause  
Adjacent tiller made of man  
steers thee into horror show  
of death and destruction  
Silliness of play exposed by  
spirit world  
of peace and love ingrained  
in bowels of heaven born  
expatriated to sorcerer's world  
Desist from efforts to eclipse the  
world  
with noble sentiments of Virgin  
Birth  
'Stead make known thy  
troubadour calling  
that clones thyself in Master's  
image  
Elicit love from stable nature of  
Christ within  
that surfaces from willingness to  
postpone self  
as measure of grand illusion  
Sessions of reappearance  
castigate lonely heart  
as medium of exchange  
Vicissitudes sordid  
blanch at sight of loving domain  
in land of Nod revisited  
Obedience to calling true  
signified by flow of séance  
with higher order received

907

11-18-2001

Illustrious thy call of favor Mine  
that sweeps away debauchery  
of stronghold human  
Make way for fortune Mine  
that crumbles not  
in vestibule of corruption  
seeking license to enter  
corridors of time  
Relish the hereafter in mode of  
Me  
that tranquilizes the future of  
children Mine  
escapading in no man's land of  
sordid life  
Treetops of tranquility bend to  
Wind of Savior  
loose in legion of souls  
fornicating in grounds of despair  
Resilient be for Me  
trumping moves of mind human  
invocations

908

11-19-2001

Forsake not thy life divine  
quarantined in world of  
misbelieve  
Let loose thy riposte  
suctioning out forces of vital fluid  
compromised in din of despair  
Settling of dispute disabled  
by vitriol of cancer within  
eating at soul of purity denied  
Love within conquers all  
in repast of splendor  
consigned to children  
in netherworld of starved  
affection

909

11-20-2001

Cease thy tears spread out in  
forlorn days  
midst sand dunes of iniquity  
Resolve thee to follow plans  
absorbent of troubled lives  
bequeathed to kin of golden rays  
Carts of glory bring tidings of  
love  
bestown on withering sand  
devoid of dynasty  
Monuments of migraines  
dissolve in waters  
lapping 'bout pedestals of deceit  
engorged

910

11-21-2001

Seek not thy divine image  
cloistered in shell of reminisce  
Come back into probe of  
realness  
escapading in depths of sand  
untouched by travels into  
oblivion  
Good fortune awaiteth thee  
when congregated with brethren  
in storm of life  
at feet of Master awaiting thy call

911

11-22-2001

Tutelage of heaven-born

portraying substance  
to kingdom of world without end  
Images of light cascade upon

dwarfed by resonance with  
golden Seer  
Multiple paths to wayfarer station  
blocked by protruding minions  
of hexed misfortunes  
Lackadaisically doth thee collect  
thy treasures granted without  
surcease  
Wounded art thee by collection  
of follies  
bastardizing mind of noble origin  
Relays of mind  
sojourning in kingdom of Nod  
proof of solemnity deferred  
in wraiths of pastels significant

11-25-2001

Serendipitous thy fruits of growth  
obtained  
exchanged for vale of tears  
ensconced  
Reach not for stars when gilded  
cage snares thy yearn  
Teach not My rule when scold  
thee others  
in plight of worldly strife  
Seek not My love in house of  
cards  
denying waste of life abroad  
Be still and know thee presence  
Mine  
Enlightened thy heart with mind  
transposed  
by figurines of truth emerged

Rootless am I  
in frigid region of time's despair  
auctioning off My children's lives  
to knaves of thievery  
Modes of deceit purloin inner  
glow  
that ministers child's soul  
partaking in kingdom lore  
Rude awakening contained  
in shift of demise  
collating harrowing experience  
with mind adrift in never-never

Lift thy spirit to glow on high  
in altruism of Me engaged  
Moist grounds fetid with disdain  
engross thy being  
stalled in air of disrepute  
shackled to taste of blood  
Dynasty built on sand  
curbs appetite for holy bread  
heaven sent  
distilled in mockery of themes

Waste not thy ground on slipshod

12-5-2001

Ridiculous the sounds of Adam's

Lassitude fraught with fear

12-7-2001

Hereafter be thee temperate in  
nature pure  
wandering shores of distant

Beguiled thee not  
by observance of putrid fumes  
emanating from piles of garbage  
parading as sacred rites  
Roiled inside when cometh upon

Edible not seeds of manure
